

A G R E E M E N T

This AGREEMENT is made and entered into this 5th day of June, 2018, by and between the COUNTY OF FRESNO, a political subdivision of the State of California, hereinafter referred to as "COUNTY", and Puma Construction Co., Inc., a California Corporation, whose address is 4387 W. Santa Ana #103, Fresno, CA 93722, hereinafter referred to as "CONTRACTOR".

WHEREAS, the COUNTY has a need for Job Order Contracting services; and

WHEREAS, the CONTRACTOR is qualified and willing to perform said services.

NOW, THEREFORE, the parties agree as follows:

W I T N E S S E T H:

This Agreement shall establish a competitively bid, fixed price, indefinite quantity, Job Order Contract. The scope of work to be performed pursuant to this Agreement includes a comprehensive listing of detailed repair and construction tasks and specifications that have pre-established units of measure and unit prices listed in the Construction Task Catalog developed for the COUNTY by the Gordian Group. The work under this Agreement shall be carried out pursuant to individual Job (or Task) Orders and shall involve the repair, alteration, modernization, maintenance, rehabilitation, reconstruction, or construction of public buildings, streets, utilities, and other public works.

The obligations of all parties under this Agreement shall be as set forth in this Agreement and detailed in accordance with COUNTY's Request for Quotation No. 18-022 and all addendums thereto (collectively, the "RFQ") and CONTRACTOR's Response to the RFQ ("Response") both of which are attached hereto as Exhibits "A" and "B" respectively, and made a part of this Agreement. All capitalized terms used in this Agreement shall have the meanings attached to them as set forth in COUNTY's RFQ.

I. OBLIGATIONS OF CONTRACTOR

A. CONTRACTOR agrees to furnish all labor and materials, including tools, implements, and appliances required, and to perform all the work in a good and workmanlike manner, free from any and all liens and claims of mechanics, material-men, subcontractors, artisans, machinists, teamsters, day-men and laborers required for completing specific Job Orders as directed by COUNTY.

1 B. In accordance with the provisions of Section 1770 of the Labor Code, the Director
2 of the Department of Industrial Relations of the State of California has determined the general
3 prevailing rates of wages and employer payments for health and welfare, pension, vacation, travel
4 time, and subsistence pay as provided for in Section 1773.1, apprenticeship or other training
5 programs authorized by Section 3093, and similar purposes applicable to the work to be done.
6 Said wages are on file with the Clerk of the Board of Supervisors, Room 301, Hall of Records,
7 Fresno, California, and are incorporated herein by reference.

8 The work to be performed on each Job Order undertaken by CONTRACTOR pursuant to
9 this Agreement is subject to labor compliance monitoring and enforcement by the California
10 Department of Industrial Relations. It shall be mandatory upon CONTRACTOR herein and upon
11 any subcontractor to pay not less than the said specified rates to all laborers, workmen and
12 mechanics employed by them in the execution of each Job Order under this Agreement.

13 CONTRACTOR shall comply with Labor Code Section 1775. In accordance with said
14 Section 1775, CONTRACTOR shall forfeit as a penalty to the COUNTY \$200.00 for each calendar
15 day or portion thereof, for each workman paid less than the stipulated prevailing rates for such work
16 or craft in which such workman is employed for any work done under this Agreement by
17 CONTRACTOR or by any subcontractor under CONTRACTOR in violation of the provisions of the
18 Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said
19 penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage
20 rates and the amount paid to each workman for each calendar day or portion thereof for which each
21 workman was paid less than the stipulated prevailing wage rate shall be paid to each workman by
22 CONTRACTOR.

23 CONTRACTOR and each subcontractor shall keep or cause to be kept an accurate record
24 showing the names and occupations of all laborers, workmen and mechanics employed by him in
25 connection with the execution of this Agreement or any subcontract thereunder, and showing also
26 the actual per diem wage paid to each of such workers, which records shall be open at all
27 reasonable hours to inspection by the COUNTY, its officers and agents and to the representatives
28 of the Division of Labor Law Enforcement of the State Department of Industrial Relations.

1 CONTRACTOR and any subcontractor under CONTRACTOR shall also comply with the
2 provisions of Section 1777.5 and Section 1777.6 of the Labor Code concerning the employment of
3 apprentices.

4 C. It is further understood and agreed that, in accordance with the provisions of
5 Sections 1810 to 1815 of the Labor Code of the State of California, eight (8) hours labor shall
6 constitute a day's work, but because this is a contract for public work, work performed by
7 employees of CONTRACTOR and each Sub-Contractor in excess of eight (8) hours per day, and
8 forty (40) hours in any one week, shall be permitted upon compensation for all hours worked in
9 excess of eight (8) hours per day at not less than one and one-half (1 1/2) times the basic rate of
10 pay.

11 CONTRACTOR and each subcontractor shall keep an accurate record showing the names
12 and actual hours worked of all workers employed by him in connection with the work contemplated
13 by this Agreement, which record shall be open at all reasonable hours to the inspection of the
14 COUNTY or its officers or agents and to the Chief of the Division of Labor Statistics and Law
15 Enforcement of the Department of Industrial Relations, his deputies or agents. It is hereby further
16 agreed that said CONTRACTOR shall forfeit as a penalty to the COUNTY the sum of twenty-five
17 dollars (\$25) for each laborer, workman employed by CONTRACTOR or any subcontractor under
18 CONTRACTOR, for each calendar day during which such laborer or workman is required or
19 permitted to labor more than eight (8) hours in violation of this stipulation.

20 The Board of Supervisors hereby specifies that portions of the work can only be performed
21 outside the regular working hours as defined in the applicable collective bargaining agreement filed
22 with the Director of Industrial Relations in accordance with Labor Code Section 1773, and that the
23 overtime requirements for Saturdays, and holidays are hereby waived for these portions of the
24 work, as more particularly described in the specifications. However, this exemption shall not negate
25 the overtime provisions specified in Labor Code Section 1815.

26 D. All agreements between the CONTRACTOR, Sub-Contractors, and Sub-Contractors
27 of lower tier shall be subject to COUNTY's approval. In no case does such approval relieve the
28 CONTRACTOR of any conditions imposed by this Agreement or any other Contract Documents.

1 Sub-Contractors may be added, deleted or substituted only in accordance with the provisions of
2 Public Contract Code Section 4100 et seq.

3 CONTRACTOR shall bind every Sub-Contractor by the terms of the Contract Documents to
4 carry out their provisions insofar as applicable to their work; and the CONTRACTOR further agrees
5 to pay to each Sub-Contractor promptly upon issuance of Certificate of Payment, his/her or their
6 due portion.

7 Neither the acceptance of the name of Sub-Contractor nor the suggestion of such name nor
8 any other act of the COUNTY nor anything contained in any Contract Document shall be construed
9 as creating any contractual relation between the COUNTY and any Sub-Contractor of any tier.

10 The COUNTY reserves the right to reject any proposed Sub-Contractor, installer, or
11 supplier who cannot show satisfactory evidence of meeting the qualifications required by the
12 Contract Documents. In the event of such rejection, CONTRACTOR shall, within the time frame
13 listed for submittal of revised Proposals, submit the name and qualifications of a replacement Sub-
14 Contractor, installer or supplier satisfactory to the COUNTY. Such replacement submittal shall be
15 in accordance with all Contract Documents. No adjustment of Proposal price shall be made in the
16 event of such replacement.

17 This Agreement is subject to nondiscrimination requirements, including but not limited to
18 compliance by CONTRACTOR and its subcontractors with the provisions of Government Code
19 section 12940.

20 When an individual Job Order utilizes Federal Funds and the COUNTY elects to require
21 Disadvantaged Business Enterprise (DBE) participation, CONTRACTOR shall follow the applicable
22 Federal Good Faith Effort requirements for inclusion of DBE Sub-Contractors and suppliers.

23 II. OBLIGATIONS OF THE COUNTY

24 A. The COUNTY will identify projects and their intended results and will work with
25 CONTRACTOR to develop scope and specifications.

26 B. The COUNTY will issue a Notice to Proceed for each Job Order and issue any
27 required change orders.

28 C. The COUNTY will provide inspection and acceptance of the work.

1 III. TERM

2 The term of this Agreement shall be for one year from June 5, 2018 through June 4, 2019, or
3 when issued Job Orders totaling the Maximum Contract Value have been completed, whichever
4 occurs first. All Job Orders must be issued, but not necessarily completed within one calendar year of
5 the commencement date of this Agreement.

6 IV. TERMINATION

7 A. Non-Allocation of Funds - the terms of this Agreement, and the services to be
8 provided thereunder, are contingent on the approval of funds by the appropriating government agency.
9 Should sufficient funds not be allocated, the services provided may be modified, or this Agreement
10 terminated, at any time by giving CONTRACTOR thirty (30) days advance written notice.

11 B. Breach of Contract - the COUNTY may immediately suspend or terminate this
12 Agreement in whole or in part, where in the determination of the COUNTY there is:

- 13 1. An illegal or improper use of funds;
14 2. A failure to comply with any term of this Agreement;
15 3. A substantially incorrect or incomplete report submitted to the COUNTY;
16 4. Improperly performed service.

17 In no event shall any payment by the COUNTY constitute a waiver by the COUNTY of any
18 breach of this Agreement or any default which may then exist on the part of CONTRACTOR, nor shall
19 such payment impair or prejudice any remedy available to the COUNTY with respect to the breach or
20 default. The COUNTY shall have the right to demand of CONTRACTOR the repayment to the
21 COUNTY of any funds disbursed to CONTRACTOR under this Agreement, which in the judgment of
22 the COUNTY were not expended in accordance with the terms of this Agreement. CONTRACTOR
23 shall promptly refund any such funds upon demand.

24 C. Without Cause - Under circumstances other than those set forth above, this
25 Agreement may be terminated by COUNTY upon the giving of thirty (30) days advance written notice
26 of an intention to terminate to CONTRACTOR.

27 V. COMPENSATION/INVOICING:

28 COUNTY agrees to pay CONTRACTOR and CONTRACTOR agrees to receive compensation

for each Job Order in accordance with CONTRACTOR's Adjustment Factors stated on the Bid Schedule set forth in CONTRACTOR'S Response, which are as follows:

Normal Working Hours Adjustment Factor	1.1800
Other than Normal Working Hours Adjustment Factor	1.2000
Federally Funded Normal Working Hours Adjustment Factor	1.2000
Federally Funded Other than Normal Working Hours Adjustment Factor	1.2200
Award Criteria Figure	1.1880

The Minimum Contract Value is \$25,000 (twenty-five thousand dollars). CONTRACTOR will receive Job Orders totaling a minimum of \$25,000 during the term of this Agreement. The Maximum Contract Value is \$2,000,000 (two million dollars). The Maximum Contract Value may be increased by up to the sum authorized by Public Contract Code Section 20128.5 (currently approximately \$4,500,000). Any increase in the Maximum Contract Value will be by mutual agreement.

At no time may the sum of the outstanding Job Orders exceed the amount of the Payment Bond and Performance Bond. A Job Order is outstanding until the COUNTY has accepted the work described in the Job Order by execution of a Notice of Completion. CONTRACTOR will not be issued Job Orders which in total exceed the Maximum Contract Value. The COUNTY does not guarantee that CONTRACTOR will receive Job Orders totaling the Maximum Contract Value.

CONTRACTOR shall submit monthly invoices per Job Order in triplicate to the County of Fresno Internal Services Department, Facility Services Division, 4590 E. Kings Canyon, Fresno, CA 93702. COUNTY will pay CONTRACTOR within forty-five (45) days of receipt of an approved invoice.

In no event shall all services performed under this Agreement be in excess of the Maximum Contract Value during the term of this Agreement. It is understood that all expenses incidental to CONTRACTOR'S performance of services under this Agreement shall be borne by CONTRACTOR.

1 VI. LIQUIDATED DAMAGES:

2 It is understood and agreed by both parties to this Agreement that in case all the work specified
3 or indicated in the Contract Documents is not completed within the specified time frames set forth in
4 the Job Order, or within such time limits as extended, damages will be sustained by the COUNTY in
5 the event of and by reason of such delay. It is, and will be, impractical and extremely difficult to
6 determine the actual damage which the COUNTY will sustain by reason of the delay. It is therefore
7 agreed that CONTRACTOR will pay, at a minimum, to the COUNTY, the sum of money stipulated per
8 day in the Job Order for each day's delay in completing the work beyond the time prescribed.

9 Application of Liquidated Damages and the value of liquidated damages will be determined by
10 the County on a Job Order by Job Order basis. Each Job Order will state whether Liquidated Damages
11 will be applied.

12 COUNTY may withhold Liquidated Damages from payments to CONTRACTOR as such
13 damages accrue, or, at COUNTY's discretion, withhold Liquidated Damages from any payments due
14 or that become due pursuant to the Contract, including Retention and final payment (pursuant to
15 California Government Code §53069.85). A credit Job Order shall be executed to assess liquidated
16 damages.

17 VII. INDEPENDENT CONTRACTOR:

18 In performance of the work, duties and obligations assumed by CONTRACTOR under this
19 Agreement, it is mutually understood and agreed that CONTRACTOR, including any and all of the
20 CONTRACTOR'S officers, agents, employees and subcontractors will at all times be acting and
21 performing as an independent contractor, and shall act in an independent capacity and not as an
22 officer, agent, servant, employee, joint venturer, partner, or associate of the COUNTY. Furthermore,
23 COUNTY shall have no right to control or supervise or direct the manner or method by which
24 CONTRACTOR shall perform its work and function. However, COUNTY shall retain the right to
25 administer this Agreement so as to verify that CONTRACTOR is performing its obligations in
26 accordance with the terms and conditions thereof.

27 CONTRACTOR and COUNTY shall comply with all applicable provisions of law and the rules
28 and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

1 Because of its status as an independent contractor, CONTRACTOR shall have absolutely no
2 right to employment rights and benefits available to COUNTY employees. CONTRACTOR shall be
3 solely liable and responsible for providing to, or on behalf of, its employees all legally-required
4 employee benefits. In addition, CONTRACTOR shall be solely responsible and save COUNTY
5 harmless from all matters relating to payment of CONTRACTOR'S employees, including compliance
6 with Social Security withholding and all other regulations governing such matters. It is acknowledged
7 that during the term of this Agreement, CONTRACTOR may be providing services to others unrelated
8 to the COUNTY or to this Agreement.

9 VIII. MODIFICATION:

10 Any matters of this Agreement may be modified from time to time by the written consent of all
11 the parties without, in any way, affecting the remainder.

12 IX. DISCREPANCIES:

13 Should CONTRACTOR, at any time, discover a mistake in any of the Contract Documents
14 or any discrepancy therein or lack of appropriate information, the CONTRACTOR shall not proceed
15 with the work affected thereby until such correction has been made.

16 In resolving conflicts resulting from errors or discrepancies in any of the Contract
17 Documents, the order of precedence shall be as follows:

- 18 1) Permits from other agencies as may be required by law.
- 19 2) Permits issued by the COUNTY.
- 20 3) Changes to Job Orders
- 21 4) Job Orders
- 22 5) Agreement
- 23 6) CONTRACTOR's Bid
- 24 7) Addenda
- 25 8) General Conditions
- 26 9) Technical Specifications
- 27 10) Construction Task Catalog
- 28 11) Reference Specifications

1 12) Instruction to Bidders

2 13) Notice Inviting Bids

3 X. NON-ASSIGNMENT:

4 Neither COUNTY nor CONTRACTOR shall assign, transfer or sub-contract this Agreement,
5 nor any of its respective rights or duties hereunder, without the prior written consent of the other party.

6 XI. HOLD HARMLESS:

7 CONTRACTOR agrees to indemnify, save, hold harmless, and at COUNTY'S request, defend
8 the COUNTY, its officers, agents, and employees from any and all costs and expenses, damages,
9 liabilities, claims, and losses occurring or resulting to COUNTY in connection with the performance, or
10 failure to perform, by CONTRACTOR, its officers, agents, employees or subcontractors under this
11 Agreement, and from any and all costs and expenses, damages, liabilities, claims, and losses
12 occurring or resulting to any person, firm, or corporation who may be injured or damaged by the
13 performance, or failure to perform, of CONTRACTOR, its officers, agents, or employees under this
14 Agreement.

PREVAILING WAGES

PREVAILING WAGES: The work to be done on this project will involve the repair, alteration, maintenance, installation, rehabilitation, demolition, construction or reconstruction of public buildings, streets, utilities, and/or other public works. In accordance with Labor Code section 1770, et seq., the Director of the Department of Industrial Relations of the State of California has determined the general prevailing wages rates and employer payments for health and welfare pension, vacation, travel time and subsistence pay as provided for in Section 1773.1, apprenticeship or other training programs authorized by Section 3093, and similar purposes applicable to this public work project.

The prevailing wage rates for all hours worked, including holiday and overtime rates, on this project are on file with the Purchasing Department, 4525 E. Hamilton Avenue, Fresno, California 93702, and are herein incorporated by this reference. Information pertaining to applicable Prevailing Wage Rates may be found on the website for the State of California – Department of Industrial Relations: <http://www.dir.ca.gov/oprl/PWD/index.htm>. Information pertaining to applicable prevailing wage rates for apprentices may be found on the website for the State of California – Department of Industrial Relations: <http://www.dir.ca.gov/oprl/pwappwage/PWAppWageStart.asp>

It shall be mandatory upon the Contractor herein and upon any subcontractor to pay not less than the prevailing wage rates, including overtime and holiday rates, to all workers, laborers, or mechanics employed on this public work project, including those workers employed as apprentices. Further, Contractor and each subcontractor shall comply with Labor Code sections 1777.5 and 1777.6 concerning the employment of apprentices. A copy of the above-mentioned prevailing wage rates shall be posted by the Contractor at the job site where it will be available to any interested party.

Contractor shall comply with Labor Code section 1775 and forfeit as a penalty to County Two Hundred Dollars (\$200.00) for each calendar day or portion thereof, for each worker paid less than the prevailing wage rates for the work or craft in which the worker is employed for any work done under this project by Contractor or by any subcontractor under Contractor in violation of Labor Code section 1770, et seq. In addition to the penalty, the difference between the prevailing wage rates and amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the Contractor or subcontractor.

Contractor and each subcontractor shall keep an accurate record showing the names, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with this public work project. In accordance with Labor Code section 1776, each payroll record shall be certified and verified by a written declaration under penalty of perjury stating that the information within the payroll record is true and correct and that the Contractor or subcontractor complied with the requirements of Labor Code sections 1771, 1811 and 1815 for any work performed by its employees on this public work project. These records shall be open at all reasonable hours to inspection by the County, its officers and agents, and to the representatives of the State of California – Department of Industrial Relations, including but not limited to the Division of Labor Standards Enforcement.

APPRENTICES

- A. Pursuant to Sections 1770-1780 of the Labor Code of the State of California, the Director of the Department of Industrial Relations has determined the general prevailing rate of wages in the locality for each craft or type of worker needed to execute the work. Said wage rates pursuant to Section 1773.2 of the Labor Code are on file with the Clerk to the Fresno County Board of Supervisors, and will be made available to any interested person on request. A copy of this wage scale may also be obtained at the following Web Site: www.dir.ca.gov/dlsr.
- B. Pursuant to Section 1775 of the Labor Code of the State of California, nothing in this Article shall prevent the employment of properly registered apprentices upon public works. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the craft or trade at which he/she is employed, and shall be employed only at the work of the craft or trade to which he/she is registered.
- C. Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards and written apprentice agreements under Chapter 4 (commencing at Section 3070), Division 3, of the Labor Code, are eligible to be employed on public works. The employment and training of each apprentice shall be in accordance with the provisions of the apprenticeship standards and apprentice agreements under which he/she is training.
- D. Fresno County is committed to increasing the availability of employment and training opportunities, with particular attention to the plight of those who are most economically disadvantaged. In an effort to advance that purpose, the County will require that, for certain specified projects, as identified by the County in the Request for Proposal submitted by the County for that particular Job Order, the Contractor and each subcontractor employed thereon shall use their best efforts to ensure that thirty-three percent (33%) of apprentice hours, as determined by California Labor Code Section 1777.5 for each contractor and subcontractor of any tier on this Project, are performed by qualified participants in state approved apprenticeship programs who also are current or former "Welfare-to-Work" participants in the CalWORKs program.

Provided, that this Paragraph D shall not apply to any projects that are federally funded in whole or in part, or to any projects that fall within the definition of "maintenance work" as that term is defined in California Public Contract Code § 22002(d); and each project to which this Paragraph D is applicable shall be identified by the County in the Request for Proposal submitted by the County for that particular Job Order. Provided further, that nothing contained in this Paragraph D shall be interpreted to relieve or in any way diminish the obligation of the Contractor and each subcontractor to comply fully with all applicable apprenticeship laws in accordance with the California Labor Code and the California Code of Regulations; and accordingly such requirements as are contractually imposed by this Paragraph D shall be in addition to such legally mandated requirements, and applicable only to the extent fully consistent therewith.

Under this Contract, the Contractor furnishes all management, documentation and incidental drawings (as required), labor, materials and equipment needed to perform the work.

The County intends to award up to four contracts to the Lowest Responsive and Responsible Bidder(s). One bid (Volume One) per contractor shall be submitted.

PROCEDURE FOR ORDERING WORK: If awarded, each Job Order Contract guarantees the Contractor the opportunity to perform a minimum value of total work worth \$25,000 up to a maximum potential value of total work worth \$2,000,000. The term of each Contract is 12 months or the expenditure of the \$2,000,000 maximum value of the Contract, whichever occurs first. The Maximum Contract Value may be increased by up to the sum authorized by Public Contract Code Section 20128.5 (currently approximately \$4,500,000). Any increase in the Maximum Contract Value will be by bi-lateral agreement. After contract award, as the need for specific work arises, the County will issue the Contractor a Job Order specific Request for Proposal. The Contractor shall then submit a Job Order Proposal for a Detailed Scope of Work to the County. Upon receipt of the Contractor's Job Order Proposal, the County will evaluate the Job Order Proposal against the Contract and the County's estimate of costs for the Detailed Scope of Work. If the Contractor's Job Order Proposal is deemed acceptable, the Project Manager may issue a Job Order at the agreed upon Job Order Price. The Job Order Price is calculated by selecting applicable pre-priced construction tasks from the CTC Construction Task Catalog® and multiplying the Unit Prices for those tasks by the appropriate quantities and Adjustment Factors. The sum of all selected pre-priced tasks will establish a lump sum firm fixed price for the Job Order. The Job Order Contract also includes a provision for work tasks not included in the Construction Task Catalog® at the time of the Contract award. These tasks are referred to as "Non Pre-priced Tasks". Non Pre-priced (NPP) Tasks may require the establishment of specifications and drawings and may subsequently be incorporated into the Construction Task Catalog®.

The County selected The Gordian Group's (Gordian) Job Order Contracting (JOC) Solution (Gordian JOC Solution™) for their JOC program. The Gordian JOC Solution includes Gordian's proprietary eGordian® JOC Applications and Construction Task Catalog®, which shall be used by the Contractor to prepare and submit Job Order Proposals, subcontractor lists, and other requirements specified by the County. The Contractor shall be required to execute Gordian's JOC System License and Fee Agreement, and pay a 1% JOC System License Fee to obtain access to the Gordian JOC Solution.

Inquiries regarding this contract should be directed to Darren Howard of the Purchasing Division. Inquiries are to be submitted in writing to dhoward@co.fresno.ca.us, or to the Public Purchase website. Oral explanations or interpretations of Bid Documents are not binding. Any explanation, interpretation or clarification of Bid Documents will be in the form of a written addendum to the Bid Documents issued to the holders of record of such documents.

Bids shall be submitted on the Bid Page on the Public Purchase website. The determination for award shall be based upon the four (4) lowest responsive, responsible bidders.

PRE-BID CONFERENCE: Prospective bidders must attend the mandatory pre-bid conference. Bidder's failure to attend the pre-bid conference will result in their submitted bid being deemed non-responsive. Due to the relative complexity of this type of procurement, a detailed orientation on the Job Order Contracting System will be provided as well as a discussion on JOC from the Contractor's viewpoint at the pre-bid conference. The pre-bid conference will be held at February 13, 2018 at 10:00 a.m. The conference will be held in the Elections

Some of the Work to be done under this Job Order Contract may be done utilizing Community Development Block Grant (CDBG) funds. If (CDBG) funds are to be used the following terms will be enforced: "The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development, Community Development Block Grant Program, and subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 USC 1701U."

Said wage determinations are on file with the Clerk of the Board of Supervisors and are incorporated herein by reference. Said wages are available only at the Department of Public Works, Design Division, Design Services Section.

For Federally funded projects, the minimum wage rates, as predetermined by the Federal Secretary of Labor, are available at request. If there is a difference between the minimum wage rates predetermined by the Federal Secretary of Labor and the Prevailing Wage Rates predetermined by the Director of the Department of Industrial Relations of the State of California for similar classifications of labor, the contractor and his subcontractors shall pay not less than the higher wage rate.

The County hereby specifies that portions of the work may only be performed outside the regular working hours as defined in the applicable collective bargaining agreement filed with the Director of Industrial Relations in accordance with Labor Code Section 1773.1, and that the overtime requirements for Saturdays, and holidays are hereby waived for these portions of the work, as more particularly described in the Bid Documents. The County generally requires such information and documentation whenever the proposed surety company has either a Best's Key Rating Guide of less than B+ and a financial size designation of less than VIII. Provided, however, that the County expressly reserves its right to require all information and documentation to which the County is legally entitled from any proposed surety company.

Article 1.5 requires that its provisions or a summary thereof be set forth in the plans and specifications for any work which may give rise to a claim thereunder. Accordingly, this contract incorporates all of the terms and conditions of Article 1.5, as follows:

Article 1.5 Resolutions of Contract Claims

20104. (a)(1) This article applies to all public works claims of three hundred seventy-five thousand dollars (\$375,000) or less which arise between a contractor and a local agency.

(2) "Claim" means a separate demand by the contractor for (A) a time extension, (B) payment of money or damages arising from work done by or on behalf of the contractor pursuant to the contract for a public work and payment of which is not otherwise expressly provided for or the claimant is not otherwise entitled to, or (C) an amount the payment of which is disputed by the local agency.

(c) The provisions of this article or a summary thereof shall be set forth in the plans or specifications for any work which may give rise to a claim under this article.

(d) This article applies only to contracts entered into on or after January 1, 1991.

20104.2 For any claim subject to this article, following requirements apply:

(a) The claim shall be in writing and include the documents necessary to substantiate the claim. Claims must be filed on or before the date of final payment. Nothing in this subdivision is intended to extend the time limit or supersede notice requirements otherwise provided by contract for the filing of claims.

(b)(1) For claims of less than fifty thousand dollars (\$50,000), the local agency shall respond in writing to any written claim within 45 days

of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses or claims the local agency may have against the claimant.

(3) The local agency's written response to the claim as further documented shall be submitted to the claimant within 15 days after receipt of the further documentation or within a period of time no greater than that taken by the claimant in producing the additional information, whichever is greater.

(c)(I) For claims of over fifty thousand dollars (\$50,000) and less than or equal to three hundred seventy-five thousand dollars (\$375,000), the local agency shall respond in writing to all written claims within 60 days of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses or claims the local agency may have against the claimant.

(d) If the claimant disputes the local agency's written response, or the local agency fails to respond within the time prescribed, the claimant may so notify the local agency in writing, either within 15 days of receipt of the local agency's response or within 15 days of the local agency's failure to respond within the time prescribed, respectively, and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon a demand, the local agency shall schedule a meet and confer conference within 30 days for settlement of the dispute.

(e) If following the meet and confer conference the claim or any portion remains in dispute, the claimant may file a claim pursuant to Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code. For purposes of those provisions, the running of the period of time within which a claim must be filed shall be tolled from the time the claimant submits his/her or her written claim pursuant to subdivision (a) until the time the claim is denied, including any period of time utilized by the meet and confer conference.

20104.4 The following procedures are established for all civil actions filed to resolve claims subject to this article:

(a) Within 60 days, but no earlier than 30 days, following the filing or responsive pleadings, the court shall submit the matter to nonbinding mediation unless waived by the mutual stipulation of both parties. The mediation process shall provide for the selection within 15 days by both parties of disinterested third person as mediator, shall be commenced within 30 days of the submittal, and shall be concluded within 15 days from the commencement of the mediation unless a time requirement is extended upon a good cause showing to the court or by stipulation of both parties. If the parties fail to select a mediator within the 15-day period, any party may petition the court to appoint the mediator.

(b)(I) If the matter remains in dispute, the case shall be submitted to the judicial arbitration pursuant to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, notwithstanding Section 1141.11 of that code. The Civil Discovery Act of 1986 (Article 3 (commencing with Section 2016) of Chapter 3 of Title 3 of Part 4 of Civil Procedure) shall apply to any proceeding brought under this subdivision consistent with the rule pertaining to judicial arbitration.

(2) Notwithstanding any other provision of law, upon stipulation of the parties, arbitrators appointed for purposes of this article shall be experienced in construction law, and, upon stipulation of the parties, mediators and arbitrators shall be paid necessary and reasonable hourly rates of pay not to exceed their customary rate, and such fees and expenses shall be paid equally by the parties, except in the case of arbitration where the arbitrator, for good cause, determines a different division. In no event shall these fees or expenses be paid by state or county funds.

(3) In addition to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, any party who after

receiving an arbitration award requests a trial de novo but does not obtain a more favorable judgment shall, in addition to payment of costs and fees under that chapter, pay the attorney's fees of the other party arising out of the trial de novo.

(c) The court may, upon request by any party, order any witnesses to participate in the mediation or arbitration process. Arbitrators shall be experienced in construction law.

20104.6 (a) No local agency shall fail to pay money as to any portion of a claim which is undisputed except as otherwise provided in the contract.

(b) In any suit filed under Section 20104.4, the local agency shall pay interest at the legal rate on any arbitration award or judgment. The interest shall begin to accrue on the date the suit is filed in a court of law.

The Job Order Price is determined by multiplying the preset Unit Prices by the appropriate quantities and by the appropriate Adjustment Factor. The Job Order Price shall be a lump sum, fixed price for the completion of the Detailed Scope of Work. A separate Job Order will be issued for each project. Extra work, credits, and deletions will be contained in additional Job Orders. 12. In addition to the Work unit requirements in the General Requirements, Contract Technical Specifications, Volume 3, and the Construction Task Catalog® (CTC), Volume 4, the Owner may, from time to time, require Non Pre-priced (NPP) Tasks. The parties shall proceed with these requirements in accordance with the Procedure for Ordering Work contained in Paragraph 3.04 of these General Conditions. These NPP Work unit requirements will be incorporated in individual Job Orders and the Contractor shall accomplish those requirements with the same diligence as those Work units incorporated in this Contract in the Construction Task Catalog® and Technical Specifications.

b. Procedure For Ordering Work

1. As the need for work arises, the Owner will notify the Contractor of the Work and provide written notification.
2. Upon receipt of this notification, the Contractor shall respond within one working day by:
 - (a) Establishing verbal contact with the Owner to further define the scope of the requirement, and
 - (b) Visiting the proposed Work site in the company of the Owner, and participating in the conduct of a Joint Scope Meeting which will include discussion and establishment of the following:
 - (1) Project number and title
 - (2) Existing site conditions
 - (3) Methods and alternatives for accomplishing Work
 - (4) Definition and refinement of requirements
 - (5) Detailed Scope of Work
 - (6) Requirements for design drawings, sketches, shop drawings, submittals, etc.
 - (7) Tentative construction schedule
 - (8) Preliminary quantity estimates
 - (9) Access to the site and protocol for admission
 - (10) Hours of operation
 - (11) Staging area
 - (12) Liquidated damages
 - (13) Presence of hazardous materials
 - (14) Proposal due date

3. Upon completion of the Joint Scope Meeting, the Owner will prepare a draft Detailed Scope of Work referencing any sketches, drawings, photographs, and specifications required to document accurately the work to be accomplished. The Contractor shall review the Detailed Scope of Work and request any required changes or modifications. When an acceptable Detailed Scope of Work has been prepared, the Owner will issue a Request for Proposal (RFP) and Detailed Scope of Work, which requires that the Contractor prepare a Proposal for the Work under consideration. The Detailed Scope of Work, unless modified by both the Contractor and the Owner, will be the basis on which the Contractor will develop its Job Order Proposal and the Owner will evaluate the same. The Contractor does not have the right to refuse to perform any task or any work in connection with a particular Project.
4. The Contractor will prepare the Job Order Price Proposal in accordance with the following:
 - (a) Pre-priced Work requirements. A Pre-priced Task is a task described and for which a Unit Price is set forth in the Construction Task Catalog®. Pre-priced Work requirements will identify the type and number of Work units required from the Construction Task Catalog® (CTC). The price per unit set forth in the CTC shall serve as the base price for the purpose of the operation of this provision. The total of the Job Order Price Proposal shall be the sum of the cost of each applicable CTC task, which is calculated according to the following formula:

$$A = \text{Number of Units Required for CTC Task}$$

$$B = \text{Applicable Adjustment Factor}$$

$$C = \text{CTC Price per Unit}$$

$$\text{Cost of CTC Task} = A \times B \times C$$
 - (b) The Contractor's Proposal shall include support documentation to indicate that adequate engineering and planning for the requirement have been done, and that the Work units and quantities proposed are reasonable for the tasks to be performed. Documentation to be submitted with the Proposal shall include, but not be limited to, the Job Order Price Proposal, design drawings, calculations, catalog cuts, specifications, and architectural renderings, Subcontractor list, and construction schedule. Any Proposal lacking the required items will be considered incomplete and be returned and treated as if never received. Proposals submitted to the Owner are valid for the duration of the Contract.
 - (c) Non Pre-priced Work Requirements: Non Pre-priced Work shall be separately identified and submitted in the Job Order Price Proposal. Information submitted in support of Non Pre-priced Work shall include, but not be limited to, the following:
 - (1) Complete specifications and technical data, including Work unit content, support drawings, Work unit costs data, quality control and inspection requirements.
 - (2) Work schedule in written form.
 - (3) Pricing data submitted in support of Non Pre-priced work units shall include a cost or price analysis report, establishing the basis for selecting the approach proposed to accomplish the requirements. Unless otherwise directed by the Owner, costing data will be submitted, demonstrating that the Contractor sought and received three quotes. The Contractor shall provide an installed unit price (or demolition price if appropriate), which shall include all costs required to accomplish the Non Pre-priced Task.
 - (4) If the Contractor will perform the work with its own forces, it shall submit three independent quotes for all material to be installed and shall, to the extent possible, use Pre-priced labor and equipment from the Construction Task Catalog®. If the work is to be subcontracted, the Contractor must submit three independent bids from subcontractors. The Contractor shall not submit a quote or bid from any supplier or subcontractor that the Contractor is not prepared to use. The Owner may require additional quotes and bids if the suppliers or subcontractors are not acceptable or if the prices are not reasonable.
 - (5) The final price submitted for Non Pre-priced (NPP) Tasks shall be according to the following formula:

Contractor Performed Duties

A= The number of hours for each labor classification and hourly rates

B= Equipment costs (other than small tools)

C= Three independent quotes for all materials

Total Cost for self-performed work = (A+B+C) x 15% (Only if A & B cannot be priced out of the CTC)

For Work performed by Subcontractors:

If the Work is to be subcontracted, the Contractor must submit three independent bids from Subcontractors. If three quotes or bids can not be obtained, the Contractor will provide the reason in writing for the County's approval as to why three quotes cannot be submitted.

D = Subcontractor Costs (supported by three quotes)

Total Costs of Non-Pre-Priced Task = D x 15%

- (6) The Owner will evaluate the entire Proposal and proposed Work units and compare these with the Owner's estimate of the Detailed Scope of Work to determine the reasonableness of approach, including the nature and number of Work units proposed. The Owner will determine whether the Contractor's Job Order Price Proposal is in line with its own estimate.
 - (7) After using a Non Pre-priced item on three separate Job Orders, the unit price for the work item will be established, following approval by the Owner, and fixed as a permanent pre-priced item, which will no longer require price justification.
 - (8) The Owner's determination as to whether an item is a Pre-priced Task or a Non Pre-priced Task shall be final, binding and conclusive as to the Contractor.
 - (9) Whenever, because of trade jurisdiction rules or small quantities, the cost of a minor task in the Job Order Price Proposal is less than the cost of the actual labor and materials to perform such task, the Owner may permit the Contractor to be paid for such task as a Non Pre-priced Task, or use Pre-priced labor tasks and material component pricing to cover the actual costs incurred. Provided, however, that there is no other work for that trade on the project or other work for that trade can not be scheduled at the same time and the final charge does not exceed \$1,000.00.
- (d) Processing Time Limits
- (1) Request for Proposal Submittal. Contractor shall submit the Proposal for the Job Order to the Owner on or before the due date stated in the Request for Proposal (RFP) (14 days maximum unless otherwise specified).
 - (2) Request for Information Submittal. Contractor shall make a thorough analysis of each Job Order and submit all Requests For Information (RFI's) within 7 days after issuance of any RFP. Submission of RFI's shall in no way extend the proposal due date unless deemed necessary by the Owner.
 - (3) Job Order Price Proposal Review. Contractor's Project Manager or agent shall be available for Job Order Price Proposal review meetings within 24 hours of being notified by the Owner (via fax, e-mail, or telephone). After review of the Job Order Price Proposal, Contractor shall remove all inappropriate line items and adjust quantities as directed by the Owner.
 - (4) Job Order Price Proposal Modification. Only on the Contractor's second Job Order Price Proposal shall he/she be granted the opportunity to add new valid line items that may have been omitted from the first Job Order Price Proposal. Contractor shall submit a revised Job Order Price Proposal within 24 hours of Job Order Price Proposal review meeting (unless otherwise specified). Upon review of revised Job Order Price Proposal, the Contractor shall remove all line items or adjust quantities deemed inappropriate by the Owner and re-submit the Job Order Price Proposal within 24 hours. No new line items may be added to the Job Order Price Proposal. No quantities increases or added modifiers will be accepted unless agreed to by the Owner during the second Job Order Price Proposal review meeting.
 - (5) The Owner reserves the right to reject a Contractor's Proposal or cancel a project for any reason. The Owner reserves the right to issue a Notice to Proceed to the Contractor without having a mutual agreement on a final Job Order Price, and that the Contractor will be paid by multiplying the actual quantities used by the appropriate Construction Task Catalog®

Unit Price and the applicable Adjustment Factors. Non Pre-priced (NPP) Tasks will be priced according to the formula set forth in Section 1.22 b 4 (c) of these General Conditions. The Owner also reserves the right to not award a Job Order if it is determined to be in the best interests of the Owner or the proposed cost exceeds the Owner's estimate. The Owner may perform such work by other means. In these instances, the Contractor has no right of claim to recoup Proposal expenses including but not limited to the costs to attend the Joint Scope Meeting, review the Detailed Scope of Work, prepare a Job Order Proposal (including incidental architectural and engineering services), subcontractor costs, and the costs to review the Job Order Proposal with the Owner.

- (6) Unilateral Job Order – The owner reserves the right to issue Job Orders based on the Owners Job Order Price Proposal for a specified Detailed Scope of Work (DSOW).
- (e) By submitting a signed Proposal to the Owner, the Contractor is agreeing to accomplish the Work outlined in the Detailed Scope of Work in accordance with the Request for Proposal at the lump sum price submitted for that particular Job Order. The Contractor shall include the necessary tasks and quantities in the Job Order Price Proposal and apply the appropriate Adjustment Factor(s) prior to delivering it to the Owner. The value of the Job Order Price Proposal shall be calculated by summing the total of the calculations for each Pre-priced Task (Unit Price x quantity x Adjustment Factor) plus the value of all Non Pre-priced Tasks. The Job Order Price shall be the value of the approved Job Order Price Proposal.
- (f) The Owner will evaluate the entire Job Order Priced Proposal and compare these with the Owner's estimate of the Detailed Scope of Work to determine the reasonableness of approach, including the appropriateness of the tasks and quantities proposed.
- (g) The Contractor may choose the means and methods of construction; subject however, to the Owner's right to reject any means and methods proposed by the Contractor that:
 - (1) Will constitute or create a hazard to the work, or to persons or property;
 - (2) Will not produce finished Work in accordance with the terms of the Contract; or
 - (3) Unnecessarily increases the price of the Job Order when alternative means and methods are available.
- (h) Each Job Order provided to the Contractor shall reference the Detailed Scope of Work and set forth the Job Order Price and the Job Order Completion Time. All clauses of this Contract shall be applicable to any Job Orders issued under this clause. Job Orders will be written on an appropriate form. The Job Order, which must be signed by the Owner, constitutes the Owner's acceptance of the Contractor's Proposal. A signed copy will be provided to the Contractor.
- (i) Except in an "emergency response" the Contractor is not to proceed with any Job Order without having required permits and a Notice to Proceed (NTP) signed by the Contract Manager.
- (j) In the event that "immediate emergency response" is necessary, the Owner may elect to use an alternative procedure for such type of Job Orders as long as the alternative procedure is not substantially more burdensome to the Contractor than the procedure described in this section.
- (k) All Proposals submitted by the Contractor are valid for the duration of the Contract.

c. Measurements to be Verified

Before ordering any material or doing any Work, the Contractor shall verify all measurements at the site of a specific Job Order, and shall be responsible for the correctness of the measurements. No extra charge or compensation will be allowed based on the difference between actual dimensions and the measurements indicated in the Request for Proposal.

d. Contractor's Responsibility

It is the Contractors' responsibility to verify any and all such items prior to submission of the Proposal. Contractors are also cautioned that any Job Order awarded is for all services or Work, as necessary, to repair, and construct the facilities covered by the Contract in accordance with all Contract terms and conditions. AUTHORITY: California Code of Regulations, Title 15, Section 1029(a)(7)(B) and Penal Code Section 236.

PURPOSE:

The purpose of this policy is to establish procedures which provide for the resolution of a hostage-taking incident while preserving the safety of staff, public, inmates, and hostages, and maintaining facility security.

POLICY:

The Fresno County Sheriff's Office Jail Division maintains a **NO HOSTAGE FACILITY** and will not consider bargaining with hostage takers for ANY reason.

It is the policy of the Fresno County Sheriff's Office Jail Division that once any staff member is taken hostage, they immediately lose their authority and any orders issued by that person will not be followed regardless of their rank or status.

It is the policy of the Fresno County Sheriff's Office Jail Division that the primary responsibility of all staff members in a hostage situation is to protect every person involved, if possible, from serious injury or death.

PROCEDURES:

I. DEFINITION

Hostage Situation: any staff member, citizen or inmate held against their will by another person for the purpose of escape, monetary gain or any reason which may place an individual in danger of losing life or suffering serious injury.

II. NOTIFICATIONS, CONTAINMENT AND CONTROL OF THE SITUATION

- A. Emergency procedures and notifications shall be implemented as per Emergency Planning procedures (B-101/FILE: EMERGENCY).
- B. The Watch Commander will notify the Patrol Watch Commander and apprise them of the incident. The Patrol Watch Commander may be requested to activate the Crisis Negotiations Team (CNT), outside support agencies, equipment, personnel, and dispatch a detective to the scene for the crime report.

III. DURING NEGOTIATIONS

- A. While at the scene, the CNT members will conduct all verbal or written communications between the hostage taker(s) and the Incident Commander. CNT will immediately notify the Incident Commander of any changes in the following situations:
 - 1. Hostage status
 - 2. Incident changes and developments
 - 3. Hostage taker demands

Exhibit A

4. Any and all pertinent information concerning the incident
- B. Staff members at the scene not actively involved with negotiations will not act or speak out to the hostage taker(s) or hostages.
- C. The Tactical Commander will formulate a plan to take the necessary actions, using the appropriate force, to terminate the hostage situation in the event negotiations fail. Hostage safety will be of paramount concern.

IV. HOSTAGE SURVIVAL STRATEGIES [\[SRC1\]](#)

- A. If taken hostage, it is important to make the transition from being a victim to being a survivor. The following are not strict rules that must be rigidly followed, but rather general guidelines. There will always be exceptions.
 1. Regain/maintain composure. Try to be calm, focused and clear-headed at all times. Do not stand out from other hostages. Drawing unnecessary attention increases the chance of being singled out and victimized.
 2. Maintain a low-key, unprovocative posture. Overt resistance is usually counterproductive in a hostage situation.
 - a. Remain calm and follow instructions. Comply with the hostage takers when at all possible.
 - b. Be stoic. Maintain an outward face of acceptance of adversity with dignity. Avoid open displays of cowardice and fear. Inmates will view frailty and feebleness as weakness, which may lead to victimization.
 - c. Do not antagonize, threaten or aggravate the hostage takers. Avoid saying "no", or arguing with the hostage takers. Do not act authoritative. The hostage takers must make it known that they are in charge.
 - d. Eye contact may be regarded as a challenge; make eye contact with the hostage takers sparingly.
 - e. Fight off basic instincts, such as anger and hostility. Be polite and remain alert. Speak normally and don't complain.
 3. Hostages should try to establish a level of rapport or communication with their captors in attempt to get the captors to recognize them as human beings.
 - a. Find a mutual ground, an association with the hostage takers. Foster communication on non-threatening topics (e.g., family, hobbies, sports, interests).
 - b. Use the captors' first names, if known. However, if hostage takers are attempting to conceal their identity, do not give any indication that they are recognized.
 - c. Listen actively to the captors' feelings and concerns, but never praise, participate in, or debate their "cause". If they want to talk about their cause, act interested in their viewpoints. Avoid being overly solicitous, which may be viewed as patronizing or insincere.
 - d. Do not befriend the inmates; such an attempt will likely result in exploitation.
 - e. Try asking for items that will increase personal comfort. Make requests in a reasonable, low-key manner.
 4. Be prepared to be isolated and disoriented.
 - a. Do not talk to other hostages. The hostage takers may think a plot is being formed.

Exhibit A

- b. Develop mind games to stimulate thinking and maintain mental alertness.
- 5. Be tolerant of fellow hostages. Just as each person has different reactions to stress, each individual will have different methods of coping as a hostage. Some methods are not effective and may endanger the group, or be annoying to other hostages (e.g., constant talking). Try to help these people cope in other ways.
- 6. Gather intelligence. Hostages should take in and store as much detail, about their captors as possible without drawing attention to their efforts. Make mental notes and attempt to gather the following information: identification of the ring leader, the number of hostage takers, the type of weapons they are using, their tactics, location within the area, etc.
- 7. Maintain hope. Depending on the circumstances, resolution of hostage situations can be a lengthy process.
- B. Stay away from doors and windows through which rescue teams may enter or shoot. If a rescue is attempted, drop to the floor and keep hands in view.
- C. If there is a chance to escape, the hostage should be certain of their success.
 - 1. Balance the likely payoff of any behavior with the possible consequences. Hostage takers may use violence or death to teach a lesson.
 - 2. Realize that Central Control will not open any doors for anyone.
- D. Hostages should be aware of the "Stockholm Syndrome", whereby hostages begin to show sympathy toward their captors. Hostages who develop Stockholm Syndrome often view the captor as *giving life* by simply not taking it. Such hostages often misinterpret a *lack of abuse* as kindness and may develop feelings of appreciation for the perceived benevolence. [\[SRC2\]](#)

The obligations of all parties under this Agreement shall be as set forth in this Agreement and detailed in COUNTY's Request for Quotation No. _____, COUNTY'S Addendum No. _____ thereto and CONTRACTOR's Response to Request for Quotation No. _____, all of which are attached hereto as Exhibits ____, ____, and ____, respectively and incorporated herein by reference. All capitalized terms used in this Agreement shall have the meanings attached to them as set forth in COUNTY's Request for Quotation No. _____.

I. OBLIGATIONS OF CONTRACTOR

A. CONTRACTOR agrees to furnish all labor and materials, including tools, implements, and appliances required, and to perform all the work in a good and workmanlike manner, free from any and all liens and claims of mechanics, material-men, subcontractors, artisans, machinists, teamsters, day-men and laborers required for completing specific Job Orders as directed by COUNTY.

B. In accordance with the provisions of Section 1770 of the Labor Code, the Director of the Department of Industrial Relations of the State of California has determined the general prevailing rates of wages and employer payments for health and welfare, pension, vacation, travel time, and subsistence pay as provided for in Section 1773.8, apprenticeship or other training programs authorized by Section 3093, and similar purposes applicable to the work to be done. Said wages are on file with the Clerk of the Board of Supervisors, Room 301, Hall of Records, Fresno, California, and are incorporated herein by reference.

It shall be mandatory upon the CONTRACTOR herein and upon any subcontractor to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the Contract.

CONTRACTOR shall comply with Labor Code Section 1775. In accordance with said Section

Exhibit A

1775, the CONTRACTOR shall forfeit as a penalty to the COUNTY \$50.00 for each calendar day or portion thereof, for each workman paid less than the stipulated prevailing rates for such work or craft in which such workman is employed for any work done under the Contract by CONTRACTOR or by any subcontractor under CONTRACTOR in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each workman for each calendar day or portion thereof for which each workman was paid less than the stipulated prevailing wage rate shall be paid to each workman by the CONTRACTOR.

The CONTRACTOR and each subcontractor shall keep or cause to be kept an accurate record showing the names and occupations of all laborers, workmen and mechanics employed by him in connection with the execution of the Contract or any subcontract thereunder, and showing also the actual per diem wage paid to each of such workers, which records shall be open at all reasonable hours to inspection by the COUNTY, its officers and agents and to the representatives of the Division of Labor Law Enforcement of the State Department of Industrial Relations.

CONTRACTOR and any subcontractor under CONTRACTOR shall also comply with the provisions of Section 1777.5 and Section 1777.6 of the Labor Code concerning the employment of apprentices.

C. It is further understood and agreed that, in accordance with the provisions of Sections 1810 to 1815 of the Labor Code of the State of California, eight (8) hours labor shall constitute a day's work, but because this is a contract for public work, work performed by employees of the CONTRACTOR and each Sub-Contractor in excess of eight (8) hours per day, and forty (40) hours in any one week, shall be permitted upon compensation for all hours worked

Exhibit A

in excess of eight (8) hours per day at not less than one and one-half (1 1/2) times the basic rate of pay. The CONTRACTOR and each subcontractor shall keep an accurate record showing the names and actual hours worked of all workers employed by him in connection with the work contemplated by this Agreement, which record shall be open at all reasonable hours to the inspection of the COUNTY or its officer or agents and to the Chief of the Division of Labor Statistics and Law Enforcement of the Department of Industrial Relations, his deputies or agents. It is hereby further agreed that said CONTRACTOR shall forfeit as a penalty to the COUNTY the sum of twenty-five dollars (\$25) for each laborer, workman employed by CONTRACTOR or any subcontractor under CONTRACTOR, for each calendar day during which such laborer or workman is required or permitted to labor more than eight (8) hours in violation of this stipulation.

The Board of Supervisors hereby specifies that portions of the work can only be performed outside the regular working hours as defined in the applicable collective bargaining agreement filed with the Director of Industrial Relations in accordance with Labor Code Section 1773.1, and that the overtime requirements for Saturdays, and holidays are hereby waived for these portions of the work, as more particularly described in the specifications. However, this exemption shall not negate the overtime provisions specified in Labor Code Section 1815.

Exhibit A

D. All agreements between the CONTRACTOR, Sub-Contractors, and Sub-Contractors of lower tier shall be subject to the approval of the COUNTY. In no case does such approval relieve the CONTRACTOR of any conditions imposed by the Contract Documents. Sub-Contractors may be added, deleted or substituted only in accordance with the provisions of Public Contract Code Section 4100 et seq.

CONTRACTOR shall bind every Sub-Contractor by the terms of the Contract Documents to carry out their provisions insofar as applicable to their work; and the CONTRACTOR further agrees to pay to each Sub-Contractor promptly upon issuance of Certificate of Payment, his/her or their due portion.

Neither the acceptance of the name of Sub-Contractor nor the suggestion of such name nor any other act of the COUNTY nor anything contained in any Contract Document shall be construed as creating any contractual relation between the COUNTY and any Sub-Contractor of any tier.

The COUNTY reserves the right to reject any proposed Sub-Contractor, installer, or supplier who cannot show satisfactory evidence of meeting the qualifications required by the Contract Documents. In the event of such rejection, the CONTRACTOR shall, within the time frame listed for submittal of revised Proposals, submit the name and qualifications of a replacement Sub-Contractor, installer or supplier satisfactory to the COUNTY. Such replacement submittal shall be in accordance with all Contract Documents. No adjustment of Job Order Price Proposal shall be made in the event of such replacement.

When an individual Job Order utilizes Federal Funds and the County elects to require Disadvantaged Business Enterprise (DBE) participation, the CONTRACTOR shall follow the Federal Good Faith Effort requirements for inclusion of DBE Sub-Contractors and suppliers.

II. OBLIGATIONS OF THE COUNTY

A. The COUNTY will identify projects and their intended results and will work with CONTRACTOR to develop scope and specifications.

B. The COUNTY will issue a Notice to Proceed for each Job Order and issue any required subsequent Job Orders for each Project.

C. The COUNTY will provide inspection and acceptance of the work.

III. TERM

The term of this Job Order Contract is either for one year or when issued Job Orders totaling the Maximum Contract Value have been completed, whichever occurs first. All Job Orders must be issued, but not necessarily completed within one calendar year of the commencement date of this Agreement as set forth on page one.

IV. TERMINATION

A. Non-Allocation of Funds - The terms of this Agreement, and the services to be provided thereunder, are contingent on the approval of funds by the appropriating government agency. Should sufficient funds not be allocated, the services provided may be modified, or this Agreement terminated, at any time by giving the CONTRACTOR thirty (30) days advance written notice.

B. Breach of Contract - The COUNTY may immediately suspend or terminate this Agreement in whole or in part, where in the determination of the COUNTY there is:

1. An illegal or improper use of funds;

Exhibit A

2. A failure to comply with any term of this Agreement;
3. A substantially incorrect or incomplete report submitted to the COUNTY;
4. Improperly performed service.

In no event shall any payment by the COUNTY constitute a waiver by the COUNTY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR. Neither shall such payment impair or prejudice any remedy available to the COUNTY with respect to the breach or default. The COUNTY shall have the right to demand of the CONTRACTOR the repayment to the COUNTY of any funds disbursed to the CONTRACTOR under this Agreement, which in the judgment of the COUNTY were not expended in accordance with the terms of this Agreement. The CONTRACTOR shall promptly refund any such funds upon demand.

c. Without Cause - Under circumstances other than those set forth above, this Agreement may be terminated by COUNTY upon the giving of thirty (30) days advance written notice of an intention to terminate to CONTRACTOR.

V. COMPENSATION/INVOICING:

COUNTY agrees to pay CONTRACTOR and CONTRACTOR agrees to receive compensation for each Job Order in accordance with the CONTRACTOR's Adjustment Factors stated on the Bid Schedule set forth in CONTRACTOR'S Response to Request for Quotation No. 912-5097, which are as follows:

Normal Working Hours Adjustment Factor	_____
Other than Normal Working Hours Adjustment Factor	_____
Federal	_____

Exhibit A

Normal Working Hours Adjustment Factor	
Federal	
Other than Normal Working Hours Adjustment Factor	_____

The Minimum Contract Value is \$25,000 (twenty-five thousand dollars). The CONTRACTOR will receive the opportunity to perform Job Orders totaling a minimum of \$25,000 during the Contract term. The Maximum Contract Value is \$2,000,000 (one million dollars). The Maximum Contract Value may be increased by up to the sum authorized by Public Contract Code Section 20128.5 (currently approximately \$4,500,000). Any increase in the Maximum Contract Value will be by mutual agreement.

At no time may the sum of the outstanding Job Orders exceed the amount of the Payment Bond and Performance Bond. A Job Order is outstanding until the COUNTY has accepted the work described in the Job Order by execution of a Notice of Completion. CONTRACTOR will not be issued Job Orders which in total exceed the Maximum Contract Value. The COUNTY does not guarantee the CONTRACTOR will receive Job Orders totaling the Maximum Contract Value.

CONTRACTOR shall submit monthly invoices per Job Order in triplicate to the County of Fresno, Facility Services.

In no event shall services performed under this Agreement be in excess of the Maximum Contract Value during the term of this Agreement. It is understood that all expenses incidental to CONTRACTOR'S performance of services under this Agreement shall be borne by CONTRACTOR.

VI. LIQUIDATED DAMAGES:

Exhibit A

It is understood and agreed by both parties to the Contract that in case all the Work specified or indicated in the Contract Documents is not completed within the specified time frames set forth in the Job Order, or within such time limits as extended, damages will be sustained by the COUNTY in the event of and by reason of such delay. It is, and will be, impractical and extremely difficult to determine the actual damage which the COUNTY will sustain by reason of the delay. It is therefore agreed that the CONTRACTOR will pay, at a minimum, to the COUNTY the sum of money stipulated per day in the Job Order for each day's delay in completing the work beyond the time prescribed.

Application of Liquidated Damages and the value of liquidated damages will be determined by the County on a Job Order by Job Order basis. Each Job Order will state whether Liquidated Damages will be applied.

COUNTY may withhold Liquidated Damages from payments to the CONTRACTOR as such damages accrue, or, at COUNTY's discretion, withhold Liquidated Damages from any payments due or that become due pursuant to the Contract, including Retention and final payment (pursuant to California Government Code §53069.85). A credit Job Order shall be executed to assess liquidated damages.

VII. INDEPENDENT CONTRACTOR:

Contractor Adjustment Factor

Importance of Adjustment Factors

- Determines Winning Bidder AND
- Used to Price Individual Job Orders
- Price Proposal Total Becomes the Lump Sum Job Order Amount

Unit Price	x	Quantity	x	Adjustment Factor	=	Total for Task
+		Unit Price	x	Quantity	x	Adjustment Factor
+		Unit Price	x	Quantity	x	Adjustment Factor
						<u>Total for Task</u>
						Total Job Order Price

Risks of Low Adjustment Factor

- Leads to Arguments in Proposal Review or Reassignment of Project
 - Unsupportable Tasks
 - Exaggerated Quantities
- Leads to Delays in Work Order Development
 - Takes Longer to Review Proposals
- Creates an Adversarial Relationship
 - Reduced Volume of Work
 - Will Shorten Contract
 - Lost Profitability
- No Second Chance to Improve your Margin

Bid Considerations

- Contractors Should Expect To
 - Prepare Incidental Drawings or Sketches for Some Projects
 - Justify Quantity Calculations during Proposal Review
 - Explain Detail of Work in Proposal User Notes
 - Prepare Proposals for Some Projects That Might be Canceled
 - Margins on CTC Tasks Vary
 - Some Projects are More Profitable than Others
 - Maintain a Fully Functioning Office Near the County of Fresno
 - Hold Required Licenses
 - Meet participation goals on Federally-funded Job Orders
 - Pay 1% of each Job Order as a Contractor License Fee for eGordian® software access.

PREVAILING WAGES

PREVAILING WAGES: The work to be done on this project will involve the repair, alteration, maintenance, installation, rehabilitation, demolition, construction or reconstruction of public buildings, streets, utilities, and/or other public works. In accordance with Labor Code section 1770, et seq., the Director of the Department of Industrial Relations of the State of California has determined the general prevailing wages rates and employer payments for health and welfare pension, vacation, travel time and subsistence pay as provided for in Section 1773.1, apprenticeship or other training programs authorized by Section 3093, and similar purposes applicable to this public work project.

The prevailing wage rates for all hours worked, including holiday and overtime rates, on this project are on file with the Purchasing Department, 4525 E. Hamilton Avenue, Fresno, California 93702, and are herein incorporated by this reference. Information pertaining to applicable Prevailing Wage Rates may be found on the website for the State of California – Department of Industrial Relations: <http://www.dir.ca.gov/oprl/PWD/index.htm>. Information pertaining to applicable prevailing wage rates for apprentices may be found on the website for the State of California – Department of Industrial Relations: <http://www.dir.ca.gov/oprl/pwappwage/PWAppWageStart.asp>

It shall be mandatory upon the Contractor herein and upon any subcontractor to pay not less than the prevailing wage rates, including overtime and holiday rates, to all workers, laborers, or mechanics employed on this public work project, including those workers employed as apprentices. Further, Contractor and each subcontractor shall comply with Labor Code sections 1777.5 and 1777.6 concerning the employment of apprentices. A copy of the above-mentioned prevailing wage rates shall be posted by the Contractor at the job site where it will be available to any interested party.

Contractor shall comply with Labor Code section 1775 and forfeit as a penalty to County Two Hundred Dollars (\$200.00) for each calendar day or portion thereof, for each worker paid less than the prevailing wage rates for the work or craft in which the worker is employed for any work done under this project by Contractor or by any subcontractor under Contractor in violation of Labor Code section 1770, et seq. In addition to the penalty, the difference between the prevailing wage rates and amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the Contractor or subcontractor.

Contractor and each subcontractor shall keep an accurate record showing the names, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with this public work project. In accordance with Labor Code section 1776, each payroll record shall be certified and verified by a written declaration under penalty of perjury stating that the information within the payroll record is true and correct and that the Contractor or subcontractor complied with the requirements of Labor Code sections 1771, 1811 and 1815 for any work performed by its employees on this public work project. These records shall be open at all reasonable hours to inspection by the County, its officers and agents, and to the representatives of the State of California – Department of Industrial Relations, including but not limited to the Division of Labor Standards Enforcement.

APPRENTICES

- A. Pursuant to Sections 1770-1780 of the Labor Code of the State of California, the Director of the Department of Industrial Relations has determined the general prevailing rate of wages in the locality for each craft or type of worker needed to execute the work. Said wage rates pursuant to Section 1773.2 of the Labor Code are on file with the Clerk to the Fresno County Board of Supervisors, and will be made available to any interested person on request. A copy of this wage scale may also be obtained at the following Web Site: www.dir.ca.gov/dlsr.
- B. Pursuant to Section 1775 of the Labor Code of the State of California, nothing in this Article shall prevent the employment of properly registered apprentices upon public works. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the craft or trade at which he/she is employed, and shall be employed only at the work of the craft or trade to which he/she is registered.
- C. Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards and written apprentice agreements under Chapter 4 (commencing at Section 3070), Division 3, of the Labor Code, are eligible to be employed on public works. The employment and training of each apprentice shall be in accordance with the provisions of the apprenticeship standards and apprentice agreements under which he/she is training.
- D. Fresno County is committed to increasing the availability of employment and training opportunities, with particular attention to the plight of those who are most economically disadvantaged. In an effort to advance that purpose, the County will require that, for certain specified projects, as identified by the County in the Request for Proposal submitted by the County for that particular Job Order, the Contractor and each subcontractor employed thereon shall use their best efforts to ensure that thirty-three percent (33%) of apprentice hours, as determined by California Labor Code Section 1777.5 for each contractor and subcontractor of any tier on this Project, are performed by qualified participants in state approved apprenticeship programs who also are current or former "Welfare-to-Work" participants in the CalWORKs program.

Provided, that this Paragraph D shall not apply to any projects that are federally funded in whole or in part, or to any projects that fall within the definition of "maintenance work" as that term is defined in California Public Contract Code § 22002(d); and each project to which this Paragraph D is applicable shall be identified by the County in the Request for Proposal submitted by the County for that particular Job Order. Provided further, that nothing contained in this Paragraph D shall be interpreted to relieve or in any way diminish the obligation of the Contractor and each subcontractor to comply fully with all applicable apprenticeship laws in accordance with the California Labor Code and the California Code of Regulations; and accordingly such requirements as are contractually imposed by this Paragraph D shall be in addition to such legally mandated requirements, and applicable only to the extent fully consistent therewith.
