Re: Proposed Facility for Fresno Humane Animal Services

Thank you for taking the time to consider my letter in support of the proposed state-of-the art facility Fresno Humane Animal Services is seeking zoning approval for.

I am a resident of Clovis, and wanted to give my experience of living in close proximity to a facility of this type. My house backs up to Miss Winkles animal shelter on Temperance. When this facility was proposed, we had several neighbors who canvassed the neighborhood with complaints regarding noise and traffic. They were worried about nighttime barking, increased volume of cars, and were generally against the project.

Thankfully, their worries were not realized. As a very close neighbor, I have never heard a single dog bark, the facility is clean and, in my opinion, a good addition to our surrounding area. Traffic is very manageable and has not been a problem.

I believe the new facility you are considering would bring a wealth of goodness to Fresno County. Fresno Humane Animal Services will serve our citizens well by having a beautiful facility we can all be proud of, while saving countless lives of animals who need a home while they wait to be placed with loving families. This is what I consider to be the heart of what Fresno has come to be known for.

Please approve this project. I believe it is a win-win for our County and City.

Thank you,

Peggy J. Crawford

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. and Amendment Application No. 3852

Dear Chairman Quintero,

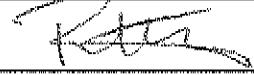

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4 acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

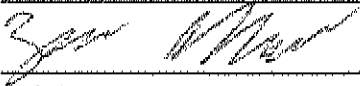

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application #7359; General Plan Amendment Application #552;
and Amendment Application #3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4 acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application #7359; General Plan Amendment Application #552;
and Amendment Application #3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4 acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Subject: Letter of Support for the proposed "Animal Shelter / Hospital" project filed by Fresno Humane Animal Services: (Initial Study Application No. 7359; General Plan Amendment Application No. 552; Amendment Application No. 3852)

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter / Hospital" on 4 acres of land in the northwest area of the Community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11th, 2018. In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. In addition, the Planning Commission reviewed the proposed project on July 26th, 2018 and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are actually less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Subject: Letter of Support for the proposed "Animal Shelter / Hospital" project filed by Fresno Humane Animal Services: (Initial Study Application No. 7359; General Plan Amendment Application No. 552; Amendment Application No. 3852)

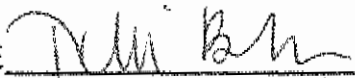

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter / Hospital" on 4 acres of land in the northwest area of the Community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11th, 2018. In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. In addition, the Planning Commission reviewed the proposed project on July 26th, 2018 and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are actually less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11th, 2018. In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. In addition, the Planning Commission reviewed the proposed project on July 26th, 2018 and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are actually less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Subject: Letter of Support for the proposed "Animal Shelter / Hospital" project filed by Fresno Humane Animal Services: (Initial Study Application No. 7359; General Plan Amendment Application No. 552; Amendment Application No. 3852)

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter / Hospital" on 4 acres of land in the northwest area of the Community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11th, 2018. In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. In addition, the Planning Commission reviewed the proposed project on July 26th, 2018 and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application #7359; General Plan Amendment Application #552;
and Amendment Application #3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4 acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Subject: Letter of Support for the proposed "Animal Shelter / Hospital" project filed by Fresno Humane Animal Services: (Initial Study Application No. 7359; General Plan Amendment Application No. 552; Amendment Application No. 3852)

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter / Hospital" on 4 acres of land in the northwest area of the Community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11th, 2018. In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. In addition, the Planning Commission reviewed the proposed project on July 26th, 2018 and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are actually less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Subject: Letter of Support for the proposed "Animal Shelter / Hospital" project filed by Fresno Humane Animal Services: (Initial Study Application No. 7359; General Plan Amendment Application No. 552; Amendment Application No. 3852)

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter / Hospital" on 4 acres of land in the northwest area of the Community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11th, 2018. In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. In addition, the Planning Commission reviewed the proposed project on July 26th, 2018 and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are actually less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

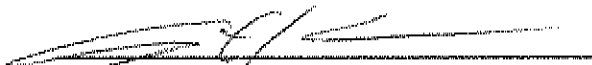

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

Re: Letter of Support for the Proposed "Animal Shelter/Hospital" Project
Filed by Fresno Humane Animal Services
Initial Study Application No. 7359; General Plan Amendment Application No. 552;
and Amendment Application No. 3852

Dear Chairman Quintero,

I am writing to you to express my support for the applications that will provide the necessary land use approvals for a proposed "Animal Shelter/Hospital" on 4-acres of land in the northwest area of the community. It is my understanding that the proposal will be coming to your Board for consideration of both the Staff and Planning Commission recommendations on September 11, 2018.

In my opinion, this project has been carefully designed by the applicant and reviewed by your staff, who is recommending "Approval" of the project. Also, the Planning Commission reviewed the proposed project on July 26, 2018, and heard testimony both for and against the proposal. The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

The Commission agreed with the County staff and is recommending approval of the General Plan Amendment and the Amendment Application to rezone the 4-acre project site to the M-1(c) zone district.

This type of use is very much needed in the community, and the location on Grantland Avenue backing up to Freeway 99 seems like a very appropriate location for such a use. The applicant has "conditioned" the County Applications to only allow for one specific use to occur on the site even though the City of Fresno General Plan would allow for a variety of "Non-Residential" uses to occur on the same site. The result of this "Conditioning" is that the future impacts to the area (traffic, noise, etc.) are less than if the site were to develop according to the City's plans.

I would appreciate this letter being made a part of the "Public Record" and sincerely request your support for the proposed project.

Thank you for your time.

	Date	Name	Location	Why do you support the proposed Humane Animal Services Shelter?
1.	8/3/2018	Tracy Williamson	Fresno, CA	
2.	8/3/2018	Alexandria Emory	Fresno, CA	
3.	8/3/2018	ruby marquez	Selma, CA	
4.	8/3/2018	Matthew Villasana	Fresno, CA	It's much needed
5.	8/3/2018	Vanessa Lashley	Fresno, CA	We need to save as many stray and lost animals as possible in the central valley
6.	8/3/2018	Kara Irwin	Clovis, CA	
7.	8/3/2018	Irene Prieto	Selma, CA	More lives need saved by people who CARE ðŸŒ€
8.	8/3/2018	Robin Leon	Fresno, CA	
9.	8/3/2018	Juliette baylon	Fresno, CA	
10.	8/3/2018	Kerbee Kerber	Fresno, CA	Much needed facility to help with the extremely over crowded current shelters.
11.	8/3/2018	Sara Hellett	Clovis, CA	To help the animals and people in our community, this needs to happen.
12.	8/3/2018	Tina Anderson	Fresno, CA	
13.	8/3/2018	Gabrielle Forman	Fresno, CA	
14.	8/3/2018	Danielle Hartwig	Fresno, CA	
15.	8/3/2018	Alicia Scarbrough	Clovis, CA	
16.	8/3/2018	TILER HALEY	Fresno, CA	A much needed Facility in this City.
17.	8/3/2018	Destiny GenAw	Fresno, CA	
18.	8/3/2018	Petra H	Clovis, CA	Its time the central valley steps up and does the right thing for the ridiculous over crowded shelters and lack of any help from the local ccspca. Fresno Humane Animal Services has shown time and again what a shelter system SHOULD be like in

				this valley. Do the right thing!!
19.	8/3/2018	Monica Hernandez	Fresno, CA	Because we need this. Plain and simple. And i love animals more than i do some people. Animals will be far more loyal than humans will ever be. Anything to help the animals that have been dumped or hurt on purpose by their evil owners, and for those who cant stop bredding their dogs to make profit, i'm all for. Let's also think about TNR instead of euthanasia.
20.	8/3/2018	Alyssa Jones	Fresno, CA	
21.	8/3/2018	Kelly Gallenkamp	Clovis, CA	
22.	8/3/2018	George Day	Fresno, CA	It is time to quit talking and actually do something for the dogs and cats in Fresno County. We need a facility that matches the ethics of the people in Rescue that support Fresno Humane Animal Control. It is time to move out of the parking lot that you call an Animal Shelter.
23.	8/3/2018	Mona Ahmed	Fresno, CA	
24.	8/3/2018	Greg Haley	Fresno, CA	
25.	8/3/2018	Dirk Agueros	Fresno, CA	
26.	8/3/2018	Linda Phatdouang	Fresno, CA	
27.	8/3/2018	Rebecca Potts	Fresno, CA	
28.	8/3/2018	Vanessa Acosta-Dale	Fresno, CA	I have pets myself some are rescue some were given to me because they were no longer wanted. I think this is a great idea to make room for lost, forgotten unwanted pets....
29.	8/3/2018	Roberta De Fehr	Sanger, CA	

30.	8/3/2018	Emma Contreras	Fresno, CA	
31.	8/3/2018	Stephanie Glandon	Fresno, CA	
32.	8/3/2018	brittany garber	Fresno, CA	
33.	8/3/2018	Amber Loring	Clovis, CA	
34.	8/3/2018	Lisa Saroyan	Fresno, CA	It's time for change in this valley, when it comes to our sheltering system, and the only way we will finally see life saving changes is if we support this group! They are the ONLY shelter making a difference in Fresno! Let's start putting our tax dollars towards progress!
35.	8/3/2018	Lisa Alvarado	Fresno, CA	
36.	8/3/2018	Ricardo Flores	Fresno, CA	I want animals to be rescued and have good homes. Tired of seeing dogs and cats being euthanized
37.	8/3/2018	Jason Smothers	Fresno, CA	
38.	8/3/2018	Cathy Marrujo	Fresno, CA	
39.	8/3/2018	Danielle Grassi	Fresno, CA	
40.	8/3/2018	Glinda Samano	Fresno, CA	We need a facility we can be proud of and that can accommodate our needs here in the Valley.
41.	8/3/2018	Josephine Vargas	Fresno, CA	Fresno Humane is an exception shelter with higher rate of getting more animal adopted, transferred , networked for all they receive in their shelter for another chance with a loving family They all deserve this facility for their animals. Plus vet. Care. So many animals are given up, get out, and other manners of which they are found. They take in. Please approve this facility to even better their capacity to be able to take and care

for more animals to have a chance that do many have given up on them
 Fresno Humane Doesn't. This faculty would make a HUGE difference for so many animals.
 Thank you

42.	8/3/2018	Maria Garcia	Fresno, CA	The pets of Fresno County deserve way better than the current location to stay. Our county is so far behind others when it comes to the stray animal problems. With this state of the art shelter we can start getting in front of this crisis with real solutions and no more bandaid approach.
43.	8/3/2018	Robert Hernandez	Fresno, CA	
44.	8/3/2018	Janine Rebolero	Fresno, CA	I believe animals need to find good homes and not stay in a shelter all there lives!! We need to help them out
45.	8/3/2018	Anita Lay	Fresno, CA	
46.	8/3/2018	Deanna Mustachio	Fresno, CA	As an animal lover, I feel it is important to educate the public on the importance of registering, vaccinating, chipping, and spay and neutering your pets. I also fully support any no-kill shelter. FHAS has done an excellent job in doing all of the above. I

				have made numerous donations and will continue to support this shelter and the dedicated workers who tirelessly strive for a better shelter.
47.	8/3/2018	RASCHELL DAVIS	Clovis, CA	Sp many homeless puppies and people that dont spay and neuter. We really need to help control the pet population. And fresno humane is a great reascue organization that we need in our community
48.	8/3/2018	Courtney Whitaker	Fresno, CA	
49.	8/3/2018	Elizabeth fina-Jump	Selma, CA	There are more animals then humans that need rescue.
50.	8/3/2018	Dona Reimer	Reedley, CA	
51.	8/3/2018	Nicole Hollister	Fresno, CA	Fresno desperately needs a good facility for Fresno Humane to operate out of. Fresno Humane is leading the way and showing the community how rescue and pet population (micro-chips, spay/neuter and vaccinating) control is done
52.	8/3/2018	Sarah Grijalva	Fresno, CA	Because animals are living beings deserving of our love, and respect for their lives.
53.	8/3/2018	Patricia Claus	Clovis, CA	
54.	8/3/2018	Jennifer Day	Fresno, CA	
55.	8/3/2018	Lacy Ramirez	Clovis, CA	
56.	8/3/2018	Jamie Stamper	Parlier, CA	Upgrade for the animals!!
57.	8/3/2018	Dora Hernandez	Fresno, CA	
58.	8/3/2018	Nelam Nagra	Fresno, CA	Because fhas is the change the desperately needs
59.	8/3/2018	Heather Schmick	Fresno, CA	The animals need a safe place to be housed not a old parking lot at a condemned morgue.
60.	8/3/2018	Patty Walker	Clovis, CA	The best shelter has the worst conditions

61.	8/3/2018	Julie Zack	Fresno, CA	
62.	8/3/2018	Tracy Crutchfield	Fresno, CA	Fresno is long overdue for a new animal shelter. This will be built to humanely house hundreds of homeless pets, provide low-cost services for pet owners in a clean and professional facility, and is designed to look and smell great! The location off Hwy 99 is convenient for public visitors, rescue partners, and officers enroute to calls.
63.	8/3/2018	brenda i hill	Fresno, CA	
64.	8/3/2018	Roseanne Tesnear	Fresno, CA	Save our animals
65.	8/3/2018	Dona Polman	Fresno, CA	Because doing the right things matters! The time is long overdue- the animals need us.
66.	8/3/2018	Brianna Miranda	Clovis, CA	
67.	8/3/2018	Suleyma Avalos	Fresno, CA	
68.	8/3/2018	Stephanie Brogdon	Fresno, CA	We definitely need to do better than we are currently in relation to saving animals in our community. Fresno Humane has made great strides. This facility will help them do bigger and better things.
69.	8/3/2018	Megan Mahoney	Clovis, CA	Animals are a reflection of who we are as a community.
70.	8/3/2018	Rik Orosco	Clovis, CA	
71.	8/3/2018	Katie Lewis	Fowler, CA	
72.	8/3/2018	Ericka Metz	Fresno, CA	Because Fresno humane does a lot for the animals in the community and given our environment and the fact it gets so hot they need an adequate facility for the workers to do their jobs and the

				animals to not suffer while receiving care
73.	8/3/2018	Wendy Kusamura	Fresno, CA	The homeless animals of Fresno county deserve a better place to stay while waiting for their families to reclaim and or get adopted. The condemned morgue is NOT an OK place for them.
74.	8/3/2018	Brenda Prado	Kingsburg, CA	The welfare of the animals of Fresno County is important to me and many others.
75.	8/3/2018	Sarah Chambless	Kingsburg, CA	
76.	8/3/2018	Cindy Unruh	Fresno, CA	Fresno Humane has done a great job cleaning up the mess and bad karma that Liberty left behind. The animals deserve to have the best care and decent facilities while they wait for their forever homes. I will support Fresno Humane any way i can! They have restored my faith in rescuing animals again!
77.	8/3/2018	Devon Botelho	Clovis, CA	
78.	8/3/2018	Carmen Moreno	Fresno, CA	Love animals
79.	8/3/2018	Eva Lujan	Fresno, CA	Because of all the stray dogs, who suffer & can also be dangerous to other dogs & humans & there are ppl working so hard to save them without adequate resources
80.	8/3/2018	Esther Wallace	Fresno, CA	Because we need this for our furry babies and the community who put so much of their time and efforts to save these furry animals
81.	8/3/2018	Kylie Valdivia	Kerman, CA	
82.	8/3/2018	Katie Applin	Fresno, CA	Fresno County's animals deserve a facility we can

all be proud of. Fresno Humane is doing amazing things with very limited resources- imagine what their awesome staff could do with this wonderful facility! Please support this project and be a hero to Fresno County's animals!

83.	8/3/2018	Heather Melton	Fresno, CA	Save the animals
84.	8/3/2018	Karalyn Stairs	Clovis, CA	
85.	8/3/2018	Gabriela Shaw	Fresno, CA	Im an animal lover. ..
86.	8/3/2018	Ngaozong Thao	Fresno, CA	ANIMALS NEEDS US.

114.	8/3/2018	Sandra Schurr	Clovis, CA	The current situation in which the animals are housed is an embarrassment and says the County doesn't value the SPCA's work the way it

should. Animals deserve more than an old outdated morgue!

115.	8/3/2018	Karen kyer	Fresno, CA	
116.	8/3/2018	Nicholas Sanchez	Fresno, CA	
117.	8/3/2018	Rhonda Bonham	Clovis, CA	There are way to many animals out there that need help and thes are the people to do it
118.	8/3/2018	Mary Mathos	Sanger, CA	We are their voice.
119.	8/3/2018	Patricia Cox	Fresno, CA	It's needed and that's the bottom line
120.	8/3/2018	May Moua	Fresno, CA	
121.	8/3/2018	Melissa Tolbert	Fresno, CA	Animals shouldn't have to die just cause they don't have a home.
122.	8/3/2018	Sandra Vidales	Fresno, CA	
123.	8/3/2018	Haylee Perry	Clovis, CA	
124.	8/3/2018	Kym Schwoerer	Fresno, CA	
125.	8/3/2018	Randi Long	Fresno, CA	
126.	8/3/2018	Celine Jimenez	Sanger, CA	Animal lover, they deserve better, especially the pits.
127.	8/3/2018	Linda Jones	Fresno, CA	FHAS is doing awesome work and making a huge difference for animals in Fresno County. Think how much more they will be able to accomplish with adequate facilities
128.	8/3/2018	Kayla Billick	Fresno, CA	My dog came from a high kill shelter and knowing that if Fresno gets a bigger space we can save more dogs and give them loving homes
129.	8/3/2018	Richard Shadle	Clovis, CA	
130.	8/3/2018	Jacqueline Aguilera	Sanger, CA	
131.	8/3/2018	Megan Williams	Fresno, CA	
132.	8/3/2018	Amanda Diaz	Fresno, CA	I have 3 rescues. 2 if them was on the kill list that day! They had been there 3 days. But it was full. They were pits. Not okay. We need to keep these

beautiful kind dogs of the list. We can't do that unless they have a place to keep them and work with them to get and adoptable. All breeds and animals deserve the opportunity

133.	8/3/2018	Jennifer Skipper	Fresno, CA	Fresno humane is doing awesome things to help out the horrible pet problems we have here in the central valley
134.	8/3/2018	Nancy Kalpakoff	Kerman, CA	Change in our city and county needs to be made on a serious level. This is a great start.
135.	8/3/2018	Brenda Mitchell	Fresno, CA	It's time for Fresno County's animals to have the shelter they animals deserve. Fresno Humane works tirelessly to improve the lives of valley animals. This will give us the ability to do even more. It will give us the ability to humanly house animals while they wait for their home. It will give us the opportunity to proved education and be a light for people and animals alike.
136.	8/3/2018	Deborah Thornburg	Fresno, CA	
137.	8/3/2018	Ngaohuab Thao	Fresno, CA	
138.	8/3/2018	Stacy Cook	Fresno, CA	
139.	8/3/2018	Ashley Thomas	Fresno, CA	
140.	8/3/2018	Angelica Lemus	Fresno, CA	The facility now is really small and they are in need of a bigger space to provide the room for these animals to not only wait for a forever home, but also for them to get proper exercise.

141.	8/3/2018	Austin Goldsberry	Fresno, CA	
142.	8/3/2018	Hanna Beal	Fresno, CA	
143.	8/3/2018	Angela Perales	Clovis, CA	
144.	8/3/2018	Vicki Perkins	Fresno, CA	For the love of animals
145.	8/3/2018	Alyssa Gonzales	Fresno, CA	
146.	8/3/2018	heather Gibson	Squaw Valley, CA	Having adopted a special needs cat from Fresno Humane, it pains me to think a few years ago, she would have just been euthanized. I would love to see them get a better base, where they can really excel!
147.	8/3/2018	Luci Garcia	Fresno, CA	
148.	8/3/2018	Mechelle Fuchs	Fresno, CA	
149.	8/3/2018	Bonnie Jones	Fresno, CA	A pop up shelter in the morgue parking lot is a disgrace. The citizens of our County deserve a functional facility. The animals deserve to be treated humanely in a facility that can meet all of their needs. Let's build a shelter we can be proud of and start really making a difference to change and modernize animal control. Fresno should be a leader and innovator in the animal control field as we are the 10th largest County, by population, in our State. Do the right thing and build a modern facility that will meet our current needs and those of future generations to come.
150.	8/3/2018	Laura Williams	Fresno, CA	This is a truly dedicated group of individuals that run Fresno Humane Animal Services out of the parking lot of a condemned morgue. They

brave the heat and the cold to save these precious stray, unwanted and abandoned animals. What a huge difference they have made in the few short years that Fresno Humane has been in existence. They believe in the homeless animals that no one else cared about and they want to save them all through adoption and rescue. It is time for Fresno county to support their efforts and help them with a new shelter. I am 1,000% in support of this new shelter.

151.	8/3/2018	Adrean Allan	Fresno, CA	Opening rescue rehab facility... want to make changes on this town
152.	8/3/2018	Deborah Neely	Fresno, CA	This is important because the building of the shelter is way past due and the need is so great. Plus this is the most amazing group of people that you would ever want in charge of this project AND no cost to the taxpayer. How could anyone be against this? Come on Fresno let's get this done!
153.	8/3/2018	Tonya Palm	Clovis, CA	The rate of euthanasia in this area and the number of abandoned and abused animals is heartbreaking. I appreciate the efforts of the Fresno Humane Animal aservices and support their efforts.
154.	8/3/2018	Jen Perkins	Clovis, CA	
155.	8/3/2018	Antoniette Aizon	Fresno, CA	
156.	8/3/2018	Heidi Stabbert	Fresno, CA	We need to get the dogs out of the morgue parking

				lot and into an indoor facility.
157.	8/3/2018	Janessa Tyler	Fresno, CA	Homeless animals of Fresno County deserve to have a shelter that they deserve - filled with love, space to exercise and protection from harsh weather conditions - until they find forever homes!
158.	8/3/2018	Maygen Brown	Fresno, CA	Animals deserve a safe place to live and to hopefully find a home.
159.	8/3/2018	Deanna Maney	Fresno, CA	We NEED this for the ANIMALS of this community
160.	8/3/2018	Laura Mendoza	Fresno, CA	Animals deserve more respect..
161.	8/3/2018	Wendy Olono	Madera, CA	County animals deserve better than the parking lot of and old morgue!
162.	8/3/2018	kathleen hopper	Fresno, CA	Fresno Humane Animal Services has more than lived up to their promises to the people, pets and governing bodies of County of Fresno. Now It's time for Fresno County have an actual Animal Shelter/Hospital. The "pop-up" shelter at the old morgue site is not sufficient.
				It's time to step up and get this fixed.
163.	8/3/2018	Sabrina James	Fresno, CA	
164.	8/3/2018	Stacey Hofve	Fresno, CA	Because I adopted two dogs from shelters and would like to see the ones who haven't found their forever home be kept in a better facility.
165.	8/3/2018	Carol Semenko	Fresno, CA	Fresno Humane has done an amazing job saving animals while working out of the old morgue. Its

time to get them the facility they need and one the animals of Fresno County deserve.

166.	8/3/2018	Jennifer Valadez	Fresno, CA	
167.	8/3/2018	Angela Robertson	Fresno, CA	FHAS does amazing things with so little right now imagine how many lives they can save if they have support!
168.	8/3/2018	Gay Wilson	Fresno, CA	
169.	8/3/2018	Cynthia Oliver	Fresno, CA	This is important to me because the lives and quality of life of each and every animal is very important to me. Animals are deserving of the very best love and care.
170.	8/3/2018	George Mercado	Sanger, CA	
171.	8/3/2018	Jackey Alvarez	Fresno, CA	
172.	8/3/2018	Karren Rector	Fresno, CA	FHAS provides very valuable services for homeless pets in sub-par and crowded conditions. They deserve your support in providing high-quality care for these animals while they are waiting to be re-homed.
173.	8/3/2018	Angelica Lopez	Fresno, CA	I foster puppies so I can sympathize and we need better facilities for the shelter.
174.	8/3/2018	Alaynna Hughes	Clovis, CA	
175.	8/3/2018	Jon Ballard	Fresno, CA	
176.	8/3/2018	Crystal Drake	Fresno, CA	
177.	8/3/2018	Kayla Irwin	Fresno, CA	
178.	8/3/2018	Manuel Diaz	Fresno, CA	Because dogs rule and cats drool! Main reason is Fresno County to ha an actual Animal Shelter/Hospital to help all the stray cats and dog have a chance
179.	8/3/2018	Nashellie Gonzalez	Fresno, CA	Being in the rescue community, Fresno

				Humane have been amazing to work with getting dogs to a new beginning. Their work should not go unnoticed.
180.	8/3/2018	Grant Morris	Fresno, CA	I got my dog from a no kill shelter had he been in a kill he would have been put down before I would have been able to get him and he has changed my life
181.	8/3/2018	Donna Zanovich	Fresno, CA	
182.	8/3/2018	Jennifer Zentzis	Fresno, CA	This is important because the animals of Fresno county need a humane location to be housed and receive medical attention. The dogs do not need to be held in a converted parking lot in 100 degree and higher heat during the summer and below freezing temperatures during the winter.
183.	8/3/2018	Kathy Tuck	Clovis, CA	
184.	8/3/2018	Brian Karas	Fresno, CA	It is needed to provide better care for county animals.
185.	8/3/2018	Rita Burrola	Fresno, CA	The love for all animals
186.	8/3/2018	Gini Richardson	Clovis, CA	Fresno County and its animals truly need this shelter. The animals of Fresno County have suffered for years. Now through the caring dedicated work of Fresno Humane their lives are changing for the better and they finally have a chance and have very special people to help and care for them. They are doing a great job working out of the parking lot of the old morgue.

187.	8/3/2018	Linda Guthrie	Fresno, CA	It is important to keep the animals in the valley safe while in the county's care.
188.	8/3/2018	Patsy Stebens	Clovis, CA	Fresno Humane has done more than any other shelter ever. They work out of unacceptable conditions and need to have these animals in a place that they unfortunately have to call home for periods at a time. Please give them this new facility so they can continue to care for these animals and find them their forever homes.
189.	8/3/2018	Angela Perez	Sanger, CA	
190.	8/3/2018	Misty Van Staaveren	Clovis, CA	
191.	8/3/2018	Erin Chavez	Fresno, CA	
192.	8/3/2018	Anita Teurlings	Fresno, CA	Fresno Humane has saved thousands of animals and deserve the city contract also. The Euthanasia rate is so low due to the dedicated personnel who strive to place animals in Rescues, other States and through their own adoption process. They truly are humane and I applaud their continued efforts.
193.	8/3/2018	Sherry Rudell	Clovis, CA	A great step in changing the kill rate, animal education and Fresno's image as a predominately kill town for animals.
194.	8/3/2018	Lisa Fazio-Satterberg	Clovis, CA	I have been involved with dog rescue for many years and Fresno finally has a chance to make up for the terrible services provided by the CCSPCA and Liberty. Fresno Humane has proven itself and It's

				time to give them an acceptable facility to work with.
195.	8/3/2018	Carol Elfstrom	Fresno, CA	All those poor babies have family looking for them or a new family that will love them. They are pure souls that deserve every chance for a good life.
196.	8/3/2018	Tiffany Floren	Fresno, CA	We need a humane care facility.
197.	8/3/2018	Brenda Bethel	Fresno, CA	So very much needed here in the Fresno area to promote the care and continued saving of thousands of helpless animals . Please support no kill shelters such as Fresno Humane . They do an amazing job .
198.	8/3/2018	Caryn Cargle	Fresno, CA	
199.	8/3/2018	Kim Jackson	Fresno, CA	
200.	8/3/2018	Janice A	Clovis, CA	
201.	8/3/2018	Ann RuthBrown	Fresno, CA	
202.	8/3/2018	Sandra Marquez	Fresno, CA	Fresno Humane Animal Services has demonstrated the need for a bigger and better facility. They have reduced euthanasia rates in the County of Fresno and increased adoption rates.
203.	8/3/2018	Stacy Constance Schlegel	Fresno, CA	
204.	8/3/2018	Jessica Gonzalez	Fresno, CA	What a wonderful idea.
205.	8/3/2018	Melanie Blackwell	Fresno, CA	
206.	8/3/2018	Steven Lewis	Fowler, CA	Fresno Humane has done an incredible job with the homeless and stray animals they take in Fresno County. Not only is their euthanasia rate consistently well under 10% each month through their efforts to get animals out to rescue, but they

also do a great job educating the public. It's too bad the people of the SPCA can't figure that out.

207.	8/3/2018	Lisa Sanders	Kerman, CA	
208.	8/3/2018	Juleigh Colvin	Clovis, CA	Fresno County needs a safe and protected place for animals to find their way home, whether returning home or a new forever home. Fresno Humane has done what several others have not, found inventive ways to not kill healthy, loving, wonderful animals.
209.	8/3/2018	Cindy Clark	Fresno, CA	
210.	8/3/2018	Dustin Crain	Fresno, CA	As a person who has rescued a dog before, animals are very special and deserve a good life with someone who will love them.
211.	8/3/2018	Jocelyn Splan	Tollhouse, CA	
212.	8/3/2018	Bethany Cook	Clovis, CA	
213.	8/3/2018	Niki Gerber-White	Clovis, CA	
214.	8/3/2018	Amber Cowan	Fresno, CA	
215.	8/3/2018	Erika Magill	Fresno, CA	Love animals
216.	8/3/2018	Tawnya Keith	Fresno, CA	
217.	8/3/2018	Lucy Vue	Visalia, CA	
218.	8/3/2018	Nicole Rabeneau	Clovis, CA	
219.	8/3/2018	Joye Browning	Fresno, CA	
220.	8/3/2018	Tracy Notion	Clovis, CA	
221.	8/3/2018	Sarah Stout	Auberry, CA	
222.	8/3/2018	Jeffrey Carlson	Sanger, CA	I'm an animal lover
223.	8/3/2018	Marcy Sanchez	Clovis, CA	Animals are my life I spend countless hours trying to rescue them
224.	8/3/2018	Gretchen Lemoine	Fresno, CA	The state of animal control in Fresno County was an embarrassment until the current group managing county animal services took over. I represent a breed rescue in CA and

neighboring states. Fresno County animal services has had a terrible reputation until recentlt. We can do even better. This new facility is needed!

225.	8/3/2018	Nicole Stout	Fresno, CA	I feel they could help more animals, It's more resources to them
226.	8/3/2018	Terry Busch	Fresno, CA	Important
227.	8/3/2018	Kristina Robertson	Fresno, CA	
228.	8/3/2018	Mary Johnson	Auberry, CA	This shelter would revieve a grossly overburdened system here in Fresno, and it would (hopefully) decrease the number of euthanizations performed in the city.
229.	8/3/2018	Linda Wilson	Clovis, CA	
230.	8/3/2018	Lisa Romero	Fresno, CA	
231.	8/3/2018	Darren Magill	Fresno, CA	
232.	8/3/2018	Shelby Turner	Frenso, CA	
233.	8/3/2018	Karyn Reynolds	Clovis, CA	Animal lover and have rescued 4 dogs. Rescue animals make the best pets.
234.	8/3/2018	Kathy Cruz	Fresno, CA	
235.	8/3/2018	Teri Kerns	Fresno, CA	Fresno humane animal has been able to save so many lives with what they currently have. Can you imagine how many animals could be saved with a facility to operate out of.
236.	8/3/2018	Phyllis Byrd	Prather, CA	
237.	8/3/2018	Mandy Kirby	Clovis, CA	I am an animal lover that is deeply disturbed by the amount of homeless and abused animals are in the Fresno area. Anything I can do to help...
238.	8/3/2018	Carolyn Scott	Kerman, CA	All animals need to be taken care of and should be kept alive if there is any

chance of them finding a forever home.

239.	8/3/2018	Pam Isonio	Fresno, CA	
240.	8/3/2018	Carolyn Wood	Fresno, CA	
241.	8/3/2018	Ruth Diaz	Sanger, CA

243.	8/3/2018	Selena Hernandez	Fresno, CA	
244.	8/3/2018	Shawn Betts	Fresno, CA	I fully support shelters, and especially if they are no kill
245.	8/3/2018	Maritza Lopez	Dinuba, CA	Give the opportunity to help even more animals!
246.	8/3/2018	Vicki Guido	Fresno, CA	
247.	8/3/2018	Lynne Oncken	Fresno, CA	
248.	8/3/2018	cindy walter	fresno, CA	
249.	8/3/2018	Denise Nelson	Clovis, CA	
250.	8/3/2018	Robin Valencia	Fresno, CA	
251.	8/3/2018	Kimberly Guerrero	Fresno, CA	Fresno has a very bad Animal Control service and better facilities are needed
252.	8/3/2018	Maly Yang	Fresno, CA	
253.	8/3/2018	Lynn Habib	Fresno, CA	
254.	8/3/2018	Stefani Bernard	Fresno, CA	
255.	8/3/2018	Dana Fidinger	Fresno, CA	
256.	8/3/2018	Anna Thomas	Fresno, CA	Fresno Humane is trying to help our Central Valley community with our pet overpopulation. Its time to wake up! Become educated! As a volunteer who helps transport dogs to rescues i SEE the struggle. Please. Help.
257.	8/3/2018	Amy Waughtal	Fresno, CA	
258.	8/3/2018	Tiffany Thong	Fresno, CA	
259.	8/3/2018	Tracie Castillo	Fresno, CA	The animals of fresno county deserve better than a parking lot and so do the dedicated staff who have stepped up and made such a difference. They need the room to help more and educate

				the public on spaying and neutering.
260.	8/3/2018	Stacey Walls	Fresno, CA	Help save more animals!
261.	8/3/2018	Tara Imbrie	Prather, CA	
262.	8/3/2018	Carole Reed	Fresno, CA	Animal lover
263.	8/3/2018	Julie Butler	Clovis, CA	
264.	8/3/2018	Jill Kissinger	Kerman, CA	
265.	8/3/2018	Debbie Schoonmaker	Auberry, CA	
266.	8/3/2018	Yesenia Gomez	Fresno, CA	
267.	8/3/2018	Marissa Montez	Fresno, CA	Fresno as an epidemic of stray animals and people who do not properly care for their pets. Fresno Humane puts a lot of hard work and passion to help educate the public about responsible pet ownership and does a wonderful job educating Fresno about the responsibilities of pet ownership as well as provide low-cost and accessible vet services for the Fresno area. They also provide love and shelter to many unwanted and unloved animals that have been let down by humans. They ave done so much for Fresno and could do so much more with a larger, state of the art facility. More people could be educated, more animals could be loved and taken off the streets and hopefully make an even bigger positive impact on the stray animal problem Fresno has.
268.	8/3/2018	Jatinder Aujla	Fresno, CA	
269.	8/3/2018	Jacquelynn Dick	Clovis, CA	What is a community with out animals? Dont they deserve the best too?
270.	8/3/2018	priscilla ovalle	Fresno, CA	

271.	8/3/2018	Jonah Smeds	Fresno, CA	Hello Sal, I hope you and yours are well. This effort needs your attention and support. I am hopeful that they will receive it. Your friend and former bartender (The Daily Planet) Joe Smeds
272.	8/3/2018	Christine Hernandez	Fresno, CA	I love dogs and feel that with all their hard work and efforts , they should have a proper facility
273.	8/3/2018	Norma Zamora	Reedley, CA	
274.	8/3/2018	Jane Gonzalez	Fresno, CA	
275.	8/3/2018	Juliana Diaz	Fresno, CA

291.	8/3/2018	Victor Herrera	Fresno, CA	
292.	8/3/2018	Jo Whisenhunt	Fresno, CA	Fresno Humane needs a new updated building with AC/Heating for the unfortunate animals that are lost and abandoned in

				Fresno. The area is perfect for them.
293.	8/3/2018	Zenia Hermosillo	Fresno, CA	Amazing service, for a low price. This shelter saves a lot of animals around Fresno. Fresno has a high poverty rate, which prevents a lot of individuals from being able to afford services for their animals. With this shelter, we can help these low income families, and can prevent the spread of animal overpopulation in central California, because not all animals end up in loving homes.
294.	8/3/2018	kalie reeves	fresno, CA	
295.	8/3/2018	Star Jackson	Fresno, CA	They are working in a old morgue? Kinds creppy
296.	8/3/2018	Julieann Valladarez	Fresno, CA	Animals, homeless
