### ALTERNATIVE ACTION(S):

There is no viable alternative action.

### FISCAL IMPACT:

There is no Net County Cost associated with the recommended action.

### DISCUSSION:

On June 27, 2018, the Supreme Court issued its decision on *Janus v. AFSCME*, ruling that public sector employees cannot be forced to pay a union as a condition of employment, effectively finding it unconstitutional to compel non-union member employees to pay "agency fees" in lieu of becoming a member and paying membership dues.

Additionally, SB 866 was signed into law requiring the recognized employee organization to notify the public employer of the employee's authorization for dues deductions.

As a result of these legislative actions, your Board's representatives have met and conferred with Local 39 representatives regarding an addenda which will add and/or delete language pursuant to *Janus v. AFSCME* and SB 866.
