

BEFORE THE BOARD OF SUPERVISORS
OF THE COUNTY OF FRESNO
STATE OF CALIFORNIA

IN THE MATTER OF:)
THE INSTALLATION OF NO STOPPING SIGNS ON) RESOLUTION
DAKOTA AVENUE BETWEEN CORNELIA AVENUE)
AND 970 FEET EAST OF CORNELIA AVENUE)

WHEREAS, the Director of the Department of Public Works and Planning, on the basis of a traffic engineering study, has recommended that NO STOPPING signs be installed on the south side of Dakota Avenue between Cornelia Avenue and 970 feet east of Cornelia Avenue, because the signs are necessary to properly indicate and carry out the provisions of the Vehicle Code, necessary to guide traffic, and necessary to prevent motorists from obstructing traffic.

NOW, THEREFORE, BE IT RESOLVED that the Fresno County Board of Supervisors does authorize the installation of NO STOPPING signs on the south side of Dakota Avenue between Cornelia Avenue and 970 feet east of Cornelia Avenue, to properly indicate and carry out the provisions of the Vehicle Code, to guide traffic, and to prohibit motorists from bringing vehicles to a complete stop upon a highway, which impedes or obstructs the normal and reasonable movement of traffic, unless the stop is necessary for safe operation or in compliance with law.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Fresno County Board of Supervisors directs the Director of Public Works and Planning to erect NO STOPPING signs in a manner not inconsistent with this resolution.
