

**AGREEMENT FOR ASSIGNMENT OF RIGHTS AND DELEGATION OF DUTIES UNDER  
AGREEMENT NO. A-25-026**

This Agreement for Assignment of Rights and Delegation of Duties (“Assignment”) is dated \_\_\_\_\_ and is between ECS Imaging, Inc., a California corporation (“Assignor”), MCCi LLC, a Florida corporation (“Assignee” or “Contractor”), and the County of Fresno, a political subdivision of the State of California (“County”).

## Recitals

A. The County and the Assignor entered into County Agreement No. A-25-026, dated January 28, 2025 (“Agreement”), for the Assignor to provide software licenses, maintenance, and support for Laserfiche Document Management Systems.

B. The Assignor informed the County in writing, with a letter dated May 1, 2025, that it has merged with the Assignee and now together operate under the Assignee's legal entity.

C. Section 14.3 of the Agreement allows for the assignment of the Agreement with the written consent of both parties. The Assignor wishes to assign, transfer, and delegate all of its rights, benefits, responsibilities, and obligations under the Agreement to the Assignee.

D. The Assignee represents that it is willing and qualified to accept the assignment of rights and delegation of obligations of the Assignor under the Agreement and agrees to each term and condition of the Agreement.

E. The Assignor represents that it does not have any claims against the County, including claims for payments.

F. The County and the Assignor now desire to assign the Agreement to the Assignee.

The parties therefore agree as follows:

## Assignment

1. The Assignor hereby assigns to the Assignee all of the Assignor's rights and interests in and to the Agreement; and further delegates to the Assignee all of the Assignor's duties, obligations of performance, and liabilities under the Agreement.

## Acceptance

2. The Assignee hereby accepts from the Assignor such assignment of the Agreement, and

3. The Assignee agrees, as a direct obligation to the County and without qualification or reservation of rights, to perform each and every one of the Assignor's obligations and responsibilities under the Agreement as though the Assignee was the signatory party to the Agreement in lieu of the Assignor. As such, the Assignee agrees that its liability under the Agreement shall include liability accruing as a result of the Assignor's, as well as Assignee's, performance or failure to perform its obligations under the Agreement. By its acceptance of said obligations of the Assignor under the Agreement, the Assignee further agrees to hold the Assignor harmless from any liability for performance or nonperformance of such obligations, from and after the effective date of this assignment throughout the remaining term of the Agreement.

4. The Assignee represents to the County that the Assignee's agent for service of process is in California, and that such agent's address for receiving such service of process in California, which information the Contractor shall maintain with the office of the California Secretary of State, is as follows:

1505 Corporation  
CSC – Lawyers Incorporating Services  
2710 Gateway Oaks Drive  
Sacramento, CA 95833

The Assignee further represents to the County that if the Assignee changes its agent for service of process in California, or the Assignee's agent for service of process in California changes its address for receiving such service of process in California, which changed information the Assignee shall maintain with the office of the California Secretary of State, the Assignee shall give the County written notice thereof within five calendar days thereof pursuant to Article 5 of Agreement No. A-25-026.

12 through (5), and agrees that each other party may rely upon that representation. This  
13 Assignment is not conditioned upon the parties conducting the transactions under it by  
14 electronic means and either party may sign this Assignment with an original handwritten
