ALTERNATIVE ACTION(S):

If the recommended action is not approved, Mr. Zante will be deemed to have resigned if he misses a total of five meetings in 2023, and your Board would need to appoint a new regular member.

FISCAL IMPACT:

There is no fiscal impact associated with the recommended action.

DISCUSSION:

In accordance with Fresno County Ordinance Code, Section 2.68.010.C, regarding member attendance at meetings, except as otherwise specifically provided by the Ordinance Code, a nonelected member of any board, commission, committee or council appointed by the Board of Supervisors shall be deemed to have resigned his or her membership for absences in excess of three consecutive regular meetings or five regular meetings in a calendar year if the board, commission, committee or council has thirteen or more regular meetings per calendar year. The Planning Commission meets nineteen times per year.

Further, Section 2.68.035 states that, "Where a member has been absent from meetings such that one additional absence will result in an automatic resignation, that member may petition the board of supervisors for a waiver of one or more of the prior absences. Such petition may only be made once per calendar year. The granting of such petition shall be based on good cause as determined in the sole discretion of the board of supervisors."

Mr. Zante was absent from three consecutive meetings held on January 26, 2023, February 23, 2023, and April 27, 2023, for the reasons mentioned in his petition, included as Attachment A. Mr. Zante is asking for a waiver of the three absences to safeguard his opportunity to continue to serve on the Planning Commission.
