

1 F. The County has identified unexpected funds from prior Agreement periods that could be
2 more effectively used if rolled over to subsequent years, rather than being restricted by the
3 current annual spending cap.

4 G. The County and the Contractor now desire to further amend the Agreement to remove
5 the annual expenditure limit thereby providing greater financial flexibility and ensuring a timely
6 response to service demands.

7 The parties therefore agree as follows:

8 1. Section 5 of the Agreement located at page 4, line 28, and page 5, lines 1 through 9, is
9 deleted in its entirety and replaced with the following:

10 "County agrees to pay Contractor(s) and Contractor(s) agree to receive
11 compensation for labor, travel time, parts, pump rigs, service trucks and
12 equipment utilized for County-authorized work in accordance with the rates
13 identified in the sub-parts Exhibit B, when services are requested by authorized
14 staff from the various Department divisions. The total maximum amount for the
15 services during the three (3) year initial and the two (2) one-year renewal periods
16 shall not exceed Three Million Dollars (\$3,000,000). The total maximum amount
17 for the final year shall not exceed \$700,000. It is understood that all expenses
18 incidental to Contractor's performance of services under this Agreement shall be
19 borne by Contractor."

20 2. When both parties have signed this Amendment No. 4, the Agreement, Amendment No.
21 1, Amendment No. 2, Amendment No. 3, and this Amendment No. 4 together constitute the
22 Agreement.

23 3. This Amendment No. 4 shall be effective retroactively to August 1, 2025.

24 4. The Contractor represents and warrants to the County that:

25 a. The Contractor is duly authorized and empowered to sign and perform its obligations
26 under this Amendment.

1 b. The individual signing this Amendment on behalf of the Contractor is duly authorized
2 to do so and his or her signature on this Amendment legally binds the Contractor to
3 the terms of this Amendment.

4 5. The parties agree that this Amendment may be executed by electronic signature as
5 provided in this section.

6 a. An "electronic signature" means any symbol or process intended by an individual
7 signing this Amendment to represent their signature, including but not limited to (1) a
8 digital signature; (2) a faxed version of an original handwritten signature; or (3) an
9 electronically scanned and transmitted (for example by PDF document) version of an
10 original handwritten signature.

11 b. Each electronic signature affixed or attached to this Amendment (1) is deemed
12 equivalent to a valid original handwritten signature of the person signing this
13 Amendment for all purposes, including but not limited to evidentiary proof in any
14 administrative or judicial proceeding, and (2) has the same force and effect as the
15 valid original handwritten signature of that person.

16 c. The provisions of this section satisfy the requirements of Civil Code section 1633.5,
17 subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3, Part
18 2, Title 2.5, beginning with section 1633.1).

19 d. Each party using a digital signature represents that it has undertaken and satisfied
20 the requirements of Government Code section 16.5, subdivision (a), paragraphs (1)
21 through (5), and agrees that each other party may rely upon that representation.

22 e. This Amendment is not conditioned upon the parties conducting the transactions
23 under it by electronic means and either party may sign this Amendment with an
24 original handwritten signature.

25 6. This Amendment may be signed in counterparts, each of which is an original, and all of
26 which together constitute this Amendment.

1 The parties are signing this Amendment No. 4 on the date stated in the introductory
2 clause.
