Notes:

1. Southeast Regional Solid Waste Commission Members requested that the County develop a "blended" cost table that takes into account a portion of the landfill ownership during the June 27, 2016 meeting. A "blended method" was created, based on ownership data from both the original (1970) and 1988 JPAs, to provide supplemental funding of post-closure maintenance activities at Southeast Regional Disposal Site. This blended method was adopted by the Commission on January 23, 2017.
