1 10.3 **Public Records.** The County is not limited in any manner with respect to its public
2 disclosure of this Agreement or any record or data that the Contractor may provide to the
3 County. The County's public disclosure of this Agreement or any record or data that the

6 governmental agency, disclose this Agreement to the public or such governmental
7 agency.

8 (B) The County may voluntarily, or upon request by any member of the public or

10 data that the Contractor may provide to the County, unless such disclosure is prohibited
11 by court order.

12 (C) This Agreement, and any record or data that the Contractor may provide to the
13 County, is subject to public disclosure under the Ralph M. Brown Act (California
14 Government Code, Title 5, Division 2, Part 1, Chapter 9, beginning with section 54950).

15 (D) This Agreement, and any record or data that the Contractor may provide to the
16 County, is subject to public disclosure as a public record under the California Public

28 under the CPRA to publicly disclose any record that is in the Contractor's possession or control,

4 or control of the Contractor. Within five (5) business days after the County's demand, the
5 Contractor shall (a) deliver to the County all of the requested records that are in the Contractor's
6 possession or control, together with a written statement that the Contractor, after conducting a
7 diligent search, has produced all requested records that are in the Contractor's possession or
8 control, or (b) provide to the County a written statement that the Contractor, after conducting a
9 diligent search, does not possess or control any of the requested records. The Contractor shall
10 cooperate with the County with respect to any County demand for such records. If the
11 Contractor wishes to assert that any specific record or data is exempt from disclosure under the
12 CPRA or other applicable law, it must deliver the record or data to the County and assert the
13 exemption by citation to specific legal authority within the written statement that it provides to
14 the County under this section. The Contractor's assertion of any exemption from disclosure is
15 not binding on the County, but the County will give at least ten (10) days' advance written notice
16 to the Contractor before disclosing any record subject to the Contractor's assertion of exemption
17 from disclosure. The Contractor shall indemnify the County for any court-ordered award of costs
18 or attorney's fees under the CPRA that results from the Contractor's delay, claim of exemption,
19 failure to produce any such records, or failure to cooperate with the County with respect to any
20 County demand for any such records.

21 **Article 11**

22 **Data Security**

23 11.1 The Contractor shall be responsible for the privacy and security safeguards, as
24 identified in Exhibit E to this agreement, titled "Data Security." To the extent required to carry out
25 the assessment and authorization process and continuous monitoring, to safeguard against
26 threats and hazards to the security, integrity, and confidentiality of any County data collected
27 and stored by the Contractor, the Contractor shall afford the County access as necessary at the
28 Contractor's reasonable discretion, to the Contractor's facilities, installations, and technical

1 capabilities. If new or unanticipated threats or hazards are discovered by either the County or

5 by both parties. The Contractor acknowledges that County employees have no authority to
6 modify this Agreement except as expressly provided in this Agreement.

7 (A) Notwithstanding the above, non-material changes to services, staffing, and
8 responsibilities of the Contractor, as needed, to accommodate changes in the laws
9 relating to service requirements, may be made with the signed written approval of
10 County's DBH Director, or designee, and Contractor through an amendment approved
11 by County's County Counsel and the County's Auditor-Controller/Treasurer-Tax
12 Collector's Office. Said modifications shall not result in any change to the maximum
13 compensation amount payable to Contractor, as stated herein.

14 15.2 **Non-Assignment.** Neither party may assign its rights or delegate its obligations
15 under this Agreement without the prior written consent of the other party.

16 15.3 **Governing Law.** The laws of the State of California govern all matters arising from
17 or related to this Agreement.

18 15.4 **Jurisdiction and Venue.** This Agreement is signed and performed in Fresno
19 County, California. Contractor consents to California jurisdiction for actions arising from or

22 15.5 **Construction.** The final form of this Agreement is the result of the parties' combined
23 efforts. If anything in this Agreement is found by a court of competent jurisdiction to be
24 ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement
25 against either party.

26 15.6 **Days.** Unless otherwise specified, "days" means calendar days.

14 basis of race, color, religion, ancestry, marital status, national origin, ethnic group identification,
15 sex, sexual orientation, gender, gender identity, age, medical condition, genetic information,
16 health status or need for health care services, or mental or physical disability.

17 15.10 **No Waiver.** Payment, waiver, or discharge by the County of any liability or obligation

19 performance of any continuing or other obligation of the Contractor and does not prohibit
20 enforcement by the County of any obligation on any other occasion.

21 15.11 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement
22 between the Contractor and the County with respect to the subject matter of this Agreement,
23 and it supersedes all previous negotiations, proposals, commitments, writings, advertisements,
24 publications, and understandings of any nature unless those things are expressly included in
25 this Agreement. If there is any inconsistency between the terms of this Agreement without its
26 exhibits and the terms of the exhibits, then the inconsistency will be resolved by giving
27 precedence first to the terms of this Agreement without its exhibits, and then to the terms of the
28 exhibits.

1 15.12 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to
2 create any rights or obligations for any person or entity except for the parties.

3 15.13 **Authorized Signature.** The Contractor represents and warrants to the County that:

4 (A) The Contractor is duly authorized and empowered to sign and perform its
5 obligations under this Agreement.

6 (B) The individual signing this Agreement on behalf of the Contractor is duly
7 authorized to do so and his or her signature on this Agreement legally binds the
8 Contractor to the terms of this Agreement.

12 signing this Agreement to represent their signature, including but not limited to (1) a
13 digital signature; (2) a faxed version of an original handwritten signature; or (3) an
14 electronically scanned and transmitted (for example by PDF document) version of an
15 original handwritten signature.

16 (B) Each electronic signature affixed or attached to this Agreement (1) is deemed
17 equivalent to a valid original handwritten signature of the person signing this Agreement
18 for all purposes, including but not limited to evidentiary proof in any administrative or
19 judicial proceeding, and (2) has the same force and effect as the valid original
20 handwritten signature of that person.

21 (C) The provisions of this section satisfy the requirements of Civil Code section
22 1633.5, subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3,
23 Part 2, Title 2.5, beginning with section 1633.1).

24 (D) Each party using a digital signature represents that it has undertaken and
25 satisfied the requirements of Government Code section 16.5, subdivision (a),
26 paragraphs (1) through (5), and agrees that each other party may rely upon that
27 representation.

2 under it by electronic means and either party may sign this Agreement with an original

CONTRACTOR AND COUNTY RESPONSIBILITIES

Responsibilities of the Contractor:

1. **Consideration of Circumstances.** The parties understand and agree NPLH-eligible households are disabled households who may be entitled to reasonable accommodations in the eligibility review and admission process. Contractor shall establish and implement a procedure to respond to circumstances that may result in denial of an applicant and requests for reasonable accommodation by all applicants. Such procedures shall provide for the following:
 - a. Contractor to consider all relevant circumstances when deciding whether to deny admission based on an individual's past history except in the situations for which denial of admission is mandated, such as being a registered sex offender or being convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing.
 - b. In deciding whether or not to deny admission or assistance because of an action or failure to act by an individual, Contractor has discretion to consider all relevant circumstances in each case, including seriousness of the case. Contractor will use its discretion in reviewing the extent of participation or culpability of an individual, mitigating circumstances related to the disability of an individual, and the passage of time since the individual's actions or failure to act. When the ground for denial of admission or assistance is related to criminal activity, such as factors as disclosure of the criminal act, completion of rehabilitative treatment for drug-related offenses, and type and longevity since the conviction will be considered.
 - c. In determining whether to deny admission for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, Contractor will consider whether an individual is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been successfully rehabilitated. Contractor may require the individual to submit evidence of the household member's current participation, or successful completion of a supervised drug or alcohol rehabilitation program.
 - d. If denial is based upon behavior resulting from a disability, Contractor will delay the denial in order to determine if there is a reasonable accommodation which would negate the behavior resulting from the disability.

- e. Contractor shall provide a notice to all applicants that disabled applicants may be entitled to a reasonable accommodation in the tenant selection and admission process.
 - f. If Contractor intends to deny a requested accommodation because it is deemed unreasonable, Contractor shall make efforts to determine if there is an alternative reasonable accommodation that would effectively address the applicant's disability related needs.
 - g. Contractor shall not be obligated to admit an NPLH-Eligible applicant who requires supportive services as a reasonable accommodation to meet the terms of the tenancy if such applicant does not have access to supportive services or cannot otherwise obtain such supportive services.
 - h. Nothing herein shall require the Contractor to keep units vacant for a period of longer than thirty (30) days in order to determine if there are reasonable accommodations that can be offered to the applicant to allow the applicant to meet the terms and conditions of tenancy.
 - i. The Parties hereto expressly agree that Contractor has no role or responsibility in the provision of supportive services, the manner and method of the provision of such supportive services, the determination of the appropriate level of supportive services, or any decision regarding such supportive services.
- 2. DBH Unit Designation.** Contractor shall make available twelve (12) units for certified NPLH-eligible tenants. Upon referral from the Coordinated Entry System (CES) and meeting Contractor's income verification and background check, Contractor shall select NPLH-eligible tenants for occupancy of said units.
- 3. Move-In Process.** Contractor shall establish reasonable move-in procedures and provide copies of such procedures to County at least thirty (30) days prior to rent-up (defined as 30 days prior to renting to the rental applicant). In the event Contractor modifies Contractor's move-in procedures, Contractor shall provide County copies of such modified move-in procedures at least thirty (30) days prior to implementing such procedures. Contractor shall notify County ten (10) days prior to the day and time of move-in. Contractor shall provide an orientation of the requirements of the Lease and the House Rules to new tenants to establish property management expectations in areas such as expectations of tenancy, County's contact information to learn about the availability of supportive services, use of common areas (e.g. recreation areas, meeting

room facilities, etc.), rent collection, maintenance requests, etc. Contractor shall provide County with current copies of the Lease and House Rules.

- 4. Property Management.** Contractor shall manage and monitor the Development, including developing and implementing policies and procedures for tenants to submit requests for repairs, rent collections, and maintaining the condition of the property.
- a. Contractor shall carry out rent collection and administration.
 - b. Contractor shall prepare operating budgets and cost estimates for the Development, excluding budgets related to the provision of supportive services.
 - c. Contractor shall maintain the waitlist, including adding new eligible and NPLH certified applicants referred by CES. It shall be the responsibility of Contractor to ensure an adequate number of potential NPLH-eligible applicants remain on the site-based waitlist. Contractor shall notify County and eligible applicants from the waitlist of vacancies in the NPLH units.
 - d. Contractor shall develop and maintain a clear separation of responsibilities and duties between the onsite property manager and the supportive services provider staff.
 - e. Contractor shall provide County with a description of Contractor duties and responsibilities.
 - f. Contractor shall establish policies and procedures agreed upon by County for resolving conflicts between property management and supportive services provider staff when they cannot agree on a course of action.
 - g. Contractor shall develop and maintain a log identifying tenants' assigned clinicians/case managers and contact information.
 - h. Contractor shall provide property maintenance, including having the capacity to respond to tenants' requests for service within twenty-four (24) to seventy-two (72) hours, contingent upon the nature of the request. This shall also include providing facility and maintenance support to areas utilized for any onsite service provision that is equivalent to the level of maintenance provided to tenants. Contractor shall provide County staff with written policies and procedures for maintenance requests, including any forms that must be completed to request maintenance work.
 - i. Contractor shall ensure that staff working in the Development, including office staff, are introduced to the supportive services staff and are aware of the roles and responsibilities of the supportive services provider staff.

- j. Contractor shall establish policies and procedures that ensure tenant's access to Contractor for routine business, during normal operating hours, and any time for emergencies.
 - k. Contractor shall provide the County access to Contractor representative twenty-four (24) hours per day for emergencies.
 - l. Contractor shall develop plans for the establishment of a tenant advisory council or other structures to solicit tenant input regarding house policies and rules.
 - m. Coordinate invoicing with County, or its designated contracted provider, as necessary, to facilitate the referral, payment, and reimbursement of "Housing Deposits", "Transitional Rent", and any other CalAIM benefit, for the benefit of the person served.
- 5. Lease Violation Interventions/Eviction Prevention.**
- a. Contractor shall establish policies to refer tenants to County so that they may obtain supportive services with the goal of retaining their housing in times of crisis.

FRESNO COUNTY BEHAVIORAL HEALTH PLAN RIGHTS OF PERSONS SERVED

I. Grievances

Fresno County Behavioral Health Plan (BHP) provides beneficiaries with a grievance and appeal process and an expedited appeal process to resolve grievances and disputes at the earliest and the lowest possible level.

Title 9 of the California Code of Regulations requires that the BHP and its fee-for-service providers give verbal and written information to Medi-Cal beneficiaries regarding the following:

- How to access specialty mental health services
- How to file a grievance about services
- How to file for a State Fair Hearing

The BHP has developed a Consumer Guide, a beneficiary rights poster, a grievance form, an appeal form, and Request for Change of Provider Form. All of these beneficiary materials must be posted in prominent locations where Medi-Cal beneficiaries receive outpatient specialty mental health services, including the waiting rooms of providers' offices of service.

Please note that all fee-for-service providers and contract agencies are required to give the individuals served copies of all current beneficiary information annually at the time their treatment plans are updated and at intake.

Beneficiaries have the right to use the grievance and/or appeal process without any penalty, change in mental health services, or any form of retaliation. All Medi-Cal beneficiaries can file an appeal or state hearing.

Grievances and appeals forms and self-addressed envelopes must be available for beneficiaries to pick up at all provider sites without having to make a verbal or written request. Forms can be sent to the following address:

Fresno County Behavioral Health Plan
P.O. Box 45003
Fresno, CA 93718-9886
(800) 654-3937 (for more information)
(559) 488-3055 (TTY)

II. Provider Problem Resolution and Appeals Process

The BHP uses a simple, informal procedure in identifying and resolving provider concerns and problems regarding payment authorization issues, other complaints and concerns.

a. **Informal provider problem resolution process** – the provider may first speak to a Fresno County Department of Behavioral Health (DBH) team member regarding his or her complaint or concern.

The DBH Team Member will attempt to settle the complaint or concern with the provider. If the attempt is unsuccessful and the provider chooses to forego the informal grievance process, the provider will be advised to file a written complaint to the BHP address (listed above).

b. **Formal provider appeal process** – the provider has the right to access the provider appeal process at any time before, during, or after the provider problem resolution process has begun, when the complaint concerns a denied or modified request for BHP payment authorization, or the process or payment of a provider's claim to the BHP.

c. **Payment authorization issues** – the provider may appeal a denied or modified request for payment authorization or a dispute with the BHP regarding the processing or payment of a provider's claim to the BHP. The written appeal must be submitted to the BHP within ninety (90) calendar days of the date of the receipt of the non-approval of payment.

The BHP shall have sixty (60) calendar days from its receipt of the appeal to inform the provider in writing of the decision, including a statement of the reasons for the decision that addresses each issue raised by the provider, and any action required by the provider to implement the decision.

If the appeal concerns a denial or modification of payment authorization request, the BHP utilizes a DBH Team Member who was not involved in the initial denial or modification decision to determine the appeal decision.

If the DBH Team Member reverses the appealed decision, the provider will be asked to submit a revised request for payment within thirty (30) calendar days of receipt of the decision.

d. **Other complaints** – if there are other issues or complaints, which are not related to payment authorization issues, providers are encouraged to send a letter of complaint to the BHP. The provider will receive a written response from the BHP within sixty (60) calendar days of receipt of the complaint. The decision rendered by the BHP is final.

The uses and disclosures of PHI may not be more expansive than those applicable to County, as the “Covered Entity” under the HIPAA Rules, except as authorized for management, administrative or legal responsibilities of Contractor.

II. Contractor, including its subcontractors and employees, shall protect from unauthorized access, use, or disclosure of names and other identifying information, including genetic information, concerning persons receiving services pursuant to this Agreement, except where permitted in order to carry out data aggregation purposes for health care operations [45 CFR §§ 164.504(e)(2)(i), 164.504(e)(2)(ii)(A), and 164.504(e)(4)(i)]. This pertains to any and all persons receiving services pursuant to a County-funded program. This requirement applies to electronic PHI. Contractor shall not use such identifying information or genetic information for any purpose other than carrying out Contractor’s obligations under this Agreement.

III. Contractor, including its subcontractors and employees, shall not disclose any such identifying information or genetic information to any person or entity, except as otherwise specifically permitted by this Agreement, authorized by Subpart E of 45 CFR Part 164 or other law, required by the Secretary of the United States Department of Health and Human Services (“Secretary”), or authorized by the client/patient in writing. In using or disclosing PHI that is permitted by this Agreement or authorized by law, Contractor shall make reasonable efforts to limit PHI to the minimum necessary to accomplish intended purpose of use, disclosure or request.

VI. Contractor shall provide access, at the request of County, and in the time and manner designated by County, to PHI in a designated record set (as defined in 45 CFR § 164.501), to an individual or to County in order to meet the requirements of 45 CFR § 164.524 regarding access by individuals to their PHI. With respect to individual requests, access shall be provided within thirty (30) days from request. Access may be extended if Contractor cannot provide access and provides the individual with the reasons for the delay and the date when access may be granted. PHI shall be provided in the form and format requested by the individual or County.

Contractor shall make any amendment(s) to PHI in a designated record set at the request of County or individual, and in the time and manner designated by County in accordance with 45 CFR § 164.526.

Contractor shall provide to County or to an individual, in a time and manner designated by County, information collected in accordance with 45 CFR § 164.528, to permit County to respond to a request by the individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528.

VII. Contractor shall report to County, in writing, any knowledge or reasonable belief that there has been unauthorized access, viewing, use, disclosure, security incident, or breach of unsecured PHI not permitted by this Agreement of which Contractor becomes aware,

immediately and without reasonable delay and in no case later than two (2) business days of discovery. Immediate notification shall be made to County’s Information Security Officer and Privacy Officer and County’s Department of Public Health (“DPH”) HIPAA Representative, within two (2) business days of discovery. The notification shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been, accessed, acquired, used, disclosed, or breached. Contractor shall take prompt corrective action to cure any deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and State laws and regulations. Contractor shall investigate such breach and is responsible for all notifications required by law and regulation or deemed necessary by County and shall provide a written report of the investigation and reporting required to County’s Information Security Officer and Privacy Officer and County’s DPH HIPAA Representative.

This written investigation and description of any reporting necessary shall be postmarked within the thirty (30) working days of the discovery of the breach to the addresses below:

PHI access to the Secretary must be provided during Contractor’s normal business hours; however, upon exigent circumstances access at any time must be granted. Upon the Secretary’s compliance or investigation review, if PHI is unavailable to Contractor and in possession of a subcontractor of Contractor, Contractor must certify to the Secretary its efforts to obtain the information from the subcontractor.

IX. Safeguards

Contractor shall implement administrative, physical, and technical safeguards as required by the HIPAA Security Rule, Subpart C of 45 CFR Part 164, that reasonably and appropriately protect the confidentiality, integrity, and availability of PHI, including electronic PHI, that it creates, receives, maintains or transmits on behalf of County and to prevent unauthorized access, viewing, use, disclosure, or breach of PHI other than as provided for by this Agreement. Contractor shall conduct an accurate and thorough assessment of the potential risks and vulnerabilities to the confidentiality, integrity and availability of electronic PHI. Contractor shall develop and maintain a written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of Contractor's operations and the nature and scope of its activities. Upon County's request, Contractor shall provide County with information concerning such safeguards.

Contractor shall implement strong access controls and other security safeguards and precautions in order to restrict logical and physical access to confidential, personal (e.g., PHI) or sensitive data to authorized users only. Said safeguards and precautions shall include the following administrative and technical password controls for all systems used to process or store confidential, personal, or sensitive data:

a. Passwords must **not** be:

- i. Shared or written down where they are accessible or recognizable by anyone else; such as taped to computer screens, stored under keyboards, or visible in a work area;
- ii. A dictionary word; or
- iii. Stored in clear text

b. Passwords must be:

- i. Eight (8) characters or more in length;
- ii. Changed every ninety (90) days;
- iii. Changed immediately if revealed or compromised; and
- iv. Composed of characters from at least three (3) of the following four (4) groups from the standard keyboard:

1. Upper case letters (A-Z);
2. Lowercase letters (a-z);
3. Arabic numerals (0 through 9); and
4. Non-alphanumeric characters (punctuation symbols).

Contractor shall implement the following security controls on each workstation or portable computing device (e.g., laptop computer) containing confidential, personal, or sensitive

data:

- a. Network-based firewall and/or personal firewall;
- b. Continuously updated anti-virus software; and
- c. Patch management process including installation of all operating system/software vendor security patches.

Contractor shall utilize a commercial encryption solution that has received FIPS 140-2 validation to encrypt all confidential, personal, or sensitive data stored on portable electronic media (including, but not limited to, compact disks and thumb drives) and on portable computing devices (including, but not limited to, laptop and notebook computers).

Contractor shall not transmit confidential, personal, or sensitive data via e-mail or other internet transport protocol unless the data is encrypted by a solution that has been validated by the National Institute of Standards and Technology (NIST) as conforming to the Advanced Encryption Standard (AES) Algorithm. Contractor must apply appropriate sanctions against its employees who fail to comply with these safeguards. Contractor must adopt procedures for terminating access to PHI when employment of employee ends.

X. Mitigation of Harmful Effects

Contractor shall mitigate, to the extent practicable, any harmful effect that is suspected or known to Contractor of an unauthorized access, viewing, use, disclosure, or breach of PHI by Contractor or its subcontractors in violation of the requirements of these provisions. Contractor must document suspected or known harmful effects and the outcome.

XI. Contractor's Subcontractors

Contractor shall ensure that any of its contractors, including subcontractors, if applicable, to whom Contractor provides PHI received from or created or received by Contractor on behalf of County, agree to the same restrictions, safeguards, and conditions that apply to Contractor with respect to such PHI and to incorporate, when applicable, the relevant provisions of these provisions into each subcontract or sub-award to such agents or subcontractors.

Nothing in this section XI or this exhibit authorizes Contractor to perform services under this Agreement using subcontractors.

XII. Employee Training and Discipline

Contractor shall train and use reasonable measures to ensure compliance with the requirements of these provisions by employees who assist in the performance of functions or activities on behalf of County under this Agreement and use or disclose PHI, and discipline such employees who intentionally violate any provisions of these provisions, which may include termination of employment.

XIII. Termination for Cause

Upon County's knowledge of a material breach of these provisions by Contractor, County will either:

- a. Provide an opportunity for Contractor to cure the breach or end the violation, and County may terminate this Agreement if Contractor does not cure the breach or end the violation within the time specified by County; or
- b. Immediately terminate this Agreement if Contractor has breached a material term of this exhibit and cure is not possible, as determined by County.
- c. If neither cure nor termination is feasible, County's Privacy Officer will report the violation to the Secretary of the U.S. Department of Health and Human Services.

XIV. Judicial or Administrative Proceedings

County may terminate this Agreement if: (1) Contractor is found guilty in a criminal proceeding for a violation of the HIPAA Privacy or Security Laws or the HITECH Act; or (2) there is a finding or stipulation in an administrative or civil proceeding in which Contractor is a party that Contractor has violated a privacy or security standard or requirement of the HITECH Act, HIPAA or other security or privacy laws.

XV. Effect of Termination

Upon termination or expiration of this Agreement for any reason, Contractor shall return or destroy all PHI received from County (or created or received by Contractor on behalf of County) that Contractor still maintains in any form, and shall retain no copies of such PHI. If return or destruction of PHI is not feasible, Contractor shall continue to extend the protections of these provisions to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. This provision applies to PHI that is in the possession of subcontractors or agents, if applicable, of Contractor. If Contractor destroys the PHI data, a certification of date and time of destruction shall be provided to County by Contractor.

XVI. Compliance with Other Laws

To the extent that other state and/or federal laws provide additional, stricter and/or more protective privacy and/or security protections to PHI or other confidential information covered under this BAA, Contractor agrees to comply with the more protective of the privacy and security standards set forth in the applicable state or federal laws to the extent such standards provide a greater degree of protection and security than HIPAA Rules or are otherwise more favorable to the individual.

XVII. Disclaimer

County makes no warranty or representation that compliance by Contractor with these provisions, the HITECH Act, or the HIPAA Rules, will be adequate or satisfactory for Contractor's own purposes or that any information in Contractor's possession or control, or transmitted or received by Contractor, is or will be secure from unauthorized access, viewing, use, disclosure, or breach. Contractor is solely responsible for all decisions made by Contractor regarding the safeguarding of PHI.

XVIII. Amendment

The parties acknowledge that Federal and State laws relating to electronic data security and privacy are rapidly evolving and that amendment of this exhibit may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to amend this agreement in order to implement the standards and requirements of the HIPAA Rules, the HITECH Act and other applicable laws relating to the security or privacy of PHI. County may terminate this Agreement upon thirty (30) days written notice in the event that Contractor does not enter into an amendment providing assurances regarding the safeguarding of PHI that County in its sole discretion, deems sufficient to satisfy the standards and requirements of the HIPAA Rules, and the HITECH Act.

XIX. No Third-Party Beneficiaries

Nothing expressed or implied in the provisions of this exhibit is intended to confer, and nothing in this exhibit does confer, upon any person other than County or Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.

XX. Interpretation

The provisions of this exhibit shall be interpreted as broadly as necessary to implement and comply with the HIPAA Rules, and applicable State laws. The parties agree that any ambiguity in the terms and conditions of these provisions shall be resolved in favor of a meaning that complies and is consistent with the HIPAA Rules.

XXI. Regulatory References

A reference in the terms and conditions of these provisions to a section in the HIPAA Rules means the section as in effect or as amended.

XXII. Survival

The respective rights and obligations of Contractor as stated in this exhibit survive the termination or expiration of this Agreement.

XXIII. No Waiver of Obligation

Change, waiver or discharge by County of any liability or obligation of Contractor under

this exhibit on any one or more occasions is not a waiver of performance of any continuing or other obligation of Contractor and does not prohibit enforcement by County of any obligation on any other occasion.

c. Invoice Review and Withholding

At the discretion of County, if an invoice is found to be incorrect or is otherwise not in proper form or substance, County may withhold payment for only the portion of the invoice deemed incorrect or improper. Prior to withholding payment, County shall provide Contractor with at least five (5) calendar days' written notice. Contractor shall continue providing services for up to ninety (90) calendar days after receiving notice of the invoice issue while resolution efforts are ongoing. If the invoice remains unresolved to County's satisfaction after the ninety (90) day period, County may elect to terminate this Agreement, in accordance with the termination provisions outlined in Article 6.

If County fails to provide notice of an incorrect or improper invoice and this results in delay in reimbursement, Contractor may initiate the escalation process through County's DBH Finance Division's Invoice Review Team. This process may include escalation to the DBH Finance Division Manager and ultimately County's DBH Director or designee to ensure timely reimbursement.

If County withholds any portion of an invoice due to incorrect or improper form or substance, Contractor shall resolve the issue and communicate any delays in resolution to County's DBH Finance Division Manager within ninety (90) calendar days of receiving notice of the withholding. Failure to resolve or communicate within this timeframe may result in the withholding being deemed final and non-payable at the sole discretion of County.

Contractor shall submit all initial invoices for services rendered within a given calendar month no later than sixty (60) calendar days following the end of the month in which services are provided. Invoices submitted after this sixty (60)-day period may be rejected and not processed for payment.

If the initial invoice is submitted within the required timeframe, supplemental or revised invoices may be submitted within one hundred twenty (120) calendar days following the end of the month in which services were provided. Supplemental invoices will not be accepted if the initial invoice is not submitted timely.

All billing related to Other Health Coverage (OHC) must be submitted within one hundred twenty (120) calendar days following the month in which services were provided.

The County shall not process or pay any invoices submitted more than sixty (60) calendar days after the end of the fiscal year in which the services were performed, except for claims related to Other Health Coverage (OHC), which must be submitted within one hundred twenty (120) calendar days following the month in which services were provided.

d. Payment

County shall make payment to Contractor in arrears for services provided during the preceding month, within forty-five (45) calendar days after receipt, verification, and approval of the invoice by County.

Payments shall be made upon certification or other proof satisfactory to County that services have been performed or actual expenditures incurred in accordance with this Agreement. Any compensation not expended by Contractor pursuant to this Agreement shall automatically revert to County.

i. Incidental Expenses

Contractor shall be solely responsible for all costs and expenses not identified as reimbursable by County under this Agreement. Such costs include, but not limited to, administrative overhead, travel, and other incidental expenses.

III. Recoupments and Audits Requirements

a. Recoupment Process

County shall recapture from Contractor the value of any services or expenditures determined to be ineligible based on County or State monitoring results. County may enter into a repayment agreement with Contractor for up to twelve (12) months, with the option to extend to a total of twenty-four (24) months at County discretion. Repayment agreements require written approval by County. County may offset repayment amounts against future invoices or recoup all funds immediately. These remedies are not exclusive, and County may pursue other means of recovery.

Contractor shall be financially liable for all disallowances or audit exceptions identified through State audits, County utilization reviews, or other oversight processes. Disallowed amounts must be remitted within forty-five (45) calendar days or will be withheld from subsequent payments. Contractor shall not receive reimbursement for any services disallowed or denied by County or State review processes.

County will conduct periodic audits to verify clinical documentation, validate costs invoiced under cost reimbursement agreements, and ensure compliance with applicable regulations. Audits may require Contractor to reimburse County for previously paid services under circumstances including, but not limited to Fraud, Waste, or Abuse as defined in federal regulations.

Contractor shall reimburse County for all overpayments identified by any oversight entity within required timeframes. Funds owed must be paid within forty-five (45) calendar days of notification or will be offset against future payments.

Contractor is responsible for ensuring the accuracy of all invoices submitted, including proper documentation. Contractor shall maintain confidentiality of all records in accordance with HIPAA and applicable State and Federal laws.

Contractor shall cooperate fully with County, DHCS, or other regulatory bodies in any audit or review, including providing access to records, documents, and facilities. Contractor shall allow inspection and audit for ten (10) years following the Agreement's end date or until any audit or investigation is resolved, whichever is later, pursuant to 42 C.F.R. §§ 438.3(h) and 438.230(i)(3)(i-iii).

c. Single Audit Clause

If Contractor expends One Million Dollars (\$1,000,000.00) or more in Federal or Federal flow-through funds in any fiscal year, Contractor shall conduct an annual audit in accordance with the Single Audit Standards as set forth in Office of Management and Budget (OMB) 2 CFR 200. The audit report and management letter shall be submitted to County within nine (9) months of the fiscal year end. The audit must include either a statement of findings or a statement that no findings were identified. If findings exist, Contractor shall provide a corrective action plan signed by an authorized representative and take prompt action to address any material non-compliance or weakness.

Failure to perform the required audit may result in County conducting the audit or contracting with a public accountant to perform the audit at Contractor's expense. Audit costs related to this Agreement are the sole responsibility of Contractor.

If Contractor's Federal expenditures do not meet the Single Audit Clause threshold, Contractor shall perform a program audit and submit to County within nine (9) months of the fiscal year end. The program audit must attest to Contractor's financial solvency and compliance with Agreement requirements.

Contractor shall make all records and accounts available for inspection by County, the State, the Controller General of the United States, the Federal Grantor Agency, or their authorized representatives at all reasonable times for a period of at least three (3) years following the final payment under this Agreement or until all pending matters are resolved, whichever is later.

d. Audit Requirements for Pass-Through Entities

If County determines that Contractor is a “subrecipient” or pass-through entity as defined in 2 C.F.R. § 200, Contractor shall comply with all applicable cost principles, administrative requirements, and audit standards, including those governing claims for payment or reimbursement.

Financial audit reports must include a separate schedule identifying all funds received from or passed through the County. This schedule shall specify the Agreement number, Agreement amount, Agreement period, and the amount expended during the fiscal year by funding source.

Contractor will provide a financial audit report including all attachments to the report and the management letter and corresponding response within six months of the end of the audit year to the County’s DBH Director or designee. The County’s Director or designee is responsible for providing the audit report to the County Auditor.

Contractor shall submit the financial audit report, including all attachments, the management letter, and any corresponding response to County within six (6) months of the end of the audit year. The County will forward the report to the County Auditor.

Any required corrective action plan must be submitted to County at the same time as the audit report or as soon thereafter as available. County shall monitor implementation of the corrective action plan as it relates to services provided under this Agreement.

change of address does not conflict with any other provisions of this Agreement.

iii. Ownership, Licensure, or Capacity Changes

Any change in ownership, organizational status, licensure, or Contractor's ability to provide the quantity or quality of the contracted services. Notice shall be provided immediately and no later than fifteen (15) calendar days following the change.

b. Record Maintenance and Retention

iii. Retention Requirements

Contractor shall retain all service and financial records for a minimum of ten (10) years from the date of final payment, the final date of this Agreement, final settlement, or until all audit findings are resolved, whichever is later.

iv. Access and Compliance

Contractor shall provide County access to all records upon request and comply with all applicable local, State, and Federal laws regarding the maintenance and relinquishment of medical records.

Failure to maintain records in accordance with these requirements may result in withholding of payments or termination of this Agreement, as outlined in Article 6.

c. Financial Reports

Contractor shall submit audited financial reports to County on an annual basis. The audit shall:

- i. Standards
Be conducted in accordance with GAAP and generally accepted auditing standards.
- ii. Submission Timeline

Failure to submit required financial reports within the specified timeframe may result in corrective action, including withholding of payment or termination of this Agreement, in accordance with Article 6.

d. Agreement Termination

In the event this Agreement is terminated, reaches its designated term, or Contractor ceases operations, Contractor shall:

- i. Delivery of Records
Provide or make available to County all financial and service records accumulated under this Agreement, whether completed, partially completed, or in progress, within seven (7) calendar days of the termination or end date.
- ii. Final Compensation
Contractor shall be entitled to payment for all invoices satisfactorily provided through and including the effective date of termination, subject to the terms and conditions of this Agreement.

This provision shall not limit or reduce any damages owed to County resulting from Contractor's breach of this Agreement.

Failure to comply with these requirements may result in withholding payment or other remedies available to the County under Article 6.

e. Restrictions and Limitations

This Agreement is subject to all restrictions, limitations, and conditions imposed by County, State, or Federal funding sources that may affect the fiscal provisions or funding for this Agreement. Key provisions include:

i. Funding Contingency

This Agreement is contingent upon sufficient funds being made available by County, State, or Federal sources for the term of this Agreement. If the State or Federal governments reduce financial participation in the Medical program, County shall meet with Contractor to discuss renegotiating the services required.

ii. Fiscal Year Funding

Funding is allocated by fiscal year. Any unspent appropriation for a fiscal year does not roll over and is not available for services provided in subsequent years.

iii. Delayed Payments

In the event funding for these services is delayed by the State Controller, County may defer payments to Contractor. The deferred amount shall not exceed the amount of funding delayed by the State Controller to County. The deferral period shall not exceed the duration of the State Controller's delay plus forty-five (45) calendar days.

f. Financial Compliance and Enforcement

County maintains the right to monitor Contractor's performance under this Agreement to ensure accuracy of claims for reimbursement and compliance with all applicable laws and regulations.

Contractor shall claim and collect all other available revenues, including but not limited to Medicare, private insurance, grants, client rent/fees, and any other third-party funding sources. Contractor shall maintain accurate records of all such revenues collected and report them to County in the format and frequency specified by County. Reports shall be submitted concurrently with monthly invoices or as otherwise directed and must include sufficient detail to support reconciliation and verification of revenue sources.

No federal funds provided under this Agreement shall be used to pay the salary of an individual at a rate exceeding Level 1 of the Executive Schedule, as published by U.S. Office of Personnel Management and amended from time to time amended.

Contractor shall be responsible for any disallowances resulting from inadequate documentation.

Failure by either party to enforce any provision of this Agreement shall not constitute a waiver of that provision or any other provision.

DETAILED INSTRUCTIONS

These instructions are designed to clarify certain questions on the form. Instructions are listed in question order for easy reference. No instructions have been given for questions considered self-explanatory.

IT IS ESSENTIAL THAT ALL APPLICABLE QUESTIONS BE ANSWERED ACCURATELY AND THAT ALL INFORMATION BE CURRENT.

Item I - Under "Identifying Information" specify in what capacity the entity is doing business as (DBA) (e.g. name of trade or corporation).

Item II - Self-explanatory

Item III - List the names of all individuals and organizations having direct or indirect ownership interests, or controlling interest separately or in combination amounting to an ownership interest of 5 percent or more in the disclosing entity.

Direct ownership interest - is defined as the possession of stock, equity in capital or any interest in the profits of the disclosing entity. A disclosing entity is defined as a Medicare provider or supplier, or other entity that furnishes services or arranges for furnishing services under Medicaid or the Maternal and Child Health program, or health related services under the social services program.

Indirect ownership interest - is defined as ownership interest in an entity that has direct or hospital-based home health agencies, are not indirect ownership interest in the disclosing entity. The amount of indirect ownership in the disclosing entity that is held by any other entity is determined by multiplying the percentage of ownership interest at each level. An indirect ownership interest must be reported in the facility now and the previous be reported if it equates to an ownership interest of 5 percent or more in the disclosing entity. Example: if A owns 10 percent of the stock in a corporation that owns 80 percent of the stock of the disclosing entity, A's interest equates to an 8 percent indirect ownership and must be reported.

Controlling interest - is defined as the operational direction or management of disclosing entity which may be maintained by any or all of the following devices: the ability or authority, expressed or reserved, to amend or change the corporate identity (i.e., joint venture agreement, unincorporated business status) of the disclosing entity; the ability or authority to nominate or name members of the Board of Directors or Trustees of the disclosing entity; the ability or authority, expressed or reserved, to amend or change the by-laws, constitution, or other operating or management direction of the disclosing entity; the right to control any or all of the assets or other property of the disclosing entity upon the sale or dissolution of that entity; the ability or authority, expressed or reserved, to control the sale of any or all of the assets, to encumber such assets by way of mortgage or other indebtedness, to dissolve the entity or to arrange for the sale or transfer of the disclosing entity to new ownership or control.

Item IV-VII - (Changes in Provider Status) For Items IV-VII, if the yes box is checked, list additional information requested under Remarks. Clearly identify which item is being continued.

Change in provider status - is defined as any change in management control. Examples of such changes would include; a change in Medical or Nursing Director, a new Administrator, contracting the operation of the facility to a management corporation, a change in the composition of the owning partnership which under applicable State law is not considered a change in ownership, or the hiring or dismissing of any employees with 5 percent or more financial interest in the facility or in an owning corporation, or any change of ownership.

Item IV - (A & B) If there has been a change in ownership within the last year or if you anticipate a change, indicate the date in the appropriate space.

A management company is defined as any organization that operates and manages a business on behalf of the owner of that business, with the owner retaining ultimate legal responsibility for operation of the facility.
