The purchase price of the Property would be \$2,500,000 with an additional allocation of \$400,000 for Public Works and Planning Project Management costs and \$20,000 for miscellaneous acquisition costs. Approval of Recommended Action 4 will budget appropriations in the amount of \$2,920,000 to facilitate this purchase in Capital Projects Org 8853.

### ALTERNATIVE ACTION(S):

There is no alternative action. Non-approval of the recommended actions, however, would result in a lost

opportunity to acquire a property that would satisfy Departmental needs.

FISCAL IMPACT:

There is no additional Net County Cost associated with the recommended actions. Approval of Recommended Action 4 will budget appropriations in the amount of \$2,920,000 to facilitate this purchase in Capital Projects Org 8853 Sheriff's Area 2 Substation.

DISCUSSION:

On November 4, 2014, your Board authorized staff to issue a Request for Qualifications (RFQ) for a facility to serve as a new Sheriff's Area 2 substation in the Southeastern area of the County. The approval of the recommended actions will allow the acquisition of a vacant lot located on the corner of Harvey and Armstrong in Fresno, California. Special tax assessments for the year 2018-19 and future years of approximately \$8,820.60 from a Community Facilities District and Metropolitan Flood Control District apply to these properties. Upon acquisition, the Sheriff-Coroner's Office will work with the Department of Public Works and Planning to develop a strategy for the construction plans which will include timelines and cost for the Area 2 Substation.

Upon completion of these plans, there will be a subsequent agenda item to return to your Board for approval.

The Department of Public Works and Planning has reviewed this Agenda Item.
