File #: 16-0815, **Version:** 1

DATE: August 9, 2016

TO: Board of Supervisors

SUBMITTED BY: Michael L. Elliott, Interim Chief Probation Officer

SUBJECT: Retroactive Revenue Agreement with Central Unified School District to partially fund the costs of two Campus Deputy Probation Officers

RECOMMENDED ACTION(S):

Approve and authorize Chairman to execute a retroactive revenue Agreement with Central Unified School District for services provided by two Deputy Probation Officers assigned to various school campuses from July 1, 2016, through June 30, 2017 (\$75,000).

There is no additional Net County Cost associated with the recommended action. Central Unified School District (Central USD) will provide a total of \$75,000 in funding toward the two Deputy Probation Officer (DPO) positions. The remaining direct costs for these two positions will be funded by Juvenile Justice Crime Prevention Act (JJCPA) funds. The Fresno County Probation Department and Central USD recognize the benefit of collaborating to provide services and have DPOs participate on the Police/Sheriff/Probation Teams located on campus. Due to the collaborative nature of this Agreement, the Department recommends your Board deviate from the County policy requiring full cost recovery (including indirect costs). This practice is consistently applied to similar Agreements with other school districts.

ALTERNATIVE ACTION(S):

There is no viable alternative action. If your Board does not approve the recommended action, the Probation Department will not have sufficient funding to continue providing on campus service to Central USD.

RETROACTIVE AGREEMENT:

The Probation Department has been in discussions with Central USD regarding continuing to provide on campus services. Once the contract was finalized, the next available Central USD school board meeting was June 14, 2016 at which time it went as an information item and placed on the next school meeting agenda as a consent item. On June 28, 2016 it was approved by the school board. The next available Board of Supervisors meeting date, within the established deadlines, is August 9, 2016.

FISCAL IMPACT:

There is no additional Net County Cost associated with the recommended action. The total cost for the two Deputy Probation Officers is \$248,775 and includes \$231,275 in salaries and benefits and \$17,500 in estimated services and supplies, which includes vehicle and radio costs. Central USD will provide a total of \$75,000 towards the costs for the two DPOs, including services and supplies, with the remaining \$173,775 being funded with JJCPA funds. Based on the Probation Department's current indirect rate of 25.96% of salary and benefits, the indirect costs associated with the two DPO positions are \$60,039. It is recommended

Central USD's portion of the indirect not be charged due to the collaborative nature of the Agreement and due to the fact that the DPOs are providing supervision to minors who reside within the school district's boundaries. The portion of the indirect that can be paid for with JJCPA funds is limited to 0.5% (\$869) per JJCPA funding requirements. Therefore, the Net County Cost for indirect is \$59,170, which is an increase of \$3,183 over last year due to salary and benefits. Appropriations, estimated revenue, and Probation indirect cost for these positions are included in the Probation's FY 2016-17 Adopted Budget Org 3430.

DISCUSSION:

The Central USD desires the Fresno County Probation Department continue to assign two Deputy Probation Officers to various Central USD school campuses to provide probation services and participate on the Police/Sheriff/Probation Teams. The Deputy Probation Officers assigned to the Police/Sheriff/Probation Teams work with Central USD staff in monitoring school attendance, maintaining school safety, supervising probationers, serving as liaison between the school and the courts, directly supervising student activity, and screening students for various programs.

Deputy Probation Officers were first paired with Police Officers/Deputy Sheriffs on school campuses during the 1993/94 school year. Since its inception, the goal has been to promote campus safety and positive citizenship and behaviors in the school, home and community. The relationship that has been developed between Central USD and the Police/Sheriff/Probation Teams is designed to be preventative in nature. The primary focus is a collaborative effort to closely monitor juvenile probationers attending the school campuses while developing and implementing school based prevention and intervention programs.

The previous Agreement approved by your Board on August 11, 2015, for \$75,000 for services provided by two Deputy Probation Officers, expired on June 30, 2016.

The Agreement with the Central USD differs from the County's model contract in that it contains a mutual hold harmless clause. This has the effect of making each party responsible for losses arising from their own negligent acts.
