

Fresno County Behavioral Health Board Recommendations to Board of Supervisors for the year 2018

1. Create a system to educate and inform families of behavioral health services that are available and how to access those services.
2. Establish specific services for families with young children (prior to age 12) who need inpatient services or follow-up to inpatient services.
3. Move forward with a permanent supportive housing project available to all clients of Department of Behavioral Health.
4. Establish an employment program with job development, job placement, and job coaching to assist individuals with behavioral health disorders find and keep jobs.
5. Support SB 906 regarding certification for peer providers of mental health and substance use disorder services. When this legislation is passed, establish Certified Peer Support Specialist positions.
