DISCUSSION:

On June 2, 2015, the Board of Supervisors directed staff to work with the City to facilitate acquisition and construction of a new Clovis Regional Library on City-owned land located at 735 N. Third Street, Clovis, California. Since then, County staff (Library, Public Works and Planning, Internal Services, County Administrative Office, and County Counsel) has worked with the City to facilitate acquisition of a 1.15-acre parcel for the new Regional Library, in exchange for conveying the existing Regional Library site to the City, which the City represents will be used for City offices.

On March 5, 2024, the Board of Supervisors adopted a resolution (Resolution No. 24-064) determining that certain County-owned real property located at 1155 Fifth Street, Clovis, CA (existing Clovis Regional Library

property, APN: 492-131-23ST), is exempt surplus land and is not required for County use, and that certain City-owned real property (APN:492-131-11ST, proposed new Clovis Regional Library) owned by the City of Clovis to be acquired by exchange is required for County use in accordance with Government Code sections 54221 (f)(1)(C) and 25365.

Your Board also authorized the Chairman to execute a Cooperative Agreement and Agreement for the Exchange of Real Property (Agreement) (Agreement No. A-24-064) with the City of Clovis to exchange the existing County-owned Clovis Regional Library property for a parcel of City-owned real property (APN: 492-131-11ST) to construct a new Clovis Regional Library with no exchange of monies.

Included in that Agreement was an Exhibit (Exhibit F) ensuring a perpetual Parking and Access Easement for ingress, egress, and parking for the Clovis Regional Library with the City of Clovis. This easement will ensure that the County and all Library users will be able to enter, walk, and park in the common areas (owned by the City) of the Landmark Square development where the new Clovis Regional Library is located.

This item is necessary to finalize the recordation of the Parking and Access Easement. Government Code section 27281 requires that the County consent to this grant of easement through a certificate of acceptance before the easement may be recorded.
