Subject: Acceptance of right-of-way on Auberry Rd. at the City of Clovis landfill.

Dear Mr. Daniele:

The City of Clovis has the need to acquire right-of-way along Auberry Rd. at the City's landfill to construct a left-turn lane. The left-turn lane is needed to increase vehicular safety on Auberry Rd. by providing a dedicated left-turn lane for vehicles, such as garbage trucks, accessing the landfill (see enclosed exhibits). The City requests that the County of Fresno grant the City the authority to acquire, including eminent domain condemnation if necessary, and accept the proposed new right-of-way.

The City understands that County review, approval, plan check, and inspection will be required for the project due to its location within County jurisdiction. Please contact Ryan Burnett at 324-2336 if you need additional information.

Sincerely,

Michael Harrison, P.E., L.S.
Interim City Engineer
