Lucky spot

2444 S 9th St

Fresno, CA 93725-1444

When you guys give me the beer, I will put more workers, at least 3 workers.

I will keep the store clean, outside and inside

I will help the Sheriff with monthly payment because I made too many Sheriff in the area

I will bring, hot food, cold food and sand wiches

I send/donate money worldwide

I will put security cameras inside and outside

I will put in lottery tickets, western union, check cashing, money order

I will also make sure there is no lottery and nobody drinks outside with signs to make it clear

I will put more lights outside, 24 or more

All I need for all of this to happen is to have permission to have beer in my store.

I will help the Sheriff.

Without the beer I lost almost 50 thousand in this business. And a lot of people are asking for the beer.

I Just need to have the beer and all of this will be possible.

The Department of Alcoholic Beverage Control of the State of California already has agreed for the past 4 months, all I need is the Fresno County Board of Supervisors to agree

I promise that the beer won't create any problems with law enforcement, would be convenient for the community, and this will create a very positive impact and create ~~strong~~ stronger bonds.

This place has been closed for almost 3 years. The people here are happy to have a store near by. They like not having to walk or drive far to get the stuff they need.

But the only problem is beer since that's the only thing I don't get.

It is also convenient for them to just cross the street, and also safer for them to come at night. Right now we sell a lot of candy and milk and chips

Please give me the Beer
licence, I will keep my
word to everything on
this paper

God bless America
