File #: 20-0192

On agenda: 4/14/2020

Final action: 4/14/2020

Enactment date:

Enactment #: Resolution No. 20-115

**Title:** Retroactively approve and authorize the Sheriff-Coroner-Public Administrator’s previous submittal of a grant application to the State of California Department of Parks and Recreation for Off-Highway Motor Vehicle Grant funds (\$361,577); and approve and authorize the Chairman to execute a Resolution approving the Sheriff to submit an application to the State of California Department of Parks and Recreation for Off-Highway Motor Vehicle Grant funds and approving required certifications

**Attachments:** 1. Agenda Item, 2. Application with Dept of Parks and Recreation, 3. Resolution No. 20-115

Date	Ver.	Action By	Action	Result
4/14/2020	1	Board of Supervisors	Approved as Recommended	Pass

DATE: April 14, 2020

TO: Board of Supervisors

SUBMITTED BY: Margaret Mims, Sheriff-Coroner-Public Administrator

SUBJECT: Retroactively approve and authorize grant application submittal to the State of California Department of Parks and Recreation for Off-Highway Motor Vehicle funds

RECOMMENDED ACTION(S):

- 1. Retroactively approve and authorize the Sheriff-Coroner-Public Administrator’s previous submittal of a grant application to the State of California Department of Parks and Recreation for Off-Highway Motor Vehicle Grant funds (\$361,577); and**
- 2. Approve and authorize the Chairman to execute a Resolution approving the Sheriff to submit an application to the State of California Department of Parks and Recreation for Off-Highway Motor Vehicle Grant funds and approving required certifications.**

There is no increase in Net County Cost associated with the recommended actions. The application was submitted to the State of California Department of Parks and Recreation to meet the preliminary deadline of March 2, 2020, contingent on your Board’s approval; the final application deadline is June 1, 2020. The granting agency is requiring the resolution be included with the application for Off-Highway Motor Vehicle (OHV) funds. Upon approval by your Board, the resolution will be forwarded to the grant agency to complete the application packet. This item is countywide.

ALTERNATIVE ACTION(S):

If the recommended actions are not approved, the grant application will be withdrawn, which will result in a reduction in enforcement of off-road vehicle laws.

FISCAL IMPACT:

There is no increase in Net County Cost associated with the recommended actions. There is a County match of \$90,394 required to receive the OHV funds of \$271,183. The required match will be included in the FY

2020-21 Sheriff's Org 3111 budget request. If the grant application is approved, the Department will return to the Board with any necessary resolutions.

DISCUSSION:

The OHV grant is an annual allocation provided by the State to local agencies for the purpose of enforcing off-road vehicle laws and to meet bi-annually with U.S. Forest Service and Bureau of Land Management (BLM) enforcement staff to discuss OHV concerns and issues. On January 7, 2020, your Board approved the Off-Highway Project Grant Award/Agreement with the State of California Department of Parks and Recreation for the period of September 5, 2019 to September 4, 2020. The recommended grant application is for a new funding cycle. Most Fresno County off-road vehicle activity is located in the eastern part of the County where the U.S. Forest Service maintains trails in the mountain areas for snowmobiles and other off-road vehicles.

The Sheriff's Off-Road Safety team has the ability to resolve many off-road related problems that are otherwise difficult for deputies to address. The requested grant monies will enhance off-road enforcement efforts by dedicating additional staff through the use of overtime. These grant monies, if awarded, will also cover the Motorcycle Safety Class.

In order to meet the grant filing deadline, the grant application was submitted to the California Department of Parks and Recreation contingent upon your Board's approval. Additionally, in order for the Sheriff to apply for the OHV grant, the State is requiring a resolution by your Board to approve and authorize the Sheriff to apply for these grant funds.

In addition to the standard State and Federal certifications included in the Board of Supervisors Administrative Policy No. 47, the grant also requires the certificate summarized here; (1) the Grantee Agency understands its legal obligations to the State upon approval of the grant; (2) the Grantee Agency understands the California Public Resource Code requirement that acquisition and development projects be maintained to specific conservation standards; (3) the project will be well-maintained during its useful life; and (4) certifies the Agency will provide the required matching funds.
