Re: County of Fresno Agreement No. 14-292 – Therapeutic Child Care Services

Robin Difalco:

On June 3, 2014, the Department of Behavioral Health entered into Agreement No. 14-292 with Family Development Center for the provision of therapeutic child care services to persons served in conjunction with the Department's Memorandum of Understanding (MOU) with the Department of Social Services (DSS) and the Pathways Program.

Subsequent to the redesign of the Pathways Program and an in-depth review of the services DBH offers, it was determined that the Department is unable to utilize the services provided by FDC in any of the its existing service delivery models and no longer requires a contract for the abovementioned therapeutic child care services.

Thus, pursuant to Agreement No. 14-292, page three (3), paragraph three (3), Section C (Without Cause), this letter will serve as the County's thirty (30) day advanced written notice to terminate Agreement No. 14-292 effective March 31, 2020.

The County appreciates the services provided by your agency. Please contact the Department of Behavioral Health at (559) 600-9199 should you have questions.

Sincerely,

Dawan Utecht, Director
Department of Behavioral Health
Fresno County
