**ANNUAL REPORT FOR FRESNO COUNTY SCHOOLS**  
**2017--2018 ACADEMIC YEAR – Monitored in Fall 2018**

Teacher Misassignment and Vacancy Data are from the 2017-2018 School Year.

**TEACHER MISASSIGNMENTS AND TEACHER VACANCIES:**

The results of teacher misassignments\* and teacher vacancy\*\* reviews for the following schools were:

*(Note: The annual report will include the teacher misassignments and vacancies reported to the CCTC on July 1 for the prior year.*

\*CCTC considers it misassignments when a teacher lacks the proper subject-matter authorization to teach the class, a proper teaching credential, or the appropriate authorization or credential to teach English Learners and one or more English Learners are assigned to the class. The *Williams* settlement requires that the county superintendent also report to the CCTC the number of English Learner related misassignments involving classes in which 20% or more of the students are English Learners.

\*\*A “teacher vacancy” occurs if 20 working days after school begins for the semester, a single designated teacher has still not been assigned to teach the class for the entire year or semester. [E.C. Section 35186(h)(3) and C.C.R. Title 5 Section 4600(b)]

Schools were reviewed for sufficient textbooks and instructional materials as noted below:
