THIS AGREEMENT is made and entered into this 1st day of July, 2020, by and between the COUNTY OF FRESNO, a Political Subdivision of the State of California, hereinafter referred to as "COUNTY," and the CITY OF KINGSBURG, a Municipal Corporation, whose address is 1401 Draper Street, Kingsburg CA 93631, hereinafter referred to as "CITY".

**WITNESSETH:**

WHEREAS, CITY receives calls requesting CITY'S fire department ("CITY FIRE") for emergency services and emergency medical first responder services ("EMS"); and

WHEREAS, CITY receives calls requesting both fire suppression services and EMS and transfers these calls to COUNTY'S EMS Communications Center for dispatching the appropriate emergency vehicles; and

WHEREAS, CITY FIRE continues to desire to receive dispatching services for fire suppression calls, which will include dispatching of non-transport first responder services, (collectively, "CITY FIRE Dispatching Services") from COUNTY'S EMS Communications Center; and

WHEREAS, it is to the mutual benefit and in the best interest of the parties hereto to combine EMS dispatching services and CITY FIRE Dispatching Services for the purpose of providing improved services to the public; and

WHEREAS, it has been determined by CITY and COUNTY that there is a need to provide EMS dispatching services and CITY FIRE Dispatching Services through a centralized and combined effort by COUNTY'S EMS Communications Center and CITY FIRE; and

WHEREAS, COUNTY'S EMS Communications Center is staffed and operated by K.W.P.H. Enterprises, Inc., doing business as American Ambulance, a California corporation ("PROVIDER"); and

NOW, THEREFORE, in consideration of their mutual covenants and conditions, the parties hereto agree as follows:

**1. SERVICES**

A. Subject to CITY timely paying COUNTY for CITY FIRE Dispatching Services

1 (defined in Section 4 herein):

2 (1) COUNTY shall be responsible for dispatching equipment, hardware,  
3 software (including software licenses), and other technologies, which will be utilized for the triage and  
4 entry of information for CITY FIRE Dispatching Services in COUNTY'S EMS Communications  
5 Center computer aided dispatch ("CAD") system, in connection with COUNTY'S performance of its  
6 CITY FIRE Dispatching Services under this Agreement. In the event that CITY requests additional  
7 technologies, not currently available in COUNTY'S EMS Communications Center, CITY shall be  
8 solely responsible for all costs to purchase and maintain said technology and/or equipment; and

9 (2) COUNTY shall be responsible for selection, configuration, installation,  
10 and maintenance of all dispatching equipment, hardware, software and other technologies associated  
11 with this Agreement. All dispatching equipment, hardware, software (including software licenses),  
12 and other technologies purchased and/or obtained through this Agreement shall be the sole property of  
13 COUNTY; and

14 (3) COUNTY shall provide CITY FIRE Dispatching Services requiring  
15 responses by CITY FIRE apparatuses as follows:

16 (a) COUNTY'S EMS Communication Center shall provide all CITY  
17 FIRE Dispatching Services in accordance with CITY FIRE'S Policies and Procedures affecting CITY  
18 FIRE Dispatching Services under this Agreement ("CITY FIRE'S Policies and Procedures") (to the  
19 extent that they relate only to dispatch). CITY FIRE's Policies and Procedures shall be subject to  
20 review by COUNTY'S EMS Director, or his or her designee (the "COUNTY'S Representative"), as  
21 provided in Section 1.C.(2) herein.

22 (b) COUNTY'S EMS Communication Center shall dispatch CITY  
23 FIRE'S apparatuses through radio and electronic communications, and in accordance with CITY  
24 FIRE'S Policies and Procedures (to the extent that they relate only to dispatch), which shall be subject  
25 to review by COUNTY'S Representative, as provided in Section 1.C.(2) herein. CITY FIRE shall  
26 work collaboratively with COUNTY on policies and procedures that are consistent with other fire  
27 agencies that are being dispatched in COUNTY'S EMS Communications Center.

28 (c) COUNTY'S EMS Communications Center shall provide pre-

1 arrival instructions to callers requesting CITY FIRE Dispatch Services.

2 (d) COUNTY'S EMS Communications Center shall provide inter-  
3 agency coordination regarding requests for fire suppression service, mutual aid and auto aid services,  
4 and order specialized fire equipment from CITY or other agencies (*e.g.*, hazardous materials  
5 equipment, or "jaws of life") which may be needed to manage an incident, and perform other related  
6 duties, all in accordance with CITY FIRE'S Policies and Procedures (to the extent that they relate only  
7 to dispatch), which shall be subject to review by COUNTY'S Representative, as provided in Section  
8 1.C.(2) herein.

9 (e) COUNTY'S EMS Communications Center shall track all activity  
10 of CITY FIRE'S apparatuses utilizing the COUNTY'S EMS Communications Center CAD system.

11 (f) COUNTY shall record all telephone and radio transmissions and  
12 provide instant playback as needed. COUNTY shall retain recordings for a minimum of one-hundred  
13 eighty (180) days.

14 (g) COUNTY shall provide reports to CITY as requested. COUNTY  
15 must be given sufficient time to develop custom ad hoc reports or reports that are not already  
16 developed.

17 (h) COUNTY shall provide one (1) radio operator for dispatching of  
18 CITY FIRE'S apparatuses twenty-four (24) hours a day, seven (7) days a week. CITY understands  
19 that the radio operator is not dedicated for the sole purpose of CITY and that the radio operator may be  
20 dispatching other fire and EMS providers. CITY FIRE shall work collaboratively with COUNTY on  
21 policies and procedures that are consistent with other fire agencies that are being dispatched in  
22 COUNTY'S EMS Communications Center. COUNTY shall provide that dispatch staff shall be  
23 trained in emergency fire dispatch.

24 (i) COUNTY shall provide that a minimum of one (1) dispatch  
25 supervisor shall be on duty at COUNTY'S EMS Communications Center twenty-four (24) hours a  
26 day, seven (7) days a week. The supervisor shall be available to CITY'S on-duty fire administration  
27 as needed.

28 (j) COUNTY shall maintain an up-to-date manual of CITY FIRE'S

1 Policies and Procedures (subject to review by COUNTY'S Representative, as provided in Section  
2 1.C.(2) herein) for all dispatch staff, and shall provide for training and continuing education of  
3 dispatch staff as needed.

4 (k) The goal for the immediate dispatch of a fire apparatus, in  
5 accordance with CITY FIRE approved dispatch protocols, and excluding multiple unit responses,  
6 reassigned responses and other situations beyond the COUNTY'S EMS Communications Center  
7 control, shall be sixty (60) seconds. The dispatch time will be measured from the time the telephone is  
8 answered by the call taker to the time the first fire apparatus is alerted to the incident either by radio,  
9 telephone, pager or station alerting device. A review shall occur for all cases in which dispatches are  
10 over ninety (90) seconds, and results will be evaluated for improvement opportunities by the Fire  
11 Dispatch Continuous Quality Improvement (CQI) Committee.

12 It is understood that because of the dynamic nature of emergency  
13 services, there are situations when the sixty (60) second dispatch goal may not be achieved. Examples  
14 of these situations include, but are not limited to:

- 15 1. calls with incomplete, inaccurate or no ANI/ALI information  
16 (including CAD-to-CAD);
- 17 2. calls that do not geo-verify in the CAD;
- 18 3. calls in which the reporting party is either unable or  
19 unwilling to immediately provide all required information as part of the call taking process (i.e., non-  
20 English speaking, hysterical, or uncooperative) or use of Teletype (TTY) or Telecommunication Device  
21 for the Deaf (TDD) or audio relay device.

22  
23 Calls for service that meet one of the above exemption categories  
24 shall have a dispatch time of no more than ninety (90) seconds in a minimum of ninety-five percent (95%)  
25 of calls received each month.

26 B. It is understood by the parties hereto that COUNTY'S provision of CITY FIRE  
27 Dispatching Services herein does not include any COUNTY provision of fire suppression services,  
28 and that COUNTY is providing CITY FIRE Dispatching Services herein to CITY on a non-exclusive  
basis.

1 C. CITY shall perform the following functions:

2 (1) CITY FIRE shall provide all fire suppression services for all fire  
3 suppression calls dispatched by COUNTY'S EMS Communications Center requiring CITY FIRE  
4 apparatuses in accordance with CITY FIRE'S Policies and Procedures.

5 (2) CITY FIRE shall consult with COUNTY'S Representative in developing  
6 CITY FIRE'S Policies and Procedures relating to dispatch only. CITY shall provide CITY FIRE'S  
7 Policies and Procedures relating to dispatch to COUNTY for review thereof by COUNTY'S  
8 Representative. CITY shall not approve CITY FIRE'S Policies and Procedures relating to dispatch  
9 until first having conferred with COUNTY'S Representative and such representative agrees that such  
10 policies and procedures are not inconsistent with the COUNTY'S EMS Communication Center's  
11 Policies and Procedures, and that CITY FIRE'S Policies and Procedures do not create additional  
12 workload for staff or impact other programs in the COUNTY'S EMS Communications Center.

13 COUNTY'S Representative shall have neither the right nor the duty to approve the number of CITY  
14 FIRE apparatuses or personnel, or amount of CITY FIRE equipment or other resources, that CITY  
15 FIRE deems sufficient to respond to any calls for CITY FIRE Dispatching Services, or other CITY  
16 FIRE Policies and Procedures unrelated to dispatch. CITY FIRE shall be reasonable in developing  
17 CITY FIRE'S Policies and Procedures relating to dispatch such that those policies and procedures are  
18 substantially consistent with COUNTY'S EMS Communication Center's Policies and Procedures.

19 (3) CITY shall provide continuing education and training to COUNTY'S  
20 EMS Communications Center radio operators and staff regarding the dispatching and management of  
21 CITY FIRE resources, as needed.

22 (4) CITY shall assure that all calls to CITY for CITY FIRE calls for service  
23 are immediately transferred to COUNTY'S EMS Communications Center.

24 (5) Upon request of COUNTY, CITY shall provide COUNTY with data that  
25 includes the exact times that EMS and CITY FIRE calls for service are received at CITY'S Police  
26 Department Communications Center (or other point of CITY contact, if any) and transferred to  
27 COUNTY'S EMS Communications Center.

28 (6) CITY agrees to participate in an internal quality improvement program,

1 which includes the participation of COUNTY and PROVIDER.

2 (7) CITY shall be responsible for the provision and maintenance of all radio  
3 and computer equipment in CITY FIRE apparatuses and radio infrastructure.

4 **2. TERM**

5 A. This Agreement shall become effective on the 1st day of July, 2020 and shall  
6 continue in full force and effect, and terminate on the 30<sup>th</sup> day of June, 2023 at 11:59 P.M., unless  
7 sooner terminated as provided herein.

8 B. This Agreement may be renewed with approval of CITY and COUNTY through

16 agency, provided however, should sufficient funds not be allocated, (i) the services provided may be  
17 modified at any time upon the parties' mutual written agreement, or (ii) this Agreement may be  
18 terminated at any time by CITY or COUNTY giving at least ninety (90) days' advance written notice  
19 of an intention to terminate to the other party.

20 B. Without Cause - Under circumstances other than those set forth above, this  
21 Agreement may be terminated by CITY or COUNTY upon the giving of at least ninety (90) days'  
22 advance written notice of an intention to terminate to the other party.

23 C. Material Breach - Either party may terminate this Agreement at any time for  
24 cause for the other party's material breach of its obligations herein if not less than thirty (30) days'  
25 advance, written notice has been given to the other party and such breach remains uncured within that  
26 thirty (30) day period. The party receiving such notice may respond to said notice and any charges  
27 contained therein within that thirty (30) day period.

28 D. CITY shall compensate or provide funding to COUNTY for any services

1 performed or costs incurred under this Agreement prior to any termination of this Agreement.

2 **4. COMPENSATION FOR SERVICES**

3 A. For COUNTY'S performance of FIRE Dispatching Services herein, CITY agrees  
4 to pay COUNTY and COUNTY agrees to receive compensation pursuant to Schedule A, attached  
5 hereto and incorporated herein by this reference. In no event shall compensation for COUNTY'S  
6 performance of CITY FIRE Dispatching Services under this Agreement be in excess of the amounts

26 In performance of the work, duties, and obligations assumed by COUNTY under this  
27 Agreement, it is mutually understood and agreed that COUNTY, including any and all of COUNTY'S  
28 officers, agents, and employees will at all times be acting and performing as an independent

1 contractor, and shall act in an independent capacity and not as an officer, agent, servant, employee,  
2 joint venture, partner, or associate of CITY. Furthermore, CITY shall have no right to control or  
3 supervise or direct the manner or method by which COUNTY shall perform its work and function,  
4 except for COUNTY'S compliance with CITY FIRE'S Policies and Procedures, herein, and as

6 this Agreement so as to verify that COUNTY is performing its obligations in accordance with the  
7 terms and conditions thereof. COUNTY and CITY shall comply with all applicable provisions of law  
8 and the rules and regulations, if any, of governmental authorities having jurisdiction over matters  
9 which are directly or indirectly the subject of this Agreement.

10 Because of its status as an independent contractor, COUNTY shall have absolutely no  
11 right to employment rights and benefits available to CITY employees. COUNTY shall be solely liable  
12 and responsible for providing to, or on behalf of, its employees all legally-required employee benefits.  
13 In addition, COUNTY shall be solely responsible and save CITY harmless from all matters relating to  
14 payment of COUNTY'S employees, including compliance with Social Security, withholding, and all  
15 other regulations governing such matters. It is acknowledged that during the term of this Agreement,  
16 COUNTY may be providing services to others unrelated to CITY or to this Agreement.

17 **6. MODIFICATION**

18 Any matters of this Agreement may be modified from time to time by the written  
19 consent of all the parties hereto without, in any way, affecting the remainder.

22 defend COUNTY, including its officers, agents, and employees, from any and all costs and expenses  
23 (including attorneys' fees and costs), damages, liabilities, claims, and losses occurring or resulting to  
24 COUNTY in connection with the performance, or failure to perform, by CITY, including its officers,  
25 agents, or employees under this Agreement, and from any and all costs and expenses (including  
26 attorneys' fees and costs), damages, liabilities, claims, and losses occurring or resulting to any person,  
27 firm, or corporation who may be injured or damaged by the performance, or failure to perform, of  
28 CITY, including its officers, agents, or employees under this Agreement.

1           B. COUNTY agrees to indemnify, save, hold harmless, and at CITY'S request,  
2 defend CITY, including its officers, agents, and employees from any and all costs and expenses  
3 (including attorneys' fees and costs), damages, liabilities, claims, and losses occurring or resulting to  
4 CITY in connection with the performance, or failure to perform, by COUNTY, including its officers,  
5 agents, employees or PROVIDER, under this Agreement, and from any and all costs and expenses  
6 (including attorneys' fees and costs), damages, liabilities, claims, and losses occurring or resulting to  
7 any person, firm, or corporation who may be injured or damaged by the performance, or failure to  
8 perform, of COUNTY, including its officers, agents, employees or PROVIDER under this Agreement.

9           C. In the event of concurrent negligence on the part of COUNTY or any of its  
10 officers, agents, employees or PROVIDER, and of CITY or any of its officers, agents, or employees,  
11 the liability for any and all such claims, demands and actions in law or equity for such costs and  
12 expenses (including attorneys' fees and costs), damages, and losses shall be apportioned under the  
13 State of California's theory of comparative negligence as presently established or as may be modified  
14 hereafter.

15           D. This Section 7 shall survive termination or expiration of this Agreement.

16       **8. INSURANCE**

17           Without limiting the indemnification of each party as stated in Section 7 above, it is  
18 understood and agreed that CITY and COUNTY shall each maintain, at their sole expense, insurance  
19 policies or self-insurance programs including, but not limited to, an insurance pooling arrangement  
20 and/or Joint Powers Agreement to fund their respective liabilities throughout the term of this  
21 agreement. Coverage shall be provided for comprehensive general liability, automobile liability,  
22 professional liability, and workers' compensation exposure. Evidence of Insurance, Certificates of  
23 Insurance or other similar documentation shall not be required of either party under this Agreement,  
24 except for Commercial General Liability coverage. Each party will provide the other party with an  
25 appropriate Commercial General Liability insurance certificate with limits of not less than Two  
26 Million Dollars (\$2,000,000) per occurrence and an annual aggregate of Four Million Dollars  
27 (\$4,000,000) along with an appropriate endorsement naming the other party as an additional insured  
28 on the Commercial General Liability policy. COUNTY shall cause PROVIDER to maintain insurance

1 coverage that is consistent with the current EMS PROVIDER Agreement between COUNTY and  
2 PROVIDER.

3 **9. CONFIDENTIALITY**

4 All services performed by COUNTY under this Agreement shall be in strict  
5 conformance with all applicable Federal, State of California and/or local laws and regulations relating  
6 to confidentiality.

7 **10. NON-DISCRIMINATION**

8 During the performance of this Agreement, CITY shall not unlawfully discriminate  
9 against any employee or applicant for employment, or recipient of services, because of race, religious  
10 creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic  
11 information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation,  
12 pursuant to all applicable State of California and Federal statutes and regulations.

13 **11. RECORDS**

14 Each party shall maintain its records in connection with the respective services referred  
15 to under this Agreement. Such records must be maintained for a minimum of three (3) years. Records  
16 must also be maintained a minimum of three (3) years after the termination of this Agreement. The  
17 party generating the records shall maintain ownership of the records upon termination of this  
18 Agreement.

19 **12. AUDITS AND INSPECTIONS**

20 Each party shall at any time during business hours, and as often as the other party may  
21 deem necessary, make available to the other party for examination all of the former party's records  
22 and data with respect to the matters covered by this Agreement. Each party shall, upon request by the  
23 other party, permit the other party to audit and inspect all such records and data necessary to ensure  
24 the former party's compliance with the terms of this Agreement.

25 If this Agreement exceeds Ten Thousand and No/100 Dollars (\$10,000.00), COUNTY  
26 shall be subject to the examination and audit of the State Auditor for a period of three (3) years after  
27 final payment under contract (Government Code section 8546.7).

28 **13. PROVIDER**

1           The parties hereto acknowledge that PROVIDER, or its replacement, if any during the  
2 term of the PROVIDER Agreement, will carry out COUNTY'S provision of dispatching services  
3 herein. In the event of any such replacement of PROVIDER, the replacement EMS Provider  
4 Agreement will be on substantially the same terms as the EMS Provider Agreement to the extent that  
5 it concerns this Agreement, as provided herein.

6           **14.    FORCE MAJEURE**

7           A.     If either party hereto is rendered unable, wholly or in part, by Force Majeure to  
8 carry out its obligations under this Agreement, that party shall give to the other party hereto prompt  
9 written notice of the Force Majeure with full particulars relating thereto. Thereupon, the obligations  
10 of the party giving the notice, so far as they are affected by the Force Majeure, shall be suspended  
11 during, but no longer than, the continuance of the Force Majeure, except for a reasonable time  
12 thereafter required to resume performance.

13           B.     During any period in which either party hereto is excused from performance by  
14 reason of the occurrence of an event of Force Majeure, the party so excused shall promptly,  
15 diligently, and in good faith take all reasonable action required in order for it to be able to promptly  
16 commence or resume performance of its obligations under this Agreement. Without limiting the  
17 generality of the foregoing, the party so excused from performance shall, during any such period of  
18 Force Majeure, take all reasonable action necessary to terminate any temporary restraining order or  
19 preliminary or permanent injunctions to enable it to so commence or resume performance of its  
20 obligations under this Agreement.

21           C.     The party whose performance is excused due to the occurrence of an event of  
22 Force Majeure shall, during such period, keep the other party hereto notified of all such actions  
23 required in order for it to be able to commence or resume performance of its obligations under this  
24 Agreement.

25           D.     "Force Majeure" is defined as an Act of God, act of public enemy, war, and
