20 such worker's compensation insurance the CONTRACTOR has waived its right to recover from the
21 COUNTY, its officers, agents, and employees any amounts paid under the insurance policy and that waiver
22 does not invalidate the insurance policy; that such Commercial General Liability insurance names the
23 County of Fresno, its officers, agents and employees, individually and collectively, as additional insured, but
24 only insofar as the operations under this Agreement are concerned; that such coverage for additional
25 insured shall apply as primary insurance and any other insurance, or self-insurance, maintained by

28 without a minimum of thirty (30) days advance, written notice given to COUNTY.

1 In the event CONTRACTOR fails to keep in effect at all times insurance coverage as herein
2 provided, the COUNTY may, in addition to other remedies it may have, suspend or terminate this
3 Agreement upon the occurrence of such event.

4 All policies shall be issued by admitted insurers licensed to do business in the State of

9 defend the COUNTY, its officers, agents, and employees from any and all costs and expenses (including
10 attorney's fees and costs), damages, liabilities, claims, and losses occurring or resulting to COUNTY in
11 connection with the performance, or failure to perform, by CONTRACTOR, its officers, agents, or

16 CONTRACTOR agrees to indemnify COUNTY for Federal, State of California audit
17 exceptions resulting from noncompliance herein on the part of the CONTRACTOR.

18 **18. SINGLE AUDIT**

19 A. If CONTRACTOR expends Seven Hundred Fifty Thousand Dollars (\$750,000.00) or
20 more in Federal and Federal flow-through monies, CONTRACTOR agrees to conduct an annual audit in
21 accordance with the requirements of the Single Audit Standards as set forth in 2 Code of Federal
22 Regulations (CFR) Part 200. CONTRACTOR shall submit said audit and management letter to COUNTY.
23 The audit must include a statement of findings or a statement that there were no findings. If there were
24 negative findings, CONTRACTOR must include a corrective action plan signed by an authorized
25 individual. CONTRACTOR agrees to take action to correct any material non-compliance or weakness
26 found as a result of such audit. Such audit shall be delivered to COUNTY's Department of Behavioral
27 Health, Business Office for review within nine (9) months of the end of any fiscal year in which funds were
28 expended and/or received for the program. Failure to perform the requisite audit functions as required by

1 this Agreement may result in COUNTY performing the necessary audit tasks, or at COUNTY's option,
2 contracting with a public accountant to perform said audit, or, may result in the inability of COUNTY to
3 enter into future agreements with CONTRACTOR. All audit costs related to this Agreement are the sole
4 responsibility of CONTRACTOR.

5 B. A single audit report is not applicable if CONTRACTOR's Federal contracts do not
6 exceed the Seven Hundred Fifty Thousand Dollars (\$750,000.00) requirement or CONTRACTOR's only
7 funding is through Drug related Medi-Cal. If a single audit is not applicable, a program audit must be
8 performed and a program audit report with management letter shall be submitted by CONTRACTOR to
9 COUNTY as a minimum requirement to attest to CONTRACTOR's solvency. Said audit report shall be
10 delivered to COUNTY's Department of Behavioral Health, Business Office for review, no later than nine (9)
11 months after the close of the fiscal year in which the funds supplied through this Agreement are expended.
12 Failure to comply with this Act may result in COUNTY performing the necessary audit tasks or contracting
13 with a qualified accountant to perform said audit. All audit costs related to this Agreement are the sole
14 responsibility of CONTRACTOR who agrees to take corrective action to eliminate any material
15 noncompliance or weakness found as a result of such audit. Audit work performed by COUNTY under this
16 section shall be billed to the CONTRACTOR at COUNTY's cost, as determined by COUNTY's Auditor-
17 Controller/Treasurer-Tax Collector.

18 C. CONTRACTOR shall make available all records and accounts for inspection by
19 COUNTY, the State of California, if applicable, the Comptroller General of the United States, the Federal
20 Grantor Agency, or any of their duly authorized representatives, at all reasonable times for a minimum of

22 audit by the Federal government or DHCS has been started before the expiration of the ten (10) year
23 period, records shall be maintained until completion of the audit and final resolution of all findings.

24 **19. AUDITS AND INSPECTIONS**

28 COUNTY, permit the COUNTY to audit and inspect all of electronic or print books and records as well as

1 inspection of the premises, physical facilities and equipment where Medicaid-related activities are
2 conducted to ensure CONTRACTOR'S compliance with the terms of this Agreement.

3 The refusal of CONTRACTOR to permit access to, and inspection of, electronic or print
4 books and records, physical facilities, and/or refusal to permit interviews with employees, as described in
5 this part, constitutes an express and immediate material breach of this Agreement and will be sufficient
6 basis to terminate the Agreement for cause or default.

7 The right to audit under this section exists for ten (10) years from the final date of the
8 agreement period or from the date of completion of any audit, whichever is later.

9 Notwithstanding the provisions stated in Section Three (3), TERM, of this Agreement, it is
10 acknowledged by the parties hereto that this Agreement shall continue in full force and effect until all audit
11 procedures and requirements as stated in this Agreement have been completed to the review and
12 satisfaction of COUNTY. CONTRACTOR shall bear all costs in connection with or resulting from any audit
13 and/or inspections including, but not limited to, actual costs incurred and the payment of any expenditures
14 disallowed by either COUNTY, State, or Federal governmental entities, including any assessed interest and
15 penalties.

16 If CONTRACTOR, through an audit by the STATE or COUNTY, is found to be in violation of
17 this contract which results in the recoupment of funds paid to CONTRACTOR, COUNTY may, upon mutual
18 consent between CONTRACTOR and COUNTY, enter into a repayment agreement with the
19 CONTRACTOR, with total monthly payments not to exceed twelve (12) months from the date of the
20 repayment agreement, to recover the amount of funds to be recouped. The monthly repayment amounts
21 shall be netted against the CONTRACTOR's monthly billing for services rendered during the month.
22 COUNTY reserves the right to forgo a repayment agreement and recoup all funds immediately.

23 **20. EVALUATION – MONITORING**

24 CONTRACTOR shall participate in a review of the program at least yearly or more
25 frequently, or as needed, at the discretion of COUNTY. The CONTRACTOR agrees to supply all
26 information requested by the COUNTY, DHCS, and/or the subcontractor during the program evaluation,
27 monitoring, and/or review.

28 COUNTY's DBH Director, or her designee, and DHCS or their designees shall monitor and

1 evaluate the performance of CONTRACTOR under this Agreement to determine to the best possible
2 degree the success or failure of the services provided under this Agreement. At the discretion of the
3 COUNTY, a subcontractor may be obtained by the COUNTY to independently evaluate and monitor the
4 performance of the CONTRACTOR. CONTRACTOR shall participate in the evaluation of the program as
5 needed, at the discretion of COUNTY.

6 COUNTY shall recapture from CONTRACTOR the value of any services or other
7 expenditures determined to be ineligible based on the COUNTY or State monitoring results. At the
8 discretion of the COUNTY, CONTRACTOR shall enter into a repayment agreement with the COUNTY, with
9 total monthly payments not to exceed twelve (12) months from the date of the repayment agreement, to
10 recover the amount of funds to be recouped. The monthly repayment amounts shall be netted against the
11 CONTRACTOR's monthly billing for services rendered during the month. COUNTY reserves the right to
12 forgo a repayment agreement and recoup all funds immediately.

8 Provider shall maintain general ledgers that reflect the original transaction amounts where each entry in
9 their accounting records represents one-hundred percent (100%) of the total transaction cost and can
10 be supported with the original source documentation (i.e. receipts, bills, invoices, payroll registers, etc.).
11 Bank statements reflecting purchases are not original source documents and will not be accepted as

FRESNO COUNTY DEPARTMENT OF BEHAVIORAL HEALTH
RECOVERY RESIDENCE
SCOPE OF WORK
ALCOHOL AND DRUG-FREE HOUSING

INTRODUCTION

The County of Fresno, Department of Behavioral Health (DBH) makes Recovery Residence (RR) available to adult males and females who are concurrently enrolled in a County-contracted Outpatient Alcohol and/or Other Drug (AOD) Treatment program through community-based facilities. Contracted RR providers shall offer quality alcohol and drug-free housing in accordance with this scope of work and the DBH Guidelines for Recovery Residences/Transitional Housing. RR's are a supportive service to the substance use disorder (SUD) treatment continuum; therefore, providers that offer RR must be flexible with partnering and coordinating with treatment providers and other services which are part of the SUD treatment continuum.

RR providers must maintain certification with a state affiliate of NARR and meet or exceed Level One (1) NARR standards as described in Exhibit C of this Agreement.

The term "recovery residences" (RR) shall be deemed synonymous with sober living environment (SLE) and transitional housing (TH) for the purposes of this scope of work.

TARGET POPULATION

The target population includes adult male and female residents of Fresno County that are concurrently enrolled in a County-contracted Outpatient Drug Free Treatment program and/or medically necessary Recovery Services.

SERVICE EXPECTATIONS

Provider must conform with all state and local laws, be a non - profit agency, and adhere to the Fresno County DBH Guidelines for Recovery Residences/Transitional Housing. The RR provider must be affiliated with a licensed residential treatment program contracted with DBH and operating in Fresno County.

Recovery Residence services must be in conformity and compliance with: (1) all local zoning and occupancy ordinances; (2) the County Master Agreement, which includes County policies and procedures; (3) 2 CFR part 225 "*Cost Principles for State, Local and Indian Tribal;*" *Governments;*" (4) 2 CFR Part 230 "*Cost Principles/or Non-Profit Organizations* and (5) Cultural and Linguistically Appropriate Services (CLAS) standards.

Providers must maintain a current fire clearance to operate a Recovery Residence and comply with all occupancy ordinances and procedures.

The RR provider must maintain a complete daily census of all residents and all statistical information required by Fresno County DBH, including but not limited to: (1) date participant entered the RR; (2) date outpatient treatment program and/or recovery services were completed; (3) date of County-approved RR extension(s); and (4) date of resident exit from RR. Refer to the

Fresno County DBH Guidelines for Recovery Residences/Transitional Housing for additional documentation and reporting requirements. Provider must submit the census monthly with the RR invoice. In addition, the program must maintain complete records of services and provide all data necessary for reporting to the State of California, referral sources and the County, including wait list information.

LENGTH OF TREATMENT/REIMBURSEMENT

RR facilities shall provide alcohol and drug-free support for the maintenance of a clean and sober lifestyle. Fresno County recognizes that individuals residing in RR facilities need adequate time to re-establish their lives in recovery but are expected to be actively engaged in becoming self-sufficient. To allow for adequate recovery time and to encourage the resident's autonomy, the County of Fresno will implement a systematic reduction of reimbursement for RR services. The minimum length of stay in a recovery residence shall be one (1) day and the maximum length shall not exceed 365 days. The County of Fresno will reimburse costs of RR services according to the following schedule:

From Day	Through Day	County Reimbursement	Resident's Share of Cost
1	180	100%	0%
181	210	75%	25%
211*	365	50%	50%
Treatment Completion**	365	25%	75%

*Residents who have **prior DBH approval** for a 30-day extension beyond 210 days, and **continue to be engaged in treatment**, are responsible to pay 50% of the rate. The County will reimburse costs at 50% of the rate for day 211 through the approved extension period(s), not to exceed 365 days. To qualify for continued reimbursement, provider must request extensions, in 30-day increments, one (1) week prior to the expiration of the initial 210 days and no less than one (1) week prior to the end of each 30-day extension period.

With **prior DBH approval, residents who successfully complete their outpatient treatment episode can obtain additional extensions, in 30-day increments, at the 50% County reimbursement rate, not to exceed a total of 365 days from the original admission date if the program meets the following requirements:

- An extension request must be approved by County no less than one (1) week prior to Outpatient treatment completion; and
- The individual in a recovery residence must have a successful completion for the Outpatient treatment program, as defined by ADP Bulletin 10-04, *"Criteria for Discharging Treatment Clients using the CalOMS-Tx Completion Discharge Statuses"*, as Code 1 or Code 2.

Residents without an approved extension will be eligible for County reimbursement for no more than one (1) day after the participant's completion of their outpatient treatment episode.

Residents who exit the treatment without successful completion must pay 100% of the daily rate.

Residents who remain in the facility beyond the County-funded period must pay 100% of the daily rate.

The provider shall submit the request for extension to the assigned DBH Contracts Division - SUD Analyst via email at: SAS@co.fresno.ca.us.

FRESNO COUNTY DEPARTMENT OF BEHAVIORAL HEALTH GUIDELINES FOR RECOVERY RESIDENCES/TRANSITIONAL HOUSING

Fresno County Department of Behavioral Health has established the following guidelines to ensure quality/safe/clean/effective transitional housing for individuals actively engaged in outpatient substance use disorder treatment.  10. The Facility shall be a non-smoking environment. This includes the use of cigarettes, e-cigarettes, cigars, and pipes. If the operator's policy is to allow smoking on the property, a

smoking area must be designated clearly in an outdoor space where smoke will not affect Facility residents or neighbors and complies with all local smoking rules/ordinances. Any and all litter generated in a designated smoking area must be cleaned up daily;

11. Operator shall afford residents opportunities to engage in daily recreational, cultural, physical, and spiritual activities, either as an individual or with a group;
12. Residents MUST be engaged in employment, treatment, education, volunteer work, active job search (for a defined period), or other approved daily activities conducive to the recovery process;

Referral sources can include, but are not limited to, substance use disorder treatment programs, criminal justice system (probation/parole) and Fresno County treatment access points. As part of the admission process, individuals seeking to enter RR/TH must agree to sign a Release of Information (ROI) with their SUD treatment program and probation/parole as applicable, prior to entering RR/TH. The ROI will allow designated RR/TH staff to verify required attendance in outpatient SUD treatment and inquire about drug testing results.
4. Prospective residents must disclose all prescription medications and have a minimum of a 7-day supply on hand prior to moving into the Facility. Prospective residents CANNOT be denied services based on prescribed medications;
5. Copies of all policies, procedures, facility rules and expectations shall be presented to the prospective resident during the interview process, and specific questions or concerns of the resident should be recorded as a means of documenting their understanding of the rules and expectations;

8. Facility shall have written procedures for discharges due to successful completion of treatment. Procedure must include a plan to transition the resident into independent living and integration into the community, handing of the personal property of residents, a final accounting of monies paid by resident for rent, and coordination with the substance use treatment program.

NOTICE OF CHILD ABUSE REPORTING LAW

The undersigned hereby acknowledges that Penal Code section 11166 and the contractual obligations between County of Fresno (COUNTY) and PROVIDER(S) related to provision of alcohol and drug abuse treatment services for Fresno County residents, require that the undersigned report all known or suspected child abuse or neglect to one or more of the agencies set forth in Penal Code (P.C.) section (§) 11165.9.

For purposes of the undersigned's child abuse reporting requirements, "child abuse or neglect" includes physical injury inflicted by other than accidental means upon a child by another person, sexual abuse as defined in P.C. §11165.1, neglect as defined in P.C. §11165.2, willful cruelty or unjustifiable punishment as defined in P.C. §11165.3, and unlawful corporal punishment or injury as defined in P.C. §11165.4.

A child abuse report shall be made whenever the undersigned, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the undersigned knows or reasonably suspects has been the victim of child abuse or neglect. (P.C. §11166.) The child abuse report shall be made to any police department or sheriff's department (not including a school district police or security department), or to any county welfare department, including Fresno County Department of Children and Family Services' 24 Hour CARELINE. (See PC §11165.9.)

For purposes of child abuse reporting, a "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. The pregnancy of a child does not, in and of itself, constitute a basis for reasonable suspicion of sexual abuse. (P.C. §11166(a)(1).)

Substantial penalties may be imposed for failure to comply with these child abuse reporting requirements.

Further information and a copy of the law may be obtained from the department head or designee.

I have read and understand the above statement and agree to comply with the child abuse reporting requirements.

DETAILED INSTRUCTIONS

These instructions are designed to clarify certain questions on the form. Instructions are listed in question order for easy reference. No instructions have been given for questions considered self-explanatory.

IT IS ESSENTIAL THAT ALL APPLICABLE QUESTIONS BE ANSWERED ACCURATELY AND THAT ALL INFORMATION BE CURRENT.

Item I - Under "Identifying Information" specify in what capacity the entity is doing business as (DBA) (e.g. name of trade or corporation).

Item II - Self-explanatory

Item III - List the names of all individuals and organizations having direct or indirect ownership interests, or controlling interest separately or in combination amounting to an ownership interest of 5 percent or more in the disclosing entity.

Direct ownership interest - is defined as the possession of stock, equity in capital or any interest in the profits of the disclosing entity. A disclosing entity is defined as a Medicare provider or supplier, or other entity that furnishes services or arranges for furnishing services under Medicaid or the Maternal and Child Health program, or health related services under the social services program.

Indirect ownership interest - is defined as ownership interest in an entity that has direct or hospital-based home health agencies, are not indirect ownership interest in the disclosing entity. The amount of indirect ownership in the disclosing entity that is held by any other entity is determined by multiplying the percentage of ownership interest at each level. An indirect ownership interest must be reported if it equates to an ownership interest of 5 percent or more in the disclosing entity. Example: if A owns 10 percent of the stock in a corporation that owns 80 percent of the stock of the disclosing entity, A's interest equates to an 8 percent indirect ownership and must be reported.

Controlling interest - is defined as the operational direction or management of disclosing entity which may be maintained by any or all of the following devices: the ability or authority, expressed or reserved, to amend or change the corporate identity (i.e., joint venture agreement, unincorporated business status) of the disclosing entity; the ability or authority to nominate or name members of the Board of Directors or Trustees of the disclosing entity; the ability or authority, expressed or reserved, to amend or change the by-laws, constitution, or other operating or management direction of the disclosing entity; the right to control any or all of the assets or other property of the disclosing entity upon the sale or dissolution of that entity; the ability or authority, expressed or reserved, to control the sale of any or all of the assets, to encumber such assets by way of mortgage or other indebtedness, to dissolve the entity or to arrange for the sale or transfer of the disclosing entity to new ownership or control.

Item IV-VII - (Changes in Provider Status) For Items IV-VII, if the yes box is checked, list additional information requested under Remarks. Clearly identify which item is being continued.

Change in provider status - is defined as any change in management control. Examples of such changes would include; a change in Medical or Nursing Director, a new Administrator, contracting the operation of the facility to a management corporation, a change in the composition of the owning partnership which under applicable State law is not considered a change in ownership, or the hiring or dismissing of any employees with 5 percent or more financial interest in the facility or in an owning corporation, or any change of ownership.

Item IV - (A & B) If there has been a change in ownership within the last year or if you anticipate a change, indicate the date in the appropriate space.

Item V - If the answer is yes, list name of the management firm and employer identification number (EIN), or the name of the leasing organization. A management company is defined as any organization that operates and manages a business on behalf of the owner of that business, with the owner retaining ultimate legal responsibility for operation of the facility.
