The total estimated cost for FY 2021-22 is approximately \$73,772 including \$19,417 in NCC. Impacted department appropriations will be monitored and adjustments will be brought to your Board if needed. The current Representation Unit 11 MOU is effective until February 20, 2022. The current Representation Unit 42 MOU is effective until November 13, 2022. This item is countywide.

ALTERNATIVE ACTION(S):

If your Board were not to approve the recommended actions, the County's Health Premium Contribution for Representation Units 11 and 42 would remain unchanged, and the County's Health Premium Contributions for Unrepresented and Management (including Senior Management, Department Head and Elected Officials) classifications would increase consistent with the Board's previously approved increases from Board Agenda Item #34, brought on September 21, 2021.

FISCAL IMPACT:

There is an increase in NCC of \$19,417 associated with the recommended actions. The total estimated cost of the recommended actions for FY 2021-22 is approximately \$73,772; \$19,417 in NCC.
