It is the purpose of the MOU to promote and provide for harmonious relations, cooperation, and understanding between management and the employees covered herein; and to provide an orderly and equitable means of resolving any misunderstanding or differences which may arise under this MOU.

OVERTIME PAY

Employees subject to this MOU shall receive compensation in cash or compensatory time off at the rate of one and one-half (1½) the employee's hourly rate of pay for overtime worked, as defined in Section 800 of the Salary Resolution. In determining whether or not overtime hours have been worked, only productive work hours (actual hours worked) shall apply.

All overtime shall be paid in cash unless the employee opts to receive compensatory time off. Overtime paid in cash shall be calculated at the rate of one and one-half (1½) the employee's base hourly rate of pay ("County" overtime), unless the time worked meets the definition of overtime under provisions of the Fair Labor Standards Act (FLSA), effective April 15, 1989; in the latter instance, overtime shall be calculated at the rate of one and one-half (1½) the employee's regular rate of pay, as defined by provisions of the FLSA ("FLSA overtime"). Should the calculated "FLSA" overtime be greater than the calculated "County" overtime, an adjusting entry (earn code 90-FLSA OT) shall be made.

Double Time

Should an employee of this Unit be scheduled by Management to work more than seven (7) consecutive work days, commencing on the eighth (8th) day, the employee shall be compensated at two (2) times his/her base hourly rate for all overtime hours worked until such time as two (2) consecutive days off are provided by Management. Compensatory time off may be elected, as outlined below.

This payment shall only apply when the employee has been scheduled by management and ordered to work more than seven (7) consecutive work days and does not apply when the work is as a result of the employee volunteering.

To clarify which employees are volunteers, each current employee shall be provided a form upon which to waive eighth (8th) day overtime eligibility. Employees may either sign and complete the form, thereby indicating waiver, or discard it. Employees who return the signed form shall not be entitled to double-time pay for the eighth (8th) consecutive day worked nor days thereafter.

The pay at two (2) times the base hourly rate may not be applicable, as determined by management, in cases of a local or state of emergency as specified in Chapter 2.44 of the Fresno County Ordinance Code.

Compensatory Time Off

Employees covered by this MOU may accrue a combined maximum of Compensatory Time off (CTO) and holiday balances up to a maximum of sixty (60) hours (24 of which may be Holiday Accrual). Employees may request to be paid in cash at any time for accrued hours. The Sheriff retains the right to pay all compensatory time off in cash to all employees covered by this provision immediately before the expiration of this MOU. Compensatory time off for all Unit employees may be taken at a time mutually agreed upon by the department head or his/her representative and the employee. Anything over the maximum combined sixty (60) hours balance will be paid in cash by the department on the next available pay period.

Employees shall not be allowed to accrue any additional hours until their combined hours fall below the maximum sixty (60) hours. Additionally, prior to any promotion or departmental transfer, employees must either cash out or use all accrued CTO and Holiday Time Off balances.

STANDBY

Correctional Sergeants who are ordered by the Sheriff or designee to stand by for court time or to standby for duty and are restricted as to their movement while off duty, shall be compensated at twenty-five percent (25%) of their regular hourly rate for such time (four hour minimum).

CALL-BACK PAY

An employee in the classification of Correctional Sergeant shall be eligible for call-back pay when all of the following conditions are met:

1. The employee is unexpectedly ordered to return to work by his/her department head and does, in fact, return to work.
2. The order to return is given to the employee following termination of his/her normal shift and his/her departure from his/her work location.
3. Such return to work occurs within twenty-four (24) hours of when the order is given, but not less than two (2) hours prior to the established starting time of the employee's next regular shift.

Compensation for call-back shall be the greater of:

1. Minimum of two (2) hours; or
2. Time spent at the work location.

Under these circumstances, the employee shall be paid at the rate of time and one-half (1½) his/her base hourly rate of pay, unless the actual hours worked on a call-back exceed eighty-six (86) hours in a work period under FLSA provisions for Correctional Sergeants or over forty (40) hours in the FLSA work period. In these latter circumstances, the employee shall be paid at the rate of time and one-half (1½) his/her regular hourly rate of pay, as defined by FLSA.

Employees who meet the criteria for use of private vehicles shall be reimbursed for mileage driven both ways between their permanent local residence and their reporting point at the current reimbursement rate when called back to work. In order to receive auto mileage reimbursement, the employee shall comply with the County's automobile insurance requirements.

COURT TIME

Whenever a Correctional Sergeant is ordered to return to work to appear in court as a witness to testify as to matters discovered in the course of his/her duties, and such appearance is outside his/her regular shift, the employee shall be paid for a minimum of two (2) hours worked at the rate of time and one-half (1½) their base hourly rate of pay, unless the actual hours worked on a call-back exceeds the two (2) hour minimum under FLSA provision. In the latter circumstances, the employee shall be paid the rate of time and one-half (1½) his/her regular hourly rate of pay, as defined by FLSA.

To be eligible for court time compensation, such return to work occurs within twenty-four (24) hours of when the order is given, but not less than two (2) hours prior to the established starting time of the employee's next regular shift.

Employees called back to duty under provisions of this article shall additionally be compensated at time and one-half (1½) their base hourly rate for thirty (30) minutes travel time.

STATE DISABILITY INSURANCE

Employees of this Unit shall participate in the State Disability Insurance Program. Such insurance shall be paid for by the employee and shall be subject to provisions as established by the County and the State of California.

Holiday Credit

If eligible as defined above, full-time employees shall receive eight (8) hours of holiday pay at their base hourly rate of pay for the holiday itself. If the employee works the holiday, the employee may elect to accrue the aforementioned eight (8) hours, in lieu of cash compensation, up to a maximum of 24 hours. If the holiday falls on the employee's regular day off, and the employee works the holiday, he/she may elect to accrue up to eight hours in lieu of holiday pay. The combined balances of Holiday (maximum 24 hours) and Compensatory Time Off shall not exceed sixty (60) hours.

Compensation for Time Worked on a Holiday

When employees represented by this Unit are required to work on a holiday as defined herein, the time so worked shall be compensated at the rate of one and one-half (1½) times the employee's base hourly rate of pay for the first eight (8) hours worked. Holiday Time Off Balances

Holiday Time Off balances (maximum of 24 hours) when combined with the CTO balances shall not exceed sixty (60) hours. Employees may request to be paid in cash at any time for accrued hours. Use of holiday time off shall be at a time mutually agreed upon by the employee and department head or his/her representative.

Employees shall not be allowed to accrue any additional hours until their holiday accrual falls below 24 hours, and their combined hours fall below the maximum sixty (60) hours. Any hours exceeding the sixty (60) hour combined maximum shall be paid in cash by the department on the next available pay period. The Sheriff retains the right to pay all holiday accruals in cash immediately before the expiration of this MOU. Holiday time off hours may be paid annually in cash at a time selected by the Department head at his/her discretion.

Additionally, prior to any promotion or departmental transfer, employees must either cash out or use all accrued CTO and Holiday Time Off balances.

Therefore, the Association agrees on behalf of itself and those County employees which it represents both individually and collectively that there shall not be any strikes, picketing, boycotting, work stoppages, sitdowns, sickouts, speed-ups, slow-downs, or secondary action such as refusal to cross picket lines or any other concerted refusal to render services or to obstruct the efficient operations of the County or refusal to work, including refusal to work overtime, or any other curtailment or restriction of work at any time.

The County shall not utilize a lock-out technique in its employee/employer relationships.

MENTAL HEALTH SERVICES

The County shall continue to provide the current level of professional mental health services to Correctional Sergeants and their families. These services will be provided by a contractor instead of a County employee.

Association members are eligible for Bilingual Skill Pay of \$50.00 per pay period. Designated Bilingual Skill Pay positions are at the sole discretion of the Department Head. Furthermore, the provisions of this article shall not be used to extend the effective date of salary changes.

HEPATITIS VACCINATION

To minimize the contraction of hepatitis, all Correctional Sergeants shall be screened to determine if the hepatitis vaccination will be of medical benefit to the employee. If it is determined to be of benefit, the employee shall receive the necessary vaccinations at County expense. The above screening and vaccination process will be administered by personnel designated by the County Health Department.

The Association agrees that employees who are not able to receive the screening and vaccinations while on duty, shall present themselves at times designated by the County without causing the expenditure of overtime. Scheduling for this process shall be at the sole discretion of the County.

Newly hired employees entering these classes shall complete the screening and the initiation of the vaccination processes within ninety (90) days following date of the completion of their probationary period.

SAVINGS CLAUSE

The provisions of this MOU are declared to be severable, and if any section, subsection, sentence, clause, or phrase of this MOU shall for any reason be held to be invalid or unconstitutional, such decisions shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this MOU, but they shall remain in effect, it being the intent of the parties that this MOU shall stand notwithstanding the invalidity of any part. Should any portion of this MOU be found invalid or unconstitutional, the parties will meet and confer to arrive at a mutually satisfactory replacement for the portion found to be invalid or unconstitutional.

FULL UNDERSTANDING

It is intended that this MOU set forth the full and entire understanding of the parties regarding the matters set forth herein, and any other previous understandings or agreements by the parties (with the exception of addenda and sideletter agreements), whether formal or informal, regarding any such matters are hereby superseded and terminated in their entirety. With respect to addenda and sideletter agreements, all previously existing sideletter agreements and addenda and sideletter agreements that have not expired, and new addenda and sideletter agreements entered into during the term of this MOU shall continue in force subject to the terms and conditions set forth within each. Further, neither party shall be bound by any promise or assurance that is not explicitly covered in this MOU, addendum, or in a sideletter agreement signed by both parties.

This MOU shall govern in case of conflict with provisions of existing County ordinances, rules, and regulations pertaining to wages, hours, and other terms and conditions of employment but otherwise such ordinances, rules, and regulations shall be effective and the Board of Supervisors and other County boards and commissions retain the power to legislate pertaining to such matters subject to compliance with the Meyers-Milias-Brown Act.

Supervision of Deputy Sheriffs

This state mandated retirement tier shall be known as the Tier V Safety Retirement Plan.

Consistent with PEPRA, the exception to being enrolled into Safety Tier V for any employee newly hired on or after December 24, 2012, who will become a new member of FCERA on or after January 1, 2013, is an individual who was previously employed by another public employer and was able to establish reciprocity with FCERA as specified in § 7522.02(c).
