This item is countywide.

FISCAL IMPACT:

DISCUSSION:

On June 10, 2025, your Board discussed department sponsorships and County financial contributions to community events. Your Board gave direction to the CAO to create a process for Board approval of contributing County funds to third-party events. Additionally, your Board directed the CAO to return at a later date to discuss and recommend celebrations that County departments may officially recognize or celebrate.

On July 8, 2025, Administrative Policy 80 - Department Contributions of Funds for Non-County Events or Causes, was approved by your Board ensuring that the County follows a consistent process when departments contribute funds for non-County events, causes, or anything similar.

The Department has developed important partnerships with local organizations through active participation and support of various events and celebrations. The Department uses every outreach opportunity to educate, elicit participation in support of achieving programmatic goals and promoting the health of our community.

The following event as well as the cost is presented for your Board's approval:

- 18th Annual Breastfeeding Awareness Walk and Celebration, August 1, 2026, \$2,500
Funds will be paid to the event organizer, The Fresno County Breastfeeding Coalition, and will be utilized to pay for event costs. This sponsorship will advance and support partnership, encourage community engagement, promote the breastfeeding and lactation goals. Additional information is provided in the Department Contribution Approval Form.
