Fresno, CA 93721

Dear Members of the Fresno County Board of Supervisors,

I am writing on behalf of the Coalinga-Huron Recreation and Park District in regard to the request from the Freewater County Water District to move their elections from odd-numbered years to even-numbered years.

After reviewing the letter, we would like to formally express that the Coalinga-Huron Recreation and Park District has no issues with this request. We are supportive of this change and are fully in favor of it moving forward. We believe this adjustment will help streamline the election process, reduce confusion, and provide greater voter engagement by aligning with other local and state elections.

We appreciate your consideration of this request and are confident that the change, if approved, will benefit both the Freewater County Water District and the greater community. Should you require any further information or have any questions, please feel free to contact us.

Thank you for your time and attention to this matter.

Sincerely,

Mallory Griffith-Wells
General Manager
Coalinga-Huron Recreation and Park District
