SUBMITTED BY: Kirk Haynes, Chief Probation Officer

SUBJECT: Retroactive Probation Specialized Units Program Grant Application/Agreement

RECOMMENDED ACTION(S):

- 1. Retroactively authorize the Chief Probation Officer's previous submittal of a grant application to the State of California, Governor's Office of Emergency Services (Cal OES), for the Probation Specialized Units Program (\$133,333);**
- 2. Approve and authorize the Chairman to execute a retroactive Grant Application/Agreement for the Probation Specialized Units Program with Cal OES, for the period of October 1, 2019 through September 30, 2020; and**
- 3. Adopt resolution authorizing the Chairman to sign the retroactive grant application, and to execute retroactive Grant Award Agreement and any extensions or amendments thereto with Cal OES for the period of October 1, 2019 through September 30, 2020, subject to approval by County Counsel and the Auditor-Controller/Treasurer-Tax Collector (\$133,333).**

There is no additional Net County Cost associated with the recommended actions. To meet the grant filing date, the Grant Application was submitted contingent upon your Board's approval. The Application, when executed by Cal OES, will provide specialized supervision of high-risk domestic violence offenders and support to their victims through the Specialized Supervision Program. The recommended actions will retroactively authorize the previous submittal of the grant application and execution of the Grant Subaward

Face Sheet and Certification of Compliance (Grant Agreement). It should be noted that once the Grant Award Face Sheet is executed by the Chairman and Cal OES, the application documents become the final Agreement between the County and Cal OES. This item is countywide.

ALTERNATIVE ACTION(S):

If the recommended actions are not approved, the grant application will be withdrawn. This will result in the elimination or reduction of specialized supervision of domestic violence offenders and enhanced assistance to their victims. It will also result in the elimination of the Deputy Probation Officer (DPO) and Victim Witness Advocate (VA) positions, unless an alternative funding source is identified.

RETROACTIVE AGREEMENT:

The Request for Application for this grant, including the allocation of funds, was provided to the Probation Department on July 23, 2019. To meet the filing deadline of August 23, 2019, the grant application was submitted previously to Cal OES contingent upon your Board's approval. The Department is bringing this to your Board on the first available Board date within the agenda item processing deadlines. Once the Grant Award Face Sheet is executed by the Chairman and Cal OES, it becomes the final agreement between the County and Cal OES, effective October 1, 2019.

FISCAL IMPACT:

There is no increase in Net County Cost associated with the recommended actions. The grant is a total of \$133,333 (\$100,000 in grant funds and \$33,333 in required 25% match of the total program cost of \$133,333). In addition to the mandated match, \$127,969 in additional funding is required to provide the services included in this Program. The required match and additional funding totaling \$161,302 will be funded with Senate Bill 678 funds. There is a DPO and a VA position in this program. Appropriations and estimated revenues for this Grant Program have been included in the Probation Department's Adopted FY 2019-20 Grants Budget Org 3432. Probation does not charge the grant for indirect costs.

DISCUSSION:

The Department has received Probation Specialized Unit Program funds from Cal OES since 2014. On October 8, 2018, Cal OES awarded the County a new competitive Probation Specialized Unit Program grant to fund the Department's existing Program from October 1, 2018 through September 30, 2019. In addition, Cal OES provided the Department the opportunity to apply for non-competitive funds for an additional three consecutive years, for a total of four years of funding. The recommended actions provide for continuation of the program for the second year of funding.

The grant will be used to fund the Probation Specialized Unit Program, which allows for a DPO and a VA to be dedicated entirely to a specialized domestic violence caseload of high-risk violent offenders and their victims. The Program will intensely supervise high-risk offenders convicted of a violent crime related to domestic violence, sexual assault, dating violence, and/or stalking, while minimizing further trauma to victims and families by providing protection and referrals to supportive services and counseling. Intensive supervision requires weekly contact with offenders, with at least 80% of the contacts being face-to-face. It also requires monthly contact with counseling and treatment programs where the offender is enrolled to assess the offender's progress. In addition, the DPO updates risk assessments every six months, checks police logs, conducts drug and alcohol testing, reviews court files, and requests appropriate sanctions if the probationer commits a new abuse or violation, fails to participate in designated counseling and/or treatment programs, or commits a new criminal offense.

A VA engages victims of probationers as early as possible, and minimizes further trauma to victims and families by providing victim protection and referrals to supportive services and counseling. The VA ensures

that victims understand the terms of probation, and works with the DPO in the Program to make the victims' safety concerns known. The DPO/VA team maintain records of all contacts with offenders and the services provided to victims and children.

The third recommended action will adopt a resolution authorizing the Chairman to execute any extensions or amendments to this grant, as required by Cal OES, subject to review and approval by County Counsel and the Auditor-Controller/Treasurer-Tax Collector, not to exceed the total of \$133,333.
