This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ, the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award is to benefit a set of individuals under 18 years of age.

The Subrecipient must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 42

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

23. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

24. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to

Subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to Subrecipients and Subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

## 25. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the Subrecipient, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the Subrecipient to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, Subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient would or might fall within the scope of these prohibitions, the Subrecipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

## 26. Subgrant Award Report (SAR)

The Subrecipient must submit a SAR to OVC for each Subrecipient of the VOCA victim assistance funds, within ninety (90) days of awarding funds to the Subrecipient. Subrecipients must submit this information through the automated system.

## 27. Effect of Failure to Address Audit Issues

The Subrecipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the Subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other

outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

28. Additional DOJ Awarding Agency Requirements

The Subrecipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the Subrecipient is designated as "high- risk" for purposes of the DOJ high-risk grantee list.

29. Hiring Documents

The Subrecipient must keep, maintain, and preserve all documentation (such as Form I-9s or equivalents) regarding the eligibility of employees hired using the funds.

All appropriate documentation must be maintained on file by the project and available for Cal OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Subrecipient may be ineligible for Subaward of any future grants if the Cal OES determines that any of the following has occurred: (1) the Subrecipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

## CERTIFICATION

I, the official named below, am the same individual authorized to sign the Grant Subaward [Section 15 on Grant Subaward Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant Subrecipient to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of California.

**Budget Narrative**

In order to support the goals and objectives of providing direct services to the Victim Services (XC) Program, the total amount of funds requested in this grant proposal is \$559,383 of which \$447,506 is from the California Governor's Office of Emergency Services (Cal OES) and \$111,877 is the cash match from the County of Fresno.

In order to minimize administration costs and support direct services to victims, the implementing agency (Probation Department) absorbs operating expenses, including, in part, communication, liability insurance, PeopleSoft financial charges, vehicle charges, and costs associated with building maintenance. The salaries of the Project Director and Financial Officer are not paid by funds from this grant; however, they provide direct services regarding the fiscal requirements of this grant. The Financial Officer reviews documents for financial matters required by the grant, prepares the budget and any modifications, monitors compliance with regulations and procedures mandated by the funding source, and ensures the appropriate expenditure of grant funds.

The Fresno Probation Department proposes three (3) FTE permanent Victim Advocates which are included in the proposed salaries and benefits. Salaries are projected at actual Range and Step and are subject to mid-year adjustments for position incumbents.

The Victim/Witness Advocate position will provide case management services as well as the thirteen mandatory and all ten optional services outlined

in Penal Code Section 13835 to the identified population of this grant. In addition, the advocates will provide training to law enforcement agencies within Fresno County regarding the available services provided by this grant and how to access these services. These services, which are also provided to victim family members and witnesses of crimes, include advising participants of program services and outreach activities; referring program participants to professional care providers; explaining the process of the criminal justice system; accompanying victims, family members, and witnesses to court and related hearings; and assisting participants with claim applications. Sixty semester units of academic work from one or more of the following disciplines: psychology, sociology, criminology or a related field is required for this position.

All too often, persons who suffer losses because of criminal activity also incur a financial loss. In many of these instances, the necessary documentation is not available at the time of sentencing and the Court will order restitution as "To Be Determined"; in addition, follow up with victims where the offenders placed on Probation Supervision is rare.

CVAC intends to address this issue in allocating a new position in which a Deputy Probation Officer IV (DPO IV) will assume the responsibility in conducting follow-ups with identified victims. The DPO IV will review the orders of the court, the offender's case file, serve as a liaison with the District Attorney's office, and communicate with assigned probation officer and guide the victim through the

court process regarding matters of restitution. This position will be specific to the XC Grant program.

Volunteer services will also be available to assist the victim population. Many of the volunteers will come from Fresno State University and will mostly likely have a certificate in Victimology. In addition, volunteers may come from other higher education institutions. The Probation Department recruits volunteers through colleges, job fairs, community presentations and service agencies. Volunteers are required to complete an application similar to an employment application and agree to submit to a background check.

One hundred percent of staff time specified in this proposal for grant funding is committed to the goals and objectives of this project.

The grant application will continue transportation services, emergency housing (including emergency essentials such as food, hygiene items, etc.), remote locations for teleconferencing, and on-site victim assistance. In addition, an in-house On-Call program will continue as a resource for victims who are in need of emergency hotel and/or transportation to a safe place after-hours, on weekends, and during holidays. The grant application will further develop our current emergency housing services to now include victim relocation and housing assistance related to their victimization. Related costs could include items such as furniture, utilities and rental assistance. The Probation Services Manager will be responsible for the submitted expenditures

related to victims' needs. The budgeted costs for each of these services have been listed in the operating budget. Victim transportation may require significant time due to the vast size of our County. Therefore, after-hours and weekend transportation for victims will be provided by taxi cab companies to reduce over-time costs. The contracts for the remote locations are for the use of the office space and personnel from the community-based organization to assist the victim in completing necessary forms while teleconferencing with a Victim Advocate at Crime Victim Assistance Center (CVAC). In addition, operating expenses include the data processing equipment and services in order for victims in rural areas to teleconference to the CVAC in order to complete the State of California Victim Compensation Program (CalVCP) application and set appointments at a location near where the victim resides. It will also allow for victims to observe court proceedings at the CVAC in a safe and secure place. An information technology programmer is also included in this application in order to upgrade the data management system so that victims of crime information is available and current and provides meaningful information to assist victims in order to address their multiple level of service needs. The programmer is required to have strong experience working with a wide range of programming frameworks and language needed to create single page responsive web applications. The operations budget includes a small amount of funding for office expenses for scanners, printers and postage as well as gift cards to meet victims' needs.
