WHEREAS, on March 28, 2006, the Board of Supervisors of the County of Fresno (this "Board") conducted proceedings (the "Original Proceedings") to establish Community Facilities District No. 2006-01 (Police Protection Services) of the County of Fresno (the "District"), and duly adopted its Resolution No. R-06-196 (the "Resolution of Intention"), entitled "Resolution of the Board of Supervisors of the County of Fresno, California, Declaring its Intention to Establish Community Facilities District No. 2006-01 (Police Protection Services) of the County of Fresno and to Authorize the Levy of a Special Tax Therein to Finance Certain Services," all in order to annually finance certain police protection services described therein, and costs of annually administering the District, all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the Mello-Roos Community Facilities Act of 1982 (collectively, the "Act"); and

WHEREAS, pursuant to public notices specified in the Act and in the Resolution of Intention, and as part of the Original Proceedings, on May 2, 2006, this Board duly held a Public Hearing under the Act, and at such hearing, all persons desiring to be heard on all matters pertaining to the establishment and formation of the District, the rate and method of apportionment of the special tax ("Special Tax") to be levied annually within the District to finance the police protection services, the levy of the Special Tax, the provision of the police protection services, and all other matters set forth in the Resolution of Formation (defined below), were heard, and substantial evidence was presented and considered by this Board and a full and fair hearing was held; and

WHEREAS, upon the conclusion of the Public Hearing, this Board found that the proposed Special Tax to be levied in the District had not been precluded by majority protest pursuant to Section 53324 of the Act, that all protests (there were none) to the establishment of the District, the extent thereof, or the furnishing of the police protection services proposed therefor, or the levy of the Special Tax proposed to be levied in the District, were overruled, and duly adopted its Resolution No. R-06-293 entitled "Resolution Establishing Community Facilities District No. 2006-01 (Police Protection Services) of the County of Fresno, Authorizing the Levy of a Special Tax Within the District, and Calling a Special Election for the Purpose of Submitting the Levy of the Special Tax, and Initial Annual Appropriations Limit, to a Vote of the Qualified Electors Within the District" (the "Resolution of Formation") pursuant to which this Board completed the Original Proceedings for the establishment and formation of the District, the authorization of the annual levy of the Special Tax within the District, commencing County fiscal year 2006-07, and the calling of a special election of qualified electors within the District on the combined propositions of annually levying the Special Tax, commencing County fiscal year 2006-07, and establishing an initial annual Appropriations Limit (of the District), respectively; and

WHEREAS, the exterior boundaries of the original District are described and shown in the original District Boundary Map, which has been recorded in the Office of the County Recorder of the County of Fresno, State of California, on April 3, 2006, in Book 41 of Maps of Assessment and Community Facilities Districts, at pages 80 and 81, as Instrument No. 20060068943; and

WHEREAS, on May 2, 2006, a special election was duly held by this Board among the qualified landowners electors within the original District, at which such landowner voters approved such combined propositions by the two-thirds vote, which was required by the Act for the annual levy of the Special Tax, and which authorized the initial annual Appropriations Limit, which approvals have been confirmed by resolution of this Board; and

WHEREAS, on May 23, 2006, this Board duly adopted Ordinance No. 06-010 (the "Original Ordinance"), entitled an "Ordinance of the County of Fresno Levying a Special Tax Within Community Facilities District No. 2006-01 (Police Protection Services) of the County Of Fresno," authorizing and providing for, among other things, the annual levy of the Special Tax within the original District pursuant to the Act, including, but not limited to, Sections 53328 and 53340 of the Act, at the rates and in accordance with the special tax rate and method of apportionment of the District set forth in the Resolution of Formation; and

WHEREAS, the Original Ordinance is valid, and enforceable, and continues to be in full force and effect; and

WHEREAS, subsequent to the foregoing proceedings, this Board conducted additional other proceedings to annex certain territory (which is not the subject of this Ordinance) to the original District, providing for, among other things, the annual levy of the Special Tax within the such annexation territory pursuant to the Act, including, but not limited to, Sections 53339.8 and 53340 of the Act, at the rates and in accordance with the special tax rate and method of apportionment of the District, and the adoption of an ordinance for the levy of such Special Tax within such annexation territory, and such ordinance is valid, and enforceable, and continues to be in full force and effect; and

WHEREAS, on August 8, 2017, this Board commenced proceedings to annex certain territory (the "Annexation Territory") to the District (the "Annexation Proceedings") by adopting its Resolution No. 17-385 (the "Resolution of Intention to Annex"), entitled "Resolution of the Board of Supervisors of the County of Fresno, California, Declaring its Intention to Annex Territory to Community Facilities District No. 2006-01 (Police Protection Services) of the County of Fresno, to Authorize the Levy of a Special Tax Therein to Finance Certain Services, and to Include Such Annexation Territory in the District for Purposes of the Appropriations Limit of the District," pursuant to the Act, all in order to annually finance certain police protection services (the "Services"), and costs of annually administering the District's (including the proposed Annexation Territory's) provision of Services, all pursuant to the Act; and

WHEREAS, the special tax to pay for Services to be provided within the Annexation Territory is equal to the Special Tax levied to pay for the same type of police protection services provided in the District, and therefore the term "Special Tax" shall have the same meaning in both the District and in the Annexation Territory; and

WHEREAS, upon the conclusion of the Public Hearing, this Board found that the proposed annexation of the proposed Annexation Territory has not been precluded by majority protest pursuant to Section 53339.6 of the Act, that all protests (there were none within the District or the proposed Annexation Territory) to the proposed annexation of the proposed Annexation Territory to the District, the proposed Special Tax Rate and Method of Apportionment of the Special Tax, Exhibit "B," the proposed levy of the Special Tax within the proposed Annexation Territory, the provision of the proposed Services within the proposed Annexation Territory, the vote of the levy of the Special Tax and of the Appropriations Limit relative to the proposed Annexation Territory, and all other matters set forth in the Resolution of Intention, were overruled; and

WHEREAS, on the basis of all of the foregoing, this Board had determined to call an election, to submit to the qualified electors of the proposed Annexation Territory the combined propositions of (i) the levy of the Special Tax therein (as such Special Tax is more particularly described in Exhibit "B" to the Resolution of Intention to Annex and in Exhibit "B" to the Resolution Calling a Landowner Election, below, and to this Ordinance), and (ii) whether the initial Annual Appropriations Limit should include the proposed Annexation Territory, and that such election shall be held as a special election, and, on September 12, 2017, this Board duly adopted its Resolution No. 17-417 (the "Resolution Calling a Landowner Special Election"), entitled "Resolution of the Board of Supervisors of the County of Fresno Calling a Special Election for a Vote of the Qualified Electors Within a Proposed Annexation Territory of Community Facilities District No. 2006-01 (Police Protection Services) of the County of Fresno, for the Combined Propositions of Levying a Special Tax to Finance Certain Services, and Including Such Annexation Territory in the District for Purposes of the Initial Appropriations Limit of the District;" and

WHEREAS, the exterior boundaries of the Annexation Territory are described and shown in the Boundary Map of the Annexation Territory, which is attached hereto as Exhibit "A," and by this reference incorporated herein, and such Boundary Map heretofore has been recorded in the Office of the County Recorder of the County of Fresno, State of California, on August 10, 2017, in Book 45 of Maps of Assessment and Community Facilities Districts, at Page(s) 1, as Instrument No. 2017-0099475; and

WHEREAS, this Board now desires to adopt this Ordinance for purposes of authorizing, conducting and enforcing the annual levy of the Special Tax pursuant to this Ordinance, for taking all such other related actions as provided herein, and for meeting all necessary requirements of the Act in connection therewith.

NOW, THEREFORE, THE BOARD OF SUPERVISORS OF THE COUNTY OF FRESNO ORDAINS AS FOLLOWS:

Section 1. This Board finds that all of the foregoing recitals are true and correct. All capitalized terms in this Ordinance shall have the definition given to them in the Resolution Declaring Election Results, unless otherwise defined herein.

Section 2. By the passage of this Ordinance, this Board hereby authorizes the annual levy of the Special Tax within the Annexation Territory pursuant to the Act, including, but not limited to, Sections 53339.8 and 53340 of the Act, at the rates and in accordance with the Special Tax Rate and Method of Apportionment of the Special Tax, Exhibit "B." The Special Tax is hereby authorized to be levied commencing in County Fiscal Year 2017-18 and in each County fiscal year thereafter in perpetuity equal to the then-current amount of the Special Tax Requirement, as that term is defined in and calculated each County fiscal year pursuant to the Special Tax Rate and Method of Apportionment of the Special Tax, Exhibit "B."

As defined in the Special Tax Rate and Method of Apportionment of the Special Tax, Exhibit "B," the Special Tax Requirement means "[t]hat amount required in any Fiscal Year for the [District, including the Annexation Territory] to: (a) (i) pay for Police Protection Services Costs; (ii) pay reasonable Administrative Expenses; less (b) a credit for funds available, if any, to reduce the annual Special Tax levy, as determined by the CFD Administrator."

Section 3. This Board, or its designee, is hereby further authorized annually to determine, by ordinance, resolution, or by other action if permitted by then applicable law, of each County fiscal year, the specific amount of the Special Tax to be annually levied on each parcel of land within the Annexation Territory that is not exempt from such Special Tax. The amount of the Special Tax to be annually levied shall not exceed the maximum rates set forth in the Special Tax Rate and Method of Apportionment of the Special Tax, Exhibit "B," but the Special Tax may be levied in any County fiscal year at lower rates. The Clerk to this Board, or his or her designee, is hereby authorized and directed, commencing in County Fiscal Year 2018-19, to file with the County Auditor-Controller/Treasurer-Tax Collector on or before August 10 of each County fiscal year a certified copy of such ordinance or resolution, or other document evidencing action if permitted by then applicable law, accompanied by a certified list of all parcels within the Annexation Territory subject to the Special Tax levy including the amount of the Special Tax to be levied on each such parcel for the applicable County fiscal year. Such documents may be combined with the certified list of all parcels within the District subject to the special tax levy of the District including the amount of the special tax of the District to be levied on each such parcel in the District for the applicable County fiscal year. The

Clerk to this Board, or his or her designee, may file such documents after August 10 of each County fiscal year, but not later than August 21 of each County fiscal year, if the Clerk to this Board, or his or her designee, obtains prior written consent of the County Auditor-Controller/Treasurer-Tax Collector.

Section 4. Exemptions from the levy of the Special Tax shall only be as provided in the Resolution Declaring Election Results and the applicable provisions of the Act. In no event shall the Special Tax be levied on any parcel within the Annexation Territory in excess of the maximum tax rates specified in the Resolution Declaring Election Results.

Section 5. The Special Tax shall be collected from time to time as necessary to meet the financial obligations of the District (including the Annexation Territory) as provided herein. All of the collections of the Special Tax shall be as provided herein, in the Act, and in the Resolution Declaring Election Results.

Section 6. The Special Tax shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes; provided, however, the CFD Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the District (including the Annexation Territory) or as otherwise determined appropriate by the CFD Administrator. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent Special Tax payments. The Special Tax shall be levied in perpetuity or until such time as this Board terminates the Special Tax. The CFD Administrator is hereby authorized and directed to provide all necessary information to the County Auditor-Controller/Treasurer-Tax Collector in order to effect proper billing and collection of the Special Tax, so that the Special Tax shall be included on the secured property tax roll of the County of Fresno for Fiscal Year 2017-18 and for each County fiscal year thereafter as provided herein.

Section 7. If for any reason any portion of this Ordinance is found to be invalid or unenforceable, or if the Special Tax is found inapplicable to any particular parcel within the Annexation Territory, by a court of competent jurisdiction, the balance of this Ordinance and the application of the Special Tax to the remaining parcels within the Annexation Territory shall not be affected.

Section 8. The Clerk to this Board hereby is directed to prepare and publish a summary of this Ordinance, as proposed to this Board for its approval. The summary shall be published in a newspaper of general circulation within the County and a certified copy of the full text of the proposed Ordinance shall be posted in the office of the Clerk to this Board at least five (5) days prior to the meeting of this Board at which the proposed Ordinance is to be adopted by this Board. Within fifteen (15) days after adoption of this Ordinance, the Clerk to this Board is hereby directed to publish in a newspaper of general circulation within the County a summary of this Ordinance with the names of those supervisors voting for and against this Ordinance, and the Clerk to this Board shall post in the office of the Clerk to this Board a certified copy of the full text of this adopted Ordinance along with the names of those supervisors voting for and against this Ordinance. The Resolution Declaring Election Results, the Annexation Territory Boundary Map, Exhibit "A," and the Special Tax Rate and Method of Apportionment of the Special Tax, Exhibit "B," need not be published in their entirety. A complete copy of such documents are on file with the Clerk to this Board and are available for public inspection and copying in that office, at 2281 Tulare Street, 3rd Floor, County of Fresno Hall of Records, Fresno, CA, 93721, in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the California Government Code.

Section 9. This Ordinance shall become effective immediately upon final passage by this Board, as provided in Government Code, Section 25123(c).

SPECIAL TAX RATE AND METHOD OF APPORTIONMENT

(Commencing as of Fiscal Year 2017-18)

A Special Tax of Community Facilities District No. 2006-01 (Police Protection Services) of the County of Fresno ("CFD") shall be levied on all Assessor's Parcels in the CFD and collected each Fiscal Year commencing in the Base Year in an amount determined by the County through the application of the rate and method of apportionment of the Special Tax set forth below. All of the real property in the CFD, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

This Special Tax Rate and Method of Apportionment uses the Special Tax Rate and Method of Apportionment for the original CFD. Any differences between the text of this Special Tax Rate and Method of Apportionment, and the text of the Special Tax Rate and Method of Apportionment for the original CFD, are updated provisions herein (e.g., definition of Base Year, and the Maximum Special Tax Rates Per Unit commencing as of the Base Year (which are subject to increases in subsequent Fiscal Years, as provided herein)) that would conform this Special Tax Rate and Method of Apportionment to the Special Tax Rate and Method of Apportionment for the original CFD.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended from time to time following the establishment of the CFD, being Chapter 2.5, Part 1, Division 2 of Title 5 of the Government Code of the State.

"Administrative Expenses" means all actual and/or estimated costs and expenses directly incurred by the County as administrator of the CFD to determine, levy and collect the Special Taxes, including, but not limited to, the portion of salaries, wages and benefits of County officers and employees related to the determination, levy and collection of the Special Taxes, and all fees and

expenses of consultants, agents, third-party administrator(s) designated by the CFD Administrator, and legal counsel, related to the determination, levy and collection of the Special Taxes, and all costs and expenses of collecting installments of the Special Taxes upon the general tax rolls or by any other manner of collections as set forth in Section F, below, and preparing required reports, and conducting audits, if deemed necessary by the County; and any other costs and expenses directly incurred, which are required to administer the CFD as determined by the County. On each July 1 following the Base Year, all of the foregoing costs and expenses automatically shall be increased for each Fiscal Year in accordance with the Annual Escalation Factor, provided however, on each July 1 for each third subsequent Fiscal Year, commencing with Fiscal Year 2017-18, the Annual Escalation Factor shall be reduced by an Escalation Factor Adjustment, if any. Notwithstanding anything contained in this definition of Administrative Expenses, the amount of Administrative Expenses in any Fiscal Year that may be included in the Special Tax Requirement for that Fiscal Year shall not exceed ten percent (10%) of the Special Tax Requirement for that Fiscal Year.

"Annual Escalation Factor" means the sum: of (i) the annual increase in the Consumer Price Index ("CPI") for Urban Wage Earners and Clerical Workers in the San Francisco-Oakland-San Jose Consolidated Metropolitan Statistical Area as reflected in the then-current April update; and (ii) three percent (3%) of the then-current Police Protection Services Costs. The annual CPI used shall be as determined by the United States Department of Labor, Bureau of Labor Statistics, and may be obtained through the California Division of Labor Statistics and Research (<http://www.dir.ca.gov/oprl/CAPriceIndex.htm>, as of June 19, 2017). Once a Taxable Property has been designated as Developed Property, it shall retain such status permanently (provided however, if the Land Use Class(es) for any Developed Property subsequently changes, the Land Use Class(es) for such Developed Property automatically shall change accordingly pursuant to the rate and method of apportionment of the Special Tax, as provided herein), and shall be subject to the Special Tax each Fiscal Year as provided herein, unless such Taxable Property subsequently shall become and retain such status as Tax-Exempt Property. There shall not be any proration or reduction of the Special Tax levy for any Taxable Property, or refund of the Special Tax for any Taxable Property, for any Fiscal Year in which any such Taxable Property becomes Tax-Exempt Property.

"Escalation Factor Adjustment" means the calculation based on the following formula: (1) calculate the annual increases of all of the applicable costs and expenses for each of the prior two Fiscal Years plus the reasonably estimated increase of the applicable costs and expenses for the then-current Fiscal Year; (2) calculate the percentage of each of such increases of all of the applicable costs and expenses in each of such Fiscal Years over each of the prior Fiscal Years (collectively, the "Cumulative Increase"); (3) calculate the sum of the Annual Escalation Factors for the prior two Fiscal Years plus the Annual Escalation Factor for the then-current Fiscal Year (collectively, the "Cumulative Annual Escalation Factor"); (3) if the Cumulative Increase is less than Cumulative Annual Escalation Factor, then the difference thereof shall be the amount of the Escalation Factor Adjustment; (4) if the Cumulative Increase is equal to or greater than the Cumulative Annual Escalation Factor, then the amount of the Escalation Factor Adjustment shall be zero.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with the Base Year, and for each following Fiscal Year, the CFD Administrator shall calculate the Special Tax Requirement based on the Special Tax Rate and Method of Apportionment of the CFD and levy the Special Tax until the amount of the Special Tax levied equals the Special Tax Requirement. The Special Tax shall be levied in the amount of the Special Tax Requirement each Fiscal Year on each Assessor's Parcel of Developed Property Proportionately, but not more than 100% of the applicable Maximum Special Tax.

E. APPEALS

Any taxpayer who believes that the amount of the Special Tax assigned to his or her lot or parcel is in error may file a written notice with the CFD Administrator appealing the levy of the Special Tax, provided that the taxpayer has fully paid his or her Special Tax for such Parcel on or before the payment date established for such Special Tax. Such notice is required to be filed with the CFD Administrator during the Fiscal Year that the error is believed to have occurred. The notice must specify the Parcel, the amount of the levy of the Special Tax, and reason(s) why the taxpayer claims that the amount of the Special Tax is in error.

The CFD Administrator or his or her designee will then promptly review the appeal and, if necessary, meet with the taxpayer. If the CFD Administrator or his or her designee agrees with the taxpayer that the amount of the Special Tax for such Parcel should be changed, the Special Tax levy for such Parcel shall be corrected accordingly and, if applicable in any case, a refund of such erroneous amount collected shall be granted.

If the CFD Administrator or his or her designee disagrees with the taxpayer, and the taxpayer is dissatisfied with such determination, the taxpayer shall have thirty (30) calendar days, from the date that he or she receives notice of such determination in which to appeal to the County Board by filing a written notice of appeal with the Clerk to the County Board, provided that the taxpayer is current in his or her payment of Special Taxes for such Parcel. The notice of appeal must specify the Parcel, the amount of the levy of the Special Tax, the reason(s) why the taxpayer disagrees with the CFD Administrator's determination, and why the taxpayer claims that the amount of the Special Tax is in error.

The County Board will hear the taxpayer's appeal, and make a determination whether to affirm, modify or reverse the determination of the CFD Administrator

or his or her designee. If the County Board agrees with the taxpayer that the amount of the Special Tax for such Parcel should be changed, the Special Tax levy for such Parcel shall be corrected accordingly and, if applicable in any case, a refund of such erroneous amount collected shall be granted. Any such determination of the County Board shall be provided to the taxpayer, and shall be final and conclusive.

Any filing by a taxpayer of any notice of appeal with the CFD Administrator, or any appeal with the Clerk to the County Board shall be deemed to be made when such notice of appeal is delivered to CFD Administrator, or when such appeal is delivered to the Clerk to the County Board.

F. MANNER OF COLLECTION

The Special Tax levied pursuant to section D, above, shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes; provided, however, the CFD Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD or as otherwise determined appropriate by the CFD Administrator.

G. TERM OF SPECIAL TAX

The Special Tax shall be levied in perpetuity or until such time as the County Board terminates the Special Tax.
