2. This easement and right-of-way shall include all rights necessary or incidental to the use thereof by GRANTEE, including, but not limited to, the right of unrestricted ingress to and egress from and the right to move over, under and across said real property owned by GRANTOR at such times and locations that GRANTEE deems necessary, at its sole discretion.
3. This easement and right-of way shall also grant the GRANTEE the right to transport equipment, materials, personnel and vehicles that GRANTEE deems necessary, at its sole discretion, across the property owned by the GRANTOR in connection with the Pipeline Improvements.

4. GRANTEE shall have the right to use as much of the surface of the real property owned by the GRANTOR to construct, maintain and install the Pipeline Improvements contemplated by this GRANT OF PIPELINE #2 EASEMENT.
5. All Pipeline Improvements constructed, installed and/or placed by or on behalf of GRANTEE upon and within said easement shall become and remain the property of GRANTEE, and GRANTOR shall have no right, title or interest therein.

7. This easement shall not be deemed abandoned by GRANTEE until and unless GRANTEE executes a document formally abandoning this easement and records such a document with the Fresno County Recorder.
8. The consideration paid by GRANTEE shall compensate GRANTOR for all damages, of any kind or character, to the property owned by the GRANTOR.
9. GRANTOR shall have the right to use the surface of the land within said easement for its own purposes, so long as said use by GRANTOR does not interfere in any way with the use of said easement by GRANTEE; and, provided further that GRANTOR shall not build or construct any building or other permanent structure on or plant any vegetative materials within said easement without the written permission and consent of GRANTEE, which permission may be withdrawn or consent may be withheld at any time by GRANTEE if GRANTEE determines, in GRANTEE's sole discretion, that GRANTOR's activities or improvements will interfere, is interfering or has interfered with GRANTEE's easement.
