16 by County's County Counsel and the County's Auditor-Controller/Treasurer-Tax
17 Collector's Office. Said modifications shall not result in any change to the maximum
18 compensation amount payable to Contractor(s), as stated herein.

19 14.2 **Rate Modification.** In addition, changes to service rates on each individual
20 Contractor's Exhibit D subpart that do not exceed 5% of the approved rate, or that are needed
21 to accommodate state-mandated rate increases, may be made with the written approval of the
22 DBH Director, or designee. These rate changes may not add or alter any other terms or
23 conditions of the Agreement. Said modifications shall not result in any change to the annual
24 maximum compensation amount payable to Contractor(s), as stated herein.

25 14.3 **Separate Agreement.** It is mutually understood by the parties that this Agreement
26 does not, in any way, create a joint venture among Contractors. By execution of this Agreement,
27 Contractors understand that a separate Agreement is formed between each individual
28 Contractor and County.

1 14.4 **Addition/Deletion of Providers.** The County reserves the right at any time during
2 the term of this Agreement to add Contractors to and remove Contractors from the list contained
3 on Exhibit A. It is understood that any such additions and removals will not affect compensation
4 paid to the other Contractors, and therefore such additions and removals may be made by
5 County without notice or approval of other Contractor(s) under this Agreement. The County's
6 DBH Director, or designee, may remove a Contractor from the Agreement where there is mutual
7 written consent between the DBH Director and Contractor.

8 14.5 **Non-Assignment.** Neither party may assign its rights or delegate its obligations
9 under this Agreement without the prior written consent of the other party.

10 14.6 **Governing Law.** The laws of the State of California govern all matters arising from
11 or related to this Agreement.

12 14.7 **Jurisdiction and Venue.** This Agreement is signed and performed in Fresno
13 County, California. Contractor(s) consents to California jurisdiction for actions arising from or
14 related to this Agreement, and, subject to the Government Claims Act, all such actions must be
15 brought and maintained in Fresno County.

16 14.8 **Construction.** The final form of this Agreement is the result of the parties' combined
17 efforts. If anything in this Agreement is found by a court of competent jurisdiction to be
18 ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement
19 against either party.

20 14.9 **Days.** Unless otherwise specified, "days" means calendar days.

21 14.10 **Headings.** The headings and section titles in this Agreement are for convenience
22 only and are not part of this Agreement.

23 14.11 **Severability.** If anything in this Agreement is found by a court of competent
24 jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in
25 effect, and the parties shall make best efforts to replace the unlawful or unenforceable part of
26 this Agreement with lawful and enforceable terms intended to accomplish the parties' original
27 intent.
28

1 14.12 **Nondiscrimination.** During the performance of this Agreement, Contractor(s) shall
2 not unlawfully discriminate against any employee or applicant for employment, or recipient of
3 services, because of race, religious creed, color, national origin, ancestry, physical disability,
4 mental disability, medical condition, genetic information, marital status, sex, gender, gender
5 identity, gender expression, age, sexual orientation, military status or veteran status pursuant to
6 all applicable State of California and federal statutes and regulation.

7 Contractor(s) shall take affirmative action to ensure that services to intended Medi-Cal
8 beneficiaries are provided without use of any policy or practice that has the effect of
9 discriminating on the basis of race, color, religion, ancestry, marital status, national origin,
10 ethnic group identification, sex, sexual orientation, gender, gender identity, age, medical
11 condition, genetic information, health status or need for health care services, or mental or
12 physical disability.

13 14.13 **No Waiver.** Payment, waiver, or discharge by the County of any liability or obligation
14 of Contractor(s) under this Agreement on any one or more occasions is not a waiver of
15 performance of any continuing or other obligation of Contractor(s) and does not prohibit
16 enforcement by the County of any obligation on any other occasion.

17 14.14 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement
18 between Contractor(s) and the County with respect to the subject matter of this Agreement, and
19 it supersedes all previous negotiations, proposals, commitments, writings, advertisements,
20 publications, and understandings of any nature unless those things are expressly included in
21 this Agreement. If there is any inconsistency between the terms of this Agreement without its
22 exhibits and the terms of the exhibits, then the inconsistency will be resolved by giving
23 precedence first to the terms of this Agreement without its exhibits, and then to the terms of the
24 exhibits.

25 14.15 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to
26 create any rights or obligations for any person or entity except for the parties.

FRESNO COUNTY BEHAVIORAL HEALTH PLAN

Grievances

Fresno County Behavioral Health Plan (BHP) provides beneficiaries with a grievance and appeal process and an expedited appeal process to resolve grievances and disputes at the earliest and the lowest possible level.

Title 9 of the California Code of Regulations requires that the MHP and its fee-for-service providers give verbal and written information to Medi-Cal beneficiaries regarding the following:

- How to access specialty mental health services
- How to file a grievance about services
- How to file for a State Fair Hearing

The MHP has developed a Consumer Guide, a beneficiary rights poster, a grievance form, an appeal form, and Request for Change of Provider Form. All of these beneficiary materials must be posted in prominent locations where Medi-Cal beneficiaries receive outpatient specialty mental health services, including the waiting rooms of providers' offices of service.

Please note that all fee-for-service providers and contract agencies are required to give the individuals served copies of all current beneficiary information annually at the time their treatment plans are updated and at intake.

Beneficiaries have the right to use the grievance and/or appeal process without any penalty, change in mental health services, or any form of retaliation. All Medi-Cal beneficiaries can file an appeal or state hearing.

Grievances and appeals forms and self addressed envelopes must be available for beneficiaries to pick up at all provider sites without having to make a verbal or written request. Forms can be sent to the following address:

Fresno County Behavioral Health Plan
P.O. Box 45003
Fresno, CA 93718-9886
(800) 654-3937 (for more information)
(559) 488-3055 (TTY)

Provider Problem Resolution and Appeals Process

The MHP uses a simple, informal procedure in identifying and resolving provider concerns and problems regarding payment authorization issues, other complaints and concerns.

Informal provider problem resolution process – the provider may first speak to a Provider Relations Specialist (PRS) regarding his or her complaint or concern.

The PRS will attempt to settle the complaint or concern with the provider. If the attempt is unsuccessful and the provider chooses to forego the informal grievance process, the provider will be advised to file a written complaint to the MHP address (listed above).

Formal provider appeal process – the provider has the right to access the provider appeal process at any time before, during, or after the provider problem resolution process has begun, when the complaint concerns a denied or modified request for MHP payment authorization, or the process or payment of a provider's claim to the MHP.

Payment authorization issues – the provider may appeal a denied or modified request for payment authorization or a dispute with the MHP regarding the processing or payment of a provider's claim to the MHP. The written appeal must be submitted to the MHP within 90 calendar days of the date of the receipt of the non-approval of payment.

The MHP shall have 60 calendar days from its receipt of the appeal to inform the provider in writing of the decision, including a statement of the reasons for the decision that addresses each issue raised by the provider, and any action required by the provider to implement the decision.

If the appeal concerns a denial or modification of payment authorization request, the MHP utilizes a Managed Care staff who was not involved in the initial denial or modification decision to determine the appeal decision.

If the Managed Care staff reverses the appealed decision, the provider will be asked to submit a revised request for payment within 30 calendar days of receipt of the decision

Other complaints – if there are other issues or complaints, which are not related to payment authorization issues, providers are encouraged to send a letter of complaint to the MHP. The provider will receive a written response from the MHP within 60 calendar days of receipt of the complaint. The decision rendered by the MHP is final.

National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care

The National CLAS Standards are intended to advance health equity, improve quality, and help eliminate health care disparities by establishing a blueprint for health and health care organizations to:

Principal Standard:

1. Provide effective, equitable, understandable, and respectful quality care and services that are responsive to diverse cultural health beliefs and practices, preferred languages, health literacy, and other communication needs.

Governance, Leadership, and Workforce:

2. Advance and sustain organizational governance and leadership that promotes CLAS and health equity through policy, practices, and allocated resources.
3. Recruit, promote, and support a culturally and linguistically diverse governance, leadership, and workforce that are responsive to the population in the service area.
4. Educate and train governance, leadership, and workforce in culturally and linguistically appropriate policies and practices on an ongoing basis.

Communication and Language Assistance:

5. Offer language assistance to individuals who have limited English proficiency and/or other communication needs, at no cost to them, to facilitate timely access to all health care and services.
6. Inform all individuals of the availability of language assistance services clearly and in their preferred language, verbally and in writing.
7. Ensure the competence of individuals providing language assistance, recognizing that the use of untrained individuals and/or minors as interpreters should be avoided.
8. Provide easy-to-understand print and multimedia materials and signage in the languages commonly used by the populations in the service area.

Engagement, Continuous Improvement, and Accountability:

9. Establish culturally and linguistically appropriate goals, policies, and management accountability, and infuse them throughout the organization's planning and operations.
10. Conduct ongoing assessments of the organization's CLAS-related activities and integrate CLAS-related measures into measurement and continuous quality improvement activities.
11. Collect and maintain accurate and reliable demographic data to monitor and evaluate the impact of CLAS on health equity and outcomes and to inform service delivery.
12. Conduct regular assessments of community health assets and needs and use the results to plan and implement services that respond to the cultural and linguistic diversity of populations in the service area.
13. Partner with the community to design, implement, and evaluate policies, practices, and services to ensure cultural and linguistic appropriateness.
14. Create conflict and grievance resolution processes that are culturally and linguistically appropriate to identify, prevent, and resolve conflicts or complaints.
15. Communicate the organization's progress in implementing and sustaining CLAS to all stakeholders, constituents, and the general public.

The Case for the Enhanced National CLAS Standards

Of all the forms of inequality, injustice in health care is the most shocking and inhumane.

— Dr. Martin Luther King, Jr.

Health equity is the attainment of the highest level of health for all people (U.S. Department of Health and Human Services [HHS] Office of Minority Health, 2011). Currently, individuals across the United States from various cultural backgrounds are unable to attain their highest level of health for several reasons, including the social determinants of health, or those conditions in which individuals are born, grow, live, work, and age (World Health Organization, 2012), such as socioeconomic status, education level, and the availability of health services (HHS Office of Disease Prevention and Health Promotion, 2010). Though health inequities are directly related to the existence of historical and current discrimination and social injustice, one of the most modifiable factors is the lack of culturally and linguistically appropriate services, broadly defined as care and services that are respectful of and responsive to the cultural and linguistic needs of all individuals.

Health inequities result in disparities that directly affect the quality of life for all individuals. Health disparities adversely affect neighborhoods, communities, and the broader society, thus making the issue not only an individual concern but also a public health concern. In the United States, it has been estimated that the combined cost of health disparities and subsequent deaths due to inadequate and/or inequitable care is \$1.24 trillion (LaVeist, Gaskin, & Richard, 2009). Culturally and linguistically appropriate services are increasingly recognized as effective in improving the quality of care and services (Beach et al., 2004; Goode, Dunne, & Bronheim, 2006). By providing a structure to implement culturally and linguistically appropriate services, the enhanced National CLAS Standards will improve an organization's ability to address health care disparities.

The enhanced National CLAS Standards align with the HHS Action Plan to Reduce Racial and Ethnic Health Disparities (HHS, 2011) and the National Stakeholder Strategy for Achieving Health Equity (HHS National Partnership for Action to End Health Disparities, 2011), which aim to promote health equity through providing clear plans and strategies to guide collaborative efforts that address racial and ethnic health disparities across the country. Similar to these initiatives, the enhanced National CLAS Standards are intended to advance health equity, improve quality, and help eliminate health care disparities by providing a blueprint for individuals and health and health care organizations to implement culturally and linguistically appropriate services. Adoption of these Standards will help advance better health and health care in the United States.

If County's DBH does not provide notice of incorrect or otherwise improper invoices and causes delay in the reimbursement process, Contractor(s) will follow the escalation process through the County's DBH Finance Division's Invoice Review Team, up to the DBH Finance Division Manager, and including the County's DBH Director and/or designee for the timely reimbursement of payment to Contractor(s).

The County reserves the right to enter into a repayment agreement with Contractor(s), with the term of the repayment agreement not to exceed twelve (12) months from the date of the repayment agreement, to recover the amount of funds to be recouped. The County has the discretion to extend the term of repayment plan up to a total of twenty-four (24) months from the date of the repayment Agreement. The repayment agreement may be made with the signed written approval of County's DBH Director, or designee, and respective Contractor(s) through a repayment Agreement. The monthly repayment amounts may be netted against Contractor(s)'s monthly billing for services rendered during the month, or the County may, in its sole discretion, forego a repayment agreement and recoup all funds immediately. This remedy is not exclusive,

and County may seek recoupment from any other means, including, but not limited to, a separate agreement with Contractor(s).

1. Reasons for Recoupment.

County will conduct periodic audits of Contractor(s) files to ensure appropriate high quality service provision and compliance with applicable federal, state and county or other funding source regulations.

Such audits may result in requirements for Contractor(s) to reimburse County for services previously paid in the following circumstances:

- (A) Identification of Fraud, Waste or Abuse as defined in federal regulation
 - (1) Fraud and abuse are defined in C.F.R. Title 42, § 455.2 and W&I Code, section 14107.11, subdivision (d).
 - (2) Definitions for "fraud," "waste," and "abuse" can also be found in the Medicare Managed Care Manual available at <https://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals>
- (B) Overpayment of Contractor(s) by County due to errors in documentation.

Contractor(s) shall reimburse County for all overpayments identified by Contractor(s), County, and/or state or federal oversight agencies as an audit exception within the timeframes required by law or County or state or federal agency. Funds owed to County will be due within forty-five (45) days of notification by County, or County shall withhold future payments until all excess funds have been recouped by means of an offset against any payments then or thereafter owing to County under this or any other Agreement between the County and Contractor(s).

2. Confidentiality in Audit/Review Process.

Contractor(s) and County mutually agree to maintain the confidentiality of Contractor(s)'s records and information of persons served, in compliance with all applicable State and Federal statutes and regulations, including but not limited to HIPAA and California Welfare and Institutions Code, Section 5328. Contractor(s) shall inform all of its officers, employees, and agents of the confidentiality provisions of all applicable statutes.

Contractor(s)'s fiscal records shall contain sufficient data to enable auditors to perform a complete audit and shall be maintained in conformance with standard procedures and accounting principles.

Contractor(s)'s records shall be maintained as required by DBH and DHCS on forms furnished by DHCS or the County. All statistical data or information requested by the County's DBH Director, or designee shall be provided by Contractor(s) in a complete and timely manner.

3. Cooperation with Audits/Reviews.

Contractor(s) shall cooperate with County in any review and/or audit initiated by County, DHCS, or any other applicable regulatory body. This cooperation may include such activities as onsite program, fiscal, or chart reviews and/or audits.

In addition, Contractor(s) shall comply with all requests for any documentation or files including, but not limited to, files for persons served and personnel files.

Contractor(s) shall notify the County of any scheduled or unscheduled external evaluation or site visits when it becomes aware of such visit. County shall reserve the right to attend any or all parts of external review processes.

Contractor(s) shall allow inspection, evaluation and audit of its records, documents and facilities for ten (10) years from the term end date of this Agreement or in the event Contractor(s) has been notified that an audit or investigation of this Agreement has been commenced, until such time as the matter under audit or investigation has been resolved, including the exhaustion of all legal remedies, whichever is later pursuant to 42 C.F.R. §§ 438.3(h) and 438.230I(3)(i-iii).

4. Single Audit Clause

If Contractor(s) expends Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) or more in Federal and Federal flow-through monies, Contractor(s) agrees to conduct an annual audit in accordance with the requirements of the Single Audit Standards as set forth in Office of Management and Budget (OMB) 2 CFR 200. Contractor shall submit said audit and management letter to County. The audit must include a statement of findings or a statement that there were no findings. If there were negative findings, Contractor(s) must include a corrective action plan signed by an authorized individual. Contractor(s) agrees to take action to correct any material non-compliance or weakness found as a result of such audit. Such audit shall be delivered to County's DBH Finance Division for review within nine (9) months of the end of any fiscal year in which funds were expended and/or received for the program. Failure to perform the requisite audit functions as required by this Agreement may result in County performing the necessary audit tasks, or at County's option, contracting with a public accountant to perform said audit, or may result in the inability of County to enter into future agreements with Contractor(s). All audit costs related to this Agreement are the sole responsibility of Contractor(s).

A single audit report is not applicable if Contractor(s)'s Federal contracts do not exceed the Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) requirement or Contractor(s)'s only funding is through Drug-related Medi-Cal. If a single audit is not applicable, a program audit must be performed and a program audit report with management letter shall be submitted by Contractor(s) to County as a minimum requirement to attest to Contractor(s)'s solvency. Said audit report shall be delivered to County's DBH Finance Division for review no later than nine (9) months after the close of the fiscal year in which the funds supplied through this Agreement are expended. Failure to comply with this Act may result in County performing the necessary audit tasks or contracting with a qualified accountant to perform said audit. All audit costs related to this Agreement are the sole responsibility of Contractor(s) who agrees to take corrective action to eliminate any material noncompliance or weakness found as a result of such audit. Audit work performed by County under this paragraph shall be billed to Contractor(s) at County cost, as determined by County's Auditor-Controller/Treasurer-Tax Collector.

Contractor(s) shall make available all records and accounts for inspection by County, the State of California, if applicable, the Controller General of the United States, the Federal Grantor Agency, or any of their duly authorized representatives, at all reasonable times for a period of at least three (3) years following final payment under this Agreement or the closure of all other pending matters, whichever is later.

5. Financial Audit Report Requirements for Pass-Through Entities

If County determines that Contractor(s) is a “subrecipient” (also known as a “pass-through entity”) as defined in 2 C.F.R. § 200 et seq., Contractor(s) represents that it will comply with the applicable cost principles and administrative requirements including claims for payment or reimbursement by County as set forth in 2 C.F.R. § 200 et seq., as may be amended from time to time. Contractor(s) shall observe and comply with all applicable financial audit report requirements and standards.

Financial audit reports must contain a separate schedule that identifies all funds included in the audit that are received from or passed through the County. County programs must be identified by Agreement number, Agreement amount, Agreement period, and the amount expended during the fiscal year by funding source.

Contractor(s) will provide a financial audit report including all attachments to the report and the management letter and corresponding response within six months of the end of the audit year to the County’s DBH Director or designee. The County’s Director or designee is responsible for providing the audit report to the County Auditor.

Item II - Self-explanatory

Item III - List the names of all individuals and organizations having direct or indirect ownership interests, or controlling interest separately or in combination amounting to an ownership interest of 5 percent or more in the disclosing entity.

Direct ownership interest - is defined as the possession of stock, equity in capital or any interest in the profits of the disclosing entity. A disclosing entity is defined as a Medicare provider or supplier, or other entity that furnishes services or arranges for furnishing services under Medicaid or the Maternal and Child Health program, or health related services under the social services program.

Indirect ownership interest - is defined as ownership interest in an entity that has direct or hospital-based home health agencies, are not indirect ownership interest in the disclosing entity. The amount of indirect ownership in the disclosing entity that is held by any other entity is determined by multiplying the percentage of ownership interest at each level. An indirect ownership interest must be reported if it equates to an ownership interest of 5 percent or more in the disclosing entity. Example: if A owns 10 percent of the stock in a corporation that owns 80 percent of the stock of the disclosing entity, A's interest equates to an 8 percent indirect ownership and must be reported.

Controlling interest - is defined as the operational direction or management of disclosing entity which may be maintained by any or all of the following devices: the ability or authority, expressed or reserved, to amend or change the corporate identity (i.e., joint venture agreement, unincorporated business status) of the disclosing entity; the ability or authority to nominate or name members of the Board of Directors or Trustees of the disclosing entity; the ability or authority, expressed or reserved, to amend or change the by-laws, constitution, or other operating or management direction of the disclosing entity; the right to control any or all of the assets or other property of the disclosing entity upon the sale or dissolution of that entity; the ability or authority, expressed or reserved, to control the sale of any or all of the assets, to encumber such assets by way of mortgage or other indebtedness, to dissolve the entity or to arrange for the sale or transfer of the disclosing entity to new ownership or control.

Item IV-VII - (Changes in Provider Status) For Items IV-VII, if the yes box is checked, list additional information requested under Remarks. Clearly identify which item is being continued.

Change in provider status - is defined as any change in management control. Examples of such changes would include; a change in Medical or Nursing Director, a new Administrator, contracting the operation of the facility to a management corporation, a change in the composition of the owning partnership which under applicable State law is not considered a change in ownership, or the hiring or dismissing of any employees with 5 percent or more financial interest in the facility or in an owning corporation, or any change of ownership.

Item IV - (A & B) If there has been a change in ownership within the last year or if you anticipate a change, indicate the date in the appropriate space.
