16          weighted according to the proportional financial obligation of the affected property; and,

17          WHEREAS, a "majority protest" does not exist concerning the proposed assessment on real  
18          property for the Water and Sewer Facilities;

19           **Now, for those reasons, the Board of Supervisors of the County of Fresno hereby finds,  
20           determines, and resolves as follows:**

22           2.       The Board, under the Uniform Standby Charge Procedures Act (Government Code

28           year 2020-21, and for each year after, the Board may levy an annual assessment in an amount not to

1 exceed the amounts shown in Exhibit B to this resolution. The assessment may not be levied in  
2 amounts exceeding what is shown in Exhibit B unless the property owners in CSA 34G approve such  
3 an increase in another proceeding that complies with the requirements of Proposition 218.

4           B.       The lien date shall be that prescribed by law and the assessment shall be  
5 collected annually at the same time, and in the same manner, and subject to the same penalties, as the  
6 general taxes of the County, except that for Fiscal Year 2019-20, the assessment may be collected by  
7 direct billing to the owner of each assessed property through the Department of Public Works and  
8 Planning.

9           3.       The assessment shall be published in the Master Schedule of Fees, Charges and
