The Lease Revenue Agreement can be terminated by either party by that party providing sixty (60) days prior written notice. There is no cost to the County, as the City will pay for the installation of the communications equipment.

The City will pay rent at \$335.00 per month, which includes electricity, and the rent will increase four percent (4%), beginning July 1, 2021, and each July 1 thereafter during the term of the Lease Revenue Agreement.
