

2025 Board of Retirement Election
of the
Fresno County Employees' Retirement Association
(Alternate Retired Member Seat No. 8)
Retirement Administrator's Certification

To: The Board of Supervisors of the County of Fresno:

I, Donald Kendig, in my official capacity as Retirement Administrator for the Fresno County Employees' Retirement Association ("FCERA") hereby state the following facts relating to my activities in such official capacity, which facts are within my direct personal knowledge, and which I certify as true:

On September 5, 2025, under the Board of Supervisors Amended Elections Procedures for Board of Retirement elections, adopted June 22, 2021 ("Election Procedures"), I provided or caused to be provided appropriate and timely notice that an all-mail election for the Retired Member Seat No. 8 on the Board of Retirement and an all-mail election for the Alternate Retired Member Seat No. 8 for the Board of Retirement will be held on November 20, 2025. The close of nominations for such elections was September 26, 2025.

I have determined that James E. Hackett is a duly nominated and eligible candidate for the 2025 Board of Retirement Election, for Alternate Retired Member Seat No. 8, and was unopposed at the close of nominations for such election under the Election Procedures and I will be submitting a Board of Supervisors agenda item to cast the official ballot for that seat. We received two candidates for the 2025 Board of Retirement Election, for Retired Member Seat No. 8, and will be moving forward with the all-mail election per the Election Procedures.
