13. Effect of Termination

Upon termination or expiration of this Agreement for any reason, Contractor shall return or destroy all PHI received from County (or created or received by Contractor on behalf of County) that Contractor still maintains in any form, and shall retain no copies of such PHI. If return or destruction of PHI is not feasible, it shall continue to extend the protections of these provisions to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. This provision shall apply to PHI that is in the possession of subcontractors or agents, if applicable, of Contractor. If Contractor destroys the PHI data, a certification of date and time of destruction shall be provided to the County by Contractor.

Contractor further acknowledges that County employees have no authority to pay Contractor except as expressly provided in this Agreement.

3. Rates

Rates will be in accordance with Cal. Code Regs. tit. 9 § 1820.110, Cal. Code Regs. tit. 9 § 1810.430 and DHCS requirements. Negotiated Inpatient mental health service rates shall not, whenever possible, exceed DHCS annual published rate for Medi-Cal Psychiatric Inpatient Hospital Services Regional Average Non-Negotiated Rates, excluding professional (Physician and Psychiatrist) fees. Negotiated service rates that are greater than the published rate must be clearly validated and, at the discretion of County, approved prior to implementation.

A. Rate Structure:

1. UMDAP or Medi-Cal Persons Served ages 21-64: Only for persons subject to the Institution of Mental Disease (IMD) Exclusion or for those persons with UMDAP eligibility or retroactive eligibility for the period of hospitalization and where County received notification within twenty-four (24) hours of admission specifically referred by County to Contractor, and for which there shall first have been a submission of claims in accordance with this Agreement and for each approved day as determined by utilization review performed by County, Contractor shall be paid by County at the all-inclusive rate as identified in Exhibit C – Attachment A per person served per day for Acute Psychiatric Inpatient Hospital Services, excluding Physician and Psychiatrist fees, based on the following accommodation codes:

Said rate adjustments shall be approved by County and Contractor and become part of this Agreement. Any rate adjustment shall not result in an increase to the maximum compensation of the Agreement stated herein. Rate adjustments shall occur on an annual basis in a format provided by, and a deadline set by County.

- 1) dbhhospitalinvoices@fresnocountyca.gov
- 2) dbh-invoices@fresnocountyca.gov; and
- 3) the assigned County's DBH Staff Analyst.

At the discretion of County's DBH Director or designee, if an invoice is incorrect or is otherwise not in proper form or substance, County's DBH Director, or designee, shall have the right to withhold payment as to only the portion of the invoice that is incorrect or improper after five (5) days prior notice to Contractor. Contractor agree to continue to provide services for a period of ninety (90) days after notification of an incorrect or improper invoice. If County's DBH does not provide notice of incorrect or otherwise improper invoices and causes delay in the reimbursement process, Contractor will follow the escalation process through the County's DBH Crisis Care Continuum (CCC) Division, up to the DBH CCC Division Manager, and including the County's DBH Director and/or designee for the timely reimbursement of payment to Contractor.

Withholdings to an invoice by County's DBH shall be addressed by Contractor and/or Contractor shall communicate any delays in resolving the incorrect or improper form with County's DBH within ninety (90) days of receiving notice or the withholdings will stand in perpetuity, or subject to County's discretion.

All final invoices shall be submitted by Contractor within one hundred and twenty (120) days following the final month of service for which payment is claimed for each fiscal year. No action shall be taken by County on claims submitted beyond the one hundred

and twenty (120) day closeout period of each fiscal year. Any compensation which is not expended by Contractor pursuant to the terms and conditions of this Agreement shall automatically revert to County.

Payments shall be made upon certification or other proof satisfactory to the County that services have been performed or actual expenditures incurred by Contractor, as specified in this Agreement.

1. Inpatient Psychiatric Hospital Specific Requirements.

- a. For those persons served determined by County staff or delegated contractor to meet medical necessity criteria for acute inpatient hospitalization and referred by an emergency department or other hospital and admitted to the facility; and should retrospective review of the person served fail to meet Medi-Cal medical necessity criteria, County will compensate Contractor at the rate as identified in Exhibit C -Attachment A per day of admission in these instances.
- b. If the person served is Medi-Cal eligible, County or delegated contractor will adjust the Treatment Authorization Request (TAR) in accordance with Medi-Cal medical necessity criteria to prevent and incorrect claim to the State. If Medi-Cal funding is subsequently secured, Contractor shall credit County the appropriate amount.
- c. Billing Procedures as Express Conditions Precedent to County's Authorization for Payment:
 - i. As an express condition precedent to County's authorization for payment under Exhibit C of this Agreement, Contractor shall determine that Inpatient Psychiatric Hospital Services rendered are not covered, in whole or in part, under any State of California or Federal medical care program other than Medi-Cal, Medicare, or under any other contractual or legal entitlement, including, but not limited to, a private group indemnification or insurance program or worker's compensation. To the extent that such coverage is available, the payment received by Contractor from such coverage will reduce County's payment obligation for a combined amount not to exceed the rate pursuant to those in Exhibit C -Attachment A. The person's served or individual's share of cost, i.e., payments required to be made by person's served or individuals under applicable insurance policies, etc., will also reduce the State's Medi-Cal payment obligation or County's payment obligation, by the amount of the share of cost.
 - ii. As an express condition, Contractor shall ensure to meet concurrent review requirements in accordance to DHCS requirements pursuant to Welfare & Institutions Code Sections 14197.1 subd. (b); 14184.402, subd. (i).
 - iii. As a further express condition precedent to any County authorization for payment under this Exhibit C of this Agreement, Contractor shall submit claims via email for all services rendered to persons covered under the terms of this Agreement, in accordance with the applicable billing requirements contained in Section 14778 of the California Welfare and Institutions Code and the regulations adopted thereto. At minimum frequency, monthly claims shall be emailed to the following email addresses on a monthly basis:
 - 1) dbhhospitalinvoices@fresnocountyca.gov
 - 2) dbh-invoices@fresnocountyca.gov; and

- iv. An authorized day of service shall be billed for each person who occupies an inpatient psychiatric bed at 12:00 midnight in the facilities of either Contractor or an authorized Delegate. Day of discharge shall not be billed. However, a day of service may be billed if the person is admitted and discharged during the same day provided that such admission and discharge is not within twenty-four (24) hours of a prior discharge. For billing purposes, persons served receiving Psychiatric Inpatient Hospital Services, as described herein, must meet emergency admission criteria, documentation requirements, treatment and discharge planning requirements and have received an approved TAR for the days being billed. Said TAR and supporting documentation must be submitted by Contractor to County via a web-enabled utilization review platform prescribed by County for the purpose of carrying out psychiatric inpatient concurrent review and authorization, or by using another process adopted by County. Upon date of admission of each person served, concurrent reviews are required every three (3) days, or at a frequency prescribed by County.
- v. Recovery of Overpayments to Contractor, Liability for Interest:
 - 1. When an audit performed by County, the California State Department of Health Care Services, the California State Controller's Office, or any other authorized agency discloses that Contractor has been overpaid under this Agreement, Contractor covenants that any such overpayment may be recouped by County by reducing future payment or invoicing the Contractor for such overpayment.
 - 2. Overpayments determined as a result of audits of periods prior to the effective date of this Agreement may be recouped by County withholding authorization of the amount due from what would otherwise be County liability under this Agreement, seeking recovery by payment from Contractor, or a combination of these two methods.
 - 3. When recoupment or recovery is sought, Contractor may appeal according to applicable procedural requirements of Sections 14700 et seq. and 14712 et seq. of the California Welfare and Institutions Code, with the following exceptions:
 - a. The recovery or recoupment shall commence forty-five (45) days after issuance of account status or demand resulting from an audit or review and shall not be deferred by the filing of a request for an appeal according to the applicable regulations.
 - b. Contractor's liability to County for any amount recovered under this Section shall be as provided in Section 14718 of the California Welfare and Institutions Code and regulations adopted pursuant thereto.
- vi. Customary Charges Limitation.
 - 1. Notwithstanding any other provision in this Agreement, County's authorization for payment to Contractor shall not exceed Contractor's total customary charges for like services during each hospital fiscal year, or part thereof, in which this Agreement is in effect. County may recoup any excess of total payments above such total customary charges.

2. "Customary charges" is defined as those uniform charges listed in Contractor's established fee schedule, which is in effect and applied consistently to most persons served and recognized for program reimbursement. Where Contractor does not have an established fee schedule in effect and applied to most persons served, the determined "customary charges" are the most frequent or typical charges imposed uniformly for given items or services. However, in either case, in order to be considered customary charges, they must actually be imposed uniformly on most persons served and actually be collected from a substantial percentage of persons served liable for payment on a charge basis. Such charges must also be recognized for program reimbursement (see Department of Health and Human Services, Health Care Financing Administration, Medicare Contractor Reimbursement Manual, Part 1 ("HCFA 15-1"), Chapter 26 Section 2604.3), and are defined in conformity with 42 USC Section 1395f, 42 CFR Part 413 and the regulations promulgated pursuant thereto.

2. Incidental Expenses.

Contractor is solely responsible for all of its costs and expenses that are not specified as payable by the County under this Agreement. If Contractor fails to comply with any provision of this Agreement, County shall be relieved of its obligation for further compensation.

3. Applicable Fees.

Contractor shall not charge any persons served or third-party payers any fee for service unless directed to do so by the County's DBH Director or designee at the time the individual is referred for services. When directed to charge for services, Contractor shall use the uniform billing and collection guidelines prescribed by DHCS.

Contractor will perform eligibility and financial determinations, in accordance with DHCS' Uniform Method of Determining Ability to Pay (UMDAP), see BHIN 98-13, available at dhcs.ca.gov, for all individuals unless directed otherwise by the County's DBH Director or designee.

Contractor shall not submit a claim to, or demand or otherwise collect reimbursement from, the person served or persons acting on behalf of the person served for any specialty mental health or related administrative services provided under this Agreement, except to collect other health insurance coverage, share of cost, and co-payments (California Code of Regulations, Title 9, §1810.365(c)).

Contractor must not bill persons served, for covered services, any amount greater than would be owed if the County provided the services directly and otherwise not bill persons served as set forth in 42 C.F.R. § 438.106.

Recoupments, Audits, Reviews, and Examinations

County shall recapture from Contractor the value of any services or other expenditures determined to be ineligible based on the County or State monitoring results. The County reserves the right to enter into a repayment agreement with Contractor, with the term of the repayment agreement not to exceed twelve (12) months from the date of the repayment agreement, to recover the amount of funds to be recouped. The County has the discretion to extend the term of repayment plan up to a total of twenty-four (24) months from the date of the repayment Agreement. The repayment agreement may be made with the signed written approval of County's DBH Director, or designee, and respective Contractor through a repayment Agreement. The monthly repayment amounts may be netted against the Contractor's monthly billing for services rendered during the month, or the County may, in its sole discretion, forego a repayment agreement and recoup all funds immediately. This remedy is not exclusive, and County may seek recoupment from any other means, including, but not limited to, a separate contract or agreement with Contractor.

Contractor shall be held financially liable for any and all future disallowances/audit exceptions due to Contractor's deficiency discovered through the State audit process and County utilization review for services provided during the course of this Agreement. At County's election, the disallowed amount will be remitted within forty-five (45) days to County upon notification or shall be withheld from subsequent payments to Contractor. Contractor shall not receive reimbursement for any units of services rendered that are disallowed or denied by the Fresno County BHP utilization review process or claims review process or through the State of California DHCS audit and review process, cost report audit settlement if applicable, for Medi-Cal eligible beneficiaries.

1. Reasons for Recoupment.

County will conduct periodic audits of Contractor files to ensure appropriate clinical documentation, that original third-party source documents support costs invoiced, high quality service provision and compliance with applicable federal, state and county or other funding source regulations.

Such audits may result in requirements for Contractor to reimburse County for services previously paid in the following circumstances:

- (A) Identification of Fraud, Waste or Abuse as defined in federal regulation
 - (1) Fraud and abuse are defined in C.F.R. Title 42, § 455.2 and W&I Code, section 14107.11, subdivision (d).
 - (2) Definitions for "fraud," "waste," and "abuse" can also be found in the Medicare Managed Care Manual available at <https://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals>
- (B) Overpayment of Contractor by County due to errors in claiming or documentation.
- (C) Other reasons specified in the SHMS Reasons for Recoupment document released annually by DHCS and posted on the DHCS BHIN website.

Contractor shall reimburse County for all overpayments identified by Contractor, County, and/or state or federal oversight agencies as an audit exception within the timeframes required by law or County or state or federal agency. Funds owed to County will be due within forty-five (45) days of notification by County, or County shall withhold future payments until all excess funds have been recouped by means of an offset against any payments then or thereafter owing to County under this or any other Agreement between the County and Contractor.

2. Internal Audits/Reviews.

Contractor are responsible for ensuring the accuracy of all claims submitted for reimbursement. This includes, but is not limited to, verifying that the services billed are properly documented, correctly coded, and align with applicable SMHS definitions and standards. Contractor must also ensure that all supporting documentation is accurate, complete, and reflects the services actually rendered.

3. Confidentiality in Audit/Review Process.

Contractor and County mutually agree to maintain the confidentiality of Contractor's records and information of persons served, in compliance with all applicable State and Federal statutes and regulations, including but not limited to HIPAA and California Welfare and Institutions Code, Section 5328. Contractor shall inform all of its officers, employees, and agents of the confidentiality provisions of all applicable statutes.

Contractor's fiscal records shall contain sufficient data to enable auditors to perform a complete audit and shall be maintained in conformance with standard procedures and accounting principles.

Contractor's records shall be maintained as required by DBH and DHCS on forms furnished by DHCS or the County. All statistical data or information requested by the County's DBH Director or designee shall be provided by Contractor in a complete and timely manner.

4. Cooperation with Audits/Reviews.

Contractor shall cooperate with County in any review and/or audit initiated by County, DHCS, or any other applicable regulatory body. This cooperation may include such activities as onsite program, fiscal, or chart reviews and/or audits.

In addition, Contractor shall comply with all requests for any documentation or files including, but not limited to, files for persons served and personnel files.

Contractor shall notify the County of any scheduled or unscheduled external evaluation or site visits when it becomes aware of such visit. County shall reserve the right to attend any or all parts of external review processes.

Contractor shall allow inspection, evaluation and audit of its records, documents and facilities for ten (10) years from the term end date of this Agreement or in the event Contractor have been notified that an audit or investigation of this Agreement has been commenced, until such time as the matter under audit or investigation has been resolved, including the exhaustion of all legal remedies, whichever is later pursuant to 42 C.F.R. §§ 438.3(h) and 438.2301(3)(i-iii).

5. Single Audit Clause.

If Contractor expends Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) or more in Federal and Federal flow-through monies, Contractor agree to conduct an annual audit in accordance with the requirements of the Single Audit Standards as set forth in Office of Management and Budget (OMB) 2 CFR 200. Contractor shall submit said audit and management letter to County. The audit must include a statement of findings or a statement that

there were no findings. If there were negative findings, Contractor must include a corrective action plan signed by an authorized individual. Contractor agree to take action to correct any material non-compliance or weakness found as a result of such audit. Such audit shall be delivered to County's DBH Finance Division for review within nine (9) months of the end of any fiscal year in which funds were expended and/or received for the program. Failure to perform the requisite audit functions as required by this Agreement may result in County performing the necessary audit tasks, or at County's option, contracting with a public accountant to perform said audit, or may result in the inability of County to enter into future agreements with Contractor. All audit costs related to this Agreement are the sole responsibility of Contractor.

A single audit report is not applicable if Contractor's Federal contracts do not exceed the Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) requirement or Contractor's only funding is through Drug-related Medi-Cal. If a single audit is not applicable, a program audit must be performed and a program audit report with management letter shall be submitted by Contractor to County as a minimum requirement to attest to Contractor solvency. Said audit report shall be delivered to County's DBH Finance Division for review no later than nine (9) months after the close of the fiscal year in which the funds supplied through this Agreement are expended. Failure to comply with this Act may result in County performing the necessary audit tasks or contracting with a qualified accountant to perform said audit. All audit costs related to this Agreement are the sole responsibility of Contractor who agree to take corrective action to eliminate any material noncompliance or weakness found as a result of such audit. Audit work performed by County under this paragraph shall be billed to Contractor at County cost, as determined by County's Auditor-Controller/Treasurer-Tax Collector.

Contractor shall make available all records and accounts for inspection by County, the State of California, if applicable, the Controller General of the United States, the Federal Grantor Agency, or any of their duly authorized representatives, at all reasonable times for a period of at least three (3) years following final payment under this Agreement or the closure of all other pending matters, whichever is later.

6. Financial Audit Report Requirements for Pass-Through Entities

If County determines that a Contractor is a "subrecipient" (also known as a "pass-through entity") as defined in 2 C.F.R. § 200 et seq., Contractor represents that it will comply with the applicable cost principles and administrative requirements including claims for payment or reimbursement by County as set forth in 2 C.F.R. § 200 et seq., as may be amended from time to time. Contractor shall observe and comply with all applicable financial audit report requirements and standards.

Financial audit reports must contain a separate schedule that identifies all funds included in the audit that are received from or passed through the County. County programs must be identified by Agreement number, Agreement amount, Agreement period, and the amount expended during the fiscal year by funding source.

Contractor will provide a financial audit report including all attachments to the report and the management letter and corresponding response within six months of the end of the audit year to the County's DBH Director or designee. The County's Director or designee is responsible for providing the audit report to the County Auditor.

Contractor must submit any required corrective action plan to the County simultaneously with the audit report or as soon thereafter as it is available. The County shall monitor

implementation of the corrective action plan as it pertains to services provided pursuant to this Agreement.

In the event this Agreement is terminated, Contractor shall be entitled to compensation for all SMHS satisfactorily provided pursuant to the terms and conditions of this Agreement through and including the effective date of termination. This provision shall not limit or reduce any damages owed to the County due to a breach of this Agreement by Contractor.

Fiscal records must also comply with the Code of Federal Regulations (CFR), Title II, Subtitle A, Chapter 11, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

All records shall be complete and current and comply with all requirements in this Agreement. Failure to maintain acceptable records per the preceding requirements shall be considered grounds for withholding of payments for billings submitted and for termination of this Agreement.

Contractor shall maintain records of persons served and community service in compliance with all regulations set forth by local, state, and federal requirements, laws, and regulations, and provide access to clinical records by County staff.

Contractor shall comply with all local, state, and federal laws and regulations regarding relinquishing or maintaining medical records.

3. Financial Reports.

In the event this Agreement is terminated, ends its designated term, or Contractor cease operation of business, Contractor shall deliver or make available to County all financial records that may have been accumulated by Contractor or subcontractor under this Agreement, whether completed, partially completed or in progress within seven (7) calendar days of said termination/end date.

5. Restrictions and Limitations.

This Agreement shall be subject to any restrictions, limitations, and/or conditions imposed by County or state or federal funding sources that may in any way affect the fiscal provisions of, or funding for this Agreement. This Agreement is also contingent upon sufficient funds being made available by County, state, or federal funding sources for the term of this Agreement. If the federal or state governments reduce financial participation in the Medi-Cal program, County agrees to meet with Contractor to discuss renegotiating the services required by this Agreement.

Funding is provided by fiscal year. Any unspent fiscal year appropriation shall roll over and is available for services provide in subsequent years.

In the event that funding for these services is delayed by the State Controller, County may defer payments to Contractor. The amount of the deferred payment shall not exceed the amount of funding delayed by the State Controller to the County. The period of time of the deferral by County shall not exceed the period of time of the State Controller's delay of payment to County plus forty-five (45) days.

6. Additional Financial Requirements

County has the right to monitor the performance of this Agreement to ensure the accuracy of claims for reimbursement and compliance with all applicable laws and regulations.

Contractor must comply with the False Claims Act employee training and policy requirements set forth in 42 U.S.C. 1396a(a)(68) and as the Secretary of the United States Department of Health and Human Services may specify.

- (F) **Molestation Liability.** Sexual abuse / molestation liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence, with an annual aggregate of Four Million Dollars (\$4,000,000). This policy must be issued on a per occurrence basis.

Contractor shall be permitted to maintain a program of insurance, self-insurance, captive insurance, or any combination thereof to comply with the insurance requirements within this Agreement.

2. Additional Requirements

(A) **Verification of Coverage.** Within 30 days after the Contractor signs this Agreement, and at any time during the term of this Agreement as requested by the County’s Risk Manager or the County Administrative Office, the Contractor shall deliver, or cause its broker or producer to deliver, to the County Risk Manager, at 2220 Tulare Street, 16th Floor, Fresno, California 93721, or HRRiskManagement@fresnocountyca.gov, and by mail or email to the person identified to receive notices under this Agreement, certificates of insurance and endorsements for all of the coverages required under this Agreement.

- (i) Each insurance certificate must state that: (1) the insurance coverage has been obtained and is in full force; (2) the County, its officers, agents, employees, and volunteers are not responsible for any premiums on the policy; and (3) the Contractor has waived its right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under any insurance policy required by this Agreement and that waiver does not invalidate the insurance policy.
- (ii) The commercial general liability insurance certificate must also state, and include an endorsement, that the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, are additional insureds insofar as the operations under this Agreement are concerned. The commercial general liability insurance certificate must also state that the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the County shall be excess only and not contributing with insurance provided under the Contractor’s policy.
- (iii) The automobile liability insurance certificate must state that the policy covers any auto used in connection with this Agreement.

- (iv) The professional liability insurance certificate, if it is a claims-made policy, must also state the retroactive date of the policy, which must be prior to the date on which services began under this Agreement.
 - (v) The cyber liability insurance certificate must also state that it is endorsed, and include an endorsement, to cover the full replacement value of damage to, alteration of, loss of, or destruction of intangible property (including but not limited to information or data) that is in the care, custody, or control of the Contractor.
- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of no less than A.
- (C) **Notice of Cancellation or Change.** For each insurance policy required under this Agreement, the Contractor shall provide to the County, or ensure that the policy requires the insurer to provide to the County, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 30 days in advance of cancellation or change. The County in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **County's Entitlement to Greater Coverage.** If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the County requires and is entitled to the broader coverage, higher limits, or both. To that end, the Contractor shall deliver, or cause its broker or producer to deliver, to the County's Risk Manager certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.
- (E) **Waiver of Subrogation.** The Contractor waives any right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Contractor is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Contractor's waiver of subrogation under this paragraph is effective whether or not the Contractor obtains such an endorsement.
- (F) **County's Remedy for Contractor's Failure to Maintain.** If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The County may offset such charges against any amounts owed by the County to the Contractor under this Agreement.

(G) **Subcontractors.** The Contractor shall require and verify that all subcontractors used by the Contractor to provide services under this Agreement maintain insurance meeting all insurance requirements provided in this Agreement. This paragraph does not authorize the Contractor to provide services under this Agreement using subcontractors.
