**File #:** 19-1207, **Version:** 1

---

**DATE:** November 5, 2019

**TO:** Board of Supervisors

**SUBMITTED BY:** Oscar J. Garcia, CPA, Auditor-Controller/Treasurer-Tax Collector

**SUBJECT:** Delegation of Investment Authority and acceptance of the County of Fresno Treasury Investment Pool Investment Policy

RECOMMENDED ACTION(S):

**1. Delegate investment authority to the Auditor-Controller/Treasurer-Tax Collector for the 2020 calendar year; and**

**2. Adopt revisions in the “County of Fresno Treasury Investment Pool Investment Policy”.**

The Board of Supervisors may annually renew the delegation of investment authority to the County Treasurer per County Ordinance 2.20.080. In compliance with that authority, the recommended action delegates the authority to the Auditor-Controller/Treasurer-Tax Collector (ACTTC). Your Board is also required to annually review and approve the “County of Fresno Treasury Investment Pool Investment Policy” (Investment Policy). The Department is recommending changes to section 3.0 and other minor revisions. This item is countywide.

ALTERNATIVE ACTION(S):

If your Board does not delegate investment authority to the Treasurer, the fiduciary responsibility of investing funds in the Treasury Investment Pool will remain with your Board.

FISCAL IMPACT:

There is no additional fiscal impact associated with the recommended actions.

DISCUSSION:

Delegation of investment authority to the County Treasurer may be renewed annually, subject to review per Government Code sections 27000.1 and 53607 and the Ordinance Code of the County of Fresno, section 2.20.080. Therefore, your Board is required to act each year to comply with this requirement. The first recommended action will delegate investment authority for calendar year 2020 to the ACTTC.

Government Code section 53646 provides that the ACTTC may annually render to the Board of Supervisors a statement of investment policy which the Board shall review and approve at a public meeting. This Investment Policy is the written document, which governs the investment of all financial assets deposited to and retained in the County of Fresno Treasury Investment Pool. The Investment Policy is in compliance with all applicable government codes. The Department is recommending that the annual review and approval process be done. This Investment Policy was last updated on December 4, 2018.

The Department is recommending the following revision on page 4 of the Investment Policy:

### Section 3.1 Legality

The Department is recommending that section 3.1 Legality be deleted. Section 3.0 lists the objectives of the investment activities. Section 3.1 Legality is not an objective, it is a requirement. Section 8.0 of the Investment Policy has also been modified to expressly state that all investments must comply with Government Code.

Additional minor, non-substantive revisions have also been made.

A revised document, with tracked updates from the December 4, 2018 Investment Policy, and a “clean” (final) copy of the proposed Investment Policy are included with this agenda item.
