

SERVICE AGREEMENT

This Service Agreement (Agreement) is dated March 17, 2026 and is between Valley Teen Ranch, a California non-profit corporation (Contractor), and the County of Fresno, a political subdivision of the State of California (County).

Recitals

A. Senate Bill 823 (2020) mandated the closure of California's Division of Juvenile Justice (DJJ) and initiated comprehensive reforms to the youth justice system, emphasizing public health strategies and community-based support. Following the closure of DJJ, counties assumed responsibility for the operation of Secure Youth Treatment Facilities (SYTFs), where rehabilitation is guided by Individualized Rehabilitation Plans (IRPs) and youth may transition to Less Restrictive Programs (LRPs) when appropriate.

B. Pursuant to the County's Annual Plan under the Juvenile Justice Realignment Block Grant, funding was allocated for the establishment of a step-down house (Step-Down House) designed to serve up to eight (8) male youth between the ages of 18 and 25. The Step-Down House will provide a structured residential environment intended to facilitate and support the successful reentry of youth into the community prior to the end of their commitment.

C. The County, through its Probation Department (Probation), requires the operation of the youth Step-Down House, located on the property of the Juvenile Justice Campus (JJC), on a 24-hours per day, seven (7) days per week basis, inclusive of weekends and holidays. The purpose of the Step-Down House is to assist youth in transitioning from restrictive housing to less restrictive environments, offering a safe and structured setting in which they may practice essential life skills while gradually reintegrating into the community. The Step-Down House program shall provide access to a range of supportive services, including structured work experiences, vocational training, specialized tutoring, athletic programming, counseling, and diverse opportunities for social enrichment, all designed to promote rehabilitation and successful reentry.

D. On July 16, 2025, the County issued Request for Proposal (RFP) No. 26-002 seeking a qualified vendor to provide the services. Addendum No. 1 was issued on August 1, 2025. The

1 RFP and Addendum No. 1 are collectively referred to as "the RFP." Contractor responded to the
2 RFP and was selected to provide services in accordance with the terms of the RFP,
3 Contractor's response to the RFP, and the terms of this Agreement.

4 The parties therefore agree as follows:

5 **Article 1**

6 **Contractor's Services**

7 1.1 **Scope of Services.** The Contractor shall perform all of the services provided in
8 Exhibit A to this Agreement, titled "Scope of Services."

9 1.2 **Representation.** The Contractor represents that it is qualified, ready, willing, and able
10 to perform all of the services provided in this Agreement.

11 1.3 **Compliance with Laws.** The Contractor shall, at its own cost, comply with all
12 applicable federal, state, and local laws and regulations in the performance of its obligations
13 under this Agreement, including but not limited to workers compensation, labor, and
14 confidentiality laws and regulations.

15 1.4 Contractor acknowledges that County's JJC, including the Step-Down House, is
16 operated as a no hostage facility; therefore, all services provided shall be performed in
17 accordance with Probation's Hostage Situation Policy, as well as Probation's JJC Manual Policy
18 for Vendors, Volunteers and Student Interns, described in Exhibit B to this Agreement.
19 Contractor shall comply with all Probation's JJC policies, procedures and protocols related to
20 safety and security of the detained youth, the JJC, and the Step-Down House.

21 1.5 **Staffing.** Contractor agrees that prior to providing services under the terms and
22 conditions of this Agreement, Contractor shall have staff hired and in place for program services
23 and operations or County may, in addition to other remedies it may have, suspend referrals or
24 terminate this Agreement, in accordance with Article 5 of this Agreement.

25 1.6 Contractor's staff working at the JJC, including the Step-Down House, shall be
26 required to pass a background investigation by Probation. Contractor's staff must obtain
27 mandatory security clearance from Probation, as applicable, prior to commencing work.
28 Contractor shall notify Probation a minimum of three (3) weeks in advance of placement of a

1 new employee to provide adequate time for the background check process. Contractor shall
2 also provide adequate time for employees/staff to attend facility orientation and training by
3 Probation, as applicable.

4 1.7 County maintains the right to veto the use or employment of any of Contractor's
5 employees/staff on-site at the JJC, including the Step-Down House, provided by Contractor
6 under the direction of Contractor. Contractor shall also remove any of Contractor's
7 employees/staff on-site at the JJC, including the Step-Down House, and replace that
8 employee/staff in a timely manner without limitation, when requested by Probation. The
9 application for access to the JJC, including the Step-Down House, is attached as Exhibit C
10 "Probation Vendor Application."

11 (A) Contractor shall observe all applicable Probation policies and procedures
12 concerning the operation of the JJC, including the Step-Down House. Contractor's staff shall
13 sign acknowledgements of certain Probation policies and procedures, as applicable and upon
14 Probation's request. Contractor's staff shall abide by the security regulations of the JJC,
15 including the Step-Down House. Contractor must inform its employees and subcontractors of all
16 such regulations.

17 (B) Each of Contractor's staff entering the JJC, including the Step-Down House, shall
18 provide proof of a negative skin test for tuberculosis (TB) within the past six (6) months, or, for
19 positive Purified Protein Derivative (PPD) reactors, initial assessment and yearly assessment for
20 signs and symptoms of disease.

21 (C) Contractor's staff and volunteers shall wear professional attire when providing
22 any services under this Agreement at the JJC, including the Step-Down House.

23 (D) Contractor shall not allow any of its staff and volunteers into the JJC, including
24 the Step-Down House, if it has reason to believe such person is under the influence of alcoholic
25 beverages or drugs.

26 1.8 Contractor shall comply with all Prison Rape Elimination Act (PREA) 42 U.S.C.
27 §15601 et seq. standards for juvenile correctional facilities and agrees to have all staff assigned
28

1 to JJC, including the Step-Down House, be trained initially and every two (2) years thereafter by
2 Probation.

3 1.9 Contractor shall ensure all Contractor's employees, consultants, subcontractors or
4 agents described in the Child Abuse Reporting Act, section 11164, et. seq. of the Penal Code,
5 and while performing services under this Agreement, Contractor shall report all known or
6 suspected child abuse or neglect to a child protective agency described in Penal Code section
7 11165.9.

8 1.10 **Confidential Information.** Contractor shall comply with all provisions of Exhibit D,
9 Data Security.

10 1.11 **Consistent Federal Income Tax Position.** Contractor acknowledges that the JJC,
11 including the Step-Down House, has been acquired, constructed, or improved (and is situated
12 on land that has been acquired) using net proceeds of governmental tax-exempt bonds ("Bond-
13 Financed Facility"). Contractor agrees that, with respect to this Agreement and the Bond-
14 Financed Facility, Contractor is not entitled to take, and shall not take, any position (also known
15 as a "tax position") with the Internal Revenue Service (IRS) that is inconsistent with being a
16 service provider to the County, as a qualified user with respect to the Bond-Financed Facility, as
17 managed property, as all of those terms used in IRS Revenue Procedure 2017-13, and to that
18 end, for example, and not as a limitation, Contractor agrees that Contractor shall not, in any
19 connection with any federal income tax return that it files with the IRS or any other statement or
20 information that it provides to the IRS, (a) claim ownership, or that it is a lessee, of any portion
21 of the Bond-Financed Facility, or (b) claim any depreciation or amortization deduction,
22 investment tax credit, or deduction for any payment as rent with respect to the Bond-Financed
23 Facility. The Contractor further acknowledges that providing services provided at the JJC,
24 including the Step-Down House, does not entitle the Contractor to have any right to control or
25 exclusively possess all or any portion of any County facility, including the JJC and the Step-
26 Down House, and at any time, authorized County staff may enter County facilities, including the
27 JJC and the Step-Down House, where Contractor is performing services.

1 1.12 Probation currently utilizes an electronic case management system, "PRI MS" for
2 management of records for youth. Contractor must utilize this system to report encounters and
3 statistics related to services provided to each youth. Contractor must enter records into PRI MS
4 no later than 12 to 24 hours after services occurred.

5 **1.13 Meetings.**

6 (A) Administrative Meetings. Contractor shall schedule, facilitate, and hold monthly,
7 or as needed, administrative meetings with County staff and/or designees to evaluate and
8 address statistics, program needs, problems/issues that may arise, and interrelationships
9 between County's JJC staff and Contractor's staff. Contractor shall provide County staff with
10 statistics in electronic format prior to the meeting.

11 (B) Probation JJC Meetings. Contractor shall participate in multi-disciplinary
12 meetings at JJC, including the Step-Down House, with Probation staff and Probation's other
13 contracted providers. These meetings include, but shall not be limited to, monthly institutional
14 collaborative meetings ("JJC Management Team") and weekly, or as needed, transition
15 meetings for detained youth committed to JJC, including the Step-Down House, and preparing
16 for re-entry into the community. Schedules for these meetings may change based on the needs
17 of Probation, in the determination of Probation.

18 1.14 Contractor shall furnish to County such statements, records, reports, data and other
19 information as County may request pertaining to matters covered by this Agreement. If
20 Contractor fails to provide such reports or other information so required, it shall be sufficient
21 cause for County to withhold monthly payments until Contractor complies. In addition,
22 Contractor shall provide written notification and explanation to County within five (5) days of any
23 funds received from another source to conduct the same services covered by this Agreement.

24 **Article 2**

25 **County's Responsibilities**

26 2.1 The County shall provide oversight and collaborate with Contractor to achieve
27 program goals and outcomes. In addition to contract monitoring of the program, County shall
28 provide oversight including, but not limited to, coordination with the California Health and

Human Services Agency, Office of Youth and Community Restoration (OYCR) regarding program administration and outcomes.

2.2 The County shall participate in evaluating the progress of the overall program and shall be available to Contractor for ongoing consultation. County shall receive and analyze statistical outcome data from Contractor throughout the term of the Agreement on a monthly basis. County shall notify Contractor when additional participation is required. The performance outcome measurement process shall not be limited to survey instruments, but shall also include, as appropriate, surveys of persons served and staff, and other methods of obtaining required information.

2.3 **Background Checks.** County shall conduct background checks on all personnel that Contractor will assign to work at County's JJC, including the Step-Down House. The background check will be conducted at Probation's expense. Probation shall immediately notify Contractor if an employee of Contractor is determined to be unacceptable for admission into the County's JJC, including the Step-Down House, or unacceptable to provide these services at any location.

(A) Background checks must be completed to the Chief Probation Officer's, or their designee's, satisfaction before admission, or continued admission of any such persons into the JJC facilities.

(B) The Chief Probation Officer, or their designee, shall have the sole and absolute discretion to refuse admittance of any of Contractor's personnel/volunteers into or from the JJC, including the Step-Down House, and to remove any of Contractor's personnel/volunteers from the JJC, including the Step-Down House.

(C) The County shall promptly notify Contractor if any of Contractor's personnel/volunteers are found to be unacceptable for admission into the JJC facilities, and upon such notice, Contractor shall immediately refuse admittance of such person(s) to the JJC, including the Step-Down House.

2.4 County's Chief Probation Officer, or their designee, shall designate the approximately 65,000 sq. ft. youth Step-Down House, inclusive of the house, parking, backyard and basketball

1 court areas, for Contractor to utilize to operate County's youth Step-Down House under the
2 terms and conditions of this Agreement, at no charge to Contractor for such use of space.
3 County shall have the right to enter such areas at all times, it being understood that Contractor
4 may not control or exclusively possess such space. Contractor acknowledges that the
5 designated area is confidential and shall maintain the confidentiality of the area. County shall
6 provide to Contractor in an "as-is" condition space, furniture, fixtures, and facilities within the
7 Step-Down House to utilize during the term of this Agreement, which Contractor shall utilize in a
8 careful manner. No additional space at County's JJC, including the Step-Down House, will be
9 designated to Contractor.

10 2.5 Contractor shall not utilize County space, furniture, fixtures, and facilities within the
11 Step-Down House (1) in any manner that violates state or federal law or (2) for any purpose
12 other than in the performance of its obligations under this Agreement.

13 2.6 At the termination of this Agreement, Contractor will return all County furniture,
14 fixtures, and facilities to County in working order, except for reasonable wear and tear. If any of
15 County's furniture, fixtures and/or facilities require replacement or repair, Contractor shall, at
16 Contractor's expense, replace such items with the same or comparable item, or repair the item
17 to working order.

18 2.7 County shall provide only the equipment presently on-site as well as any other
19 equipment that County chooses to purchase and retain ownership of.

20 2.8 County shall be responsible and pay for County-approved facility improvements to the
21 Step-Down House. Any improvements to the Step-Down House shall be at the discretion of the
22 County's Chief Probation Officer or their designee. Improvements shall mean those
23 improvements to the Step-Down House designed to assist with the operation of the Step-Down
24 House. In no event shall Contractor make any facility improvements to the Step-Down House.

25 2.9 Utilities. County shall be responsible for electricity, propane, water, sewer, and
26 garbage costs for the Step-Down House.
27
28

2.10 Maintenance and Repairs. County shall be responsible for the structural condition of the Step-Down House and for all exterior and interior maintenance, including but not limited to air conditioning, heating, plumbing, electrical systems, roofing, painting, and the parking lot.

2.11 Contractor, at its sole expense, shall be responsible for janitorial and landscaping services, and may engage a private vendor to perform such services. Any costs paid by Contractor for janitorial and landscaping services shall be passed-through without markup to County, and County shall reimburse Contractor for such costs.

2.12 Contractor shall report damages to the Step-Down House within 24 hours of occurrence to Probation at JJCAAdministration@fresnocountyca.gov and ProbationContracts@fresnocountyca.gov. Contractor shall be responsible to pay for all damages caused by the actions of Contractor's employees, agents, and invitees.

2.13 Security Cameras. County maintains a security camera system in common areas of the interior and exterior of the Step-Down House. Contractor's administrative staff shall be granted access to the system as authorized by the Chief Probation Officer or their designee.

2.14 The County, at no charge to Contractor, shall provide Contractor's staff and volunteers assigned to the JJC, including the Step-Down House, and allowed admittance by the County as provided herein, with vendor identification badges, for performance of services under this Agreement.

2.15 The County shall provide direction to Contractor's staff and volunteers in the event of a disturbance inside the JJC facilities, including the Step-Down House.

2.16 Pursuant to federal regulations 28 CFR §115.332, Probation shall provide training to Contractor's staff and/or volunteers regarding their responsibilities under the Probation's sexual abuse and sexual harassment prevention, detection, and response policies and procedures.

Article 3

1 Beginning March 1, 2028, and every successive March 1st during the term of this
2 Agreement, Contractor may increase the annual maximum compensation from the prior year's
3 maximum compensation by the National Consumer Price Index (CPI), not to exceed 3%.
4 Contractor shall notify the Chief Probation Officer or their designee in writing before February 1st
5 with the increase to be implemented by March 1st. If Contractor fails to notify the Chief Probation
6 Officer by January 1st of a planned increase, the planned increase shall be effective 30 days
7 from the date the Contractor does notify the Chief Probation Officer.

8 **3.2 Maximum Compensation.** The maximum compensation payable to the Contractor

13 shall not exceed \$1,756,005. If the performance standards are met and this Agreement is
14 extended for an additional twelve-month period pursuant to Article 4 "Terms of Agreement," then
15 for the period of March 1, 2029, through February 28, 2030, the maximum compensation
16 payable to the Contractor shall not exceed \$1,808,687. If the performance standards are met
17 and this Agreement is extended for the second twelve-month extension, then for the period of
18 March 1, 2030, through February 28, 2031, the maximum compensation payable to the
19 Contractor shall not exceed \$1,862,947. In no event shall total maximum compensation paid to
20 Contractor for services performed under this Agreement exceed \$8,825,000 for the full potential
21 five-year term of the Agreement.

22 The Contractor acknowledges that the County is a local government entity, and does so with
23 notice that the County's powers are limited by the California Constitution and by State law, and
24 with notice that the Contractor may receive compensation under this Agreement only for
25 services performed according to the terms of this Agreement and while this Agreement is in
26 effect, and subject to the maximum amount payable under this section. The Contractor further
27 acknowledges that County employees have no authority to pay the Contractor except as
28 expressly provided in this Agreement.

3.3 **Invoices.** The Contractor shall submit monthly invoices and supporting documentation to 1) ProbationInvoices@fresnocountyca.gov and 2) ProbationContracts@fresnocountyca.gov. Each invoice shall specifically identify this Agreement number and shall include the amount due for compensation as identified in Exhibit E. Contractor shall maintain adequate supporting documentation in detail to permit tracing transactions from the invoice to the accounting records, which shall be attached to each invoice. Supporting documentation includes but is not limited to: list of positions funded, documentation of staff hours (e.g., timesheets, time tracking reports, etc.), number of youths served/referred, bed capacity, service categories, and receipts for invoiced services and supplies. The Contractor shall submit each invoice within 15 days after the month in which the Contractor performs services and in any case within 30 days after the end of the term or termination of this Agreement. At the discretion of the County's Chief Probation Officer, or their designee, County shall have the right to withhold payment until an invoice is corrected to the County's satisfaction.

3.4 **Payment.** The County shall pay each correctly completed and timely submitted invoice within 45 days after receipt, verification and approval by County. The County shall remit any payment to the Contractor's address specified in the invoice. All final invoices and/or any final budget modification requests shall be submitted by Contractor within 60 days following the final month of service for which payment is claimed. No action shall be taken by County on claims submitted beyond the 60-day closeout period.

1 the next one-year extension period. The Chief Probation Officer or their designee is authorized
2 to sign the written approval on behalf of the County based on the Contractor's satisfactory

4 years after final payment under this Agreement. This section survives the termination of this
5 Agreement.

6 10.3 **Public Records.** The County is not limited in any manner with respect to its public
7 disclosure of this Agreement or any record or data that the Contractor may provide to the
8 County. The County's public disclosure of this Agreement or any record or data that the
9 Contractor may provide to the County may include but is not limited to the following:

10 (A) The County may voluntarily, or upon request by any member of the public or
11 governmental agency, disclose this Agreement to the public or such governmental agency.

12 (B) The County may voluntarily, or upon request by any member of the public or
13 governmental agency, disclose to the public or such governmental agency any record or data

21 Act (California Government Code, Title 1, Division 10, beginning with section 7920.000)
22 ("CPRA").

23 (E) This Agreement, and any record or data that the Contractor may provide to the
24 County, is subject to public disclosure as information concerning the conduct of the people's
25 business of the State of California under California Constitution, Article 1, section 3, subdivision
26 (b).

28 respect to any record or data that the Contractor may provide to the County shall be

disregarded and have no effect on the County's right or duty to disclose to the public or governmental agency any such record or data.

10.4 Public Records Act Requests. If the County receives a written or oral request under the CPRA to publicly disclose any record that is in the Contractor's possession or control, and which the County has a right, under any provision of this Agreement or applicable law, to possess or control, then the County may demand, in writing, that the Contractor deliver to the County, for purposes of public disclosure, the requested records that may be in the possession or control of the Contractor. Within five (5) business days after the County's demand, the Contractor shall (a) deliver to the County all of the requested records that are in the Contractor's possession or control, together with a written statement that the Contractor, after conducting a diligent search, has produced all requested records that are in the Contractor's possession or control, or (b) provide to the County a written statement that the Contractor, after conducting a diligent search, does not possess or control any of the requested records. 1 considered sensitive items. Such sensitive items include, but are not limited to computers,

5 capitalized or depreciated, but are subject to annual inventory for compliance.

6 11.2 County Ownership and Return. All assets acquired under this Agreement shall remain
7 County property. Upon expiration or termination of this Agreement, Contractor agrees to
8 participate in an annual inventory of all County fixed and inventoried assets. Upon termination or
9 expiration of this Agreement, Contractor shall be physically present when returning all fixed and
10 inventoried assets to County. Contractor is responsible for returning to County all County-owned
11 undepreciated fixed and inventoried assets, or the monetary value of said assets if unable to

27 incurred by Contractor resulting from equipment purchased, if Probation has not provided prior
28 written approval for such costs.

1 11.5 Contractor must obtain prior written approval from Probation whenever there is any
2 modification or change in the use of any property acquired or improved, in whole or in part,
3 using funds under this Agreement. If any real or personal property acquired or improved with

7 under this Agreement. These requirements shall continue in effect for the life of the property. In
8 the event this Agreement expires, or terminates, the requirements for this section shall remain in
9 effect for activities or property funded with said funds, unless action is taken by the State
10 government to relieve County of these obligations.

18 the County before commencing the transaction or immediately after.

20 party and in which one or more of its directors, as an individual, has a material financial interest.

21 **Article 13**

23 13.1 **Modification.** Except as provided in Article 6, "Termination and Suspension," this
24 Agreement may not be modified, and no waiver is effective, except by written agreement signed
25 by both parties. The Contractor acknowledges that County employees have no authority to
26 modify this Agreement except as expressly provided in this Agreement.

27 In addition, County's Chief Probation Officer or their designee may make changes to the
28 expense category subtotals (i.e., Salaries & Benefits, Operational, Equipment, etc.) as set forth

1 in Exhibit E, provided such changes do not exceed ten percent (10%) of the maximum
2 compensation payable to the Contractor and are made prior to January 31, 2029. All such
3 modifications require prior written approval of the Chief Probation Officer or their designee and
4 shall not result in any increase to the total maximum compensation payable under this
5 Agreement.

6 13.2 **Non-Assignment.** Neither party may assign its rights or delegate its obligations
7 under this Agreement without the prior written consent of the other party.

8 13.3 **Governing Law.** The laws of the State of California govern all matters arising from or
9 related to this Agreement.

12 Agreement, and, subject to the Government Claims Act, all such actions must be brought and
13 maintained in Fresno County.

14 13.5 **Construction.** The final form of this Agreement is the result of the parties' combined
15 efforts. If anything in this Agreement is found by a court of competent jurisdiction to be
16 ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement
17 against either party.

19 13.7 **Headings.** The headings and section titles in this Agreement are for convenience
20 only and are not part of this Agreement.

21 13.8 **Severability.** If anything in this Agreement is found by a court of competent
22 jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in
23 effect, and the parties shall make best efforts to replace the unlawful or unenforceable part of
24 this Agreement with lawful and enforceable terms intended to accomplish the parties' original
25 intent.

2 identity, gender expression, age, sexual orientation, military status or veteran status pursuant to
3 all applicable State of California and federal statutes and regulation.

4 13.10 **No Waiver.** Payment, waiver, or discharge by the County of any liability or obligation
5 of the Contractor under this Agreement on any one or more occasions is not a waiver of
6 performance of any continuing or other obligation of the Contractor and does not prohibit
7 enforcement by the County of any obligation on any other occasion.

8 13.11 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement
9 between the Contractor and the County with respect to the subject matter of this Agreement,
10 and it supersedes all previous negotiations, proposals, commitments, writings, advertisements,
11 publications, and understandings of any nature unless those things are expressly included in
12 this Agreement. If there is any inconsistency between the terms of this Agreement without its
13 exhibits and the terms of the exhibits, then the inconsistency will be resolved by giving
14 precedence first to the terms of this Agreement without its exhibits, and then to the terms of the
15 exhibits.

16 13.12 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to
17 create any rights or obligations for any person or entity except for the parties.

18 13.13 **Authorized Signature.** The Contractor represents and warrants to the County that:

19 (A) The Contractor is duly authorized and empowered to sign and perform its
20 obligations under this Agreement.

21 (B) The individual signing this Agreement on behalf of the Contractor is duly
22 authorized to do so and his or her signature on this Agreement legally binds the Contractor to

If possible, the process of quelling the disturbance should slow down so officers can develop response plans, ensure there are adequate facility personnel to effectively take the required actions, and ensure that responding officers are appropriately equipped with protective gear.

Officers shall evaluate their response given the totality of circumstances in any situation, but generally shall not enter the space where a riot is occurring until sufficient officers are present to safely suppress the riot. Nothing in this policy shall prohibit any staff member from assisting other staff members who are being assaulted.

Other housing units must be secured, with sufficient officers remaining at their posts to continue to supervise the unaffected units.

If officers are unable to contain, control, and resolve the riot, a request for assistance shall be made to the appropriate law enforcement agency (see the Mutual Aid section in this policy). The request shall be made by the Chief Probation Officer or the authorized designee. When the riot has been suppressed, all involved officers must immediately return to their assigned posts and normal operations should resume.

It is the policy of the Fresno County Probation Department to use all available resources reasonably necessary to bring about a successful end to a hostage situation (15 CCR 1327).

The County in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **County's Entitlement to Greater Coverage.** If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the County requires and is entitled to the broader coverage, higher limits, or both.
