ADDENDA/ATTACHMENTS

ADDENDUM – SALARIES

ADDENDUM – DISCIPLINARY ARBITRATION

ADDENDUM – EMPLOYEE GRIEVANCE RESOLUTION PROCEDURE AND FORM

ARTICLE 1 -- INTRODUCTION/PURPOSE

We the Undersigned, duly appointed representative of the County of Fresno, hereinafter referred to as "County" and the Service Employee International Union, Local 521, hereinafter referred to as "Union", having met and conferred in good faith, do hereby jointly prepare and execute the following written Memorandum of Understanding (MOU) for Representation Unit 4. It is the purpose of the MOU to promote and provide for harmonious relations, cooperation, and understanding between management and the employees covered herein and to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU.

ARTICLE 2 -- RECOGNITION

Pursuant to the provisions of the Fresno County Employee Relations Ordinance, the certification of the Fresno County Civil Service Commission, and appropriate state law, the County hereby recognizes the Union as the exclusive representative of all employees whose classifications have been certified for inclusion by the Fresno County Civil Service Commission in Unit 4.

Should any classification be certified for inclusion by the Fresno County Civil Service Commission during the term of this MOU, the Employee Relations Ordinance, section 3.12.240 governs.

ARTICLE 3 -- NON-DISCRIMINATORY POLICY

Neither the Union nor the County shall unlawfully discriminate against any employee for reasons prohibited by law.

ARTICLE 4 -- AGENCY SHOP & NON-GERMANE OBJECTOR'S FEE

The County agrees to implement a system to deduct from SEIU LOCAL 521 (Union) bargaining unit employees' biweekly paychecks the non-germane objector's fee, and remit such funds directly to the Union.

The one-time startup costs shall be billed based on actual County staff time incurred at corresponding hourly rates per the Fresno County Master Schedule of Fees ("MSF"), not to exceed \$3,500. Startup costs shall be defined as the hourly labor costs which are necessarily incurred for set up of new deductions and testing through the end of the first deduction. The County shall provide the Union an itemized invoice(s) of startup costs incurred. The Union shall submit payment(s) to County within thirty (30) days of invoice date(s).

Ongoing annual costs (based on receiving an annual electronic file) shall be billed based on actual County staff time incurred at the corresponding MSF hourly rates on an annual basis (estimated to be \$550 annually based on current MSF), not to exceed \$850 annually. Ongoing costs shall be defined as the hourly labor costs which are necessarily incurred in adding, deleting, or modifying the rate of the non-germane objector's fee deduction from employees' biweekly paychecks. The County shall provide the Union an itemized invoice of ongoing annual costs incurred. The Union shall submit payment to the County within thirty (30) days of invoice date.

Upon request by the Union, the County shall provide the most current MSF, which is subject to change (i.e. rates could increase or decrease) at least once per year based on Board of Supervisor's approval.

The Union agrees to meet and confer at the request of the County if the volume of work associated with the on-going deductions (Union dues, service fee, religious exemption fee, or non-germane objector's fee) necessitates additional County staff time and costs incurred beyond \$850 annually.

The County shall accept annual electronic files in a mutually agreed upon format from the Union, and take deductions within thirty (30) calendar days from the bargaining unit employees' paychecks as reflected by the electronic files. Deductions shall begin and end, within thirty (30) calendar days, based on the file sent by the Union, provided there is enough net compensation in the employee's paycheck to accommodate the deduction. The Union is responsible for the accuracy of all deductions submitted. The County will assume that the data contained within the Union's electronic file is correct, and any incorrect deductions or refunds will be handled by the Union. The County will cooperate with any reasonable request(s) by the Union to adjust deductions or payments to address inaccuracies on a going forward basis.

Notwithstanding this addendum, any additional payroll deductions (beyond Union dues, service fees, religious exemption fees, or non-germane objector's fees) from bargaining unit employees for Union fees shall require mutual agreement by both parties.

The Union agrees to indemnify and hold the County harmless for any and all claims, demands, suits, or other action arising from this addendum.

The current Agency Shop Articles in the Memorandum of Understanding (MOU) for each respective bargaining unit shall be null and void. The following Agency Shop provision shall be effective the first pay period following the approval of the Board of Supervisors and will supersede the aforesaid articles for each respective MOU.

Agency Shop

Pursuant to the Meyers-Milias-Brown Act, Government Code Section 3502.5, employees covered by this Memorandum of Understanding (MOU) shall, as a condition of continuing employment, become a member of the Union or shall pay a service fee in lieu of membership dues. Such dues or service fees are as set in accordance with the bylaws of the Union.

Any employee hired, promoted, demoted or transferred into a position subject to this MOU shall be provided, by the County, with a Notice of Agency Shop Provision during their first pay period of employment advising the employee of the agency shop agreement with the Union and of the requirement that all employees subject to the MOU must either join the Union or pay a service fee in lieu of membership dues to the Union unless the employee claims a religious exemption. The County shall automatically deduct the service fee established by the Union no later than the first pay period following the date of hire, promotion, demotion, or transfer unless the employee has provided a dues deduction form electing membership in the Union, or the employee has provided verification of the religious exemption. If the employee has not properly completed the authorization form of his/her choice and returned said form to the Auditor Controller/Treasurer-Tax

Collector's Office, the County shall continue to automatically deduct the service fee and thereafter until such time as the employee has provided a dues deduction form electing membership in the Union or the employee has provided verification of the religious exemption to the Auditor Controller/Treasurer-Tax Collector's Office.

If a current employee is promoted, demoted or transferred into a position in another SEIU represented bargaining unit that is subject to an Agency Shop provision, the employee's current deduction status will continue (Union dues, service fee, religious exemption fee, or non-germane objector's fee).

Union Membership Withdrawal

Union membership may be withdrawn pursuant to applicable Union bylaws. Any questions regarding the withdrawal of Union membership shall be directed to the Union.

Religious Exemption

Any employee of the County subject to this MOU who wishes to request religious exemption, consistent with State and Federal law, must file such request with the Union. The employee will have an amount deducted from their pay, equal to the monthly fair share service fee, paid to a non-religious, non-labor charitable fund. The Religious Exemption Form is available from the Union only.

For purposes of this section, charitable deduction means a contribution to any non-religious, non-labor charitable organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of the employee's choice.

Non-Germane Objector's Fee

Any employee of the County subject to this MOU, who is a service fee payer at the time of the "Hudson" notice mailing, shall receive a "Hudson" notice at a time determined by the Union, but at least once annually. Such notice will provide an allocation of the fees between chargeable and non-chargeable expenses. As explained in more detail in the "Hudson" notice, chargeable expenses are those that are germane to collective bargaining activities, whereas non-chargeable expenses are those which are not germane to collective bargaining. Each service fee payer will have the option to only pay for chargeable expenses required to cover any costs related to collective bargaining. Union service fee payers must submit a written objection to the Union indicating their intent to only pay for chargeable expenses at a time determined by the Union and consistent with the protocol the Union describes in the "Hudson" notice, but at least once annually. Any service fee payer, who fails to submit a timely and proper fee objection, as determined by the Union, will continue to have the service fee deducted from their bi-weekly paycheck.

Annual Electronic Files

The County shall accept annual electronic files in a mutually agreed upon format from the Union, and take deductions within thirty (30) calendar days from the bargaining unit employees' paychecks as reflected by the electronic files. Deductions shall begin and end, within thirty (30) calendar days, based on the file sent by the Union, provided there is enough net compensation in

the employee's paycheck to accommodate the deduction. The Union is responsible for the accuracy of all deductions submitted. The County will assume that the data contained within the Union's electronic file is correct, and any incorrect deductions or refunds will be handled by the Union. The County will cooperate with any reasonable request(s) by the Union to adjust deductions or payments to address inaccuracies on a going forward basis.

Financial Reports

Upon request by the County, the Union shall submit copies of the financial report required pursuant to the Labor-Management Disclosure Act of 1959 to the County. Copies of such reports shall be available to employees subject to the agency shop requirement of this MOU at the Union Office.

Payroll Deductions and Dues/Fees Remittance

The County shall deduct from the pay of each employee in a position subject to this MOU, Union dues or an amount equal to the service fee established by the Union, religious exemption fee, or non-germane objector's fee and shall transmit all said deductions to the Union no later than thirty (30) days after which said amounts were deducted.

Any additional payroll deductions (beyond Union dues, service fees, religious exemption fees, or non-germane objector's fees) from bargaining unit employees for Union fees shall require mutual agreement by both parties.

Indemnification

The Union shall indemnify, defend and hold the County, its officers, agents and employees harmless from and against any and all claims, demands, losses, defense costs, or liability of any kind or nature which may be imposed upon them relating to the County's compliance with the agency fee obligation including claims relating to the Union's use of the monies collected under these provisions.

Waiver of Election for Newly Represented Employees

The addition of classifications to the bargaining unit in this MOU shall not require an election herein for the application of this agency shop provision to such classifications. Such employees of the newly added classifications shall be subject to the provisions of this Agency Shop Article the pay period following the approval of such addition by the Civil Service Commission or Board of Supervisors or on the date specified at the time of such approval.

ARTICLE 5 -- REPRESENTATIVE ACCESS

Consistent with the County Employee Relations Ordinance, authorized Union Field Representatives will be granted reasonable access to work locations, with the approval of the appropriate management representative, for the purpose of conducting grievance investigations and observing working conditions.

ARTICLE 6 -- RELEASE TIME

When the Union wishes to be represented by a County employee, rather than a Union Field Representative, at meetings within the scope of representation which affect the Representation Unit, that employee will have release time with prior department head approval to attend such meetings. The Union Field Representative/or Chapter President will submit a written request to the department head at least twenty-four (24) hours prior to the scheduled meeting unless waived by mutual agreement. Reasonable time off will be approved if it does not interfere with the performance of County services as determined by the department head.

ARTICLE 7 -- SHOP STEWARDS

Purpose

The County recognizes the need and affirms the right of the Union to designate Shop Stewards from among employees in the Unit. It is agreed that the Union in appointing such Shop Stewards does so with the purpose of promoting an effective relationship between supervisors and employees by helping to settle problems at the lowest level of supervision.

Role of Steward and Supervisor (Out-of-Unit)

The Shop Steward recognizes the fact that the out-of-unit supervisor is the representative in the department and, as such, is responsible to higher management for the quality of the work. As the out-of-unit supervisor is the representative for management, the Shop Steward is the representative for the Union. They must be willing to meet in good faith to settle grievances as they arise. The Shop Steward understands that they Stewardship function does not relieve them from conforming to all rules of conduct and standard of performance established by law, regulation, County or department policy or this MOU.

Selection of Stewards

The Union shall reserve the right to designate the method of selection of the Shop Stewards. The Union shall provide, in writing, a list of all Shop Stewards and Unit Officers to the Human Resources Department – Labor Relations and the appropriate department head(s) in February of each year. Further, the Union shall notify Labor Relations and the appropriate department head(s) each time there is a change of either Stewards or Unit Officers.

The total number of Shop Stewards allowed for this Unit shall be thirty-five (35). The County and Union agree that they Stop Steward's area of responsibility is limited to their own department.

If a Steward promotes, demotes, or otherwise leaves the work location, the Union shall have the right to appoint a replacement.

Duties and Responsibilities of Stewards

The following functions are understood to constitute the duties and responsibilities of Shop Stewards:

Upon request of the aggrieved employee, and when the grievance has been reduced to writing as specified in the grievance procedure, a Steward may investigate the grievance provided it is in the Steward's area of responsibility (same department), as assigned by the Union, and assist in its presentation. Stewards shall be allowed a reasonable time for this purpose during their work shift without loss of pay, subject to prior notification and approval by their out-of-unit supervisor. Grievances will be handled by one (1) Steward, but the Union may assign not more than two (2) Stewards to a group grievance.

After obtaining out-of-unit supervisory permission, Shop Stewards will be permitted to leave their normal work area during on-duty time in order to assist in presentation of a grievance. To obtain permission to investigate a grievance on on-duty time, the Steward shall advise the out-of-unit supervisor of the general nature of the grievance. The Shop Steward is permitted to discuss the problem with all employees immediately concerned and if appropriate, to attempt to achieve settlement with the appropriate management representative involved. Agencies, wards, clients, detainees, and outside interested parties will not be contracted by Stewards as part of the grievance process.

If, in the judgment of the out-of-unit supervisor because of the necessity of maintaining adequate level of service, permission cannot be granted immediately to the Shop Steward in order to present or investigate a grievance during on-duty time, such permission shall be granted by the out-of-unit supervisor no later than the next working day from the date the Shop Steward was denied permission.

Shop Stewards may utilize the County E-mail system pursuant to his/her duties and responsibilities as defined by this MOU.

ARTICLE 10 -- MEETING PLACE

The County, at the Union's request, shall reasonably make available conference rooms and other meeting areas for the purpose of holding Union meetings during off-duty time periods, provided space can be made available without interfering with County needs. The Union shall provide timely advance notice (72 hours) of such meetings. Should the desired conference room or other meeting area be unavailable at the requested time, the Union shall work with the County's designated representative to find alternative times and/or locations for the requested meeting. Conference rooms and meeting areas may only be reserved for dates no further than two weeks into the future. The Union also agrees to pay any documented additional costs of security, supervision, damage and cleanup, and shall comply with County regulations for assignment and use of such facilities.

It is the duty of Management and employees to make reasonable efforts to provide and maintain a safe and healthy place of employment and to adhere to established safety policies and procedures and report hazards accordingly. The Union will cooperate by encouraging its members to perform their work in a safe manner and to adhere to established safety policies and procedures.

To further clarify management's and employee's commitment to providing and maintaining a safe and healthy work place, active participation in existing departmental safety and safety training committees is encouraged and familiarity with existing policies and procedures is required. The Union is also encouraged to submit its viewpoints on safety and safety training issues to the appropriate department safety coordinator for consideration by the appropriate committee. Each department committee will include two (2) Union members who shall be department employees.

Use of holiday time off shall be at a time mutually agreed upon by the employee and department head or his/her representative.

Employees shall not be allowed to accrue any additional hours until their holiday accrual falls below 24 hours, and their combined hours fall below the maximum sixty (60) hours. Any hours exceeding the sixty (60) hour combined maximum shall be paid in cash by the

Management agrees that training programs will not be established for the purpose of depriving qualified employees of higher earnings.

Further, that in the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this MOU, and will immediately advise the Union of such agreement or law. It is mutually understood and agreed that such notification is simply for informational purposes and shall in no way be construed as obligating the new employer to recognize the Union as a bargaining agent for its employees; and that the intent of this notification is not to require that the new employer abide by terms of this MOU, but rather as an assistance in apprising the new employer of working conditions which have been in effect with the County.

The County will meet and confer with the Union regarding the impact of Management's decision to contract out services where those services are being performed by current incumbents of affected Unit classifications and where layoffs may be contemplated because of the decision to contract out services.

ARTICLE 21 -- REASSIGNMENT

Intra-departmental reassignments of staff will be governed by the following rules, except in cases of emergency:

- A. Employees who desire to be reassigned to specific work locations or shifts within their department may submit a written request for reassignment through the department head, or designated representative. Requests from employees wishing to be reassigned will be given priority insofar as the best interests of the department will permit as determined by the department head. Nothing in this article shall be construed in such a way as to conflict with existing Fresno County Personnel Rules or regulations. Employees awaiting reassignment may withdraw their request for reassignment at any time.

ARTICLE 23 -- COURT APPEARANCES

All employees shall receive full compensation as though they were performing their regular duties during such time as they are required to appear as a witness before any Grand Jury or in any court as:

1. A juror;
2. Witness in a criminal case;
3. Witness in a civil case for the purpose of giving testimony as to facts related to or the knowledge of which they have received in the course of their County employment;
4. A party to an action arising out of the course of County employment.

The employee shall claim any jury, witness, or other fee to which the employee may be entitled by reason of such appearance and forthwith pay the same over to the Auditor-Controller to be deposited in the appropriate fund of the County. This reimbursement shall not apply to any meal allowance or travel allowance unless the employee has been reimbursed by the County.

Any employee who initiates an action against the County shall not receive paid time for such appearance.

Employees shall not be compensated for performing as a member of any Grand Jury.

Employees called for jury duty must be assigned to a Monday through Friday, 8:00 a.m. to 5:00 p.m. schedule.

ARTICLE 24 -- NEW EMPLOYEES

Management will supply to employees newly hired or transferred into the Unit the information currently in use supplied by the organization which will advise such employees that the organization is the certified representative of the Unit. Any updated materials supplied by the organization for such purpose shall be subject to advance review and approval by the Labor Relations Manager.

ARTICLE 25 -- SHIFT PREMIUM

An employee, who by assignment or by rotation works a **regular** shift, any portion of which occurs between the hours of 7:00 p.m. and 5:00 a.m. is eligible for shift premium and shall be paid, in addition to the basic compensation, a four percent (4%) premium for all work hours which occur after 7:00 p.m., and before 5:00 a.m. There shall be no shift premium paid during periods of Annual Leave, vacation/sick leave, holiday time off, and temporary reassignment to work hours excluded from shift premium.

Whenever an employee who is **eligible** for shift premium, as defined above, is required to perform overtime work between the hours of 7:00 p.m. and 5:00 a.m., such employee's basic compensation plus the shift premium will be used in determining any cash payment for overtime hours worked.

An employee whose regular eight (8) hour shift begins **and** concludes between 5:00 a.m. and 7:00 p.m. shall not be eligible for shift premium for any regular or overtime hours worked, even if the overtime hours occur prior to 5:00 a.m. or extend beyond 7:00 p.m. Exception: if any employee who works a regular day shift performs an **entire** overtime shift that begins or concludes between the hours of 7:00 p.m. and 5:00 a.m., he/she is eligible for shift premium for that overtime shift for all work hours which occur after 7:00 p.m. and before 5:00 a.m. Additionally, employees working a regular day shift flexible work schedule which extends into the hours of 7:00 p.m. to 5:00 a.m. shall not be eligible for shift premium.

ARTICLE 26 -- STANDBY

Employees who are placed on standby shall be compensated for time on call at the rate of two and 50/100 (\$2.50) per hour. Employees who are actually called back to work shall be compensated pursuant to the Call-Back Pay article. Call-Back pay and/or overtime cannot be earned concurrently with Standby pay.

An employee designated as being on standby duty shall remain within a reasonable distance so as to be able to report in a timely manner, shall inform the designated management person of exactly where the employee may be reached or be available via a County pager at any time, and shall be in a fit condition to report to work.

ARTICLE 27 -- CALL-BACK PAY

An employee shall be eligible for call-back pay when all of the following conditions are met:

1. The employee is unexpectedly ordered to return to work and does, in fact, return to work.
2. The order to return is given to the employee following termination of the employee's normal shift and his/her departure from his/her work location.
3. Such return to work occurs no fewer than two (2) hours prior to the established starting time of the employee's next shift.

Compensation for call-backs during each twenty-four (24) hour period shall be the greater of:

1. Two (2) hours at the rate of time and one-half (1½); or
2. Time spent at the work location at the rate of time and one-half (1½).

The rate of pay upon which all above time and one-half (1½) payments shall be made shall be the employee's base rate of pay, unless the overtime meets the definition of overtime under provisions of the Fair Labor Standards Act (FLSA); in the latter instance, overtime shall be calculated at the rate of one and one-half (1½) times the employee's regular rate of pay, as defined by provisions of the FLSA. The fact that the County may initially calculate overtime based on the regular rate of pay for all overtime hours worked does not obviate the County's future exclusive right to differentiate between overtime rates as set forth herein.

This compensation is irrespective of any nonproductive time which may have been worked on that day or in that week.

Employees called back, and who meet the criteria for use of private vehicles, shall be reimbursed for mileage driven to and from home when called back at the current reimbursement rate.

Compensatory time off may be elected subject to provisions set forth in this MOU and the Salary Resolution.

Time spent on a call-back assignment is not considered scheduled work time for purposes of the seven (7) consecutive work day provision in the Overtime article.

ARTICLE 28 -- COMPUTER PROGRAMMING MODIFICATIONS

Notwithstanding any language in this MOU to the contrary, the respective articles of this MOU which will involve modifications to existing computer programs of the County shall not become effective until the beginning of the payroll period following the completion of such modifications. Furthermore, the provisions of this article shall not be used to extend the effective date of salary changes.

ARTICLE 29 -- NEW EMPLOYEE ORIENTATION

The County agrees to maintain, within budget constraints, during the term of this MOU, a Human Resources-sponsored New Employee Orientation (NEO) program for newly hired County employees.

Representatives of the Union may provide a 20-minute presentation at each Department of Human Resources-sponsored NEO, at a time specified by the County, where new employees in a classification represented by this unit are in attendance. The Union agrees to give the County copies of the materials to be used in the session, which shall include, but are not limited to, this MOU, a Union membership application, and a list of shop stewards, including their departments and/or work areas and telephone numbers. The County shall provide the Union with 10 days advance notice of an NEO. The County reserves the right to have a management representative

in attendance; however, the County and Union agree that neither party will be unduly disruptive during the Union's presentation.

It is understood that if the Union steward/officer wishes to make such presentations on behalf of the Union, the steward/officer shall be required to use his/her own annual leave for the presentation if it falls within his/her normal workday. When reviewing such requests for annual leave, the department will adhere to County and departmental policies regarding the use of annual leave.

In accordance with AB119, the County shall provide to the Union, within 30 days of hire date, electronic notification of the name, job title, department, work location, work, home and cell phone numbers, home address, and personal e-mail addresses of any newly hired employee in a classification represented by this unit, if provided by the employee.

The County shall continue to provide this information to the Union every 120 days for all employees of this unit.

ARTICLE 30 -- OVERTIME

All employees covered by this MOU shall be paid at the rate of time and one-half (1½) for overtime worked. In determining whether or not overtime hours have been worked, only productive work hours (actual hours worked) shall apply. Overtime is authorized work performed by employees in excess of eight (8) hours a day or over forty (40) hours in a work week which will be paid at time and one-half (1½) of the employee's **base** rate of pay ("County" overtime) unless the overtime meets the definition of overtime under the provisions of FLSA. In the latter instance, overtime shall be calculated at the rate of one and one-half (1½) times the employee's **regular** rate of pay, as defined by provisions of the FLSA ("FLSA" overtime). Should the calculated "FLSA" overtime be greater than the calculated "County" overtime, an adjusting entry (earn code 90-FLSA OT) shall be made.

Consistent with other provisions of this MOU and the Salary Resolution, overtime shall also include all authorized consecutive hours worked over eight (8) hours in a day and which extend into a new day. This provision shall include hours worked before or at the end of a normal work schedule. However, overtime paid in this setting shall not be included in any overtime/double-time overtime computation for regularly assigned work hours on the new day.

Overtime may be paid in cash or accrued as Compensatory Time Off (CTO) as outlined in the following Compensatory Time Off article contained in this MOU.

Double Time

Should employees of this Unit be scheduled by management to work more than seven (7) consecutive work days, commencing on the eighth (8th) day, the employee will be compensated at two (2) times his/her base hourly rate for each hour worked until such time as two (2) consecutive days off are received. This payment shall only apply when the employee has been scheduled by management and ordered to work more than seven (7) consecutive work days, and does not apply when the work is as a result of the employee volunteering.

To clarify which employees are volunteers, each current employee shall be provided a form upon which to waive eighth (8th) day overtime eligibility. Employees may either complete the form, thereby indicating waiver or discard it. Employees who return the form shall not be entitled to double-time pay for the eighth (8th) consecutive day worked nor days thereafter. Employees may rescind such waiver in writing prior to their scheduled shift.

ARTICLE 31 -- COMPENSATORY TIME OFF

Employees covered by this MOU in the departments of Social Services, Public Health and Behavioral Health may accrue a combined maximum of Compensatory Time Off (CTO) and holiday balances up to a maximum of 60 hours (24 of which may be Holiday Accrual). Employees may request to be paid in cash at any time for accrued hours. Use of CTO shall be at a time mutually agreed upon by the employee and the department head or his/her representative. CTO and holiday balances may be paid off annually in cash at a time selected by the department head at his/her discretion.

Employees shall not be allowed to accrue any additional hours until their combined hours fall below the maximum sixty (60) hours. Additionally, prior to any promotion or departmental transfer, employees must either cash out or use all accrued CTO and Holiday Time Off balances.

ARTICLE 32 -- CONTINUITY OF OPERATIONS

Continuous and uninterrupted service to the citizens of Fresno County, and orderly employee/employer relations between the County and its employees are essential considerations of this MOU. Therefore, the Union agrees on behalf of itself and those County employees which it represents both individually and collectively, that there shall not be any strikes, picketing, boycotting, work stoppages, sitdowns, sickouts, speed-ups, slow-downs, or secondary actions such as refusal to cross picket lines or any other concerted refusal to render services or to obstruct the efficient operations of the County or refusal to work, including refusal to work overtime, or any other curtailment or restriction of work at any time.

The County shall not utilize a lock-out technique in its employee/employer relationships.

2. Employees shall be paid in the amount of \$50.00 per pay period regardless of the number of languages they are certified for.

ARTICLE 34 -- PROCESS TIME

Eligibility Workers may request up to two (2) hours per week as process time to complete work associated with their respective caseload. Requests for process time shall be submitted in writing. In their request, the employee shall outline the work that will be addressed and anticipate completing. The respective supervisor may either accept or reject the request. If the request is denied the supervisor shall outline the reasons for denial.

Process time shall be strictly used for processing work except in cases in which an assigned client drops into the office or as directed by management to fulfill operational needs. If the preapproved processing time is interrupted due to operational need, the employee may work with the supervisor in an attempt to schedule an alternative time.

Process time is not intended to be on-going or continuous; rather, it is to be requested on a week-to-week basis as necessary.

Management reserves the right to discontinue process time at any time. A two-week notice, if practicable, may be given to impacted employees. Such discontinuance and/or any provision of this Article shall not be appealable or grievable. Management agrees to discuss any changes to process time with the Union.

ARTICLE 35 -- CLASS SPECIFICATIONS

In the event class specifications for classifications covered in this Unit are revised, the County agrees to provide the Union with copies of the revised specifications as soon as they are promulgated. Such copies shall serve as notice to the Union relative to impact bargaining. At the Union's request, the County will meet and confer on the impact of changes to class specifications for classifications covered by this Unit.

ARTICLE 36 -- SAVINGS CLAUSE

The provisions of this MOU are declared to be severable and if any section, subsection, sentence, clause, or phrase of this MOU shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this MOU, but they shall remain in effect, it being the intent of the parties that this MOU shall stand notwithstanding the invalidity of any part. Should any portion of this MOU be found invalid or unconstitutional, the parties will meet and confer to arrive at a mutually satisfactory replacement for the portion found to be invalid or unconstitutional.

ARTICLE 37 -- FLEXIBLE SPENDING ACCOUNT

The County agrees to maintain a Flexible Spending Account plan pursuant to relevant provisions of the Internal Revenue Code and to continue paying the enrollment and administrative fees.

Persons designated by management to receive this differential do so at the pleasure of management and assignment decisions designating or removing designation are not grievable or appealable to the Civil Service Commission or subject to challenge in a court of law.

Lead Worker differential will be paid for an entire pay period inclusive of Annual Leave or other paid off-duty time based on the assumption the Lead Worker responsibilities are assumed for the entire pay period and are not assumed by another individual during the Lead Worker's time off. ADDENDUM
TO MEMORANDUM OF UNDERSTANDING
FOR SEIU – LOCAL 521, UNITS 3, 4, 12, 22 AND 36
DISCIPLINARY ARBITRATION

REQUEST FOR ARBITRATION

If the Department Head agrees to arbitration he/she shall indicate so on the Order of Disciplinary Action and the Order shall advise the employee of his/her right to either:

- 1) Appeal the action to the Fresno County Civil Service Commission within fifteen (15) working days of service of the Order by a signed statement asking for a hearing; or
- 2) Submit to the Director of Human Resources a request in writing within fifteen (15) working days of service of the Order, that the matter be submitted to arbitration. A copy of the Order will be filed with the Union by the acting department.

Under no circumstances can the employee submit an appeal of the disciplinary action to both the Fresno County Civil Service Commission and to arbitration.

If the employee requests to submit the matter to arbitration (rather than to the Fresno County Civil Service Commission), the provisions of this Article supersede Sections 10120 through 10190 of Fresno County Personnel Rule 10 – Disciplinary Actions.

Failure by the employee to file an appeal within the above-referenced time frames will result in the employee waiving his/her right to appeal the Order and the action of the department becoming final.

WRITTEN RESPONSE TO THE ORDER OF DISCIPLINARY ACTION

Twenty (20) working days prior to the scheduled arbitration hearing, the employee will submit a written response to the Order of Disciplinary Action, which includes his/her reason for disagreeing with the Order.

SELECTION OF ARBITRATOR

The County and the Union agree to utilize a panel of five (5) mutually agreed upon arbitrators. Arbitrators will be issued a number of one (1) through five (5) and will be scheduled to hear arbitrators in that order (e.g.) arbitrator #1 will hear the first requested appeal, arbitrator #2 will hear the second requested appeal, etc. Once the sixth requested appeal is received the cycle will start over (e.g.) arbitrator #1 will hear the sixth requested appeal, arbitrator #2 will hear the seventh requested appeal, and so on.

The Director of Human Resources or his/her designee will contact the agreed upon arbitrator to coordinate with the parties involved to schedule a hearing as soon as possible.

ARBITRATION COSTS

The arbitrator shall be compensated up to a rate of Fifteen Hundred Dollars (\$1,500). The cost of the arbitrator shall be paid by the County. Costs of the court reporter, if any, shall be paid by the County.

SCOPE OF ARBITRATOR'S AUTHORITY

The arbitrator shall have no power to alter, amend, add to or subtract from the provisions of this Article, any other terms of this Agreement or to Fresno County Personnel Rule 10 – Disciplinary Actions. If the arbitrator finds that none of the charges contained in the Order of Disciplinary Action are true, then he/she shall set aside the action taken by the appointing authority. If the arbitrator finds that one or all of the charges are true, then he/she shall make a decision confirming or modifying the action of the appointing authority provided, however, that his/her authority to modify the appointing authority's action is limited to those disciplinary actions described in Section 10030 – Types of Disciplinary, of Fresno County Personnel Rule 10 – Disciplinary Actions. The arbitrator shall have no authority to increase the discipline imposed by the appointing authority.

Nothing shall preclude the arbitrator from ordering the reinstatement of an employee with or without back pay.

The decision of the arbitrator shall be final and binding, with the exception that the decision shall be subject to judicial review upon petition by the employee or the department head under the terms and conditions provided by law as set out in Civil Code of Procedure 1094.6.

PROCEEDINGS

The arbitrator, attorney or other representative of a party may issue subpoenas.

A pre-hearing conference with the arbitrator and the parties shall be set on the day of the hearing immediately preceding the hearing. The purpose of the conference is to stipulate to uncontested facts and documents; to review the process and conduct of the hearing; and to identify any potential problems.

Except as provided in Fresno County Ordinance 3.12.070, the parties have the right to be represented by the person of their choice.

The parties shall have the right to: call and examine witnesses; introduce exhibits; cross-examine opposing witnesses; impeach any witness; and to rebut the evidence against them. If either party does not testify in her/her own behalf, he/she may be called and examined as if under cross-examination.

Oral evidence shall only be taken on oath or affirmation.

REPORT OF HEARING

The arbitrator shall render his/her report to the parties in writing, including reasons for the decision, within thirty (30) calendar days of the completion of the hearing. Failure to comply with this provision shall result in the automatic waiver of the arbitration fee.

ARBITRABILITY

If either the County or the Union claim before the arbitrator that a particular request for arbitration fails to meet time limits, or is in some other manner defective, and thereby, fails to meet the tests of arbitrability, the arbitrator shall proceed to decide such issue before hearing the case upon its merits.

REMOVAL OF ARBITRATOR FROM PANEL

An arbitrator may be removed from the panel upon mutual agreement between the County of Fresno and SEIU – Local 521. If an arbitrator is removed from the panel, a replacement will be added to the panel upon mutual agreement of the parties.

SEIU – LOCAL 521
UNITS 3, 4, 12, 22, & 36
EMPLOYEE GRIEVANCE RESOLUTION PROCEDURE

The Employee Grievance Resolution Form shall be available on the Department of Human Resources website, through the individual departments and SEIU – Local 521. No changes shall be made to the form without the mutual agreement of the Union and the County.

Before filing a grievance, be certain to read this entire procedure, including the definitions.

PURPOSE

It is a mutual obligation on the part of administrative, supervisory and non-supervisory employees of the County of Fresno to provide efficient and continuous services to the public. Employee morale is an important factor in maintaining a high level of public service, and administration has a responsibility to provide an orderly and expeditious method for resolving problems, which may arise from working relationships and conditions. This procedure is intended to provide an orderly method for processing grievances in the interest of obtaining a fair and equitable solution.

GENERAL

The parties so involved must act in good faith and strive for objectivity, while endeavoring to reach a solution at the earliest date and at the lowest step in the process. The processing of a grievance shall be considered as County business, and the employee and his/her representative shall have reasonable time and facilities allocated. The use of County time shall not be excessive, nor shall this privilege be abused. The aggrieved employee(s) shall have the assurance that filing of a grievance will not result in reprisal of any nature. A grievance shall be signed by the affected employee, and a group grievance shall be signed by a minimum of two (2) employees affected by the grievance. Grievances filed pursuant to another administrative remedy provided by County Charter, Civil Service Commission rules, Personnel Rules, discrimination complaint procedure, or otherwise provided by law, shall not be processed and written notice shall be provided by the Labor Relations Division to the employee or his/her representative.

TIME LINES

Time lines are designed to quickly resolve a grievance. It is realized, however, that on occasions the parties concerned may be unable to comply with the established time lines. In such instances, the time lines may be extended, or the grievance may be held in abeyance upon the mutual agreement of all parties concerned. Absent such agreement, failure by the aggrieved employee to abide by the prescribed time limits at any step provided herein shall terminate the grievance process and the matter shall be deemed resolved. The grievance shall no longer be processed and written notice shall be provided by the Labor Relations Division to the aggrieved employee. The County shall abide by the prescribed time limits; any failure to do so shall result in the grievance being automatically moved forward to the next step provided herein, unless the next step is Step 5. However, the employee or his/her representative may withdraw the grievance at any time.

Any dispute among the parties concerning procedural matters (e.g. timeliness, jurisdiction, grievability) shall be raised as early in the procedure as possible. Such matters shall not prohibit the parties from scheduling a conference/meeting in order to facilitate communication and obtain further clarification of the issue. Such conference/meeting may include Labor Relations Division staff, if requested by either party.

STEP 1 - INFORMAL RESOLUTION

Preceding the formal grievance procedure outlined in Step 2, the employee shall discuss the matter informally with the lowest ranking immediate supervisor whose job classification is not included in the same certified representation unit. This discussion shall be sought by the employee not later than ten (10) working days after the alleged grievance occurred or was discovered.

The provisions outlined in Steps 2 and 3 shall not restrict the employee or the immediate supervisor from seeking advice and counsel when it appears that settlement can be reached informally. No settlement shall be made in violation of an existing rule, ordinance, or memorandum of understanding. The immediate supervisor shall respond in writing to the employee within ten (10) working days of his/her discussion with the employee.

STEP 2 - DEPARTMENT REVIEW

If a mutually acceptable solution has not been reached during Step 1, and the employee intends to pursue the grievance formally, the employee shall submit the grievance in writing on the Employee Grievance Resolution Form to the Department Head with a copy to the Labor Relations Division not later than ten (10) working days after the supervisor's written response. The Department Head shall consider the grievance and render a written decision within ten (10) working days of receipt of the formal grievance. The written decision shall include a clear and concise statement including the reason(s) for the decision.

The Department Head may hold a meeting with the employee to achieve any of the following purposes: 1) to identify why the employee feels there is a grievance and facilitate communication and resolution; 2) to clearly identify issues and areas of agreement/disagreement; and 3) to have the parties present whatever available information/ documentation necessary to fully attempt to resolve the grievance. The employee may be accompanied by his/her shop steward during the Department Review, provided that the steward is in the same department as the employee, and has been identified by the employee on the Employee Grievance Resolution Form. If the department, in consultation with the Labor Relations Division, determines that the grievance is outside of the Department Head's authority, or the grievance involves employees working in separate departments, then such grievance shall be submitted to Step 3.

STEP 3 - LABOR RELATIONS REVIEW

Grievances unresolved at Step 2, or grievances involving matters outside the Department Head's authority, or grievances involving employees working in separate departments may be submitted to the Labor Relations Division for resolution. If the grievance has been reviewed at Step 2, the Labor Relations Division will attempt to mediate the grievance between the parties concerned.

If the grievance has been referred directly to the Labor Relations Division without having gone through Step 2, Labor Relations will consider the matter, write a response to the grievance, and

send the written response to the employee or his/her representative (as indicated on the Employee Grievance Resolution Form). A request for Labor Relations Review must be received by the Labor Relations Division within ten (10) working days of the completion of Step 2, or within ten (10) working days of the completion of Step 1 for grievances involving matters outside the Department Head's authority, or involving employees working in separate departments.

All processing of the grievance at Step 3 shall be completed within ten (10) working days from receipt of the request for Labor Relations Review, unless mutually waived. The employee may be accompanied by his/her shop steward during Labor Relations Review, provided that the steward is in the same department as the employee, and has been identified by the employee on the Employee Grievance Resolution Form.

STEP 4 - MEDIATION

Grievances unresolved at Step 3, may be submitted to Mediation upon written request by the employee, or his/her representative, to the Labor Relations Division within ten (10) working days of the completion of Step 3. Should mediation be requested, the parties shall obtain the services of a Mediator from the State Mediation and Conciliation Services in an effort to mediate grievance resolution before Step 5 may be pursued. The parties shall not divulge in any form the offers made in mediation. The employee may be accompanied by his/her shop steward during Mediation, provided that the steward is in the same department as the employee, and has been identified by the employee on the Employee Grievance Resolution Form.

STEP 5 - GRIEVANCE HEARING OFFICER REVIEW

Grievances unresolved at Step 4 may be submitted to Grievance Review. The Union shall contact State Mediation and Conciliation Services within ten (10) working days following mediation, to obtain a list of persons willing to serve as a Grievance Hearing Officer, with a copy to the Labor Relations Division. The cost of the Grievance Hearing Officer shall be borne equally between the Union and the County.

A pre-hearing conference with the Grievance Hearing Officer and the parties shall be set on the day of the hearing immediately preceding the hearing. The purpose of the conference is to identify issues to be resolved and remedy(ies); to determine jurisdiction or grievability; stipulate to uncontested facts and documents; to identify whether or not the potential decision can be implemented or is appealable; to review the process and conduct of the hearing; and to identify any potential problems. The Grievance Hearing Officer shall state in writing the factual findings and reasons for his/her decision within thirty (30) calendar days of the hearing, if possible.

STEP 6 - IMPLEMENTATION

If the remedy requested by the employee can be implemented by the Department Head, the decision of the Grievance Hearing Officer is final and subject to Step 7, as set forth herein. If the remedy requested by the employee cannot be implemented by the Department Head but requires action by the Board of Supervisors, the Grievance Hearing Officer shall issue a recommendation to the Board of Supervisors. The recommendation shall be submitted for consideration by the Board of Supervisors at its next regularly scheduled public meeting. The action of the Board of Supervisors shall be final and binding.

STEP 7 - JUDICIAL REVIEW

Final decisions of the Grievance Hearing Officer may be submitted to the Superior Court for judicial review by either the County or the employee. A party desiring to reserve the right to appeal the Grievance Hearing Officer's decision in a court of law pursuant to these rules has the burden of preserving the record of the hearing. A party who plans to use a court reporter shall inform the other party within three (3) calendar days of the hearing to avoid duplication of costs. Appeal from decisions by the Grievance Hearing Officer shall be on the record of the Grievance Hearing Officer's review by administrative mandamus under California Code of Civil Procedure Section 1094.5, which appeal shall be filed within ninety (90) calendar days after the Grievance Hearing Officer's decision.
