

## **EXHIBIT "A"**

### **Statement of Applicant**

**Falcon Junction, Inc. / Navjeet Chahal, President**

Premises Address: 29477 Auberry Road, Prather, CA 93651

APN: 118-422-74

- 1. The issuance of a license would not tend to create a law enforcement problem, nor would it increase the level of crime activity.**

Applicant currently holds a Type 20 license at the above-referenced address/site. There have been no incidents of any law enforcement issues to date. Transferring the existing Type 20 license to a Type 21 license would not require any additional services that would affect the surrounding area. Providing this new license will simply bring more convenience for our customers and making it a one stop for them and for those who are driving through the area.

- 2. The issuance of a license would provide a needed service to the community and that without this use there would be an inconvenience to the community; and**

Falcon Junction is a gas station / convenience store located at a well-traveled community intersection. Falcon Junction not only provides a needed fueling stop for local residents, but also provides other necessary specialty goods and products for sale within the community. Upgrading our Type 20 license (beer/wine) to a Type 21 liquor license will offer a convenient one-stop shopping experience for our customers with respect to beverage purchases.

- 3. The issuance of a license will have a positive impact on the local economy.**

The ability to consolidate all beverage shopping into one convenient stop will serve the community in terms of vehicle trips, less impact on air quality (reduction in automobile/truck trips), as well as serve to increase retail sales in our area and the relative increase in sales tax, etc. revenue.

Navjeet Chahal, President  
FALCON JUNCTION, INC.
