- 3) FUNDING AMOUNT. The maximum amount payable by the State under this Agreement shall not exceed \$100,000
- 4) FUNDING RECIPIENT'S RESPONSIBILITY. Funding Recipient and its representatives shall:
 1. Faithfully and expeditiously perform or cause to be performed all Project work as described in Exhibit A (Work Plan) and in accordance with Project Exhibit B (Budget) and Exhibit C (Schedule).

 3. Comply with all applicable California laws and regulations.
 4. Implement the Project in accordance with applicable provisions of the law.
 5. Fulfill its obligations under the Funding Agreement and be responsible for the performance of the Project.

 1. For the term of this Funding Agreement, Funding Recipient submits timely Quarterly Progress Reports as required by Paragraph 13, "Submission of Reports."
 2. Funding Recipient submits all deliverables as specified in Paragraph 13 of this Funding Agreement and in Exhibit A.
 - a. Prior to the commencement of construction or implementation activities, Funding Recipient shall submit the final plans and specifications certified by a California Registered Professional as to compliance for each approved project as listed in Exhibit A of this Funding Agreement.

- b. Prior to any work that is subject to the California Environmental Quality Act (CEQA) and/or environmental permitting shall not proceed under this Funding Agreement until the Funding Recipient has provided the State's Project Manager, identified in Paragraph 17, a copy of any necessary environmental permits, and a copy of the CEQA Notice of Exemption filed with the State Clearinghouse.

- 6) DISBURSEMENT OF FUNDS. State will disburse to Funding Recipient the amount approved. Notwithstanding any other provision of this Funding Agreement, no disbursement shall be required at any time or in any manner which is in violation of, or in conflict with, federal or state laws, rules, or regulations. Any and all money disbursed to Funding Recipient under this Funding Agreement and any and all interest earned by Funding Recipient on such money shall be used solely to pay Eligible Project Costs.
- 7) ELIGIBLE PROJECT COST. Funding Recipient shall apply State funds received only to eligible Project Costs in accordance with applicable provisions of the law and Exhibit B. Eligible Project Costs include the reasonable costs of studies, engineering, design, land and easement acquisition, legal fees, preparation of environmental documentation, environmental mitigations, monitoring, and Project construction.  9. Payment of principal or interest of existing indebtedness or any interest payments unless the debt is incurred after execution of this Funding Agreement, the State agrees in writing to the eligibility of the costs for reimbursement before the debt is incurred, and the purposes for which the debt is incurred are otherwise eligible costs.
 10. Overhead not directly related to Project costs. ✓

Any and all costs submitted pursuant to this Funding Agreement shall only be for the tasks set forth herein. Any eligible costs for which the Funding Recipient is seeking reimbursement shall not be reimbursed from any other source. Double or multiple billing for time, services, or any other eligible cost is illegal and constitutes fraud. Any suspected occurrences of fraud, forgery, embezzlement, theft, or any other misuse of public funds may result in suspension of disbursements of funds and/or termination of this Agreement

requiring the repayment of all funds disbursed hereunder. Additionally, suspected incidents of the misuse of public funds may be referred to the Attorney General's Office or the appropriate district attorney's office for criminal prosecution or the imposition of civil liability. (Civ. Code, §§ 1572-1573; Pen. Code, §§ 470, 489-490.)

- 8) METHOD OF PAYMENT. After the disbursement requirements in Paragraph 5 "Basic Conditions" are met, State will disburse the whole or portions of State funding to Funding Recipient, following receipt from Funding Recipient via US mail or Express mail delivery of a "wet signature" invoice for costs incurred, including Cost Share, and timely Quarterly Progress Reports as required by Paragraph 13, "Submission of Reports." Payment will be made no more frequently than monthly, in arrears, upon receipt of an invoice bearing the Funding Agreement number. State will notify Funding Recipient, in a timely manner, whenever, upon review of an Invoice, State determines that any portion or portions of the costs claimed are not eligible costs or is not supported by documentation or receipts acceptable to State. Funding Recipient may, within thirty (30) calendar days of the date of receipt of such notice, submit additional documentation to State to cure such deficiency(ies). If Funding Recipient fails to submit adequate documentation curing the deficiency(ies), State will adjust the pending invoice by the amount of ineligible or unapproved costs.

Invoices submitted by Funding Recipient shall include the following information:

1. Costs incurred for work performed in implementing the Project during the period identified in the particular invoice.
 2. Costs incurred for any interests in real property (land or easements) that have been necessarily acquired for a project during the period identified in the particular invoice for the implementation of the Project.
 3. Invoices shall be submitted on forms provided by State and shall meet the following format requirements:
 - a. Invoices must contain the date of the invoice, the time period covered by the invoice, and the total amount due.
 - b. Invoices must be itemized based on the categories specified in Exhibit B. The amount claimed for salaries/wages/consultant fees must include a calculation formula (i.e., hours or days worked times the hourly or daily rate = the total amount claimed).
 - c. One set of sufficient evidence (i.e., receipts, copies of checks, time sheets) must be provided for all costs included in the invoice.
 - d. Each invoice shall clearly delineate those costs claimed for reimbursement from the State's funding amount, as depicted in Paragraph 3, "Funding Amount."
 - e. Original signature and date (in ink) of Funding Recipient's Project Representative. Submit the original "wet signature" copy of the invoice form to the State's Project Manager identified in Paragraph 17.
- 9) WITHHOLDING OF DISBURSEMENTS BY STATE. If State determines that the Project is not being implemented in accordance with the provisions of this Funding Agreement, or that Funding Recipient has failed in any other respect to comply with the provisions of this Funding Agreement, and if Funding Recipient does not remedy any such failure to State's satisfaction, State may withhold from Funding Recipient all or any portion of the State funding and take any other action that it deems necessary to protect its interests. Where a

portion of the State funding has been disbursed to the Funding Recipient and State notifies Funding Recipient of its decision not to release funds that have been withheld pursuant to Paragraph 10, the portion that has been disbursed shall thereafter be repaid immediately with interest at the California general obligation bond interest rate at the time the State notifies the Funding Recipient, as directed by State. State may consider Funding Recipient's refusal to repay the requested disbursed amount a contract breach subject to the default provisions in Paragraph 10, "Default Provisions." If State notifies Funding Recipient of its decision to withhold the entire funding amount from Funding Recipient pursuant to this paragraph, this Funding Agreement shall terminate upon receipt of such notice by Funding Recipient and the State shall no longer be required to provide funds under this Funding Agreement and the Funding Agreement shall no longer be binding on either party.

10) DEFAULT PROVISIONS. Funding Recipient will be in default under this Funding Agreement if any of the following occur:

1. Substantial breaches of this Funding Agreement, or any supplement or amendment to it, or any other agreement between Funding Recipient and State evidencing or securing Funding Recipient's obligations;

If the Funding Recipient fails to cure the default within the time prescribed by the State, State may do any of the following:

1. Declare the funding be immediately repaid, with interest, which shall be equal to State of California general obligation bond interest rate in effect at the time of the default.
2. Terminate any obligation to make future payments to Funding Recipient.
3. Terminate the Funding Agreement.
4. Take any other action that it deems necessary to protect its interests.

11) PERMITS, LICENSES, APPROVALS, AND LEGAL OBLIGATIONS. Reports shall meet generally accepted professional standards for technical reporting and shall be proofread for content, numerical accuracy, spelling, and grammar prior to submittal to State. Refusal of Funding Recipient to ensure operation and maintenance of the projects in accordance with this provision may, at the option of State, be considered a breach of this Funding Agreement and may be treated as default under Paragraph 10, "DEFAULT PROVISIONS."

15) NOTIFICATION OF STATE. Funding Recipient shall promptly notify State, in writing, of the following items:

1. Events or proposed changes that could affect the scope, budget, or work performed

under this Funding Agreement. Substantial changes generally include changes to the scope of work, schedule or term, and budget.
