
THE COUNTY OF FRESNO

Board of Supervisors

RESOLUTION

Whereas~ the International Association of Plumbing and Mechanical Officials, commonly known as IAPMO, was founded in 1926 and has spent the past 100 years advancing plumbing, mechanical, and safety standards that help protect public health, sanitation, clean water, and safe development throughout Fresno County; and

Whereas~ Fresno County fills a central role in California agriculture, water management, and regional growth, and honoring IAPMO's 100th birthday celebrates a century of advancing practical plumbing and water standards that help ensure safe, reliable infrastructure for both residents and industry across the county; and

Whereas~ IAPMO's work in developing uniform codes, technical standards, product certification, professional training, and industry guidance has supported local governments, inspectors, contractors, engineers, manufacturers, and building professionals throughout California and across the nation;

NOW THEREFORE, BE IT RESOLVED that the Fresno County Board of Supervisors hereby recognizes 2026 as the **Centennial Year of the International Association of Plumbing and Mechanical Officials in Fresno County** and congratulates IAPMO on 100 years of contributions to public health, safe construction, sanitation, clean water, and plumbing and mechanical standards that benefit communities throughout Fresno County and California.
