CERTIFICATE CONFIRMING OWNERSHIP OF LAND

This Certificate Confirming Ownership ("Certificate") is made by 3B Development, Inc. Landowner acknowledges that Landowner, together with other landowners, has entered into an Agreement, dated March 26, 2019, with the County ("Agreement") for the area of land including Tract Map No. 6189, shown and described in Exhibit "A" to this Certificate, attached hereto and incorporated herein by this reference ("Land"), and land owned by the other landowners, all described as being within the boundaries of the proposed annexation territory; and

Landowner acknowledges that, in the Agreement, Landowner represents, covenants, warrants and agrees that Landowner is the sole owner of the entire fee interest of all of the real property constituting the Land, including all rights, title and interest therein, and all land and improvements thereon and therein; and

Landowner acknowledges that, as the sole owner of all of the Land, Landowner has, under the Agreement, petitioned and requested the County Board of Supervisors to conduct the Mello-Roos Proceedings for the proposed annexation of territory to the District and to include all of the area of the Land within the District in order to provide for the ongoing financing for the continual provision of certain police protection services by the District (including the proposed annexation territory), within the area of the Land, as further stated in the Agreement; and

Landowner acknowledges that County needs to be assured that Landowner is the true and correct sole owner of all of the Land so that County may conduct the Mello-Roos Proceedings; and

Landowner acknowledges that all of such representations, covenants, warranties, agreements, petition and request of Landowner, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made by Landowner; and

Landowner acknowledges that the Agreement provides that, on the request of the County, the Landowner shall promptly execute and deliver to the County any agreements, instrument, documents, and information that the County deems necessary to successfully complete the Mello-Roos Proceedings, and related matters described in the Agreement; and

The following representations, covenants, warranties and agreements are made by Landowner in furtherance of the Agreement to and for the benefit of the County to assure the County that Landowner has been and is, by law and in fact, the legally authorized sole owner of all of the Land, and will be the legally authorized sole owner of all of the Land during County's conducting of the Mello-Roos Proceedings, and related matters.

2. Landowner is the true and correct sole owner of all of the Land, and has been the true and correct sole owner of all of the Land at all times that Landowner held and holds such land.
3. To the best of the knowledge of Landowner, no other person or entity has made any claim or assertion challenging or contesting the representations made herein by Landowner.
4. This Certificate, if accepted by the County, does not estop or otherwise prohibit County from taking any other action concerning the Land, which is unrelated to the Mello-Roos Proceedings.

Each of the persons executing this Certificate for the Landowner is the duly authorized representative of such Landowner, and is fully authorized by the Landowner to legally bind the Landowner to this Certificate according to its terms and conditions, and to make all of the representations, covenants, warranties, and agreements provided herein.

Each of the persons executing this Certificate for the Landowner declares that all of such representations, covenants, warranties, agreements are provided in this Certificate under penalty of perjury under the laws of the State of California, and that they all are true and correct of the knowledge of each of the persons executing this Certificate.

Landowner acknowledges that all of the representations, covenants, warranties, agreements provided in this Certificate, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made.

Landowner agrees to indemnify, save, hold harmless, and at County's request, defend the County, its officers, agents, employees, and County's tax consultant, from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to County, including its officers, agents, employees, and County's tax consultant, to the extent caused by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees, and from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to any person, firm, or corporation to the extent injured or damaged by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees.

CERTIFICATE CONFIRMING OWNERSHIP OF LAND

This Certificate Confirming Ownership ("Certificate") is made by Ashlan & Hayes Investments, LLC, (the "Landowner"), to and for the benefit of the County of Fresno (the "County") in connection with the County's proceedings for the proposed Annexation Territory No. 10A of Community Facilities District No. 2006-01 (Police Protection Services), County of Fresno (the "District"), for the public protest hearing, and for the landowner voting proceedings for the levy of the special tax that will finance the police protection services within the District, including the proposed annexation territory (collectively, the "Mello-Roos Proceedings"), all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing at section 53311) of the California Government Code, commonly known as the Mello-Roos Community Facilities Act of 1982 (collectively, the "Act") for a certain area of land described herein.

Landowner acknowledges that Landowner, together with other landowners, has entered into an Agreement, dated March 26, 2019, with the County ("Agreement") for the area of land shown and described in Exhibit "A" to this Certificate, attached hereto and incorporated herein by this reference ("Land"), and land owned by the other landowners, all described as being within the boundaries of the proposed annexation territory; and

Landowner acknowledges that, in the Agreement, Landowner represents, covenants, warrants and agrees that Landowner is the sole owner of the entire fee interest of all of the real property constituting the Land, including all rights, title and interest therein, and all land and improvements thereon and therein; and

Landowner acknowledges that, as the sole owner of all of the Land, Landowner has, under the Agreement, petitioned and requested the County Board of Supervisors to conduct the Mello-Roos Proceedings for the proposed annexation of territory to the District and to include all of the area of the Land within the District in order to provide for the ongoing financing for the continual provision of certain police protection services by the District (including the proposed annexation territory), within the area of the Land, as further stated in the Agreement; and

Landowner acknowledges that County needs to be assured that Landowner is the true and correct sole owner of all of the Land so that County may conduct the Mello-Roos Proceedings; and

Landowner acknowledges that all of such representations, covenants, warranties, agreements, petition and request of Landowner, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made by Landowner; and

Landowner acknowledges that the Agreement provides that, on the request of the County, the Landowner shall promptly execute and deliver to the County any agreements, instrument, documents, and information that the County deems necessary to successfully complete the Mello-Roos Proceedings, and related matters described in the Agreement; and

The following representations, covenants, warranties and agreements are made by Landowner in furtherance of the Agreement to and for the benefit of the County to assure the County that Landowner has been and is, by law and in fact, the legally authorized sole owner of all of the Land, and will be the legally authorized sole owner of all of the Land during County's conducting of the Mello-Roos Proceedings, and related matters.

Now therefore, Landowner makes the following representations, covenants, warranties and agreements to and for the benefit of the County:

1. The records of the County Assessor indicate that Ashlan & Hayes Investments, LLC is the sole owner of all of the Land.
2. Landowner is the true and correct sole owner of all of the Land, and has been the true and correct sole owner of all of the Land at all times that Landowner held and holds such land.
3. To the best of the knowledge of Landowner, no other person or entity has made any claim or assertion challenging or contesting the representations made herein by Landowner.
4. This Certificate, if accepted by the County, does not estop or otherwise prohibit County from taking any other action concerning the Land, which is unrelated to the Mello-Roos Proceedings.

Each of the persons executing this Certificate for the Landowner is the duly authorized representative of such Landowner, and is fully authorized by the Landowner to legally bind the Landowner to this Certificate according to its terms and conditions, and to make all of the representations, covenants, warranties, and agreements provided herein.

Each of the persons executing this Certificate for the Landowner declares that all of such representations, covenants, warranties, agreements are provided in this Certificate under penalty of perjury under the laws of the State of California, and that they all are true and correct of the knowledge of each of the persons executing this Certificate.

Landowner acknowledges that all of the representations, covenants, warranties, agreements provided in this Certificate, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made.

Landowner agrees to indemnify, save, hold harmless, and at County's request, defend the County, its officers, agents, employees, and County's tax consultant, from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to County, including its officers, agents, employees, and County's tax consultant, to the extent caused by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees, and from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to any person, firm, or corporation to the extent injured or damaged by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees.

IN WITNESS WHEREOF, the Landowner has caused this Certificate to be executed as of the day and year first above written.

CERTIFICATE CONFIRMING OWNERSHIP OF LAND

This Certificate Confirming Ownership ("Certificate") is made by Assemi Group, Inc. (the "Landowner"), to and for the benefit of the County of Fresno (the "County") in connection with the County's proceedings for the proposed Annexation Territory No. 10A of Community Facilities District No. 2006-01 (Police Protection Services), County of Fresno (the "District"), for the public protest hearing, and for the landowner voting proceedings for the levy of the special tax that will finance the police protection services within the District, including the proposed annexation territory (collectively, the "Mello-Roos Proceedings"), all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing at section 53311) of the California Government Code, commonly known as the Mello-Roos Community Facilities Act of 1982 (collectively, the "Act") for a certain area of land described herein.

Landowner acknowledges that Landowner, together with other landowners, has entered into an Agreement, dated March 26, 2019, with the County ("Agreement") for the area of land including Tract Map No. 6226, shown and described in Exhibit "A" to this Certificate, attached hereto and incorporated herein by this reference ("Land"), and land owned by the other landowners, all described as being within the boundaries of the proposed annexation territory; and

Landowner acknowledges that, in the Agreement, Landowner represents, covenants, warrants and agrees that Landowner is the sole owner of the entire fee interest of all of the real property constituting the Land, including all rights, title and interest therein, and all land and improvements thereon and therein; and

Landowner acknowledges that, as the sole owner of all of the Land, Landowner has, under the Agreement, petitioned and requested the County Board of Supervisors to conduct the Mello-Roos Proceedings for the proposed annexation of territory to the District and to include all of the area of the Land within the District in order to provide for the ongoing financing for the continual provision of certain police protection services by the District (including the proposed annexation territory), within the area of the Land, as further stated in the Agreement; and

Landowner acknowledges that County needs to be assured that Landowner is the true and correct sole owner of all of the Land so that County may conduct the Mello-Roos Proceedings; and

Landowner acknowledges that all of such representations, covenants, warranties, agreements, petition and request of Landowner, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made by Landowner; and

Landowner acknowledges that the Agreement provides that, on the request of the County, the Landowner shall promptly execute and deliver to the County any agreements, instrument, documents, and information that the County deems necessary to successfully complete the Mello-Roos Proceedings, and related matters described in the Agreement; and

The following representations, covenants, warranties and agreements are made by Landowner in furtherance of the Agreement to and for the benefit of the County to assure the County that Landowner has been and is, by law and in fact, the legally authorized sole owner of all of the Land, and will be the legally authorized sole owner of all of the Land during County's conducting of the Mello-Roos Proceedings, and related matters.

Now therefore, Landowner makes the following representations, covenants, warranties and agreements to and for the benefit of the County:

1. The records of the County Assessor indicate that Assemi Group, Inc. is the sole owner of all of the Land.
2. Landowner is the true and correct sole owner of all of the Land, and has been the true and correct sole owner of all of the Land at all times that Landowner held and holds such land.
3. To the best of the knowledge of Landowner, no other person or entity has made any claim or assertion challenging or contesting the representations made herein by Landowner.
4. This Certificate, if accepted by the County, does not estop or otherwise prohibit County from taking any other action concerning the Land, which is unrelated to the Mello-Roos Proceedings.

Each of the persons executing this Certificate for the Landowner is the duly authorized representative of such Landowner, and is fully authorized by the Landowner to legally bind the Landowner to this Certificate according to its terms and conditions, and to make all of the representations, covenants, warranties, and agreements provided herein.

Each of the persons executing this Certificate for the Landowner declares that all of such representations, covenants, warranties, agreements are provided in this Certificate under penalty of perjury under the laws of the State of California, and that they all are true and correct of the knowledge of each of the persons executing this Certificate.

Landowner acknowledges that all of the representations, covenants, warranties, agreements provided in this Certificate, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made.

Landowner agrees to indemnify, save, hold harmless, and at County's request, defend the County, its officers, agents, employees, and County's tax consultant, from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to County, including its officers, agents, employees, and County's tax consultant, to the extent caused by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees, and from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to any person, firm, or corporation to the extent injured or damaged by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees.

CERTIFICATE CONFIRMING OWNERSHIP OF LAND

This Certificate Confirming Ownership ("Certificate") is made by Grantor Real Estate Investments, LLC (the "Landowner"), to and for the benefit of the County of Fresno (the "County") in connection with the County's proceedings for the proposed Annexation Territory No. 10A of Community Facilities District No. 2006-01 (Police Protection Services), County of Fresno (the "District"), for the public protest hearing, and for the landowner voting proceedings for the levy of the special tax that will finance the police protection services within the District, including the proposed annexation territory (collectively, the "Mello-Roos Proceedings"), all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing at section 53311) of the California Government Code, commonly known as the Mello-Roos Community Facilities Act of 1982 (collectively, the "Act") for a certain area of land described herein.

Landowner acknowledges that Landowner, together with other landowners, has entered into an Agreement, dated March 26, 2019, with the County ("Agreement") for the area of land shown and described in Exhibit "A" to this Certificate, attached hereto and incorporated herein by this reference ("Land"), and land owned by the other landowners, all described as being within the boundaries of the proposed annexation territory; and

Landowner acknowledges that, in the Agreement, Landowner represents, covenants, warrants and agrees that Landowner is the sole owner of the entire fee interest of all of the real property constituting the Land, including all rights, title and interest therein, and all land and improvements thereon and therein; and

Landowner acknowledges that, as the sole owner of all of the Land, Landowner has, under the Agreement, petitioned and requested the County Board of Supervisors to conduct the Mello-Roos Proceedings for the proposed annexation of territory to the District and to include all of the area of the Land within the District in order to provide for the ongoing financing for the continual provision of certain police protection services by the District (including the proposed annexation territory), within the area of the Land, as further stated in the Agreement; and

Landowner acknowledges that County needs to be assured that Landowner is the true and correct sole owner of all of the Land so that County may conduct the Mello-Roos Proceedings; and

Landowner acknowledges that all of such representations, covenants, warranties, agreements, petition and request of Landowner, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made by Landowner; and

Landowner acknowledges that the Agreement provides that, on the request of the County, the Landowner shall promptly execute and deliver to the County any agreements, instrument, documents, and information that the County deems necessary to successfully complete the Mello-Roos Proceedings, and related matters described in the Agreement; and

The following representations, covenants, warranties and agreements are made by Landowner in furtherance of the Agreement to and for the benefit of the County to assure the County that Landowner has been and is, by law and in fact, the legally authorized sole owner of all of the Land, and will be the legally authorized sole owner of all of the Land during County's conducting of the Mello-Roos Proceedings, and related matters.

Now therefore, Landowner makes the following representations, covenants, warranties and agreements to and for the benefit of the County:

1. The records of the County Assessor indicate that Grantor Real Estate Investments, LLC is the sole owner of all of the Land.
2. Landowner is the true and correct sole owner of all of the Land, and has been the true and correct sole owner of all of the Land at all times that Landowner held and holds such land.
3. To the best of the knowledge of Landowner, no other person or entity has made any claim or assertion challenging or contesting the representations made herein by Landowner.
4. This Certificate, if accepted by the County, does not estop or otherwise prohibit County from taking any other action concerning the Land, which is unrelated to the Mello-Roos Proceedings.

Each of the persons executing this Certificate for the Landowner is the duly authorized representative of such Landowner, and is fully authorized by the Landowner to legally bind the Landowner to this Certificate according to its terms and conditions, and to make all of the representations, covenants, warranties, and agreements provided herein.

Each of the persons executing this Certificate for the Landowner declares that all of such representations, covenants, warranties, agreements are provided in this Certificate under penalty of perjury under the laws of the State of California, and that they all are true and correct of the knowledge of each of the persons executing this Certificate.

Landowner acknowledges that all of the representations, covenants, warranties, agreements provided in this Certificate, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made.

Landowner agrees to indemnify, save, hold harmless, and at County's request, defend the County, its officers, agents, employees, and County's tax consultant, from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to County, including its officers, agents, employees, and County's tax consultant, to the extent caused by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees, and from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to any person, firm, or corporation to the extent injured or damaged by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees.

IN WITNESS WHEREOF, the Landowner has caused this Certificate to be executed as of the day and year first above written.

CERTIFICATE CONFIRMING OWNERSHIP OF LAND

This Certificate Confirming Ownership ("Certificate") is made by Locans Investments, LLC, (the "Landowner"), to and for the benefit of the County of Fresno (the "County") in connection with the County's proceedings for the proposed Annexation Territory No. 10A of Community Facilities District No. 2006-01 (Police Protection Services), County of Fresno (the "District"), for the public protest hearing, and for the landowner voting proceedings for the levy of the special tax that will finance the police protection services within the District, including the proposed annexation territory (collectively, the "Mello-Roos Proceedings"), all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing at section 53311) of the California Government Code, commonly known as the Mello-Roos Community Facilities Act of 1982 (collectively, the "Act") for a certain area of land described herein.

Landowner acknowledges that Landowner, together with other landowners, has entered into an Agreement, dated March 26, 2019, with the County ("Agreement") for the area of land shown and described in Exhibit "A" to this Certificate, attached hereto and incorporated herein by this reference ("Land"), and land owned by the other landowners, all described as being within the boundaries of the proposed annexation territory; and

Landowner acknowledges that, in the Agreement, Landowner represents, covenants, warrants and agrees that Landowner is the sole owner of the entire fee interest of all of the real property constituting the Land, including all rights, title and interest therein, and all land and improvements thereon and therein; and

Landowner acknowledges that, as the sole owner of all of the Land, Landowner has, under the Agreement, petitioned and requested the County Board of Supervisors to conduct the Mello-Roos Proceedings for the proposed annexation of territory to the District and to include all of the area of the Land within the District in order to provide for the ongoing financing for the continual provision of certain police protection services by the District (including the proposed annexation territory), within the area of the Land, as further stated in the Agreement; and

Landowner acknowledges that County needs to be assured that Landowner is the true and correct sole owner of all of the Land so that County may conduct the Mello-Roos Proceedings; and

Landowner acknowledges that all of such representations, covenants, warranties, agreements, petition and request of Landowner, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made by Landowner; and

Landowner acknowledges that the Agreement provides that, on the request of the County, the Landowner shall promptly execute and deliver to the County any agreements, instrument, documents, and information that the County deems necessary to successfully complete the Mello-Roos Proceedings, and related matters described in the Agreement; and

The following representations, covenants, warranties and agreements are made by Landowner in furtherance of the Agreement to and for the benefit of the County to assure the County that Landowner has been and is, by law and in fact, the legally authorized sole owner of all of the Land, and will be the legally authorized sole owner of all of the Land during County's conducting of the Mello-Roos Proceedings, and related matters.

Now therefore, Landowner makes the following representations, covenants, warranties and agreements to and for the benefit of the County:

1. The records of the County Assessor indicate that Locans Investments, LLC is the sole owner of all of the Land.
2. Landowner is the true and correct sole owner of all of the Land, and has been the true and correct sole owner of all of the Land at all times that Landowner held and holds such land.
3. To the best of the knowledge of Landowner, no other person or entity has made any claim or assertion challenging or contesting the representations made herein by Landowner.
4. This Certificate, if accepted by the County, does not estop or otherwise prohibit County from taking any other action concerning the Land, which is unrelated to the Mello-Roos Proceedings.

Each of the persons executing this Certificate for the Landowner is the duly authorized representative of such Landowner, and is fully authorized by the Landowner to legally bind the Landowner to this Certificate according to its terms and conditions, and to make all of the representations, covenants, warranties, and agreements provided herein.

Each of the persons executing this Certificate for the Landowner declares that all of such representations, covenants, warranties, agreements are provided in this Certificate under penalty of perjury under the laws of the State of California, and that they all are true and correct of the knowledge of each of the persons executing this Certificate.

Landowner acknowledges that all of the representations, covenants, warranties, agreements provided in this Certificate, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made.

Landowner agrees to indemnify, save, hold harmless, and at County's request, defend the County, its officers, agents, employees, and County's tax consultant, from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to County, including its officers, agents, employees, and County's tax consultant, to the extent caused by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees, and from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to any person, firm, or corporation to the extent injured or damaged by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees.

CERTIFICATE CONFIRMING OWNERSHIP OF LAND

This Certificate Confirming Ownership ("Certificate") is made by Millerton Investments, LLC (the "Landowner"), to and for the benefit of the County of Fresno (the "County") in connection with the County's proceedings for the proposed Annexation Territory No. 10A of Community Facilities District No. 2006-01 (Police Protection Services), County of Fresno (the "District"), for the public protest hearing, and for the landowner voting proceedings for the levy of the special tax that will finance the police protection services within the District, including the proposed annexation territory (collectively, the "Mello-Roos Proceedings"), all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing at section 53311) of the California Government Code, commonly known as the Mello-Roos Community Facilities Act of 1982 (collectively, the "Act") for a certain area of land described herein.

Landowner acknowledges that Landowner, together with other landowners, has entered into an Agreement, dated March 26, 2019, with the County ("Agreement") for the area of land shown and described in Exhibit "A" to this Certificate, attached hereto and incorporated herein by this reference ("Land"), and land owned by the other landowners, all described as being within the boundaries of the proposed annexation territory; and

Landowner acknowledges that, in the Agreement, Landowner represents, covenants, warrants and agrees that Landowner is the sole owner of the entire fee interest of all of the real property constituting the Land, including all rights, title and interest therein, and all land and improvements thereon and therein; and

Landowner acknowledges that, as the sole owner of all of the Land, Landowner has, under the Agreement, petitioned and requested the County Board of Supervisors to conduct the Mello-Roos Proceedings for the proposed annexation of territory to the District and to include all of the area of the Land within the District in order to provide for the ongoing financing for the continual provision of certain police protection services by the District (including the proposed annexation territory), within the area of the Land, as further stated in the Agreement; and

Landowner acknowledges that County needs to be assured that Landowner is the true and correct sole owner of all of the Land so that County may conduct the Mello-Roos Proceedings; and

Landowner acknowledges that all of such representations, covenants, warranties, agreements, petition and request of Landowner, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made by Landowner; and

Landowner acknowledges that the Agreement provides that, on the request of the County, the Landowner shall promptly execute and deliver to the County any agreements, instrument, documents, and information that the County deems necessary to successfully complete the Mello-Roos Proceedings, and related matters described in the Agreement; and

The following representations, covenants, warranties and agreements are made by Landowner in furtherance of the Agreement to and for the benefit of the County to assure the County that Landowner has been and is, by law and in fact, the legally authorized sole owner of all of the Land, and will be the legally authorized sole owner of all of the Land during County's conducting of the Mello-Roos Proceedings, and related matters.

Now therefore, Landowner makes the following representations, covenants, warranties and agreements to and for the benefit of the County:

- 1. The records of the County Assessor indicate that Millerton Investments, LLC is the sole owner of all of the Land.**
- 2. Landowner is the true and correct sole owner of all of the Land, and has been the true and correct sole owner of all of the Land at all times that Landowner held and holds such land.**
- 3. To the best of the knowledge of Landowner, no other person or entity has made any claim or assertion challenging or contesting the representations made herein by Landowner.**
- 4. This Certificate, if accepted by the County, does not estop or otherwise prohibit County from taking any other action concerning the Land, which is unrelated to the Mello-Roos Proceedings.**

Each of the persons executing this Certificate for the Landowner is the duly authorized representative of such Landowner, and is fully authorized by the Landowner to legally bind the Landowner to this Certificate according to its terms and conditions, and to make all of the representations, covenants, warranties, and agreements provided herein.

Each of the persons executing this Certificate for the Landowner declares that all of such representations, covenants, warranties, agreements are provided in this Certificate under penalty of perjury under the laws of the State of California, and that they all are true and correct of the knowledge of each of the persons executing this Certificate.

Landowner acknowledges that all of the representations, covenants, warranties, agreements provided in this Certificate, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made.

Landowner agrees to indemnify, save, hold harmless, and at County's request, defend the County, its officers, agents, employees, and County's tax consultant, from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to County, including its officers, agents, employees, and County's tax consultant, to the extent caused by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees, and from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to any person, firm, or corporation to the extent injured or damaged by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees.

CERTIFICATE CONFIRMING OWNERSHIP OF LAND

This Certificate Confirming Ownership ("Certificate") is made by WC Millerton Developers, Inc. (the "Landowner"), to and for the benefit of the County of Fresno (the "County") in connection with the County's proceedings for the proposed Annexation Territory No. 10A of Community Facilities District No. 2006-01 (Police Protection Services), County of Fresno (the "District"), for the public protest hearing, and for the landowner voting proceedings for the levy of the special tax that will finance the police protection services within the District, including the proposed annexation territory (collectively, the "Mello-Roos Proceedings"), all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing at section 53311) of the California Government Code, commonly known as the Mello-Roos Community Facilities Act of 1982 (collectively, the "Act") for a certain area of land described herein.

Landowner acknowledges that Landowner, together with other landowners, has entered into an Agreement, dated March 26, 2019, with the County ("Agreement") for the area of land including Tract Map No. 4934, shown and described in Exhibit "A" to this Certificate, attached hereto and incorporated herein by this reference ("Land"), and land owned by the other landowners, all described as being within the boundaries of the proposed annexation territory; and

Landowner acknowledges that, in the Agreement, Landowner represents, covenants, warrants and agrees that Landowner is the sole owner of the entire fee interest of all of the real property constituting the Land, including all rights, title and interest therein, and all land and improvements thereon and therein; and

Landowner acknowledges that, as the sole owner of all of the Land, Landowner has, under the Agreement, petitioned and requested the County Board of Supervisors to conduct the Mello-Roos Proceedings for the proposed annexation of territory to the District and to include all of the area of the Land within the District in order to provide for the ongoing financing for the continual provision of certain police protection services by the District (including the proposed annexation territory), within the area of the Land, as further stated in the Agreement; and

Landowner acknowledges that County needs to be assured that Landowner is the true and correct sole owner of all of the Land so that County may conduct the Mello-Roos Proceedings; and

Landowner acknowledges that all of such representations, covenants, warranties, agreements, petition and request of Landowner, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made by Landowner; and

Landowner acknowledges that the Agreement provides that, on the request of the County, the Landowner shall promptly execute and deliver to the County any agreements, instrument, documents, and information that the County deems necessary to successfully complete the Mello-Roos Proceedings, and related matters described in the Agreement; and

The following representations, covenants, warranties and agreements are made by Landowner in furtherance of the Agreement to and for the benefit of the County to assure the County that Landowner has been and is, by law and in fact, the legally authorized sole owner of all of the Land, and will be the legally authorized sole owner of all of the Land during County's conducting of the Mello-Roos Proceedings, and related matters.

Now therefore, Landowner makes the following representations, covenants, warranties and agreements to and for the benefit of the County:

1. The records of the County Assessor indicate that WC Millerton Developers, Inc. is the sole owner of all of the Land.
2. Landowner is the true and correct sole owner of all of the Land, and has been the true and correct sole owner of all of the Land at all times that Landowner held and holds such land.
3. To the best of the knowledge of Landowner, no other person or entity has made any claim or assertion challenging or contesting the representations made herein by Landowner.
4. This Certificate, if accepted by the County, does not estop or otherwise prohibit County from taking any other action concerning the Land, which is unrelated to the Mello-Roos Proceedings.

Each of the persons executing this Certificate for the Landowner is the duly authorized representative of such Landowner, and is fully authorized by the Landowner to legally bind the Landowner to this Certificate according to its terms and conditions, and to make all of the representations, covenants, warranties, and agreements provided herein.

Each of the persons executing this Certificate for the Landowner declares that all of such representations, covenants, warranties, agreements are provided in this Certificate under penalty of perjury under the laws of the State of California, and that they all are true and correct of the knowledge of each of the persons executing this Certificate.

Landowner acknowledges that all of the representations, covenants, warranties, agreements provided in this Certificate, are a material inducement for the County to enter into the Agreement, and to conduct the Mello-Roos Proceedings, and that County would not enter into the Agreement, or conduct the Mello-Roos Proceedings without all of them having been made.

Landowner agrees to indemnify, save, hold harmless, and at County's request, defend the County, its officers, agents, employees, and County's tax consultant, from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to County, including its officers, agents, employees, and County's tax consultant, to the extent caused by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees, and from and against any and all claims, demands, losses, costs, expenses (including attorney's fees and court costs), damages, recoveries, deficiencies or liabilities occurring or resulting to any person, firm, or corporation to the extent injured or damaged by the actual or alleged misrepresentations, or breach or default of any covenants, warranties or agreements provided in this Certificate, by the Landowner, including its officers, agents, or employees.
