

Fresno County Board of Supervisors

ADMINISTRATIVE POLICY

NUMBER 23

Hazardous Materials

Effective Date: July 15, 1986

Reviewed: September 17, 2019

POLICY STATEMENT

Fresno County will take reasonable steps to protect its employees and the public from exposure to hazardous materials by implementation and adherence to the General Industry Safety Orders contained in the California Hazardous Substance Information and Training Act of 1980.

MANAGEMENT RESPONSIBILITY

The County Administrative Officer shall develop procedures to implement the General Industry Safety Orders contained in the California Hazardous Substance Information and Training Act of 1980.
