

A map showing the project location. A red dot marks the intersection of W Nees Av and Douglas Av. A yellow callout box labeled "PROJECT LOCATION" points to this intersection. The map also shows the First Lift Canal and Delta Mendota Canal to the northwest, and Santa Fe Grade to the northeast. Douglas Av runs vertically through the center, and W Nees Av runs horizontally across the middle.

A map of Fresno County, California, showing its geographical boundaries and internal city/town boundaries. Major cities and towns labeled include Firebaugh, Mendota, Tranquillity, Coalinga, Huron, Selma, Kingsburg, Sanger, Clovis, and Fresno. A red arrow points from the left edge of the map towards Firebaugh. A compass rose in the bottom right corner indicates North (N), South (S), East (E), and West (W).
