RIGHT OF WAY CONTRACT

An easement deed to the County of Fresno from the Grantor(s) has been executed and delivered to the Design Division of the County of Fresno Department of Public Works and Planning.

In consideration of which, and the other consideration hereinafter set forth, it is mutually agreed as follows:

7. It is agreed and confirmed by the parties hereto that notwithstanding other provisions in this contract, the right of possession and use of the subject property by the County, including the right to remove and dispose of improvements, shall commence 60 days from the Board of Supervisor's approval of this Right of Way Contract or the date the deed is recorded, whichever

Clause 3 above includes payment for the replacement of improvements such as fencing and/or irrigation facilities that are within the area being acquired for this project and must be replaced in order to proceed with the construction of the project. If Grantor(s) does not replace said items, County may install temporary fencing on Grantor's property lying immediately adjacent to the new right of way line, if necessary, to hold in livestock during construction of the road project, and/or plug the irrigation line(s) at Grantors' property line. Grantor(s) hereby agrees to allow the County access to their remaining property to perform said work and that the cost for said work shall be billed to and paid for by Grantor(s).

9. Grantor(s) agrees to hold the County harmless and reimburse the County for any and all losses and expenses as to the property being acquired hereunder occasioned by reason of any lease of said property held by any tenant of grantor(s).
