CAUTION!!! - EXTERNAL EMAIL - THINK BEFORE YOU CLICK

Dear Board members,

As we've noted, the discussion being discussed in closed session should not be held in closed session and violates the Brown Act. We expect a full report to the public following the closed session discussion and disclosure of all documents and records reviewed and discussed. We also ask that the Fresno County BOS refrain heretofore from inappropriately and unlawfully holding discussions regarding the COVID 19 public health crisis in closed session.

Residents in the county have the right to know what and how this pandemic is affecting all sectors.
