Dear Board of Supervisors:

I am writing to support Ashley Atkinson's application for the sale of beer and wine at 53830 N Highway 245 in Pinehurst. Our area does not have any convenience or grocery stores, and we have to drive for over an hour on mountain roads to buy anything. Having a market with beer and wine sales in our neighborhood would make living here more convenient, safe, and prosperous for residents. This area also hosts a lot of tourists visiting Sequoia National Park. This business would help improve the economy for those in the area offering services by making the area much less difficult for visitors to navigate & more livable for people working in the park and other service jobs.

Ashley is someone I've known for around 10 years. Her commitment to civil service and improving various impacts on communities has been demonstrated during her ongoing career serving various municipalities. I believe that she genuinely cares about contributing to a thriving community. We're lucky to have such a competent, knowledgeable, and caring individual opening their business in our charming little town. We're looking forward to seeing her business open ASAP because we truly need it.

Sincerely,

Megan Graham

CLERK. BOARD OF SUPERVISORS

TO:

Fresno Co. Board of Supervisors  
Regarding: Ashley Atkinson, 53830 N Hwy 245

I've been living up  
in Pinewhurst area since  
2013. The Pinewhurst Lodge  
now is currently closed  
due to new owners. I believe  
they haven't been up  
to par with their business.

Ashley Atkinson is  
my employer. I've been  
working for her for  
6 years now. She's very  
professional on managing  
her property up here in  
Pinewhurst. We've been doing  
upgrades on water management  
to landscaping and runs  
a little B+B there. Ashley  
wants to open a store  
there also. I and other  
residents up here think that  
she would be excellent and  
successful at running a  
safe and profitable store.

Since i've been working for Ashley i've had no issues of communication or Money or any kind of related issues.

Ashley is very successfull at Assistant director of Planning and Development Dept. in The City of Fresno. Her education include Levine AFFordable housing Development Program at UCLA Anderson.

The Pinelhurst Lodge hasn't been providing the Community with the Sales it needs and Satisfy the Community with their Services.

Ashley new store will bring a new bussiness and hope for the Community for goods and Services the store would provide. I approve of the Beer and Wine Sales in The New Pinelhurst Store That Ashley will open.

The Pinehurst Lodge has about 2 yrs of new ownership, it just hasn't been keeping the community satisfied. The beer is expensive there to. Food is o.k.

I think you should give Ashley a chance at selling wine & beer at her store (ABC License). I support Ashleys application and hopefully the store will also provide the community with goods if needs to be happy with also its a little ways driving to Clingias Junction from here back and forth for supplies and so forth.

**Subject:** Public comment regarding Type 20 ABC license for Pinehurst Market, LLC

[Report Suspicious](#)

Dear Clerk of the Board,

I am writing to submit a public comment regarding the application by Pinehurst Market, LLC for a determination of Public Convenience or Necessity related to a Type 20 (Off-Sale Beer and Wine) ABC license at 53830 N Highway 245, Miramonte, California.

I am the owner and operator of Pinehurst Lodge Bar & Grill, located approximately 430 feet from the proposed site. Pinehurst Lodge Bar & Grill operates under a valid California ABC Type 47 (On-Sale General – Eating Place) license, which legally permits the sale of beer and wine by the bottle for off-site consumption. Accordingly, beer and wine for off-site purchase are already legally available within immediate walking distance of the proposed location.

Given the extremely close proximity of the two locations and the existing availability of beer and wine for off-site consumption, I do not believe the proposed license satisfies the requirement of Public Convenience or Necessity. The proposed Type 20 license would duplicate existing services within the same highway access area, serve the same customer base, and contribute to over-concentration of alcohol outlets in a small rural corridor.

I respectfully request that this public comment be included in the official record and considered as part of the Board's review for the January 27, 2026 hearing.

Thank you for your time and consideration.

Sincerely,  
Trivikram Ramayanam Muni (Ricky Muni)
