WHEREAS, the County of Fresno is charged with the preservation of public health and public safety in the County; and

WHEREAS, on December 4, 2018, the County of Fresno declared a shelter crisis pursuant to California Government Code, section 8698.2, which did not eliminate the County's procurement process for funds awarded to service providers; the declaration shall expire December 3, 2019 unless reauthorized by the Board of Supervisors; and

NOW, THEREFORE, BE IT RESOLVED by the Fresno County Board of Supervisors that the following list of priorities will serve as the basis/plan to address homelessness countywide:

1. Address jurisdictional overlaps (local, State, Federal, and private) collaboratively.
2. Increase transportation to outpatient programs and regular prenatal/medical care for pregnant and parenting women and children who are homeless.
3. Roving formalized coordinated community outreach and in conjunction with law enforcement, through Fresno Madera Continuum of Care or otherwise, to ensure that efforts are aligned and data is tracked.

4. Assistance to build housing stock, increasing safe overnight housing (24-48 hours), and a centralized approach to single room occupancy units.
5. Priority access to emergency housing for pregnant and parenting women and their children also families with children with significant medical issues as it is difficult to manage the continuum of care when the family is homeless.
6. Real time accurate number of shelter beds available and increase the number of non-faith based shelters.
7. Additional "wet" shelters that do not require the person to participate in a program, person can be high or drunk to use the facility and not be turned away.
8. Education regarding available services and shareable system to track linkages
9. Improved data on the homeless such as length of homelessness (acute vs chronic), cause of the homelessness, is it a family, individual, minor without family support.
10. A formalized assessment of housing and shelter needs in rural communities.
11. Strong centralized structure for homeless funding and service decisions and expanded distribution of funding opportunities.
12. Comprehensive case management for homeless clients and improved access to primary healthcare and medication for chronic diseases; perhaps partnering with Federally Qualified Health Clinic or UC San Francisco.
13. Increased substance use disorder services and mental health services throughout county.
14. Enforce ordinances that address hazardous or unsanitary conditions, which constitute fire, health, and/or safety risks.
