DISCUSSION:

The Board of Supervisors created the Fresno County National Guard Commission by Resolution No. 82-392 dated September 28, 1982. The Commission was created to act in an advisory capacity to the Board of Supervisors in promoting, aiding and encouraging public support to and recruitment for the National Guard, and aiding, encouraging and assisting in disseminating information to the public relative to the community's responsibility in supporting and promoting the National Guard.

The Fresno County National Guard Commission was to prepare and submit an annual report summarizing the Commission's activities/accomplishments to the Board of Supervisors. The Board of Supervisors received the 1985 Annual Report of the National Guard Commission on June 3, 1986; no other reports have been issued since. In addition, the Commission has not met in a number of years and there are currently no members appointed to the Commission Board. Furthermore, Clerk of the Board of Supervisors' staff have not been able to confirm the status of the Commission with last known members.

Adoption of the resolution would abolish the Fresno County National Guard Commission.
