ADOPTED ORDINANCE NO. 20-024
SUMMARY

NOTICE is hereby given that at the special meeting held on November 24, 2020, the Fresno County Board of Supervisors adopted Ordinance No. 20-024, an Ordinance of the County of Fresno, State of California.

SUMMARY OF ORDINANCE

An Interim Urgency Ordinance of the Board of Supervisors of the County of Fresno has been adopted for the purposes of setting standards for the removal of dangerous debris created by the Creek Fire, allowing for summary abatement of dangerous conditions, and cost recovery for that summary abatement. Property owners are prohibited from moving fire debris other than through the program overseen by California Governor's Office of Emergency Services (CalOES), or with permits and approval from the County. If a property owner does not elect to participate in the CalOES program, or to obtain permits and approval from the County to perform the clean-up, then the ordinance provides for summary abatement by the County, with costs to be charged to the property owner(s) and recovered in an administrative or civil action.
