Recommended actions No. 3 through 7 will increase the FY 2017-18 appropriations in the specified Sheriff-Coroner's Special Revenue Fund (SRF) Orgs. The increases will fund Operating Transfers Out to the Sheriff-Coroner operating Org (Org 3111) for qualifying departmental expenses. This item is countywide.

### ALTERNATIVE ACTION(S):

There is no viable alternative action. If your Board does not approve the recommended actions, the Department will not be able to pay the use tax for the helicopter, purchase equipment and maintenance to move Fleet to a new location, or utilize the restricted funding for qualifying Sheriff-Coroner Org 3111 expenses.

On December 15, 2015 your Board authorized the replacement of Sheriff's Helicopter Eagle One in the amount of \$2,180,000. The helicopter was received by the Department in February 2018. Approval of recommended action No. 1 will facilitate the transfer of the use tax in the amount of \$279,030, associated with the helicopter purchase, from Services and Supplies account 7295 (Professional & Specialized Services) to Equipment account 8300, program number 91423 so payment can be made to the State.

Approval of recommended action No. 2 will allow the transfer of funds from Salaries and Benefits savings to Services & Supplies and Equipment to pay for facility operation/maintenance and equipment expenditures associated with the Sheriff-Coroner's Fleet Unit's move to Chance Avenue.

In FY 2015-16 departments began to budget appropriations to transfer funds out of SRF Orgs into operating Orgs for qualifying operational expenses. Approval of recommended actions No. 3 through 7 will allow the transfer of funds from SRF Orgs to reimburse the Sheriff-Coroner Org 3111 as follows:

- To offset the cost of core training courses for Correctional Officers with Sheriff-CA St Corr Train Org 1452 (\$109,384).
- To offset civil process operations costs with Debtor Assessment Fee Org 1454 (\$137,951).

These amounts were not included in the FY 2017-18 Sheriff-Coroner's SRF Org adopted budgets.
