RECOGNITION

Fresno Family Chiropractic

Business of Excellence Award
Fresno Workforce Development Board

It is with great honor that we recognize Fresno Family Chiropractic as the recipient of the Fresno Regional Workforce Development Board's Business of Excellence Award for the first quarter. Fresno Family Chiropractic has served the community for over 37 years providing vital care to patients seeking to improve their overall health and relieve pain they are experiencing. Dr. Ritter, the owner of Fresno Family Chiropractic, has served as a mentor to the young adults of our community by providing them with the opportunity to gain experience helping patients achieve these goals through check-ins, filing, professional interaction with the patients and taking blood pressure. We commend Fresno Family Chiropractic for their tireless efforts to inspire and cultivate the future leaders and workforce of Fresno County.
